ITEM 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensation Arrangements of Certain Officers

On December 15, 2014, Universal Insurance Holdings, Inc. (Company) entered into amended employment agreements with Jon W. Springer, Executive Vice President and Chief Operating Officer, and Stephen J. Donaghy, Chief Administrative Officer, extending their employment by one year through December 31, 2015.

Mr. Springer's base salary will be frozen for 2015 and will remain \$1,340,625. His annual incentive performance bonus for 2015 will be determined by the same formula as in 2014, at 2.5% of the Company's income before taxes, and will be awarded under the Company's previously approved 2009 Omnibus Incentive Plan, as amended (Plan). Mr. Donaghy's base salary will also be frozen for 2015 and will remain \$804,375. His annual incentive performance bonus for 2015 will be determined by the same formula as in 2014, at 1.5% of the Company's net income, and will be awarded under the Plan.

Other than incidental technical clarifications, the amendments do not otherwise modify the terms of the existing employment agreements.

The Company's Compensation Committee is undertaking a coordinated and comprehensive review of the Company's executive compensation program following the say on pay vote that passed by a narrow margin at the Company's 2014 annual meeting of shareholders. In order to provide the necessary time and resources for such a review, the Compensation Committee approved the one-year extensions of Messrs. Springer's and Donaghy's employment agreements, which would otherwise expire on December 31, 2014, and will coordinate their future agreements with that of Sean P. Downes, the Company's Chairman, President and Chief Executive Officer, whose employment agreement will also expire on December 31, 2015.

The preceding summary of the amendments does not purport to be complete and is qualified in its entirety by reference to the full text of the amendments, which are attached hereto as Exhibits 10.1 and 10.2 and incorporated by reference.
