PROXY STATEMENT

FOR THE 2017 ANNUAL MEETING OF STOCKHOLDERS

To Be Held On May 8, 2017

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND VOTING

Why did I receive a notice regarding the availability of proxy materials on the internet?

Pursuant to rules adopted by the Securities and Exchange Commission (the *SEC*), we have elected to provide access to our proxy materials over the internet. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials over the internet or to request a printed copy may be found in the Notice.

We intend to mail the Notice on or about March 29, 2017 to all stockholders of record entitled to vote at the Annual Meeting.

Will I receive any other proxy materials by mail?

Stockholder of Record: Shares Registered in Your Name

If on March 16, 2017, your shares were registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy over the telephone, through the internet or by using a proxy card that you may request or that we may elect to deliver at a later time. If on March 16, 2017, your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in street name and

Table of Contents

the Notice is being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

What am I voting on?

There are two matters scheduled for a vote:

election of three directors; and

ratification of selection by the Audit Committee of the Board of Directors of Deloitte LLP as the independent registered public accounting firm of the Company for its fiscal year ending December 31, 2017.

What if another matter is properly brought before the meeting?

The Board of Directors knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on those matters in accordance with their best judgment.

How do I vote?

You may either vote For or Withhold or abstain from voting for each nominee to the Board of Directors. For the ratification of the selection of Deloitte LLP as the Company's independent registered public accounting firm, you may vote For or Against or abstain from voting.

The procedures for voting are as follows:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the Annual Meeting, vote by proxy over the telephone, vote by proxy through the internet or vote by proxy using a proxy card that you may request or that we may elect to deliver at a later time. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the Annual Meeting and vote in person even if you have already voted by proxy.

To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive.

To vote using the proxy card, simply complete, sign and date the proxy card that may be delivered and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

Table of Contents

the voting instructions in the Notice to ensure that your vote is counted. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

Internet proxy voting will be provided to allow you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your internet access, such as usage charges from internet access providers and telephone companies.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of March 16, 2017.

What happens if I do not vote?

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record and do not vote by completing your proxy card, by telephone, through the internet or in person at the Annual Meeting, your shares will not be voted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner and do not instruct your broker, bank, or other agent how to vote your shares, the question of whether your broker or nominee will still be able to vote your shares depends on whether the particular proposal to be a routine matter. Brokers and nominees can use their discretion to vote uninstructed shares with respect to matters that are considered to be routine, but not with respect to non-routine matters. Under the rules and interpretations of various national and regional securities exchanges, non-routine matters are matters that may substantially affect the rights or privileges of stockholders, such as mergers, stockholder proposals, elections of directors (even if not contested), executive compensation (including any advisory stockholder votes on executive compensation and on the frequency of stockholder votes on executive compensation), and certain corporate governance proposals, even if management-supported. Ratification of the selection of auditors is considered a routine matter. Accordingly, your broker or nominee may not vote your shares on the election of either nominee for director without your instructions, but may vote your shares on the ratification of the selection of Deloitte LLP as the independent registered public accounting firm of the Company for its fiscal year ending December 31, 2017 without your instructions.

What if I return a proxy card or otherwise vote but do not make specific choices?

If you return a signed and dated proxy card or otherwise vote without marking voting selections, your shares will be voted, as applicable, For the election of all of the nominees for director and For the ratification of the selection by the Audit Committee of the Board of Directors of Deloitte LLP as the independent registered public accounting firm of the Company for its fiscal year ending December 31, 2017. If any other matter is properly presented at the meeting, your proxyholder (one of the individuals named on your proxy card) will vote your shares using his best judgment.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one Notice?

If you receive more than one Notice, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions on the Notices to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Stockholder of Record: Shares Registered in Your Name

Yes. You can revoke your proxy at any time before the final vote at the meeting. If you are the record holder of your shares, you may revoke your proxy in any one of the following ways:

You may submit another properly completed proxy card with a later date.

You may grant a subsequent proxy by telephone or through the internet.

You may send a timely written notice that you are revoking your proxy to our Corporate Secretary at 450 887 Great Northern Way, Vancouver, B.C., Canada, V5T 4T5.

