- .. Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Item 1.01 Entry into a Material Definitive Agreement

On May 19, 2016, Tesla Motors, Inc. (the Company) entered into an underwriting agreement (the Underwriting Agreement) with Morgan Stanley & Co. LLC and Goldman, Sachs & Co., as representatives of the several underwriters named in Schedule I thereto (the Underwriters), and Elon Musk, the Company's Chief Executive Officer, pursuant to which (i) the Company agreed to issue and sell 6,519,656 shares of the Company's common stock, par value \$0.001 per share (the Common Stock) and (ii) Mr. Musk agreed to offer and sell 2,782,670 shares of Common Stock, in a public offering pursuant to a Registration Statement on Form S-3 (File No. 333- 211437) (the Registration Statement) and a related prospectus, including the related prospectus supplement, filed with the Securities and Exchange Commission (the Offering). In addition, the Company granted the Underwriters an option to purchase up to an additional 1,395,348 shares of Common Stock. The Underwriters notified the Company of the exercise in full of their option to purchase the additional shares on May 23, 2016, and the Offering, including the sale of shares of Common Stock subject to the Underwriters' option, closed on May 25, 2016.

The net proceeds from the Offering to the Company were approximately \$1.7 billion, after deducting underwriting discounts and commissions and estimated offering expenses. The Company did not receive any proceeds from the sale of shares by Mr. Musk. In connection with the Offering, Mr. Musk exercised stock options for 5,503,972 shares of Common Stock that were set to expire on December 3, 2016 (the Option Exercise) and sold 2,782,670 of those shares in the Offering. All of the net proceeds Mr. Musk received upon such sale were used to satisfy taxes incurred in connection with the Option Exercise. In addition, Mr. Musk donated 1.2 million shares of Common Stock to charity. In aggregate, Mr. Musk was a net buyer of Tesla stock in these transactions. The Underwriting Agreement is filed as Exhibit 1.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Item 8.01. Other Events.

In connection with the Offering, the legal opinion as to the legality of the Common Stock sold is being filed as Exhibit 5.1 to this Current Report on Form 8-K and is incorporated herein and into the Registration Statement by reference.

Item 9.01 Financial Statements and Exhibits

(d) Exhibits.
