- (s) agree, resolve or commit to do any of the foregoing.

Notwithstanding the provisions of (e), (f), (g) and (h) above, the Company and its Subsidiaries shall not be restricted from efficiently managing excess cash balances (including the proceeds from the Telesat Transaction) in a tax efficient manner consistent with past practice including (i) investing in or disposing of money market instruments and (ii) repaying short-term indebtedness

Section 5.2 Non-Solicitation

- (1) Except as expressly provided in this Section 5.2, the Company shall not, directly or indirectly, through any officer, director, employee, representative (including any financial or other advisor) or agent of the Company or any of its Subsidiaries (collectively, **Representatives**): (i) solicit, initiate or knowingly encourage (including by furnishing information or entering into any Contract) any inquiries or proposals regarding an Acquisition Proposal; (ii) participate in any substantive discussions or negotiations with any Person (other than the Purchaser Parties) regarding an Acquisition Proposal; (iii) make a Change in Recommendation; (iv) accept, approve, endorse or recommend, or propose publicly to accept, approve, endorse or recommend, any Acquisition Proposal (it being understood that publicly taking no position or a neutral position with respect to an Acquisition Proposal for a period of no more than ten Business Days following the formal announcement of such Acquisition Proposal shall not be considered to be in violation of this Section 5.2(1) unless such position has not been withdrawn by or before the end of such ten Business Day period); or (v) accept, approve, endorse or recommend or enter into, or publicly propose to accept, approve, endorse or recommend or enter into, any Contract in respect of an Acquisition Proposal.
 - (2) Except as otherwise provided in this Section 5.2, the Company shall, and shall cause its Subsidiaries and Representatives to, immediately cease and cause to be terminated any solicitation, encouragement, discussion or negotiation with any Persons conducted heretofore by the Company, its Subsidiaries or any Representatives with respect to any Acquisition Proposal, and, in connection therewith, the Company will discontinue access to the Data Room (and not establish or allow access to any other data rooms, virtual or otherwise or otherwise furnish information) and shall as soon as possible request, to the extent that it is entitled to do so (and exercise all rights it has to require) the return or destruction of all confidential information regarding the Company and its Subsidiaries previously provided to any such Person or any other Person and will request (and exercise all rights it has to require) the destruction of all material including or incorporating or otherwise reflecting any material confidential information regarding the Company and its Subsidiaries. The Company agrees that neither it, nor any of its Subsidiaries, shall terminate, waive, amend or modify any provision of any existing confidentiality agreement relating to an Acquisition Proposal or any standstill agreement to which it or any of its Subsidiaries is a party (except that the Purchaser acknowledges that the automatic termination of the standstill provisions and clubbing restrictions of such agreements as a result of the entering into and announcement of this Agreement shall not be a violation of this Section 5.2(2)).
 - (3) Notwithstanding Section 5.2(1) and any other provision of this Agreement or of any other agreement between the Parties or between the Company and any other Person, including without limitation the provisions of any confidentiality or standstill agreement, if at any time following the date of this Agreement and prior to obtaining the approval of the Arrangement Resolution by Affected Shareholders at the Company Meeting, the Company receives any written Acquisition Proposal, other than any Acquisition Proposal

that resulted from a wilful and intentional breach of this Section 5.2 by the Company or any director or officer of the Company or any Representative acting at the direction of or on behalf of the Company or any director or officer of the Company, that the Board determines in good faith, after consultation with its financial advisors and outside counsel, constitutes or could reasonably be expected to lead to a Superior Proposal, then the Company may:

- (a) furnish information with respect to the Company and its Subsidiaries to the Person making such Acquisition Proposal; and/or
 - (b) enter into, participate, facilitate and maintain discussions or negotiations with, and otherwise cooperate with or assist, the Person making such Acquisition Proposal, provided that the Company shall not, and shall not allow its Representatives to, disclose any non-public information to such Person without having entered into a confidentiality agreement with such Person that contains provisions that are no less favourable in the aggregate to the Company and that are not individually or in the aggregate materially more favourable to such Person than those contained in the Confidentiality Agreements, except that such agreement may contain a less restrictive or no standstill restriction and may specifically release such party from any existing standstill restriction (a correct and complete copy of which confidentiality agreement shall be provided to the Purchaser before any such non-public information is provided) and provided that such confidentiality agreement may not include any provision calling for an exclusive right to negotiate with the Company and may not restrict the Company or its Subsidiaries from complying with this Section 5.2, and will promptly provide to the Purchaser any material non-public information concerning the Company or its Subsidiaries provided to such other Person which was not previously provided to the Purchaser. Notwithstanding the foregoing, the Company shall not provide any commercially sensitive non-public information to any competitor that has made an Acquisition Proposal, except in a manner consistent with the Company's past practice in dealing with the disclosure of such information in the context of considering Acquisition Proposals prior to the date of this Agreement.
- (4) The Company shall promptly (and in any event within 24 hours) notify the Purchaser (orally and in writing) in the event it receives a written Acquisition Proposal, including the identity of the Person making such Acquisition Proposal and the material terms and conditions thereof, and shall, at the Purchaser's reasonable request, inform the Purchaser as to the status of developments and negotiations with respect to such Acquisition Proposal, including any changes to the material terms or conditions of such Acquisition Proposal.
 - (5) The Company shall not accept, approve, recommend or enter into any agreement relating to an Acquisition Proposal (other than a confidentiality agreement complying with Section 5.2(3)) unless (i) the Acquisition Proposal did not result from the wilful and intentional breach of this Section 5.2 by the Company or any director or officer of the Company or any Representative acting at the direction of or on behalf of the Company or any director or officer of the Company, (ii) the Board determines in good faith, after consultation with its financial advisors and outside counsel, that such Acquisition
-

