**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

**Beneficial Ownership Table**

The following table sets forth certain information regarding the beneficial ownership of our Common Stock as of the record date. The information is provided with respect to (1) each person who is known by us to own beneficially more than 5% of the outstanding shares of Common Stock, (2) each of our directors, (3) each of our named executive officers and (4) all of our directors and executive officers, as a group.

Beneficial ownership is determined in accordance with the rules of the SEC, which deem a person to beneficially own any shares the person has or shares voting or dispositive power over and any additional shares obtainable within 60 days through the exercise of options, warrants or other purchase rights. Shares of Common Stock subject to options, warrants or other rights to purchase that are currently exercisable or are exercisable within 60 days of the record date (including shares subject to restrictions that lapse within 60 days of the record date) are deemed outstanding for purposes of computing the percentage ownership of the person holding such shares, options, warrants or other rights, but are not deemed outstanding for purposes of computing the percentage ownership of any other person. Unless otherwise indicated, each person possesses sole voting and investment power with respect to the shares identified as beneficially owned. An asterisk indicates beneficial ownership of less than 1% of the Common Stock outstanding.