You may attend the Annual Meeting and vote in person. Simply attending the meeting will not, by itself, revoke your proxy.

Your most current proxy card or telephone or internet proxy is the one that is counted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If your shares are held by your broker or bank as a nominee or agent, you should follow the instructions provided by your broker or bank.

When are stockholder proposals and director nominations due for next year's annual meeting?

To be considered for inclusion in next year's proxy materials, your proposal must be submitted in writing by November 29, 2017, to our Corporate Secretary at 450 887 Great Northern Way, Vancouver, B.C., Canada, V5T 4T5, and must comply with all applicable requirements of Rule 14a-8 promulgated under the Securities Exchange Act of 1934, as amended (the ***Exchange Act***); *provided, however*, that if our 2018 Annual Meeting of Stockholders is held before April 8, 2018 or after June 7, 2018, then the deadline is a reasonable amount of time prior to the date we begin to print and mail our proxy statement for the 2018 Annual Meeting of Stockholders. If you wish to submit a proposal (including a director nomination) at the 2018 Annual Meeting of Stockholders that is not to be included in next year's proxy materials, the proposal must be received by our Corporate Secretary not later than the close of business on February 7, 2018 nor earlier than the close of business on January 8, 2018; *provided, however*, that if our 2018 Annual Meeting of Stockholders is held before April 8, 2018 or after June 7, 2018, then the proposal must be received no earlier than the close of business on the 120th day prior to such meeting and not later than the close of business on the later of the 90th day prior to such meeting or the 10th day following the day on which public announcement of the date of such meeting is first made. You are also advised to review our bylaws, which contain additional requirements

about advance notice of stockholder proposals and director nominations.

How are votes counted?

Votes will be counted by the inspector of election appointed for the meeting, who will separately count, for the proposal to elect directors, votes For, Withhold, abstentions and broker non-votes; and, with respect to the proposal to ratify the selection of Deloitte LLP as the Company's independent registered public accounting firm, votes For, Against and abstentions.

Table of Contents

What are broker non-votes ?

As discussed above, when a beneficial owner of shares held in street name does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed to be non-routine, the broker or nominee cannot vote the shares. These unvoted shares are counted as broker non-votes.

How many votes are needed to approve each proposal?

For the election of directors, the three nominees to serve until the 2020 Annual Meeting of Stockholders receiving the most For votes from the holders of shares present in person or represented by proxy and entitled to vote on the election of directors will be elected. Only votes For or Withhold will affect the outcome.

To be approved, Proposal No. 2, ratification of the selection of Deloitte LLP as the Company's independent registered public accounting firm for the year ending December 31, 2017, must receive For votes from the holders of a majority of shares present in person or represented by proxy and entitled to vote on the matter. If you Abstain from voting, it will have the same effect as an Against vote. Broker non-votes will have no effect, however, Proposal No. 2 is considered a routine matter, and therefore no broker non-votes are expected to exist in connection with Proposal No. 2.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of the outstanding shares entitled to vote are present at the meeting in person or represented by proxy. On the record date, there were 23,423,150 shares outstanding and entitled to vote. Thus, the holders of 11,711,576 shares must be present in person or represented by proxy at the Annual Meeting to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the holders of a majority of shares present at the meeting in person or represented by proxy may adjourn the Annual Meeting to another date.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. In addition, final voting results will be published in a current report on Form 8-K that we expect to file within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an amended Form 8-K to publish the final results.

Table of Contents**PROPOSAL NO. 1****ELECTION OF DIRECTORS**

Our Board of Directors is divided into three classes. Each class consists, as nearly as possible, of one-third of the total number of directors, and each class has a three-year term. Vacancies on the Board of Directors may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board of Directors to fill a vacancy in a class, including vacancies created by an increase in the number of directors, shall serve for the remainder of the full term of that class and until the director's successor is duly elected and qualified.