Proposal constitutes a Superior Proposal, (iii) the Company has provided the Purchaser with a copy of such Acquisition Proposal, (iv) a period (the **Matching Period**) of five Business Days has lapsed from the date (the **Notice Date**) that is the later of (a) the date the Purchaser received written notice of the Company's proposed determination to take such action, and (b) the date the Purchaser received a copy of the Acquisition Proposal, (v) during the Matching Period, the Purchaser shall have the opportunity (but not an obligation) to offer to amend the terms and conditions of this Agreement such that the Acquisition Proposal would cease to be a Superior Proposal, (vi) after the Matching Period, the Board (a) determines in good faith, after consultation with its financial advisors and outside counsel, that such Acquisition Proposal continues to constitute a Superior Proposal and (b) determines in good faith, after consultation with outside legal counsel, that failure to take such action would reasonably be expected to be inconsistent with its fiduciary duties under Applicable Law, (vii) prior to or simultaneously with taking such action, the Company (a) terminates this Agreement pursuant to Section 9.1(1)(d)(i) and (b) pays the Termination Fee pursuant to Section 10.6(2), and (viii) promptly following such termination, the Company enters into a definitive agreement with the Person making such Superior Proposal. Each successive material modification (including any increase in the proposed price) of any Acquisition Proposal shall constitute a new Acquisition Proposal for purposes of Section 5.2(5), provided that the Matching Period in respect of such new Acquisition Period shall extend only until the later of the end of the initial five Business Day Matching Period and 36 hours after the Notice Date in respect of the new Acquisition Proposal.

- (6) Nothing contained in this Agreement, including Section 5.2(1), shall prohibit the Board from making a Change in Recommendation or from making any disclosure to any securityholders of the Company prior to the Effective Time, including for greater certainty disclosure of a Change in Recommendation, if, in the good faith judgment of the Board, after consultation with outside legal counsel, failure to take such action or make such disclosure would reasonably be expected to be inconsistent with the Board's exercise of its fiduciary duties or such action or disclosure is otherwise required under Applicable Law (including without limitation by responding to an Acquisition Proposal under a directors' circular or otherwise as required under Securities Laws), provided that for greater certainty in the event of a Change of Recommendation and a termination by the Purchaser of this Agreement pursuant to Section 9.1(1)(c)(i), the Company shall pay the Termination Fee as required by Section 10.6(2). The Board may not make a Change in Recommendation pursuant to the preceding sentence unless the Company gives the Purchaser at least two Business Days prior written notice of its intention to make such Change in Recommendation, provided that, for greater certainty, the foregoing limitation shall not apply in respect of any actions taken under Section 5.2(5). In addition, nothing contained in this Agreement shall prevent the Company or the Board from calling and holding a meeting of Shareholders, or any of them, requisitioned by Shareholders, or any of them, in accordance with the CBCA or ordered to be held by a court in accordance with Applicable Laws.

Section 5.3 Assistance with Purchaser Financing

The Company will, and will cause its Subsidiaries to, and each shall use commercially reasonable efforts to cause its Representatives to, provide such co-operation to the Purchaser as

the Purchaser may reasonably request in connection with the arrangements by the Purchaser to obtain the advance of the debt financing referred to in Section 6.4 as contemplated in the Commitment Letter and/or any alternative financing proposed by the Purchaser pursuant to Section 6.4, (provided that such request is made on reasonable notice and reasonably in advance of the proposed commencement of the Marketing Period and/or the Effective Time, as applicable, and provided such co-operation does not unreasonably interfere with the ongoing operations of the Company and its Subsidiaries or interfere with or hinder or delay the performance by the Company or its Subsidiaries of their other obligations), including (and subject to the foregoing) as so requested: (a) participating in a reasonable number of meetings, drafting sessions, presentations, road shows, due diligence sessions and sessions with rating agencies, (b) assisting the Purchaser and the Lenders in the preparation of offering documents for any debt raised to complete the Arrangement and materials for rating agency, Lender or investor presentations, (c) cooperating with the Purchaser in connection with applications to obtain such consents, approvals or authorizations which may be reasonably necessary or desirable in connection with such debt financing, (d) using commercially reasonable efforts to seek to take advantage of the Company's existing lending relationships, including encouraging the Company's existing lenders to participate in the syndicate organized by the Lenders, (e) reasonably cooperating with the marketing efforts of the Purchaser and the Lenders for any debt raised by the Purchaser to complete the Arrangement, including participating in presentations to the Lenders and by facilitating direct contact between the Company's senior management and the Lenders, (f) having officers execute, without personal liability, any reasonably necessary officer's certificates or management representation letters to the Company's accountants to issue reports with respect to the financial statements to be included in any offering documents to the extent customary for similar offerings and solvency certificates or other certificates customarily requested by lenders in transactions of this type, (g) provided that all Key Regulatory Approvals have been obtained, subject to the terms of the Company's and its Subsidiaries existing indebtedness, giving timely redemption or prepayment notices, as applicable, in connection with the refinancing of the Company's or its Subsidiaries' existing indebtedness outstanding on or after the Effective Time as may be reasonably required by the Purchaser, (h) providing advance estimates of payout amounts in respect of indebtedness being repaid on the Effective Date and arranging for releases and discharge of Liens securing indebtedness being repaid on the Effective Date, (i) the execution and delivery of a customary purchase agreement and related documentation on terms reasonably satisfactory to the Company in connection with any offering of debt securities, (j) subject to Applicable Laws and the obtaining of any necessary consents in connection therewith (which the Company shall use reasonable commercial efforts to obtain), executing and delivering any pledge and security documents, currency or interest hedging arrangements or other definitive financing documents or other certificates and documents as may be reasonably requested by the Purchaser or otherwise facilitating the pledging of collateral as may be reasonably requested by the Purchaser; provided that any obligations contained in such documents shall be effective no earlier than as of the Effective Time, (k) furnishing the Purchaser and its financing sources as promptly as practicable (and in any event no later than 30 days prior to the Outside Date) with financial and other pertinent information regarding the Company and its Subsidiaries as may be reasonably requested by the Purchaser, including Canadian GAAP financial statements together with a reconciliation to US GAAP prepared substantially in accordance with Item 17 of Form 20-F, of the type and form customarily included in offering documents used in private placements by foreign private issuers under Rule 144A of the 1933 Act, to consummate the offerings of debt securities contemplated by the

