Item 8.01 Other Events.

On December 1, 2015, Expedia, Inc. (Expedia or the Company), entered into an agreement which will result in the private placement of \$750 million of 5.000% senior unsecured notes due 2026 (the Notes). The Notes will be issued at a price of 99.535% of the aggregate principal amount. The Notes will be guaranteed by certain subsidiaries of Expedia. Expedia expects to use the net proceeds from the private placement of the Notes to fund a portion of the cash consideration payable in connection with its previously announced proposed acquisition of HomeAway, Inc. (HomeAway) and/or refinance existing HomeAway indebtedness and for other general corporate purposes. The private placement of the Notes is expected to close on December 8, 2015. The closing is subject to customary closing conditions, and there can be no assurance that the issuance and sale of the Notes will be consummated.

On December 1, 2015, the Company issued a press release announcing the pricing of the private offering of the Notes. A copy of the press release is attached hereto as Exhibit 99.1.

The Notes will be offered and sold only to qualified institutional buyers in the United States pursuant to Rule 144A and outside the United States pursuant to Regulation S under the Securities Act of 1933, as amended (the Securities Act). The Notes have not been registered under the Securities Act or any state securities laws and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and applicable state laws.

This notice does not constitute an offer to sell or a solicitation for an offer to purchase the Notes or any other securities and does not constitute an offer, solicitation or sale in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful.

Forward-Looking Statements

This Current Report on Form 8-K contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These statements are not guarantees of future performance. These forward-looking statements reflect views and assumptions regarding expectations and projections about future events and are based on currently available information. Actual results and the timing and outcome of events may differ materially from those expressed or implied in these forward-looking statements for a variety of reasons, including, but not limited to: an increasingly competitive global environment; risks related to our dynamic industry; changes in search engine algorithms and dynamics or other traffic-generating arrangements; our failure to maintain and expand our relationships and contractual agreements with travel suppliers or travel distribution partners; our failure to maintain and expand our brand awareness or increased costs to do so; our failure to invest in and adapt to technological developments or industry trends; risks related to our acquisitions, investments or significant commercial arrangements; risks related to our operations in international markets, including China; our failure to comply with current laws, rules and regulations, or changes to such laws, rules and regulations; application of existing tax laws, rules or regulations; amendments to existing tax laws, rules or regulations or enactment of new unfavorable tax laws, rules or regulations; adverse outcomes in legal proceedings to which we are a party; declines or disruptions in the travel industry; payments-related and fraud risks; fluctuations in foreign exchange rates; volatility in our stock price; liquidity constraints or our inability to access the capital markets when necessary or desirable; system interruption, security breaches or lack of redundancy in our information systems;

Other unknown or unpredictable factors also could have a material adverse effect on our business, financial condition and results of operations. In addition, in light of these risks and uncertainties, the matters referred to in the forward-looking statements contained in this Current Report on Form 8-K may not in fact occur.
