Item 3. Source and Amount of Funds or Other Consideration.

The information set forth or incorporated in Item 4 is incorporated herein by reference.

Alaska Air Group may be deemed to have acquired beneficial ownership of 10,517,156 shares of Voting Common Stock pursuant to the Support Agreement (as defined below) and certain irrevocable proxies to vote such shares of Voting Common Stock granted thereunder.

In connection with the Agreement and Plan of Merger, dated as of April 1, 2016 (the **Merger Agreement**), by and among Alaska Air Group, Alpine Acquisition Corp., a Delaware corporation and wholly-owned subsidiary of Alaska Air Group (**Merger Sub**), and Virgin America, which is attached hereto as Exhibit 99.1, and as a condition and inducement to Alaska Air Group's willingness to enter into the Merger Agreement, Alaska Air Group entered into the Support Agreement, dated as of April 1, 2016 (the **Support Agreement**), with Cyrus Aviation Holdings, LLC, and Cyrus Capital Partners, L.P. (together, the **Supporting Stockholder**), which is attached hereto as Exhibit 99.2.

As described in response to Item 4, the shares of Common Stock owned by the Supporting Stockholder have not been purchased by Alaska Air Group, and thus no funds were used for such purpose. Alaska Air Group did not pay any monetary consideration to the Supporting Stockholder in connection with the execution and delivery of the Support Agreement. For a description of the Support Agreement, see Item 4 below, which description is incorporated by reference to this Item 3.

Item 4. Purpose of Transaction.

The purpose of the Support Agreement is to facilitate the consummation of the transactions contemplated by the Merger Agreement.

Merger Agreement

Pursuant to the terms and subject to the conditions of the Merger Agreement, Merger Sub will merge with and into Virgin America (the **Merger**) with Virgin America surviving the Merger (the **Surviving Corporation**) as a direct, wholly-owned subsidiary of Alaska Air Group. At the effective time of the Merger (the **Effective Time**) each share of Virgin America's Common Stock issued and outstanding immediately prior to the Effective Time, other than shares owned by Virgin America, Parent, Merger Sub or by Virgin America stockholders who have perfected and not withdrawn a demand for appraisal rights under Delaware law, will be converted into the right to receive \$57.00 in cash, without interest (the **Merger Consideration**).

Each of Alaska Air Group and Virgin America made certain representations, warranties and covenants in the Merger Agreement, including, among others, covenants by Virgin America to conduct its business in the ordinary course during the period between the execution of the Merger Agreement and the consummation of the Merger. The completion of the Merger is subject to certain conditions, including approval by the holders of Voting Common Stock, the absence of any material adverse effect on Virgin America's business, expiration of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and receipt of any required approvals from the U.S. Federal Aviation Administration and the U.S. Department of Transportation.

Upon the consummation of the Merger, (i) the directors of Merger Sub immediately prior to the effective time of the Merger will be the directors of the Surviving Corporation until the next annual meeting of stockholders of the Surviving Corporation (or their earlier resignation or removal) and until their respective successors are duly elected and qualified, as the case may be, (ii) the officers of Merger Sub immediately prior to the effective time of the Merger shall be the officers of the Surviving Corporation until the earlier of their resignation or removal or until their respective successors are duly appointed and qualified, as the case may be, (iii) the certificate of incorporation of the Surviving Corporation will be amended to read in its entirety in the form set forth in Exhibit A to the Merger Agreement, and (iv) the bylaws of Merger Sub immediately prior to the Effective Time will become the bylaws of the Surviving Corporation.

If the Merger is consummated as planned, the shares of Common Stock will be deregistered under the Securities Exchange Act of 1934, as amended (the **Exchange Act**), and delisted from the NASDAQ Global Select Market.

Support Agreement

In connection with the Merger Agreement, the Supporting Stockholder, in its capacity as a stockholder of Virgin America, entered into the Support Agreement.