Commitment Letters at the time during the Company's fiscal year such offerings will be made including but not limited to annual audited financial statements (with accompanying audit reports), interim financial statements (consistent with the Company's regular quarterly reporting) and corresponding LTM data and *pro forma* financial statements (information required to be delivered pursuant to this clause (k) being referred to as the "Required Information"), provided that the Purchaser shall provide the Company with a list of the form and types of financial and other information requested pursuant to this clause (k) by no later than August 1, 2007 (the "**Required Information Schedule**"), (l) obtaining customary accountants' comfort letters, accountants' consents, and legal opinions as reasonably requested by the Purchaser (provided that the Purchaser shall arrange to provide any opinion required by the terms of any of the Company's or any of its Subsidiaries' existing trust indentures in connection with any such financing or related actions) and (m) taking all actions reasonably necessary to permit the Lenders to evaluate the Company's and its Subsidiaries' current assets, cash management and accounting systems, policies and procedures relating thereto for the purpose of establishing collateral arrangements. Notwithstanding the foregoing, none of the Company nor any Subsidiary of the Company will be required to (a) pay any commitment, consent or other fee or incur any other liability in connection with any such financing prior to the Effective Time, (b) take any action or do anything that would contravene any Applicable Law, contravene any Contract of the Company or any Subsidiary that relates to borrowed money or be capable of impairing or preventing the satisfaction of any condition set forth in Article 8 hereof, (c) commit to take any action that is not contingent on the consummation of the transactions at the Effective Time, or (d) disclose any information that in the reasonable judgment of the Company would result in the disclosure of any trade secrets or similar information or violate any obligations of the Company or any other Person with respect to confidentiality. The Purchaser agrees to indemnify the Company, its affiliates and their respective officers, directors and employees from and against any and all liabilities, losses, damages, claims, costs, expenses, interest, awards, judgments and penalties suffered or incurred by any of them in connection with any financing or potential financing by the Purchaser or any actions or omissions by any of them in connection with any request by the Purchaser made hereunder and for any alleged misstatement or omission in any information provided hereunder at the request of the Purchaser (other than historical factual information to the extent prepared by the Company and relating to the Company and its Subsidiaries). The Purchaser will promptly upon request by the Company and from time to time (other than in circumstances where this Agreement is terminated by the Purchaser pursuant to Section 9.1(1)(c)(ii) due to willful and intentional breach or fraud) reimburse the Company for all reasonable out-of-pocket costs (including legal fees) incurred by the Company or its Subsidiaries and their respective advisers, agents and representatives in connection with any of the foregoing. The Company hereby consents to the use of its and its Subsidiaries' logos in connection with the financing; provided that such logos are used solely in a manner that is not intended to or reasonably likely to harm or disparage the Company or any of its Subsidiaries or the reputation or goodwill of the Company or any of its Subsidiaries.

Section 5.4 Completion of the Telesat Transaction

The Company will use all commercially reasonable efforts to complete as promptly as practicable the Telesat Transaction on substantially the terms and conditions outlined in the Telesat Purchase Agreement. The Company shall promptly update the Purchaser as to any material developments relating to the Telesat Transaction and in no event shall the Company

make any material amendments or waivers to the Telesat Purchase Agreement without the prior written consent of the Purchaser (such consent not to be unreasonably withheld, conditioned or delayed). In the event that the Telesat Purchase Agreement is terminated in accordance with its terms, then Telesat shall, from the date of such termination, be deemed to be a Subsidiary of the Company for purposes of Section 5.1.

Section 5.5 Cooperation Regarding Reorganization

(1) Upon the reasonable request or requests of the Purchaser (not less than 30 Business Days prior to the Effective Time), the Company shall, and shall cause its Subsidiaries to, use all commercially reasonable efforts to (i) effect, in the period immediately prior to the Effective Time, such reorganizations of their business, operations and assets as the Purchaser may request, acting reasonably (each a **Pre-Acquisition Reorganization**); (ii) cooperate fully with the Purchaser and its advisors to determine the nature of the Pre-Acquisition Reorganizations that might be undertaken and the manner in which they would most effectively be undertaken; and (iii) cooperate fully with the Purchaser in the preparation and filing of a request for an advance income tax ruling to be requested by the Purchaser from the Canada Revenue Agency (and provincial taxing authorities as applicable) respecting such income tax matters as the Purchaser may determine including, in particular, rulings relating to paragraphs 88(1)(c) and (d) of the Tax Act, and to cooperate as requested during the process of obtaining such tax ruling. The obligations of the Company pursuant to this Section 5.5 shall be conditional on the understanding that: (i) any Pre-Acquisition Reorganization shall not delay, impair or impede the completion of the Arrangement or the ability of the Purchaser to obtain any financing required by it in connection with the transactions contemplated by this Agreement; (ii) any Pre-Acquisition Reorganization shall not unreasonably interfere in the ongoing operations of the Company or any of its Subsidiaries; (iii) any Pre-Acquisition Reorganization shall not require the Company or any Subsidiary to contravene any Applicable Laws, their respective organizational documents or any Contract; (iv) any Pre-Acquisition Reorganization shall not become effective unless the Purchaser shall have waived or confirmed in writing the satisfaction of all conditions in its favour under Section 8.1 and Section 8.2 and shall have confirmed in writing that it is prepared to promptly and without condition (other than satisfaction of the condition contemplated by Section 8.2(a)) proceed to effect the Arrangement; (v) the Company and its Subsidiaries shall not be obligated to take any action that would reasonably be expected to result in any Taxes being imposed on, or any adverse Tax or other consequences to, any securityholder of the Company incrementally greater than the Taxes or other consequences to such party in connection with the consummation of the Arrangement in the absence of any Pre-Acquisition Reorganization; and (vi) the Company, its Subsidiaries and their respective officers, directors, employees, agents, advisors and representatives shall have received an indemnity, in form and substance satisfactory to the Company, acting reasonably, from the Purchaser Parties from and against any and all liabilities, losses, damages, claims, costs, expenses, interest, awards, judgements and penalties suffered or incurred by any of them in connection with or as a result of any Pre-Acquisition Reorganization. The Purchaser acknowledges and agrees that the Pre-Acquisition Reorganizations shall not be considered in determining whether a representation, warranty or covenant of the Company hereunder has been breached, it

being acknowledged by the Purchaser that these actions could require the consent of third parties under applicable Contracts. The Purchaser and the Company shall, at the expense of the Purchaser, work cooperatively and use commercially reasonable efforts to prepare prior to the Effective Time all documentation necessary and do such other acts and things as are necessary to give effect to such Pre-Acquisition Reorganizations.

