Item 8.01 Other Information

On April 10, 2013, the U.S. District Court for the Western District of Oklahoma consolidated five putative shareholder derivative actions (the Federal Shareholder Derivative Litigation) under the caption In re SandRidge Energy, Inc. Shareholder Derivative Litigation. As described in further detail in the Quarterly Report on Form 10-Q for the period ended June 30, 2015 filed by SandRidge Energy, Inc. (SandRidge or the Company), and in the Notice of Proposed Settlement of Shareholder Derivative Litigation filed as exhibit 99.1 to this report, the plaintiffs in the Federal Shareholder Derivative Litigation have asserted a variety of claims derivatively on behalf of the Company, including claims against certain individual defendants who are current or former officers or directors of the Company, and claims against certain other parties.

On December 22, 2015, the Court granted final approval to a partial settlement among the derivative plaintiffs, the Special Litigation Committee of the Company s board of directors, and individual defendants Jim J. Brewer, Everett R. Dobson, William A. Gilliland, Daniel W. Jordan, Roy T. Oliver, Jr., Jeffrey S. Serota, and Tom L. Ward. Under the terms of this settlement, SandRidge agreed to implement or maintain certain corporate governance reforms, and the insurers for the individual defendants paid \$38 million to an escrow fund, which is being used to pay certain expenses arising from pending securities litigation and, to the extent funds remain after paying such expenses, will be paid to the Company without any further restrictions on the Company s use of such funds. This settlement did not resolve the derivative plaintiffs claims against defendants WCT Resources, L.L.C., 192 Investments, L.L.C., and TLW Land & Cattle, L.P.

On March 31, 2016, the derivative plaintiffs, the Special Litigation Committee, and remaining defendants WCT Resources, L.L.C., 192 Investments, L.L.C., and TLW Land & Cattle, L.P. executed a Stipulation of Settlement, which would resolve the remaining claims in the action. Under the terms of this settlement, the remaining defendants would make a payment of \$500,000, minus taxes, expenses, and incentive awards, to SandRidge. Counsel for the derivative plaintiffs have agreed that they will not seek reimbursement of expenses in excess of \$120,000. Counsel for the derivative plaintiffs have also agreed that they will not seek incentive awards for the two named plaintiffs in excess of \$15,000 each.

On April 6, 2016, the District Court issued an Order granting preliminary approval of the March 31 settlement and establishing procedures for notice to shareholders and consideration of any shareholder objections to the settlement. The April 6 Order also set a hearing for final approval of the settlement on June 15, 2016. Additional information can be found in the Notice of Proposed Settlement of Shareholder Derivative Litigation, a copy of which is filed as exhibit 99.1 to this report, and the Stipulation of Settlement, which is available on the Company s website at <http://investors.sandridgeenergy.com/investor-relations/Derivative-Litigation-Settlement/>.
