Item 1.01 Entry into a Material Definitive Agreement

On May 15, 2015, STERIS Corporation (the Company or STERIS) entered into a Note Purchase Agreement with various institutional investors (the Note Purchase Agreement), providing for the private issuance and sale on the same date by the Company of \$350 million in aggregate principal amount of the Company's Series A Senior Notes (the Senior Notes). The Company's obligations under the Note Purchase Agreement and the Senior Notes are unsecured but guaranteed by certain of the Company's domestic subsidiaries pursuant to an Affiliate Guaranty. The net proceeds of the sales will be used to repay debt and for other corporate purposes. On May 15, 2015, the Company repaid all outstanding debt under its bank credit facility. A total of \$690 million of fixed rate debt of the Company was outstanding after giving effect to the sale of the Senior Notes.

The Senior Notes have maturities of 10, 12 and 15 years. Details are as follows:

Series	Aggregate Principal		Interest Rate	Maturity Date
		Amount		
A-1	\$	125 million	3.45%	5/14/25
A-2	\$	125 million	3.55%	5/14/27
A-3	\$	100 million	3.70%	5/14/30

The weighted average maturity and interest rates of the Senior Notes are approximately 12.1 years and 3.56% respectively. The Senior Notes are payable in full together with accrued and unpaid interest at their specified maturities or are payable in whole or in part on such earlier dates as may be required or permitted by the terms of the Note Purchase Agreement. Interest on the Senior Notes accrues from May 15, 2015 and is payable in arrears, beginning in November, 2015 and every 6 months thereafter. Depending on the circumstances, a prepayment penalty may be payable for prepayments made prior to stated maturity.

The Note Purchase Agreement contains customary representations and warranties and covenants, including restrictions on liens, limitations on dispositions, leverage limitations and interest coverage requirements. The Note Purchase Agreement also contains customary events of default, which include payment and other covenant defaults, breaches of representations and warranties, certain defaults in respect of other material indebtedness and certain ERISA defaults or failures to pay money judgments. Upon the occurrence of any of these events the Company's payment obligations under the Senior Notes could be accelerated.

As a result of the execution of the Note Purchase Agreement and issuance of the Senior Notes, under the terms of the Amended and Restated 364-Day Bridge Credit Agreement (Bridge Agreement) dated March 31, 2015 of the Company and New STERIS Limited with Bank of America, N.A. as administrative agent and the lenders party thereto, the commitments of the Bridge Agreement lenders were reduced by \$297.45 million. This resulted in new Bridge Agreement commitments of \$232.55 million and £340 million.

A number of the Senior Note purchasers also hold notes issued by the Company in 2003, 2008 and 2012-13 private placements.

The above summary of certain terms and conditions of the Note Purchase Agreement does not purport to be a complete discussion of that agreement or related documents and is qualified in its entirety by reference to the Note Purchase Agreement, a copy of which is attached to this report as Exhibit 10.1. Capitalized terms used above and not defined herein have the meanings given under the Note Purchase Agreement.

The Note Purchase Agreement and Affiliate Guaranty attached to this report and the above description have been included to provide investors and security holders with information regarding the terms of such documents. They are not intended to provide any other factual information about the Company or its respective subsidiaries or affiliates or

equity holders. The representations, warranties and covenants contained in such documents were made only for purposes of those agreements and as of specific dates; were solely for the benefit of the parties to such documents, as applicable; and may be subject to limitations agreed upon by the parties, including being qualified by confidential disclosures made by each contracting party to the other for the purposes of allocating contractual risk between them that differ from those applicable to investors. Investors should be aware that the representations,

warranties and covenants or any description thereof may not reflect the actual state of facts or condition of the Company or any of its respective subsidiaries, affiliates, businesses, or equity holders. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of such documents, as applicable, which subsequent information may or may not be fully reflected in public disclosures by the Company. Accordingly, investors should read the representations and warranties in such documents not in isolation but only in conjunction with the other information about the Company that it includes in reports, statements and other filings it makes with the U.S. Securities and Exchange Commission.

Disclosure requirements of the UK Takeover Code

Under Rule 8.3(a) of the Code, any person who is interested in 1% or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 pm (London time) on the 10th business day following the commencement of the offer period and, if appropriate, by no later than 3.30 pm (London time) on the 10th business day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in 1% or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person

deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror, save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 pm (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Takeover Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

Other potential risks and uncertainties that could cause actual results to differ materially from those in the

Important Additional Information Regarding the Transaction Will Be Filed With the SEC

Following its conversion to a public limited company, it is expected that the shares of New STERIS to be issued to Synergy Shareholders in the English law scheme of arrangement transaction that forms a part of the transaction will be issued in reliance upon the exemption from the registration requirements of the Securities Act of 1933, as amended, provided by Section 3(a)(10) thereof.

In connection with the issuance of New STERIS shares to STERIS shareholders pursuant to the merger that forms a part of the transaction, New STERIS has filed with the SEC a Registration Statement on Form S-4, which was declared effective on February 6, 2014, that contains a proxy statement of STERIS as well as a prospectus of New STERIS relating to the merger that forms a part of the transaction, which we refer to together as the Proxy Statement/Prospectus.

INVESTORS AND SECURITY HOLDERS ARE URGED TO READ THE PROXY STATEMENT/PROSPECTUS, AND OTHER DOCUMENTS FILED WITH THE SEC IN CONNECTION WITH THE TRANSACTION CAREFULLY AND IN THEIR ENTIRETY, BECAUSE THEY CONTAIN IMPORTANT INFORMATION ABOUT THE TRANSACTION, THE PARTIES TO THE TRANSACTION AND THE RISKS ASSOCIATED

Edgar Filing: STERIS CORP - Form 8-K

Please call the SEC at (800) 732-0330 or visit the SEC's website for further information on its public reference room.

STERIS, its directors and certain of its executive officers may be considered participants in the solicitation of proxies in connection with the transactions contemplated by the Proxy Statement/Prospectus. Other information regarding potential participants in the proxy solicitations and a description of their direct and indirect interests, by security holdings or otherwise, is contained in the Proxy Statement/Prospectus.

Synergy and New STERIS are each organized under the laws of England and Wales. Some of the officers and directors of Synergy and New STERIS are residents of countries other than the United States. As a result, it may not be possible to sue Synergy, New STERIS or such persons in a non-US court for violations of US securities laws.