- (2) The Company shall use its reasonable best efforts to, and shall use its reasonable best efforts to cause its Subsidiaries to, maintain in good standing the tax loss monetization (the **Monetization**) among Bell Canada, Bell Mobility Inc. and others, in a manner consistent with the advance income tax ruling issued on March 27, 2007. The Company and its Subsidiaries shall not unwind, terminate or amend the Monetization, in whole or in part, without the consent of the Purchaser, acting reasonably.

Section 5.6 Conduct of the Company

For the period commencing on the date hereof and ending on the Effective Time, and except as required by Applicable Law, the Company shall not, and shall not permit its Subsidiaries to enter into any merger, acquisition, joint venture, disposition, lease, contract or debt or equity financing, or agree to do any of the foregoing, that would reasonably be likely to delay, impair or impede in any material respect the receipt of any Regulatory Approval or the satisfaction of any condition set forth in Article 8 hereof.

Section 5.7 Dividend Reinvestment Plan; Employee Savings Plans

- (b) Upon the execution of this Agreement, the Company shall not issue or otherwise authorize the issuance of any Common Shares from treasury in respect of the Employee Savings Plans and all Common Shares delivered to participants under the Employee Savings Plans for the period commencing on the date of this Agreement and ending at the Effective Time shall be acquired by open market or third party arm's length purchases. The Company shall take all steps necessary to cause the Employee Savings Plans to be terminated at the Effective Time.

Section 5.8 Cooperation with Solvency Opinion

Each of the Purchaser and the Company shall use their respective reasonable best efforts to (a) make available their respective officers, agents or other representatives on a customary basis and on reasonable notice and (b) provide or make available such information and documents concerning the business, properties, Contracts, assets and liabilities of the Company and, in the case of the Purchaser, the financing contemplated by the Commitment Letter and Equity Commitment Letters, as may reasonably be requested by the firm preparing the opinion contemplated by Section 8.1(f).

ARTICLE 6
COVENANTS OF THE PURCHASER PARTIES

Section 6.1 Conduct of the Purchaser

For the period commencing on the date hereof and ending on the Effective Time, and except as required by Applicable Law, no Purchaser Party shall enter into any merger, acquisition, joint venture, disposition, lease, contract or debt or equity financing, or agree to do any of the foregoing, that would reasonably be likely to (a) result in any of the representations and warranties referred to in Section 4.1 becoming false or inaccurate in any material respect, or (b) delay, impair or impede in any material respect the receipt of any Regulatory Approval or the satisfaction of any condition set forth in Article 8 hereof.

Section 6.2 Director and Officer Liability

- (1) From and after the Effective Time, the Purchaser shall, and shall cause the Company to, indemnify and hold harmless, to the fullest extent permitted under Applicable Law (and to also advance expenses as incurred to the fullest extent permitted under Applicable Law), each present and former director, officer, trustee and employee of the Company and its Subsidiaries (each, an **Indemnified Person**) against any costs or expenses (including reasonable attorneys' fees), judgments, fines, losses, claims, damages or liabilities incurred in connection with any claim, inquiry, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative, arising out of or related to such Indemnified Person's service as a director, officer, trustee or employee of the Company and/or any of its Subsidiaries or services performed by such Persons at the request of the Company and/or any of its Subsidiaries at or prior to or following the Effective Time, whether asserted or claimed prior to, at or after the Effective Time, including the approval or completion of this Agreement, the Arrangement or any of the other transactions contemplated by this Agreement or arising out of or related to this Agreement and the transactions contemplated hereby. Neither the Purchaser nor the Company shall settle, compromise or consent to the entry of any judgment in any claim, action, suit, proceeding or investigation or threatened claim, action, suit, proceeding or investigation involving or naming an Indemnified Person or arising out of or related to an Indemnified Person's service as a director, officer, trustee or employee of the Company and/or any of its Subsidiaries or services performed by such Persons at the request of the Company and/or any of its Subsidiaries at or prior to or following the Effective Time without the prior written consent of that Indemnified Person.

 - (2) Prior to the Effective Time, the Company shall and, if the Company is unable to, the Purchaser shall cause the Company as of the Effective Time, to obtain and fully pay the premium for the extension of the directors', officers', trustees' and employees' liability coverage of the Company's and its Subsidiaries' existing directors', officers', trustees' and employees' insurance policies for a claims reporting or run-off and extended reporting period and claims reporting period of at least six years from and after the Effective Time with respect to any claim related to any period or time at or prior to the Effective Time from an insurance carrier with the same or better credit rating as the Company's current insurance carriers with respect to directors', officers', trustees' and employees' liability insurance (**D&O Insurance**), and with terms, conditions,
-

retentions and limits of liability that are no less advantageous to the Indemnified Persons than the coverage provided under the Company's and its Subsidiaries' existing policies with respect to any actual or alleged error, misstatement, misleading statement, act, omission, neglect, breach of duty or any matter claimed against a director, officer, trustee or employee of the Company or any of its Subsidiaries by reason of him or her serving in such capacity that existed or occurred at or prior to the Effective Time (including in connection with the approval or completion of this Agreement, the Arrangement or the other transactions contemplated by this Agreement or arising out of or related to this Agreement and the transactions contemplated hereby). If the Company for any reason fails to obtain such "run off" insurance policies as of the Effective Time, the Company shall continue to maintain in effect for a period of at least six years from and after the Effective Time the D&O Insurance in place as of the date hereof with terms, conditions, retentions and limits of liability that are no less advantageous in the aggregate than the coverage provided under the Company's and its Subsidiaries' existing policies as of the date hereof, or the Company shall purchase comparable D&O Insurance for such six-year period with terms, conditions, retentions and limits of liability that are at least as favourable to the Indemnified Persons as provided in the Company's existing policies as of the date hereof.

