Item 1.01 Entry into a Material Definitive Agreement.***Issuance of Senior Notes due 2026 and Senior Notes due 2027***

On September 25, 2017 (the Closing Date), Southwestern Energy Company (the Company) closed its offering of \$650,000,000 aggregate principal amount of 7.500% Senior Notes due 2026 (the 2026 Notes) and \$500,000,000 aggregate principal amount of 7.750% Senior Notes due 2027 (the 2027 Notes) and, together with the 2026 Notes, the Notes).

The net proceeds from the offering, after deducting the underwriting discount and estimated offering expenses, were approximately \$1,133 million. The proceeds from the offering were used to repay in full and terminate the Company's Amended and Restated Term Loan Credit Agreement with various lenders and Bank of America, N.A., as administrative agent and lender, and the remaining net proceeds of the offering, together with cash on hand, will be used to fund its previously announced tender offers and consent solicitation.

The 2026 Notes and the 2027 Notes will accrue interest at a rate of 7.500% and 7.750%, respectively, per annum, payable in cash semiannually, in arrears, on April 1 and October 1 of each year, beginning on April 1, 2018. The 2026 Notes will mature on April 1, 2026, and the 2027 Notes will mature on October 1, 2027.

Indenture and First Supplemental Indenture

The terms of the Notes are governed by the Indenture (the Base Indenture), dated as of September 25, 2017, between the Company and U.S. Bank National Association, as trustee (the Trustee), as supplemented by the First Supplemental Indenture (the First Supplemental Indenture) and, together with the Base Indenture, the Indenture), dated September 25, 2017, between the Company and the Trustee. The Notes will be the Company's senior unsecured obligations and will rank equally in right of payment with all of the Company's existing and future senior debt (including the Company's existing senior notes and the Company's revolving credit facility), rank senior to all of the Company's existing and future subordinated debt, be effectively subordinated to any future secured obligations to the extent of the value of the assets securing such obligations, and be structurally subordinated to all debt and other obligations of the Company's existing or future non-guarantor subsidiaries. Capitalized terms used but not defined herein shall have the meaning set forth in the Indenture.

The Indenture contains covenants that, among other things, restrict the ability of the Company to incur certain liens, to engage in sale and leaseback transactions and to merge, consolidate or sell assets. If the Company redeems the 2026 Notes before April 1, 2021 or the 2027 Notes before October 1, 2022, such Notes are redeemable at the Company's election, in whole or in part, at a redemption price equal to 100% of the principal amount of the Notes, plus the relevant Applicable Premium. If the Company redeems the 2026 Notes on or after April 1, 2021 or the 2027 Notes on or after October 1, 2022, such notes are redeemable at certain percentages of the principal amount, plus accrued and unpaid interest.

On or after April 1, 2021, the Company may on any one or more occasions redeem all or a part of the 2026 Notes, upon notice as provided in the Indenture, at the Redemption Prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest, if any, on the 2026 Notes redeemed, to the applicable date of redemption, if redeemed during the twelve-month period beginning on April 1 of the years indicated below, subject to the rights of holders of 2026 Notes on the relevant record date to receive interest on the relevant Interest Payment Date:

In addition, if a change of control event occurs, Note holders will have the option to require the Company to purchase all or any portion of the Notes at a purchase price equal to 101% of the principal amount of the Notes to be purchased plus any accrued and unpaid interest to, but excluding, the change of control date.

The Second Supplemental Indenture, among other things, amends the limitations on liens covenant in the Original Indenture governing the 2020 Notes to be substantially similar to the liens covenant applicable to the newly issued Notes.

The foregoing description does not purport to be complete and is qualified in its entirety by reference to the Second Supplemental Indenture, a copy of which is attached to this Current Report on Form 8-K as Exhibit 4.5 and is incorporated herein by reference.