The Board of Directors presently has eight members. There are three Class III directors whose term of office expires in 2017. If elected at the Annual Meeting, each of the nominees would serve until the 2020 annual meeting and until his successor has been duly elected and qualified, or, if sooner, until the director's death, resignation or removal. It is the Company's policy to invite directors and nominees for director to attend the Annual Meeting. Two of our directors attended the 2016 Annual Meeting of Stockholders.

The following table sets forth information with respect to our directors, including the three nominees for election at the Annual Meeting, as of March 31, 2017:

Name	Age	Director Since	Position
<i>Class III Directors Nominees for Election at the Annual Meeting</i>			
Kelvin Neu	43	March 2017	Director
Robert Pelzer	63	July 2013	Lead Independent Director
Todd Simpson	56	January 2014	Director
<i>Class I Directors Continuing in Office until the 2018 Annual Meeting</i>			
David Main	52	December 2005	Co-Founder, President and Chief Executive Officer and Chairman of the Board, Aquinox
Sean Nolan	49	February 2015	Director
<i>Class II Directors Continuing in Office until the 2019 Annual Meeting</i>			
Daniel Levitt	69	July 2008	Director
Richard Levy	59	March 2017	Director
Gary Bridger	54	October 2013	Director

Each of the nominees was recommended for election by the Nominating and Corporate Governance Committee of the Board of Directors. Each of the nominees is currently a director of the Company. Mr. Pelzer and Mr. Simpson were both appointed to the Board of Directors prior to our initial public offering by our stockholders to fill vacant seats, and Dr. Neu was appointed to the Board of Directors in March 2017 by the then-current members of the Board of Directors to fill a vacant seat.

Directors are elected by a plurality of the votes of the holders of shares of common stock present in person or represented by proxy and entitled to vote on the election of directors. Accordingly, the three nominees receiving the highest number of affirmative votes will be elected. Shares represented by executed proxies will be voted, if authority

to do so is not withheld, for the election of the three nominees. If any nominee becomes unavailable for election as a result of an unexpected occurrence, shares that would have been voted for that nominee will instead will be voted for the election of a substitute nominee proposed by Aquinox. Each person nominated for election has agreed to serve if elected. The Company's management has no reason to believe that any nominee will be unable to serve.

The Nominating and Corporate Governance Committee believes that Dr. Levy is qualified to serve on our Board of Directors because of his more than 25 years' experience in the pharmaceutical and biotechnology industries through his prior positions at Incyte, Celgene, DuPont Pharmaceuticals and Novartis, his extensive clinical research, regulatory and product development skills, his work in multiple therapeutic areas and his affiliation with one of our significant stockholders.

Gary Bridger, Ph.D. has served as a member of our Board of Directors since October 2013. Since February 2015, Dr. Bridger has served as a consultant to Xenon Pharmaceuticals Inc., a biopharmaceutical company, where he previously served as the Executive Vice President of Research and Development from January 2013 to February 2015. INFORMATION REGARDING THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

INDEPENDENCE OF THE BOARD OF DIRECTORS

As required under the NASDAQ Stock Market LLC (**NASDAQ**) listing standards, a majority of the members of a listed company's Board of Directors must qualify as independent, as affirmatively determined by the Board of Directors. The Board of Directors consults with the Company's counsel to ensure that the Board of Directors' determinations are consistent with relevant securities and other laws and regulations regarding the definition of independent, including those set forth in pertinent listing standards of NASDAQ, as in effect from time to time.

Consistent with these considerations, after review of all relevant identified transactions or relationships between each director, or any of his family members, and the Company, its senior management and its independent auditors, the Board of Directors has affirmatively determined that the following seven directors are independent directors within the meaning of the applicable NASDAQ listing standards: Mr. Nolan, Dr. Levitt, Dr. Bridger, Mr. Pelzer, Dr. Levy, Dr. Neu and Mr. Simpson. In making this determination, the Board of Directors found that none of these directors had a material or other disqualifying relationship with Aquinox. The Board of Directors also considered Dr. Levy's and Dr. Neu's roles as Senior Advisor and Partner, respectively, at Baker Brothers Advisors LP, and the relationship we have with Baker Brothers Advisors LP and affiliated entities as significant stockholders in making the determination that each of Dr. Levy and Dr. Neu is independent. Mr. Main, our President, Chief Executive Officer and Chairman, is not an independent director by virtue of his current employment with Aquinox.