- (3) If the Company or the Purchaser or any of their successors or assigns shall:
- (a) amalgamate, consolidate with or merge or wind-up into any other Person and, if applicable, shall not be the continuing or surviving corporation or entity; or
 - (b) transfer all or substantially all of its properties and assets to any Person or Persons, then, and in each such case, proper provisions shall be made so that the successors, assigns and transferees of the Company or the Purchaser, as the case may be, shall assume all of the obligations set forth in this Section 6.2.
- (4) If any Indemnified Person makes any claim for indemnification or advancement of expenses under this Section 6.2 that is denied by the Company or the Purchaser, and a court of competent jurisdiction determines that the Indemnified Person is entitled to such indemnification, then the Company and the Purchaser shall pay such Indemnified Person's costs and expenses, including reasonable legal fees and expenses, incurred in connection with pursuing such claim against the Company or the Purchaser.
- (5) The rights of the Indemnified Persons under this Section 6.2 shall be in addition to any rights such Indemnified Persons may have under the constating documents of the Company or any of its Subsidiaries, or under any Applicable Law or under any Contract of any Indemnified Person with the Company or any of its Subsidiaries. All rights to indemnification and exculpation from liabilities for acts or omissions occurring at or prior to the Effective Time and rights to advancement of expenses relating thereto in favour of any Indemnified Person as provided in the constating documents of the Company or any Subsidiary of the Company or any Contract, the form of which is in the Data Room as at the date hereof, between such Indemnified Person and the Company or any of its Subsidiaries shall survive the Effective Time and shall not be amended, repealed or
-

otherwise modified in any manner that would adversely affect any right thereunder of any such Indemnified Person.

- (6) For purposes of this Section 6.2, the Bell Aliant Entities and Telesat shall be deemed to be Subsidiaries of the Company.
- (7) This Section 6.2 shall survive the consummation of the Arrangement and is intended to be for the benefit of, and shall be enforceable by, the Indemnified Persons and their respective heirs, executors, administrators and personal representatives and shall be binding on the Company and its successors and assigns, and, for such purpose, the Company hereby confirms that it is acting as agent on behalf of the Indemnified Persons.

Section 6.3 Interim Period Consents

The Purchaser will, promptly following the date hereof, designate two individuals from either of whom the Company may seek approval to undertake any actions not permitted to be taken under Section 5.1, and will ensure that such persons will respond, on behalf of the Purchaser, to the Company's requests in an expeditious manner.

Section 6.4 Purchaser Financing

- (1) Without limiting the generality of Section 7.1, the Purchaser will use its and cause the Purchaser Parties to use their reasonable best efforts to consummate the financing contemplated by the Commitment Letter and Equity Commitment Letters no later than the Effective Date, but in each case shall ensure that any financing arranged by the Purchaser, when taken together with all other transactions contemplated hereby, shall comply in all material respects with the requirements of all outstanding Material Contracts of the Company or its Subsidiaries relating to borrowed money that have been made available and under all Applicable Laws.
 - (2) The Purchaser will use reasonable best efforts to satisfy, on a timely basis, all covenants, terms, representations and warranties within its control applicable to the Purchaser in the Commitment Letter and Equity Commitment Letters and accommodate the financing provided for under the Commitment Letter and Equity Commitment Letters.
 - (3) The Purchaser will use reasonable best efforts to negotiate and enter into definitive credit or loan or other agreements and all other documentation with respect to the financings contemplated in this Section 6.4 as may be necessary for the Purchaser to obtain such funds, on the basis described in this Section 6.4 and otherwise on terms and conditions no less favourable to the Company than those contained in the Commitment Letter and the Equity Commitment Letters, and otherwise: (a) subject only to such other conditions precedent as are acceptable to the Company in its reasonable discretion; or (b) on terms and conditions which do not impair the ability of the Purchaser to perform its obligations hereunder or to effect the Arrangement, as soon as reasonably practicable but in any event prior to the Outside Date. The Purchaser will deliver to the Company correct and complete copies of such executed definitive agreements and documentation promptly when available and drafts thereof from time to time upon request by the Company.
-

- 37 -

- (4) The Purchaser will keep the Company informed with respect to all material activity concerning the status of the financings referred to in this Section 6.4 and will give the Company prompt notice of any material change with respect to any such financings. Without limiting the generality of the foregoing, the Purchaser agrees to notify the Company promptly, and in any event within 24 hours, if at any time prior to the Effective Time: (a) the Commitment Letter or any Equity Commitment Letter referred to in this Section 6.4 will expire or be terminated for any reason, (b) any event occurs that, with or without notice, lapse of time or both, would individually or in the aggregate, constitute a default or breach on the part of the Purchaser under any material term or condition of the Commitment Letter or any Equity Commitment Letter or definitive agreement or documentation referred to in this Section 6.4 or if the Purchaser has any reason to believe that it will be unable to satisfy, on a timely basis, any term or condition of any funding referred to in this Section 6.4 to be satisfied by it, that in each case would reasonably be expected to impair the ability of the Purchaser to consummate the financing; or (c) any financing source that is a party to the Commitment Letter or any Equity Commitment Letter advises the Purchaser or any Purchaser Party, whether orally or in writing, that such source either no longer intends to provide or underwrite any financing referred to in this Section 6.4 on the terms set forth in the Commitment Letter or any Equity Commitment Letter, as applicable, or requests amendments or waivers thereto that are or could reasonably be expected to be materially adverse to the timely completion by the Purchaser of the transactions contemplated by this Agreement.
- (5) Other than in connection with and as contemplated in this Agreement, neither the Purchaser nor any Purchaser Party will, without the prior written consent of the Company, take any action or enter into any transaction, including any merger, acquisition, joint venture, disposition, lease, contract or debt or equity financing, that would reasonably be expected to materially impair, delay or prevent the Purchaser obtaining any of the financings contemplated by this Section 6.4.
- (6) The Purchaser will not amend or alter, or agree to amend or alter, the Commitment Letter or the Equity Commitment Letters or any definitive agreement or documentation referred to in this Section 6.4 in any manner that would reasonably be expected to materially impair, delay or prevent the consummation of the transactions contemplated by this Agreement, in each case without the prior written consent of the Company.
- (7) If the Commitment Letter or any Equity Commitment Letter is terminated or modified in a manner materially adverse to the Purchaser's ability to complete the transactions contemplated by this Agreement for any reason, the Purchaser will use reasonable best efforts to: (a) obtain, as promptly as practicable, and, once obtained, provide the Company with a copy of, a new financing commitment that provides for at least the same amount of financing as contemplated by the Commitment Letter and/or the Equity Commitment Letters, as the case may be, on a basis that is not subject to any condition precedent materially less favourable from the perspective of the Company than the conditions precedent contained in the Commitment Letter, or the Equity Commitment Letters, as the case may be, and otherwise on terms and conditions not materially less favourable from the perspective of the Company, (b) negotiate and enter into definitive credit, loan or other agreements and all required documentation with such third parties as may be necessary for the Purchaser to obtain such funds (to the extent reasonably
-

