Effective November 20, 2014, SL Industries, Inc. (the "Company") entered into indemnification agreements (the "Indemnification Agreements") with each of the Company's directors and with each of William T. Fejes, Jr., the Company's Chief Executive Officer and President and Louis J. Belardi, the Company's Chief Financial Officer, Secretary and Treasurer. The Indemnification Agreements contractually obligate the Company to indemnify each director and officer party to an Indemnification Agreement and to advance expenses on behalf of each such director or officer. The Company's obligations under the Indemnification Agreements are in addition to any other rights the indemnified director or officer may otherwise be entitled to by operation of law, vote of the Company's stockholders or directors or otherwise (including under the Company's certificate of incorporation and bylaws).

The foregoing description of the Indemnification Agreements does not purport to be complete and is qualified in its entirety by reference to the form Indemnification Agreement, which is attached as Exhibit 10.1 to this Current Report on Form 8-K and incorporated by reference.

**Item 2.01. Completion of Acquisition or Disposition of Assets.**

On November 17, 2014 (the "Closing Date"), SL Delaware Holdings, Inc. ("Seller"), a wholly-owned subsidiary of the Company, entered into a definitive Stock Purchase Agreement (the "Purchase Agreement") with Hubbell Power Systems, Inc. ("Purchaser") pursuant to which on the Closing Date Seller sold all of the issued and outstanding capital stock of RFL Electronics Inc. ("RFL") to Purchaser for aggregate cash consideration of \$20,000,000, subject to a post-closing working capital adjustment set forth in the Purchase Agreement (the "Transaction"). A portion of the cash consideration (\$2,000,000, subject to adjustment after nine months), is being held in escrow to secure the indemnification obligations of Seller.

The Purchase Agreement also provides that the Company will guarantee to Purchaser the performance by Seller of all of Seller's obligations under the Purchase Agreement, and imposes certain indemnification, non-competition and other customary post-closing obligations on Seller and/or the Company, in each case, as more fully set forth in the Purchase Agreement. The Seller and the Company, on the one hand, and the Purchaser and its affiliates, on the other hand, have no relationships, including common officers, directors or control persons.

RFL designs and manufactures communication and power protection products/systems that are used to protect electric utility transmission lines and apparatus by isolating faulty transmission lines from a transmission grid. These products are sophisticated communication systems that allow electric utilities to manage their high-voltage power lines more efficiently. RFL also provides products and systems used by rail and highway industries. RFL provides systems design, commissioning, training, customer service, and maintenance for all of its products. RFL's operations are located in Boonton-Township, New Jersey.

The foregoing description of the Transaction and the Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the Purchase Agreement, which is attached as Exhibit 2.1 to this Current Report on Form 8-K and incorporated by reference.

The unaudited pro forma financial statements of the Company giving effect to the foregoing transaction are attached as Exhibit 99.1 to this Current Report on Form 8-K and incorporated by reference.
