Item 1.01. Entry into a Material Definitive Agreement.

Agreement and Plan of Merger

On September 12, 2016, Horizon Pharma plc, a public limited company organized under the laws of Ireland (Parent), Misneach Corporation, a Delaware corporation and an indirect wholly-owned subsidiary of Parent (Purchaser), and Raptor Pharmaceutical Corp., a Delaware corporation (the Target), entered into a definitive Agreement and Plan of Merger (the Merger Agreement), pursuant to which Parent, through Purchaser, will commence a tender offer (the Offer) to acquire all of the outstanding shares of the Target's common stock, par value \$0.001 per share (the Shares), at a price of \$9.00 per share in cash, without interest thereon (the Offer Price), on the terms and subject to the conditions set forth in the Merger Agreement. If successful, the Offer will be followed by a merger of Purchaser with and into Target, with Target continuing as the surviving corporation and as an indirect wholly-owned subsidiary of Parent.

Completion of the Offer is subject to several conditions, including (i) there shall have been validly tendered and not validly withdrawn Shares that represent one more than 50% of the sum of (A) the total number of Shares outstanding at the time of the expiration of the Offer plus (B) the aggregate number of Shares issuable to holders of stock options of the Target (the Target Options) from which the Target has received valid notices of exercise (including payment of any applicable exercise price) prior to the expiration of the Offer (and as to which Shares have not yet been issued to such exercising holders of Target Options) plus (C) the aggregate number of Shares issuable to holders of 8.0% Convertible Senior Notes due 2019 of the Target (the Target Convertible Notes) from which the Target has received valid notices of conversion prior to the expiration of the Offer (and as to which Shares have not yet been issued to such exercising holders of Target Convertible Notes); (ii) subject to certain materiality exceptions, the truth and accuracy of certain representations and warranties of the Target contained in the Merger Agreement; (iii) the expiration or termination of any applicable waiting period (and extensions thereof) relating to the Offer under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended; (iv) the absence of a material adverse effect on the Target; and (v) certain other customary conditions.

Parent and Purchaser are obligated to commence the Offer within ten business days from the date of the Merger Agreement and to keep the Offer open for twenty business days, subject to possible extension under the terms of the Merger Agreement. Following the completion of the Offer and subject to the satisfaction or waiver of certain conditions set forth in the Merger Agreement, Purchaser will merge with and into the Target, with the Target surviving as an indirect wholly-owned subsidiary of Parent, pursuant to the procedure provided for under Section 251(h) of the General Corporation Law of the State of Delaware without further stockholder approval (the Merger).

At the effective time of the Merger (the Effective Time), by virtue of the Merger and without any action on the part of the holders of any Shares, each outstanding Share (other than any Shares (i) owned by Parent, Purchaser or the Target or by any direct or indirect wholly-owned subsidiary of Parent, Purchaser or the Target), (ii) irrevocably accepted for purchase pursuant to the Offer, or (iii) as to which the holder properly and validly exercises appraisal rights under Delaware law) shall be automatically converted into the right to receive an amount in cash equal to the Offer Price.

Pursuant to the Merger Agreement, (i) effective as of immediately prior to the Effective Time, the vesting of each Target Option that remains outstanding as of immediately prior to the Effective Time shall be accelerated in full, and (ii) effective as of the Effective Time, each Target Option that remains outstanding as of the Effective Time shall be canceled and terminated as of the Effective Time, and each holder of each such Target Option with an exercise price per Share that is less than the Offer Price shall be paid an amount in cash (without interest), if any, equal to the product obtained by multiplying (x) the aggregate number of Shares underlying such Target Option immediately prior to the Effective Time, by (y) the amount, if any, by which the Offer Price exceeds the per share exercise price of such Target Option. Each Target Option that has an exercise price per Share that is equal to or greater than the Offer Price shall be canceled at the Effective Time and terminated without any cash payment or other consideration being made to

such optionholder.

Pursuant to the Merger Agreement, effective as of immediately prior to the Effective Time, (i) the vesting of each award of restricted stock units or performance stock units of the Target (the Target RSU Awards) that remains outstanding as of immediately prior to the Effective Time shall be accelerated in full, (ii) each Target RSU

Award that remains outstanding as of immediately prior to the Effective Time shall be canceled and terminated as of the Effective Time, and (iii) each holder of each such Target RSU Award shall be entitled to be paid an amount in cash (without interest), if any, equal to the product obtained by multiplying (x) the aggregate number of Shares underlying such Target RSU Award immediately prior to the Effective Time, by (y) the Offer Price.

Parent, Purchaser and the Target have made customary representations, warranties and covenants in the Merger Agreement, including using reasonable best efforts to consummate and make effective, and to satisfy all conditions to, the transactions contemplated by the Merger Agreement as promptly as practicable. The Target has agreed to (i) conduct its business in all material respects in the ordinary course consistent with past practice, including not taking certain specified actions, prior to consummation of the Merger, and (ii) use reasonable best efforts to preserve intact its business organization and significant business relationships.

