Re: **BioElectronics Corporation Registration Statement on Form SB-2, File No. 333-131809.**

Dear Mr. Hindin:

Pursuant to Rule 477 of the Securities Act of 1933, as amended ("Securities Act"), BioElectronics Corporation, a Maryland corporation (the "Registrant"), hereby applies for withdrawal of its Registration Statement on Form SB-2 (File No. 333-131809) (the "Registration Statement"). The Registration Statement was originally filed with the Securities and Exchange Commission (the "Commission") on February 13, 2006. The withdrawal is necessitated by the pending consummation of a modification agreement (the "Modification Agreement") the Registrant is pursuing with the subscribers listed on the signature page thereto (the "Subscribers"), whereby the Subscribers will accelerate the funding of an aggregate of \$100,000 to the Registrant and decrease the fixed conversion price of the shares to be registered. The Registrant and the Subscribers previously entered into a modification agreement, but such agreement was not consummated due to the fact that the transfer to the Registrant of the accelerated purchase price, which was a condition precedent to the closing, never occurred.

We intend to refile a registration statement with the Commission upon the consummation of the Modification Agreement and such registration statement will address the comments we received from the Commission in a letter dated March 10, 2006.

Accordingly, we request that the Commission issue an order granting the withdrawal of the Registration Statement as soon as possible. Please do not hesitate to contact the undersigned with any questions you may have at (301) 644-3906.

Very truly yours,

/s/ Andy Whelan
