Item 8.01. Other Events.

On December 24, 2014, NetScout Systems, Inc. received a request for additional information (second request) from the Department of Justice (DOJ) in connection with NetScout s proposed acquisition of Danaher Corporation s Communications business. The second request was issued under notification requirements of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (HSR Act).

The effect of the second request is to extend the waiting period imposed by the HSR Act until 30 days after both NetScout and Danaher have substantially complied with the request, unless that period is extended voluntarily by the parties or terminated sooner by the DOJ. NetScout will continue to cooperate fully with the DOJ.

The transaction remains on schedule to close in the summer of 2015, which is the first half of NetScout s fiscal year 2016. In addition to regulatory approval, the completion of the transaction is also subject to approval by NetScout shareholders, and other customary closing conditions, as well as the receipt by Danaher of a ruling by the U.S. Internal Revenue Service and an opinion of counsel regarding certain tax matters.
