The foregoing is only a brief description of the Transaction Agreement, the Acquisition, the Holding Company Reorganization and the ProstaGene Asset Transfer and is qualified in its entirety by reference to the Form 8-K12G3 filed by the Issuer on November 19, 2018, and to the terms of the Transaction Agreement filed as Exhibit 2.1 to the Form 8-K filed by Old CytoDyn on August 28, 2018, each of which is incorporated by reference herein.

Of the 5,400,000 Stock Hold Back Shares subject to the Escrow Agreement, 4,171,013 are held for the benefit of Dr. Pestell. The Escrow Agreement provides for release of the Stock Holdback Shares in three equal installments, on each date that is 6, 12 and 18 months following the closing date of the Acquisition, subject to any indemnity claims that may exist.

#### *Stock Restriction Agreement*

In connection with the Acquisition, on November 16, 2018, the Issuer entered into a Stock Restriction Agreement (the "Stock Restriction Agreement") restricting the transfer of 8,342,000 shares of the Common Stock payable to Dr. Pestell in the Acquisition (the "Restricted Shares") for a three-year period from the closing date of the Acquisition. In the event Dr. Pestell's employment with the Issuer is terminated other than by death, by disability, by the Issuer without Cause (as defined in the Employment Agreement (as defined below)) or by Dr. Pestell for Good Reason (as defined in the Employment Agreement), the Issuer will have an option to repurchase such Restricted Shares from Dr. Pestell at a purchase price of \$0.001 per share. The Restricted Shares will vest and be released from the Stock Restriction Agreement in three equal annual installments commencing one year after the closing date of the Acquisition.

#### *Covenants Agreement*

In connection with the Acquisition, on November 16, 2018, Dr. Pestell entered into a Confidential Information, Inventions and Noncompetition Agreement (the "Covenants Agreement") with the Issuer whereby the Issuer will have the opportunity to participate, if the Issuer so chooses, in the development of and license to any inventions or licensable intellectual property created by Dr. Pestell in fulfillment of his duties at outside academic institutions while an employee of the Issuer, as well as a conflict of interest policy under which the Issuer has the right to work with Dr. Pestell to manage any potential conflict between the Issuer's clinical development activities and Dr. Pestell's ongoing research activities at outside academic institutions.

*Employment Agreement of Dr. Pestell*

In connection with the signing of the Transaction Agreement, on August 27, 2018, Dr. Pestell was named Interim Chief Medical Officer of the Issuer. Upon the closing of the Acquisition, Dr. Pestell was appointed Chief Medical Officer of the Issuer and entered into an employment agreement (the "Employment Agreement") with the Issuer, dated as of November 16, 2018. The Employment Agreement provides for a three year term of employment, unless terminated by either party pursuant to the terms of the Employment Agreement. The Employment Agreement also provides for, among other things, (i) an annual base salary of \$400,000, (ii) a target annual bonus equal to 50% of Dr. Pestell's base salary, (iii) an annual supplemental bonus in an amount to be determined at the sole discretion of the Issuer's Board, and (iv) other customary benefits described in the Employment Agreement. Upon the closing of the Acquisition, in connection with the appointment of Dr. Pestell as Chief Medical Officer of the Issuer, Dr. Pestell was granted options to purchase 350,000 shares of Common Stock described in Item 5 above.

The foregoing descriptions of the Stock Restriction Agreement, the Escrow Agreement, the Covenants Agreement, and the Employment Agreement are qualified in their entirety by reference to the full text of each agreement, copies of which are filed as Exhibits 10.2, 10.3, 10.4 and 10.5, respectively, to the Form 8-K12G filed by the Issuer on November 19, 2018, and are incorporated by reference into this Item 6.
