Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On July 29, 2015, at the Annual Meeting of Stockholders (the 2015 Annual Meeting) of McKesson Corporation (the Company), stockholders reapproved the performance measures available under the Company s Management Incentive Plan (the MIP) so that awards made under the MIP may continue to qualify as performance-based compensation under federal tax regulations. The MIP was amended by the Compensation Committee of the Board of Directors (the Board) at its May 26, 2015 meeting primarily to add two additional performance measures, which were subject to stockholder approval. A summary of the material terms of the MIP is set forth in the Company s definitive proxy statement filed with the Securities and Exchange Commission (the SEC) on June 15, 2015 (the Definitive Proxy Statement). A copy of the MIP is attached hereto as Exhibit 10.1 and incorporated herein by reference.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

At the 2015 Annual Meeting, stockholders approved amendments to the Company s Amended and Restated By-Laws to allow eligible stockholders to place their own director nominees on the Company s proxy card, along with the candidates nominated by the Board (the Proxy Access By-Law Amendments). The Proxy Access By-Law Amendments specify a three-percent/three-year holding requirement for eligibility and state that an eligible stockholder or group of stockholders who complies with the specified procedural and disclosure requirements may include stockholder-nominated director candidates in the Company s proxy materials to fill up to 20% of the available board seats. A summary of the Proxy Access By-Law Amendments is set forth in the Company s Definitive Proxy Statement. A copy of the Amended and Restated By-Laws is attached hereto as Exhibit 3.1 and incorporated herein by reference.

Each of the items considered at the 2015 Annual Meeting is described in further detail in the Definitive Proxy Statement. No item other than the seven items addressed above and described in the Definitive Proxy Statement was submitted at the 2015 Annual Meeting for stockholder action.

- ¹ Under the Company's majority voting standard, the election of a nominee required that the nominee receive a majority of the votes cast (that is, the number of votes cast for each nominee had to exceed the number of votes cast against such nominee). Therefore, abstentions and broker non-votes were required to be disregarded and had no effect on the vote results.
- ² Approval of each proposal with this footnote designation required the affirmative vote of a majority of the shares present, in person or by proxy, and entitled to vote on the proposal at the 2015 Annual Meeting. Therefore, abstentions, which represented shares present and entitled to vote, had the same effect as a vote against the proposal. Broker non-votes, if any, were required to be disregarded and had no effect on the vote results.
- ³ Approval of this proposal required the affirmative vote of a majority of the votes cast. Abstentions had the effect of a vote against the matter. Broker non-votes were required to be disregarded and had no effect on the vote results.
- ⁴ Approval of this proposal required the affirmative vote of a majority of the shares outstanding and entitled to vote on this proposal at the 2015 Annual Meeting. Shares represented by abstentions or broker non-votes on this proposal had the effect of a vote against the matter.