practicable, on terms and conditions not materially less favourable than the Commitment Letter or the Equity Commitment Letter, as the case may be, being replaced) and on the basis described in this Section 6.4 and on terms and conditions consistent with such new financing commitment, as soon as reasonably practicable but in any event prior to the Outside Date, and deliver to the Company correct and complete copies of such executed definitive agreements and documentation promptly upon request by the Company, (c) satisfy, on a timely basis, all covenants, terms, representations and warranties applicable to the Purchaser in respect of such new financing commitments and all other required agreements and documentation referred to in this Section 6.4(7) and enforce its rights under such new financing commitments and agreements and documentation, and (d) obtain funds under such commitments to the extent necessary to consummate the transactions contemplated by this Agreement.

- (8) For greater certainty, all non-public or otherwise confidential information regarding the Company obtained by the Purchaser or its representatives (including without limitation the Lenders and any of their representatives or advisors or any Purchaser Party) pursuant to Section 5.3 is information which is subject to the Confidentiality Agreements and will be treated in accordance with the Confidentiality Agreements; provided the Purchaser shall be entitled to provide such information to its Lenders and investors in its debt financing and their respective representatives and rating agencies, subject to the confidentiality conditions set forth in the Confidentiality Agreements.
- (9) The Purchaser acknowledges and agrees that its obtaining financing is not a condition to any of its obligations hereunder, regardless of the reasons why financing is not obtained or whether such reasons are within or beyond the control of the Purchaser. For the avoidance of doubt, if any financing referred to in this Section 6.4 is not obtained, the Purchaser will continue to be obligated to consummate the Arrangement, subject to and on the terms contemplated by this Agreement.

Section 6.5 Investment Canada Act

- (1) If the Minister of Canadian Heritage or official of The Department of Canadian Heritage (together, the **Heritage Minister**), or the Minister of Industry in his capacity as the Minister responsible for the administration of the Investment Canada Act, in order to determine whether the Purchaser is a Canadian and not controlled in fact by one or more non-Canadians (all within the meaning of the Investment Canada Act), requests information or evidence for that purpose, the Purchaser Parties will promptly comply with each such request.
 - (2) The Purchaser Parties will (subject to the Company's prior written consent if required pursuant to the terms of this Agreement), use their reasonable best efforts to promptly satisfy the Heritage Minister or the Minister of Industry that the Purchaser is Canadian and not controlled in fact by one or more non-Canadians (all within the meaning of the Investment Canada Act), including for greater certainty making any non-material adjustments or amendments to the arrangements governing the ownership of the Purchaser, provided that nothing in this Section 6.5(2) shall require the Purchaser Parties to accede to any request of the Heritage Minister or the Minister of Industry to modify the
-

amount of equity invested or the percentage of equity ownership in the Purchaser on the part of any of the Equity Sponsors.

- (3) For greater certainty, in the event that the Purchaser Parties are not, despite compliance with their obligations under this Section 6.5(1) and Section 6.5(2), able to satisfy the Heritage Minister or the Minister of Industry that the Purchaser is Canadian and not controlled in fact by one or more non-Canadians (all within the meaning of the Investment Canada Act), then Investment Canada Act Approval shall be deemed to be a Key Regulatory Approval.

Section 6.6 Syndication of Equity

- (1) Except as provided by this Section 6.6, notwithstanding anything to the contrary contained in the Confidentiality Agreements, the Purchaser Parties shall not without the prior written consent of the Company allow the equity syndication of any of their direct or indirect equity or proposed equity ownership in the Company.
- (2) Subject to the limitations set forth in this Section 6.6, the Company will permit each Purchaser Party to syndicate equity:
- (a) to all Persons identified on Schedule G (and will permit those Persons to syndicate equity); and
 - (b) to limited partners and co-investors of such Purchaser Party who are not identified on the Pre-Approved List; provided that the Ontario Teachers Pension Plan Board (the **Canadian Equity Sponsor**) and any Persons to whom the Canadian Equity Sponsor syndicates equity shall be permitted to syndicate equity only to Persons who meet the same Canadian status tests for purposes of applicable Telecom Laws and the Investment Canada Act as the Canadian Equity Sponsor.
- (3) From the date of this Agreement until the Company Meeting, the Purchaser Parties and their representatives and Persons to whom the Purchaser Parties may have syndicated all or part of their interests as permitted by Section 6.6(2) (the **Syndicated Parties**) and their representatives shall be permitted to hold equity syndication discussions and negotiations with Persons identified in Part 3 of Schedule G and any other Persons who are not identified in Part 1 or Part 2 of Schedule G.
- (4) After the Company Meeting, the Purchaser Parties and the Syndicated Parties and their representatives shall be permitted to commence any form of equity syndication or equity syndication discussions and negotiations with any Person, including Persons who are identified in Part 1 and Part 2 of Schedule G.
- (5) For the purposes of this Section 6.6, equity syndication by any Purchaser Party or Syndicated Party and similar terms includes any discussion or inquiry by that Purchaser Party or Syndicated Party, whether or not solicited or initiated by that Purchaser Party or Syndicated Party, or any of its representatives, relating to any other Person acquiring, directly or indirectly, any equity interest in the Company or the Purchaser Party or
-

- 40 -

Syndicated Party (or in any other Person that beneficially owns a material equity interest in the Purchaser Party or Syndicated Party), whether or not such equity interest is already outstanding or issued, and including any right to acquire any such equity interest or any direct or indirect interest in any such equity interest.

