On April 4, 2019, Teradyne, Inc. (the Company or Teradyne ) announced the hiring and appointment of Sanjay Mehta (age 50) as its Vice President and Chief Financial Officer effective April 25, 2019 (the Start Date ).

In connection with his hiring, the Company and Mr. Mehta entered into an offer letter and the Company s standard Employment Agreement. Mr. Mehta s offer letter provides for an initial base salary of \$500,000 per year and eligibility to receive an annual bonus with a target payout of 75% of his base salary, consistent with the variable compensation program for Teradyne executive officers and subject to the terms and conditions of the Company s 2006 Equity and Cash Compensation Incentive Plan (base salary and target bonus, collectively, Model Compensation ). On May 1, 2019, the Company will grant Mr. Mehta an equity award with a total value of \$1,400,000 at target consisting of time-based restricted stock units, performance-based restricted stock units and non-qualified stock options consistent with the equity grants to Teradyne executive officers in January 2019. The equity awards will be subject to the terms and conditions of the Company s equity agreements and its 2006 Equity and Cash Compensation Incentive Plan.

Mr. Mehta will receive one-time sign-on compensation comprised of (i) a time-based restricted stock unit award consisting of the right to receive shares of Teradyne common stock equivalent in value to \$1,100,000 which will vest in equal amounts annually over two years and subject to the terms of the Company s restricted stock unit agreement, and (ii) a cash bonus of \$600,000 to be paid 50% one month following the Start Date and 50% six months following the Start Date, in each case assuming continued employment. Mr. Mehta will enter into an Executive Officer Change of Control Agreement in the form entered into with the Company s other executive officers, which provides for salary continuation and equity acceleration in the event of termination without cause or for good reason following a change in control, all as defined in the agreement. The Change of Control Agreement will not include a provision for a tax gross-up payment. Additionally, as Chief Financial Officer, pursuant to an Agreement regarding Termination Benefits, if the Company terminates Mr. Mehta s employment without cause (as defined in the agreement), provided that such termination by the Company does not trigger or entitle Mr. Mehta to any payments or benefits under the Executive Officer Change in Control Agreement, subject to signing a general release of claims, he will be eligible to receive monthly payments equal to 1/12<sup>th</sup> of his Model Compensation for a period of 12 months after termination (the Severance Period ), as well as continued health, dental and vision insurance coverage for the Severance Period.