The Target has also agreed, among other things, (i) not to solicit, initiate, knowingly encourage, or knowingly facilitate or assist (including by way of providing information), any proposal that constitutes or could reasonably be expected to lead to an alternative proposal for the acquisition of the Target and (ii) not to participate or engage in any discussions or negotiations regarding any proposal that constitutes or could reasonably be expected to lead to an alternative proposal for the acquisition of the Target. However, subject to the satisfaction of certain conditions, the Target and its board of directors, as applicable, are permitted to take certain actions which may, as more fully described in the Merger Agreement, include changing the board of directors' recommendation following receipt of an unsolicited proposal, if the board of directors of the Target concludes in good faith, after consultation with the Target's financial advisor(s) and outside legal counsel, that it constitutes a superior proposal and that the failure to enter into such definitive agreement would be inconsistent with its fiduciary duties under Delaware law. In addition, the board of directors of the Target is permitted to change its recommendation, for reasons not related to the receipt of an unsolicited proposal, if the board of directors has concluded in good faith, after consultation with outside legal counsel, that the failure to take such action would be inconsistent with its fiduciary duties under Delaware law.

The Merger Agreement includes customary termination provisions for both the Target and Parent and provides that, in connection with the termination of the Merger Agreement under specified circumstances, including termination by the Target to accept and enter into a definitive agreement with respect to an unsolicited superior offer, the Target will be required to pay to Parent a termination fee of \$30.0 million.

The Merger Agreement has been unanimously approved by the board of directors of each of Parent, Purchaser and the Target. The board of directors of the Target unanimously recommends that stockholders of the Target tender their Shares in the Offer.

The foregoing description of the Offer, the Merger and the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which is attached hereto as Exhibit 2.1. The Merger Agreement has been incorporated herein by reference to provide information regarding the terms of the Merger Agreement and is not intended to modify or supplement any factual disclosures about the Target, Parent or Purchaser in any public reports filed with the U.S. Securities and Exchange Commission (SEC) by the Target or Parent. In particular, the assertions embodied in the representations, warranties and covenants contained in the Merger Agreement were made only for the purposes of the Merger Agreement, were solely for the benefit of the parties to the Merger Agreement, and may be subject to limitations agreed upon by the contracting parties, including being qualified by information in confidential disclosure schedules provided by the Target to Parent in connection with the signing of the Merger Agreement. These disclosure schedules contain information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the Merger Agreement. Moreover, the representations and warranties in the Merger Agreement were used for the purpose of allocating risk between the Target, Parent and Purchaser, rather than establishing matters of fact. Accordingly, the representations and warranties in the Merger Agreement may not constitute the actual state of facts about the Target, Parent or the Purchaser. The representations and warranties set forth in the Merger Agreement may also be subject to a contractual standard of materiality different from that

generally applicable to investors under federal securities laws. Therefore, the Merger Agreement is included with this filing only to provide investors with information regarding the terms of the Merger Agreement, and not to provide investors with any other factual information regarding the parties or their respective businesses.

Tender and Support Agreement

On September 12, 2016, in connection with the Offer, each of the Target's directors and executive officers (together, the Supporting Stockholders) entered into Tender and Support Agreements with Parent and Purchaser (the Support Agreements). Under the terms of the Support Agreements, the Supporting Stockholders have agreed, among other things, to tender their Shares in the Offer. As of September 12, 2016, the Supporting Stockholders owned an aggregate of approximately 1.0% of the outstanding shares of common stock of the Target. The Supporting Stockholders obligations under the Support Agreements terminate in the event that the Merger Agreement is terminated in accordance with its terms.

The foregoing description of the Support Agreements does not purport to be complete and is qualified in its entirety by reference to the form of Support Agreement, which is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

Debt Commitment Letter

In connection with the Merger Agreement, Horizon Pharma, Inc., an indirect wholly-owned subsidiary of Parent (the Borrower), entered into a commitment letter (the Debt Commitment Letter) with Bank of America, N.A. (Bank of America), JPMorgan Chase Bank, N.A. (JPMorgan), Jefferies Finance LLC (Jefferies), Cowen and Company (Cowen) and Cowen Structured Holdings, Inc. (together with Bank of America, JPMorgan, Jefferies and Cowen, the Commitment Parties) on September 12, 2016, pursuant to which the Commitment Parties have provided several but not joint commitments to provide \$675.0 million of senior secured term loans, the proceeds of which, in addition to a portion of Parent's existing cash on hand, would be used to (i) refinance the loans under the Borrower's existing senior secured credit facility and certain outstanding debt of the Target, (ii) pay the Offer Price, and (iii) pay any prepayment premiums, fees and expenses in connection with any of the foregoing. The commitments to provide the term loans are subject to certain conditions, including the negotiation of definitive documentation for the term loans and other customary closing conditions consistent with the Merger Agreement. The Borrower will pay customary fees and expenses in connection with obtaining the Debt Commitment Letter and the term loans and has agreed to indemnify the lenders if certain losses are incurred by the lenders in connection therewith.

The above description of the Debt Commitment Letter does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Debt Commitment Letter, a copy of which will be filed with the SEC as soon as is reasonably practicable.
