Item 8.01 Other Events.

On November 14, 2017, CBS Corporation (CBS) announced the final exchange ratio of 5.6796 in connection with its previously announced offer to exchange CBS Class B Common Stock, par value \$0.001 per share (CBS Class B Common Stock), for outstanding shares of CBS Radio Inc. (CBS Radio) common stock, par value \$0.01 per share (CBS Radio Common Stock).

The exchange offer to split-off CBS Radio is part of CBS' agreement to combine its radio business with Entercom Communications Corp. (Entercom). Based on the final exchange ratio, for each share of CBS Class B Common Stock that is validly tendered and accepted for exchange, CBS will deliver approximately 5.6796 shares of CBS Radio Common Stock, which will be immediately converted into the right to receive an equal number of shares (subject to receipt of cash in lieu of fractional shares) of Entercom Class A common stock, par value \$0.01 per share, upon completion of the previously announced merger of a wholly owned subsidiary of Entercom with and into CBS Radio. The transaction is subject to customary closing conditions.

Based on the final exchange ratio, CBS will accept 17,854,689 shares of CBS Class B Common Stock for exchange if the exchange offer is fully subscribed, based on the final exchange ratio. The exchange offer will be subject to proration if it is oversubscribed, and the number of shares accepted in the exchange offer may be fewer than the number of shares tendered.

The exchange offer is scheduled to expire at 11:59 p.m., New York City time, on November 16, 2017, unless it is extended or terminated.

On November 14, 2017, CBS issued a press release announcing the final exchange ratio of the Exchange Offer, a copy of which is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Forward-Looking Statements

Such risks, uncertainties and assumptions include: the satisfaction of the conditions to the Transaction and other risks related to the completion of the Transaction and actions related thereto; CBS' s and Entercom' s ability to complete the Transaction on the anticipated terms and schedule, including the ability to obtain regulatory and shareholder approvals and the anticipated tax treatment of the Transaction and related transactions; the ability to obtain or consummate financing or refinancing related to the Transaction upon acceptable terms or at all; risks relating to any unforeseen liabilities, future capital expenditures, revenues, expenses, earnings, synergies, economic

performance, indebtedness, financial condition, losses, and future prospects; business and management strategies and the expansion and growth of Entercom's operations; price or trading volume of Entercom's common stock; failure to pay dividends to holders of Entercom's common stock; impairment charges for FCC licenses and goodwill; Entercom's ability to integrate CBS Radio's business successfully after the closing of the Transaction and to achieve anticipated synergies; and the risk that disruptions from the Transaction will harm CBS's, CBS Radio's or Entercom's businesses. However, it is not possible to predict or identify all such factors. Consequently, while the list of factors presented here is considered representative, no such list should be considered to be a complete statement of all potential risks and uncertainties.
