The Company cautions that a number of risks, uncertainties and other factors could cause the Company's actual results to differ materially from those expressed in, or implied by, the forward-looking statements, including, without limitation: the final results of the Audit Committee's independent review as it impacts the Company's accounting, accounting policies and internal control over financial reporting; management's ability to successfully implement the Audit Committee's remedial recommendations; the reasons giving rise to the prior resignation of RSM US LLP as the Company's independent registered public accounting firm; the time and effort required to complete the restatement of the affected financial statements, complete its delinquent financial statements and amend or prepare the related Form 10-K and Form 10-Q filings, particularly within the current anticipated timeline; the subsequent discovery of additional adjustments to the Company's previously issued financial statements;

the timing of completion of necessary re-audits, interim reviews and audits by the new independent registered public accounting firm; the timing of completion of steps to address, and the inability to address and remedy, material weaknesses; the identification of additional material weaknesses or significant deficiencies; variances in non-recurring expenses; risks relating to the substantial costs and diversion of