- (6) Notwithstanding anything to the contrary in this Section 6.6, no syndication by the Purchaser Parties or Syndicated Parties shall be permitted that would reasonably be expected to impair, impede or materially delay the receipt of any Key Regulatory Approval.
 - (7) The written consent of the Purchaser Party shall be required for the syndication of equity by any Person to whom equity has been syndicated by that Purchaser Party pursuant to this Section 6.6.
 - (8) The amount of equity that may be syndicated by the Purchaser Parties shall be subject to the following limitations:
 - (a) there shall be no limit on the amount of equity that the Purchaser Parties may syndicate to Persons identified in Part 3 of Schedule G or other Persons not identified in Part 1 or 2 of Schedule G; and
 - (b) the collective syndication of equity by the Purchaser Parties to Persons identified in Parts 1 and 2 of Schedule G shall be subject to one of the following limitations, at the election of the Purchaser made by notice in writing to the Company prior to any equity syndication to such Persons:
 - (i) a maximum of \$2 billion in the aggregate to one or more of the Persons identified in Part 1 of Schedule G, plus a maximum of \$750 million in the aggregate to one or more of the Persons identified in Part 2 of Schedule G; or
 - (ii) a maximum of \$2 billion of equity in the aggregate to one or more of the Persons identified in Part 2 of Schedule G, plus a maximum of \$750 million to one or more of the Persons identified in Part 1 of Schedule G.
 - (9) Notwithstanding anything in the foregoing to the contrary, the Company may change, modify, eliminate or amend in any respect any of this Section 6.6 if, in the good faith judgment of the Board, such changes, modifications, elimination or amendments are in the best interests of the Company and the Affected Shareholders; provided, however, that no such changes, modifications, eliminations or amendments shall be adverse to the Purchaser Parties.

In connection with the foregoing, each Party shall furnish, on a timely basis, and in any event within 15 days of a request for same by the other Party or by any Governmental Authority, all information as may be reasonably required to effectuate the foregoing actions, and each covenants that, to its knowledge, no information so furnished by it in writing will contain a misrepresentation.

In such case, the Parties will cooperate in the preparation of such amendment or supplement as required.
- (5) Notwithstanding anything in this Agreement to the contrary, if any objections are asserted with respect to the transactions contemplated hereby under any applicable Competition Law or Telecom Law, or if any Proceeding is instituted or threatened by any
-

- (1) Each Party will give prompt notice to the other of the occurrence, or failure to occur, at any time from the date hereof until the earlier to occur of the termination of this Agreement and the Effective Time of any event or state of facts which occurrence or failure would, or would be likely to:

 - (b) result in the failure to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by such Party hereunder prior to the Effective Time.
 - (2) The Purchaser may not exercise its right to terminate this Agreement pursuant to Section 9.1(1)(c)(ii) and the Company may not exercise its right to terminate this Agreement pursuant to Section 9.1(1)(d)(ii) unless the Party seeking to terminate the Agreement shall have delivered a written notice to the other Party specifying in reasonable detail all breaches of covenants, representations and warranties or other matters which the Party delivering such notice is asserting as the basis for the termination right. - (3) Notwithstanding Section 7.7(1) or any other provision of this Agreement, the Company shall not be obligated to provide access to, or to disclose, any information to the Purchaser if the Company reasonably determines that such access or disclosure would jeopardize any privilege claim by the Company or any of its Subsidiaries.
- (4) For greater certainty, the Purchaser Parties shall treat, and shall cause their respective representatives to treat, all information furnished to the Purchaser Parties or any of such representatives in connection with the transactions contemplated by this Agreement or pursuant to the terms of this Agreement in accordance with the terms of the Confidentiality Agreements. ARTICLE 10
GENERAL PROVISIONS

Section 10.1 Standard

No representation or warranty of the Company contained in this Agreement shall be deemed untrue or incorrect for any purpose under this Agreement, and the Company shall not be deemed to have breached a representation or warranty for any purpose under this Agreement, in any case as a consequence of the existence or absence of any fact, circumstance or event unless such fact, circumstance or event, individually or when taken together with all other facts, circumstances or events inconsistent with any representations or warranties contained in this Agreement, has had or would be reasonably expected to have a Material Adverse Effect with respect to the Company (disregarding for purposes of this Section 10.1 any materiality or Material Adverse Effect qualification contained in any such representations or warranties).

Section 10.2 Amendments

This Agreement and the Plan of Arrangement may, at any time and from time to time before or after the holding of the Company Meeting but not later than the Effective Time, be amended by mutual written agreement of the Parties, and any such amendment may, subject to the Interim Order and Final Order and Applicable Laws, without limitation:

- (a) change the time for performance of any of the obligations or acts of the Parties;

- (c) modify any of the covenants herein contained and waive or modify performance of any of the obligations of the Parties; and/or
- (d) modify any mutual conditions precedent herein contained.

Section 10.3 Waiver

No waiver of any of the provisions of this Agreement shall be deemed to constitute a waiver of any other provision (whether or not similar) or a future waiver of the same provisions, nor shall such waiver be binding unless executed in writing by the Party to be bound by the waiver. No failure or delay by any Party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by Applicable Law.

Section 10.5 Governing Law

This Agreement shall be governed, including as to validity, interpretation and effect, by the laws of the Province of Québec and the laws of Canada applicable therein, and shall be construed and treated in all respects as a Québec contract. Each of the Parties hereby irrevocably attorns to the exclusive jurisdiction of the Courts of the Province of Québec in respect of all matters arising under and in relation to this Agreement and the Arrangement.