BOARD LEADERSHIP STRUCTURE

Our corporate governance guidelines provide that one of our independent directors shall serve as a lead independent director at any time when an independent director is not serving as the Chairman of the Board of Directors. Because Mr. Main is our Chairman and Chief Executive Officer, our Board of Directors has appointed Mr. Pelzer to serve as our lead independent director. As lead independent director, Mr. Pelzer presides over periodic meetings of our independent directors, coordinates activities of the independent directors and will perform such additional duties as our Board of Directors may otherwise determine and delegate.

The Company believes that combining the positions of Chief Executive Officer and Chairman helps to ensure that the Board of Directors and management act with a common purpose. The Company also believes that it is advantageous to have a Chairman with an extensive history with and knowledge of the Company (as is the case with Mr. Main).

ROLE OF THE BOARD OF DIRECTORS IN RISK OVERSIGHT

One of the Board of Directors' key functions is informed oversight of the Company's risk management process. The Board of Directors does not have a standing risk management committee, but rather administers this oversight function directly through the Board of Directors as a whole, as well as through various Board of Directors standing committees that address risks inherent in their respective areas of oversight. In particular, our Board of Directors is responsible for monitoring and assessing strategic risk exposure, including a determination of the nature and level of risk appropriate for the Company. Our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. The Audit Committee also monitors compliance with legal and regulatory requirements, in addition to oversight of the performance of our internal audit function. Our Nominating and Corporate Governance Committee monitors the effectiveness of our corporate governance guidelines, including whether they are successful in preventing illegal or improper liability-creating conduct. Our Compensation Committee assesses and monitors whether any of our

compensation policies and programs has the potential to encourage excessive risk-taking.

(1) Dr. Bridger served as a member of the Nominating and Corporate Governance Committee until March 2016. Below is a description of such committee of the Board of Directors.

The Board of Directors has determined that each member of each of the above committees meets the applicable NASDAQ rules and regulations regarding independence and each member is free of any relationship that would impair his individual exercise of independent judgment with regard to the Company.

Audit Committee

The Audit Committee of the Board of Directors was established by the Board of Directors in accordance with Section 3(a)(58)(A) of the Exchange Act, to oversee our corporate accounting and financial reporting processes and audits of our financial statements. The primary functions of this committee include:

direct responsibility for the appointment, compensation, retention (including termination) and oversight of our independent auditors (our independent auditors report directly to the Audit Committee);

helping to ensure the independence and performance of the independent registered public accounting firm;

discussing the scope and results of the audit with the independent registered public accounting firm, and reviewing, with management and the independent accountants, our interim and year-end operating results;

developing procedures for employees to submit concerns anonymously about questionable accounting or audit matters;

reviewing our policies on risk assessment and risk management;

reviewing related party transactions;

preparation of the Audit Committee report that the SEC requires to be included in our annual proxy statement;

obtaining and reviewing a report by the independent registered public accounting firm at least annually, that describes our internal control procedures, any material issues with such procedures, and any steps taken to deal with such issues when required by applicable law; and

approving (or, as permitted, pre-approving) all audit and all permissible non-audit services, other than de minimis non-audit services, to be performed by the independent registered public accounting firm.

The Audit Committee is currently composed of three directors: Mr. Nolan, Mr. Pelzer and Mr. Simpson. The Audit Committee met six times during 2016. The Board of Directors has adopted a written Audit Committee charter that is available to stockholders on the Company's website at <http://investor.aqxpharma.com/corporate-governance.cfm>.

The Board of Directors reviews the NASDAQ listing standards definition of independence for Audit Committee members on an annual basis and has determined that all members of the Company's Audit Committee are independent (as independence is currently defined in Rule 5605(c)(2)(A)(i) of the NASDAQ listing standards and Rule 10A-3 of the Exchange Act). Our Board of Directors also determined that each member of the Audit Committee can read and understand fundamental financial statements in accordance with applicable requirements.

