ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On June 6, 2016, Tenneco Inc. ("Tenneco") priced an offering of \$500 million of 5.00% senior notes due 2026 (the "Notes"). In connection with the offering of the Notes, Tenneco entered into an Underwriting Agreement (the "Underwriting Agreement") with the subsidiary guarantors named therein and Merrill Lynch, Pierce, Fenner & Smith Incorporated, as representative of the several underwriters named therein (the "Underwriters"). The Underwriting Agreement includes customary representations, warranties and covenants and also provides for customary indemnification against certain liabilities arising out of or in connection with sale of the Notes and for customary contribution provisions in respect of those liabilities. The sale of the Notes is expected to close on or about June 13, 2016, subject to customary closing conditions.

The Notes will be registered under the Securities Act of 1933, as amended, pursuant to Tenneco's registration statement (333-200663) filed with the Securities and Exchange Commission (the "SEC") on December 1, 2014. The terms of the Notes are further described in Tenneco's preliminary prospectus supplement filed with the SEC on June 6, 2016.

Several of the Underwriters and their affiliates have engaged in, and may in the future engage in, financial advisory, investment banking and other commercial dealings in the ordinary course of business with Tenneco or its affiliates, for which they receive customary fees and expense reimbursement.

A copy of the Underwriting Agreement is filed under Item 9.01 as Exhibit 1.1 and is incorporated herein by reference.

ITEM 8.01 OTHER EVENTS.

Also on June 6, 2016, Tenneco announced the pricing of the offering of the Notes. Tenneco intends to use the net proceeds of the offering, together with cash on hand or available liquidity, to purchase any and all of its outstanding \$500 million 6 7/8% senior notes due 2020 tendered in the tender offer launched June 6, 2016 and to redeem any of such notes that are not tendered. Tenneco anticipates that the refinancing will result in an annualized reduction of its interest expense of approximately \$9 million. Tenneco expects to record a charge in the second quarter of approximately \$25 million in respect of the purchase of its 6 7/8% senior notes. The offering of the Notes is not conditioned upon the consummation of the tender offer.

The announcement was contained in a press release, a copy of which is filed under Item 9.01 as Exhibit 99.1 and is incorporated herein by reference.

This Current Report shall not constitute an offer to sell or a solicitation of an offer to buy any security nor shall there be any sale of the Notes in any state or other jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of such state or other jurisdiction. This Current Report also shall not constitute an offer to purchase, nor a solicitation of an offer to sell, the 6 7/8% senior notes due 2020 or any other securities.
