When will the acquisition be official? How will customers be notified?

Edgar Filing: Citizens Community Bancorp Inc. - Form 425

The transaction is expected to close in the second calendar quarter of 2019. This will follow all regulatory approvals and the approval of F & M stockholders.

All customers will be notified in writing before any changes are made, and in conformance with regulatory requirements. We will inform them of the upcoming changes and how they will benefit, and what they need to be aware of to continue their banking activities as usual.

All F&M Bank customers will receive a welcome mailing before closing as well as additional communication regarding their accounts.

Can you tell us the difference between the conversion date and the closing date?

Closing date is when F&M is owned by CCFBank.

Conversion date is when account records move over to CCFBank computer systems.

How will customers be impacted?

CCFBank's primary goal in this transaction is to ensure we continue to provide excellent service to F & M Bank customers. The customer should see very few changes other than the name change; which will not occur until closing and conversion.

Customers will benefit from the combined entity. From a broad community bank product offering to enhanced mobile and online capabilities, full service Treasury Management services for business, robust mortgage lending including VA, and a larger legal lending limit, we can meet the needs of virtually all customers in our markets.

In addition, customers will be able to continue their relationship with their favorite banker or contact at their local branch, while having 24/7 access to the latest mobile banking technology wherever they go.

Customers will have more locations to choose from to do their banking once the merger is complete.

F&M Bank customers will be transitioned to CCFBank's systems mid-summer 2019. Like F&M, we are a Fiserv Premier core banking system.

CCFBank will also be hosting a special website page to serve as a communication hub for customers. Links to that page will be provided on F&M Bank website in the next 30 - 45 days

Refer customer questions to bankers assigned to their accounts.

Do customers need to do anything about their accounts?

No. It's business as usual. Customers can continue to bank exactly as they do for now. Customers can continue to access their money by writing checks, using ATM and debit cards and/or online and mobile banking.

Required advance notice will be given to customers prior to account(s) changes. All checking/savings/CD account numbers will remain the same at this time. If any changes to account numbers are required in the

future, we will communicate these changes to affected customers well in advance of those changes.
Will assistance be available during the system conversion?

Customers can only use a branch of the institution where their account was opened, F&M or CCFBank, until after closing and conversion. We expect the combining of banking systems to be smooth since we both are Fiserv banks, and we expect the conversion to occur mid-summer at which time deposit and loan records will be integrated