The Board of Directors has also determined that Mr. Simpson qualifies as an audit committee financial expert, as defined in applicable SEC rules. The Board of Directors made a qualitative assessment of Mr. Simpson's level of knowledge and experience based on a number of factors, including his formal education and experience as a chief financial officer for a public reporting company.

Compensation Committee

The Compensation Committee of the Board of Directors acts on behalf of the Board of Directors to review, adopt and oversee the Company's compensation strategy, policies, plans and programs, including:

reviewing and approving the compensation of our chief executive officer and other executive officers including in all cases base salary, bonus, benefits and other perquisites;

reviewing and recommending to our Board of Directors the compensation of our directors;

reviewing and approving, or recommending that our Board of Directors approve, the terms of compensatory arrangements with our executive officers;

administering our stock and equity incentive plans;

selecting independent compensation consultants and assessing conflict of interest compensation advisers;

reviewing and approving, or recommending that our Board of Directors approve, incentive compensation and equity plans; and

reviewing and establishing general policies relating to compensation and benefits of our employees and reviewing our overall compensation philosophy and objectives.

In addition, once the Company ceases to be an emerging growth company as defined in the Jumpstart Our Business Startups Act of 2012, the Compensation Committee will review with management the Company's Compensation Discussion and Analysis and consider whether to recommend that it be included in proxy statements and other filings.

The Compensation Committee is currently composed of three directors: Dr. Levy, Dr. Levitt and Mr. Pelzer. Dr. Bridger served on the Compensation Committee until March 2017 when Dr. Levy was appointed to the Compensation Committee. All members of the Company's Compensation Committee are independent (as

Table of Contents

independence is currently defined in Rule 5605(d)(2) of the NASDAQ listing standards), are non-employee directors as defined in Rule 16b-3 promulgated under the Exchange Act and are outside directors as that term is defined in Section 162(m) of the Internal Revenue Code of 1986, as amended. The Compensation Committee met five times during 2016. The Board of Directors has adopted a written Compensation Committee charter that is available to stockholders on the Company's website at <http://investor.aqxpharma.com/corporate-governance.cfm>.

Compensation Committee Processes and Procedures

Typically, the Compensation Committee meets at least biannually and with greater frequency if necessary. The agenda for each meeting is usually developed by the Chair of the Compensation Committee, in consultation with management. The Compensation Committee meets regularly in executive session. However, from time to time, various members of management and other employees as well as outside advisors or consultants may be invited by the Compensation Committee to make presentations, to provide financial or other background information or advice or to otherwise participate in Compensation Committee meetings. The Chief Executive Officer may not participate in, or be present during, any deliberations or determinations of the Compensation Committee regarding his compensation or individual performance objectives. The charter of the Compensation Committee grants the Compensation Committee full access to all books, records, facilities and personnel of the Company. In addition, under the charter, the Compensation Committee has the authority to obtain, at the expense of the Company, advice and assistance from compensation consultants and internal and external legal, accounting or other advisors and other external resources that the Compensation Committee considers necessary or appropriate in the performance of its duties. The Compensation Committee has direct responsibility for the oversight of the work of any consultants or advisers engaged for the purpose of advising the Committee. In particular, the Compensation Committee has the sole authority to retain, in its sole discretion, compensation consultants to assist in its evaluation of executive and director compensation, including the authority to approve the consultant's reasonable fees and other retention terms. Under the charter, the Compensation Committee may select, or receive advice from, a compensation consultant, legal counsel or other adviser to the Compensation Committee, other than in-house legal counsel and certain other types of advisers, only after taking into consideration six factors, prescribed by the SEC and NASDAQ, that bear upon the adviser's independence; however, there is no requirement that any adviser be independent. In addition, under its charter, the Compensation Committee may form, and delegate authority to, subcommittees as appropriate.

For 2016, after taking into consideration the six factors prescribed by the SEC and NASDAQ described above, the Compensation Committee again engaged Radford as a compensation consultant. Radford was identified as an appropriate consultant for the Company, as their compensation consulting practice works directly with the compensation committees of more than 150 technology and life science companies annually. The Compensation Committee requested that Radford:

- evaluate the efficacy of the Company's existing compensation strategy and practices in supporting and reinforcing the Company's long-term strategic goals; and

- assist in refining the Company's compensation strategy and in developing and implementing an executive compensation program to execute that strategy.