The Support Agreement requires the Supporting Stockholder to vote (or cause to be voted) the Supporting Stockholder's Subject Shares (as defined in the Support Agreement) (i) in favor of the adoption of the Merger Agreement and approval of the Merger and the other transactions contemplated by the Merger Agreement, (ii) in favor of any proposal to adjourn or postpone any meeting of the stockholders of Virgin America to solicit additional votes if there are not sufficient votes for the adoption of the Merger Agreement on the date on which such meeting is held, (iii) in favor of any other matter necessary for consummation of the transactions contemplated by the Merger Agreement that is considered at such meeting, and (iv) against any Acquisition Proposal (as defined by the Merger Agreement) and against certain other actions that would reasonably be expected to interfere with the consummation of the Merger. Pursuant to the Support Agreement, the Supporting Stockholder waives appraisal rights and provides an irrevocable proxy appointing Alaska Air Group as the Supporting Stockholder's proxy and attorney-in-fact to vote the Supporting Stockholder's Subject Shares in accordance with the foregoing.

The Support Agreement and the irrevocable proxy granted pursuant to the Support Agreement will terminate upon the earliest to occur of (a) the Effective Time, (b) the termination of the Merger Agreement in accordance with its terms and (c) the entry without the prior written consent of the Supporting Stockholder of any amendment to the Merger Agreement which results in a decrease in, or change in the composition of, the Merger Consideration.

Until the Support Agreement terminates in accordance with its terms, the Supporting Stockholder (x) is prohibited from transferring any Subject Shares beneficially owned by the Supporting Stockholder, subject to certain exceptions, and (y) agreed to certain restrictions on soliciting, or entering into discussions and negotiations with respect to, Acquisition Proposals.

The foregoing description of the Merger Agreement and Support Agreement does not purport to be complete and is qualified in its entirety by reference to the copy of the Merger Agreement and the Support Agreement included as Exhibits 99.1 and 99.2, respectively, to this Statement, and such agreements are incorporated by reference herein in their entirety where such references and descriptions appear.

Except as set forth in this Item 4 and in connection with the transactions contemplated by the Merger Agreement and the Support Agreement, Alaska Air Group does not have, and, to the knowledge of Alaska Air Group, none of the persons set forth on Schedule A hereto has, any plans or proposals that relate to or would result in any of the actions specified in clauses (a) through (j) of Item 4 of Schedule 13D (although Alaska Air Group reserves the right to develop such plans).

The Merger Agreement has been attached as an exhibit to provide investors and security holders with information regarding its terms. It is not intended to provide any other factual information about Virgin America or Alaska Air Group. The representations, warranties and covenants contained in the Merger Agreement were made only for the purposes of such agreement and as of specified dates, were solely for the benefit of the parties to such agreement, and may be subject to limitations agreed upon by the contracting parties. The representations and warranties may have been made for the purposes of allocating contractual risk between the parties to the agreement

instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors are not third-party beneficiaries under the Merger Agreement and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of Virgin America, Alaska Air Group or any of their respective subsidiaries or affiliates. In addition, the assertions embodied in the representations and warranties contained in the Merger Agreement are qualified by information in a confidential disclosure schedule that the parties have exchanged. Accordingly, investors should not rely on the representations and warranties as characterizations of the actual state of facts, since (i) they were made only as of the date of such agreement or a prior, specified date, (ii) in some cases they are subject to qualifications with respect to materiality, knowledge and/or other matters and (iii) they may be modified in important part by the underlying confidential disclosure schedule. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in Virgin America's or Alaska Air Group's public disclosures.

Item 5. Interest in Securities of the Issuer.

(a)-(b) Alaska Air Group does not directly own any shares of Voting Common Stock. However, as described in Item 3 of this Statement, as a result of the Support Agreement, Alaska Air Group may be deemed for purposes of Rule 13d-3 promulgated under the Exchange Act to be the beneficial owner of 10,517,156 shares of Voting Common Stock. Alaska Air Group does not have sole voting or sole dispositive power with respect to any of such shares of Voting Common Stock, but may be deemed to have shared voting power with respect to all shares of Voting Common Stock. Alaska Air Group may be deemed to share with the Supporting Stockholder the power to vote such shares of Voting Common Stock solely with respect to those matters described in Item 4 of this Statement and in the Support Agreement, which are incorporated herein by reference. Other than as a result of the restrictions on transfer described under Item 4 above which preclude the sale or other transfer of the Subject Shares during the term of the Support Agreement, to the knowledge of Alaska Air Group, the Supporting Stockholder has sole dispositive power over, and the power to direct the proceeds from the sale of, the Subject Shares.

Except as described in this Statement, neither Alaska Air Group nor any person listed on Schedule A hereto has any equity or other ownership interest in Virgin America.