As part of its engagement, Radford was requested by the Compensation Committee to develop a comparative group of companies and to perform analyses of competitive performance and compensation levels for that group. The Compensation Committee asked Radford to conduct an Executive and Board Compensation Assessment in preparation for 2016. For the review of executive compensation, Radford analyzed base salary, target bonus and target

total cash compensation as well as annual equity award under a variety of scenarios. For the review of compensation of our Board, Radford analyzed and recommended cash retainers as well as appointment and annual equity award. At the request of the Compensation Committee, Radford also conducted individual interviews with members of the Compensation Committee and the Company's Chief Executive Officer to learn more about the Company's business operations and strategy, key performance metrics and strategic goals, as well

as the labor markets in which the Company competes. Radford ultimately developed recommendations that were presented to the Compensation Committee for its consideration. Following an active dialogue with Radford and resulting modifications, the Compensation Committee approved the recommendations.

Compensation Committee Interlocks and Insider Participation

As noted above, the Company's Compensation Committee consists of Dr. Levy, Dr. Levitt and Mr. Pelzer. None of the members of the Compensation Committee is currently or has been at any time one of our officers or employees. None of our executive officers currently serves, or has served during the last year, as a member of the Board of Directors or Compensation Committee of any entity that has one or more executive officers serving as a member of our Board of Directors or Compensation Committee.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee of the Board of Directors oversees our corporate governance function. The primary functions of this committee include:

identifying, evaluating and selecting, or recommending that our Board of Directors approve, nominees for election to our Board of Directors and its committees;

evaluating the performance of our Board of Directors and of individual directors;

considering and making recommendations to our Board of Directors regarding the composition and structure of our Board of Directors and its committees;

reviewing developments in corporate governance practices;

evaluating the adequacy of our corporate governance practices and reporting;

reviewing management succession plans;

developing and making recommendations to our Board of Directors regarding corporate governance guidelines and matters; and

overseeing an annual evaluation of the Board of Directors' performance.

The Nominating and Corporate Governance Committee is currently composed of four directors: Dr. Bridger, Dr. Neu, Mr. Nolan and Mr. Simpson. Dr. Levitt served on the Nominating and Corporate Governance Committee until March 2017 when Dr. Neu was appointed to the Nominating and Corporate Governance Committee. All members of the Nominating and Corporate Governance Committee are independent (as independence is currently defined in Rule

5605(a)(2) of the NASDAQ listing standards). The Nominating and Corporate Governance Committee met one time during 2016. The Board of Directors has adopted a written Nominating and Corporate Governance Committee charter that is available to stockholders on the Company's website at <http://investor.aqxpharma.com/corporate-governance.cfm>.

The Board of Directors believes that candidates for director should have certain minimum qualifications, including the ability to read and understand basic financial statements, being over 21 years of age and having the highest personal integrity and ethics. The Nominating and Corporate Governance Committee also intends to consider such factors as possessing relevant expertise upon which to be able to offer advice and guidance to management, having sufficient time to devote to the affairs of the Company, demonstrated excellence in his or her field, having the ability to exercise sound business judgment and having the commitment to rigorously represent the long-term interests of the Company's stockholders. However, the Board of Directors retains the right to modify these qualifications from time to time. Candidates for director nominees are reviewed in the context of the current composition of the Board of Directors, the operating requirements of the Company and the long-term interests of stockholders. In conducting this assessment, the Nominating and Corporate Governance Committee typically considers diversity, age, skills and such other factors as it deems appropriate, given the current needs of the Board of Directors and the Company, to maintain a balance of knowledge, experience and capability.

Table of Contents

In the case of incumbent directors whose terms of office are set to expire, the Nominating and Corporate Governance Committee reviews these directors' overall service to the Company during their terms, including the number of meetings attended, level of participation, quality of performance and any other relationships and transactions that might impair the directors' independence. In the case of new director candidates, the Nominating and Corporate Governance Committee also determines whether the nominee is independent for NASDAQ purposes, which determination is based upon applicable NASDAQ listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Nominating and Corporate Governance Committee then uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The Nominating and Corporate Governance Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board of Directors. The Nominating and Corporate Governance Committee meets to discuss and consider the candidates' qualifications and then selects a nominee for recommendation to the Board of Directors.

The Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether or not the candidate was recommended by a stockholder. Stockholders who wish to recommend individuals for consideration by the Nominating and Corporate Governance Committee to become nominees for election to the Board of Directors may do so by delivering a written recommendation to the Nominating and Corporate Governance Committee at the following address: 450 - 887 Great Northern Way, Vancouver, B.C., Canada, V5T 4T5. Submissions must include the full name of the proposed nominee, a description of the proposed nominee's business experience for at least the previous five years, complete biographical information, a description of the proposed nominee's qualifications as a director and a representation that the nominating stockholder is a beneficial or record holder of the Company's stock. Any such submission must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected.

STOCKHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS

Historically, the Company has not provided a formal process related to stockholder communications with the Board of Directors. Nevertheless, every effort has been made to ensure that the views of stockholders are heard by the Board of Directors or individual directors, as applicable, and that appropriate responses are provided to stockholders in a timely manner. The Company believes its responsiveness to stockholder communications to the Board of Directors has been excellent. Nevertheless, the Nominating and Corporate Governance Committee will consider from time to time the adoption of a formal process for stockholder communications with the Board of Directors and, if adopted, publish it promptly and post it to the Company's website.

CODE OF ETHICS

The Company has adopted the Aquinox Code of Business Conduct and Ethics that applies to all officers, directors, employees and individuals engaged by the Company as independent contractors. The Code of Business Conduct and Ethics is available on the Company's website at <http://investor.aqxpharma.com/corporate-governance.cfm>. If the Company makes any substantive amendments to the Code of Business Conduct and Ethics or grants any waiver from a provision of the Code to any executive officer or director, the Company will promptly disclose the nature of the amendment or waiver on its website.

CORPORATE GOVERNANCE GUIDELINES

Our Board of Directors has adopted Corporate Governance Guidelines to assure that the Board of Directors will have the necessary authority and practices in place to review and evaluate the Company's business operations as needed and to make decisions that are independent of the Company's management. The guidelines are also intended to align the interests of directors and management with those of the Company's stockholders. The

Table of Contents**PROPOSAL NO. 2****RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee of the Board of Directors has selected Deloitte LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2017, and has further directed that management submit the selection of its independent registered public accounting firm for ratification by the stockholders at the Annual Meeting. Deloitte LLP has audited the Company's financial statements since 2006. Representatives of Deloitte LLP are expected to be present at the Annual Meeting by telephone. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither the Company's Bylaws nor other governing documents or law require stockholder ratification of the selection of Deloitte LLP as the Company's independent registered public accounting firm. However, the Audit Committee of the Board of Directors is submitting the selection of Deloitte LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee of the Board of Directors will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee of the Board of Directors in its discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote on the matter at the Annual Meeting will be required to ratify the selection of Deloitte LLP.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for Notices of Internet Availability of Proxy Materials or other Annual Meeting materials with respect to two or more stockholders sharing the same address by delivering a single Notice of Internet Availability of Proxy Materials or other Annual Meeting materials addressed to those stockholders. This process, which is commonly referred to as householding, potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are Aquinox stockholders will be householding the Company's proxy materials. A single Notice of Internet Availability of Proxy Materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate Notice of Internet Availability of Proxy Materials, please notify your broker or Aquinox. Direct your written request to Corporate Secretary, Aquinox Pharmaceuticals, Inc. 450 887 Great Northern Way, Vancouver, B.C., Canada, V5T 4T5 or contact our Corporate Secretary at (604) 629-9223. Stockholders who currently receive multiple copies of the Notices of Internet Availability of Proxy Materials at their addresses and would like to request householding of their communications should contact their brokers.