Section 10.6 Expenses and Termination Fees

- (1) Except as otherwise provided herein, all costs and expenses incurred in connection with this Agreement shall be paid by the Party incurring such cost or expense.
 - (2) If a Termination Fee Event occurs, the Company shall pay as directed by the Equity Sponsors jointly in writing (by wire transfer of immediately available funds) the Termination Fee in accordance with Section 10.6(3). For the purposes of this Agreement, **Termination Fee** means \$800 million, less the amount of any non-resident withholding required by Applicable Laws relating to Taxes which is concurrently remitted by the Company to the relevant Governmental Authority, and **Termination Fee Event** means the termination of this Agreement pursuant to:
 - (a) Section 9.1(1)(c)(i) or Section 9.1(1)(d)(i); or
 - (b) Section 9.1(1)(b)(iii) or Section 9.1(1)(c)(ii) (due to willful and intentional breach or fraud), but only if, in the case of this paragraph (b): (i) prior to the Company Meeting, a bona fide Acquisition Proposal shall have been made or publicly announced by any Person other than any Purchaser Party; and (ii) within twelve months following the date of such termination, such Person or any of its affiliates: (A) directly or indirectly, in one or more transactions, acquires the Company by arrangement or otherwise; (B) directly or indirectly, in one or more transactions, acquires more than 50% of the total assets of the Company and its Subsidiaries,
-

- 56 -

taken as a whole; or (C) directly or indirectly, in one or more transactions, acquires more than 50% of the outstanding Common Shares; or (D) enters into a Contract (other than a confidentiality agreement) with respect to the foregoing or any other Acquisition Proposal. For purposes of the foregoing, the term Acquisition Proposal shall have the meaning assigned to such term in Section 1.1, except that references to 20% or more shall be deemed to be references to 50% or more.

- (3) If a Termination Fee Event occurs due to a termination of this Agreement by the Company pursuant to Section 9.1(1)(d)(i), the Termination Fee shall be paid simultaneously with the occurrence of such Termination Fee Event. If a Termination Fee Event occurs due to a termination of this Agreement by the Purchaser pursuant to Section 9.1(1)(c)(i), the Termination Fee shall be paid within two Business Days following such Termination Fee Event. If a Termination Fee Event occurs in the circumstances set out in Section 10.6(2)(b), the Termination Fee shall be paid upon the earlier of the closing of the applicable acquisition referred to therein or upon the entering into of the applicable Contract referred to therein.
- (4) Notwithstanding any other provision relating to the payment of expenses, costs or fees, the Company shall pay, or cause to be paid, to the Purchaser Parties in such proportions as directed by the Purchaser Parties jointly in writing, all reasonable documented expenses, costs and fees of the Purchaser Parties and their affiliates incurred in connection with the transactions contemplated hereby and related financings not to exceed \$25 million if this Agreement shall have been terminated by the Purchaser or the Company pursuant to Section 9.1(1)(b)(iii) and not to exceed \$50 million if this Agreement shall have been terminated by the Purchaser pursuant to Section 9.1(1)(c)(ii), such payment to be made within two Business Days of any such termination.
- (5) In no event shall the Company be required to pay under Section 10.6(2) or Section 10.6(3), on the one hand, and Section 10.6(4), on the other hand, in the aggregate, an amount in excess of the Termination Fee.
- (6) In the event that, prior to a Termination Fee Event, this Agreement is:
- (a) terminated by the Company pursuant to Section 9.1(1)(d)(ii) or Section 9.1(1)(d)(iii); or
 - (b) terminated by either the Company or the Purchaser pursuant to Section 9.1(1)(b)(i) and all of the conditions referred to in Section 8.1 and Section 8.2 (other than conditions that are satisfied by their nature at the Effective Time or conditions set forth in Section 8.1 that are not satisfied as a result of any Purchaser Party having failed to comply with its obligations hereunder) have been waived or satisfied;
- then, in any such case, the Purchaser will pay or will cause to be paid to the Company by wire transfer in immediately available funds to an account designated by the Company an amount equal to \$1 billion (the **Break-Up Fee**). Such payment will be due within two Business Days of such termination.
-

- (7) Each of the Parties acknowledges that the agreements contained in this Section 10.6 are an integral part of the transactions contemplated in this Agreement and that, without those agreements, the Parties would not enter into this Agreement. Each Party acknowledges that all of the payment amounts set out in this Section 10.6 are payments of liquidated damages which are a genuine pre-estimate of the damages which the Party entitled to such damages will suffer or incur as a result of the event giving rise to such payment and the resultant termination of this Agreement and are not penalties. Each Party irrevocably waives any right that it may have to raise as a defence that any such liquidated damages are excessive or punitive. Subject to Section 10.7, the Parties agree that the payment of an amount pursuant to Section 10.6 is the sole remedy of the Party receiving such payment, and where such payment has been paid in full the Party receiving such payment shall be precluded from any other remedy against the Party making such payment, at law or in equity or otherwise.

Section 10.7 Injunctive Relief

The Parties agree that irreparable harm would occur for which money damages would not be an adequate remedy at law in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the Parties shall be entitled to an injunction or injunctions and other equitable relief to prevent breaches of this Agreement, any requirement for the securing or posting of any bond in connection with the obtaining of any such injunctive or other equitable relief hereby being waived.

Section 10.8 Time of Essence

Time is of the essence of this Agreement. The mere lapse of time in the performance of the terms of this Agreement by any Party shall have the effect of putting such Party in default in accordance with Articles 1594 to 1600 of the *Civil Code of Québec*.

Section 10.9 Binding Effect

This Agreement shall be binding on and shall enure to the benefit of the Parties and their respective successors and permitted assigns, provided that this Agreement may not be assigned or novated by any Party without the prior written consent of the other.

Section 10.10 Severability

If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any Applicable Law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the fullest extent possible.

Section 10.11 No Third Party Beneficiaries

Except as provided in Section 6.2, which, without limiting their terms, are intended as stipulations for the benefit of the third Persons mentioned therein, and except for the rights of the Affected Shareholders to receive the Consideration following the Effective Time pursuant to the Arrangement (for which purpose the Company hereby confirms that it is acting as agent on behalf of the Affected Shareholders), this Agreement is not intended to confer any rights or remedies upon any Person other than the Parties to this Agreement. To the fullest extent permitted by Applicable Law, each of the Purchaser and the Company agrees that the stipulations for the benefit of third Persons set out in Section 6.2 shall not be revoked, and that acceptance by such third Persons of such stipulations shall be deemed to have occurred, without prejudice to their right to accept in any other manner, through the fulfilment of their respective duties and functions with the Company or its Subsidiaries until the end of the Business Day following the execution of this Agreement, it being an essential condition of this Agreement that the Persons intended to be beneficiaries of such stipulations shall be entitled to all the rights and remedies available to them thereunder and under Applicable Law.

Section 10.12 Rules of Construction

The Parties to this Agreement waive the application of any Applicable Law or rule of construction providing that ambiguities in any agreement or other document shall be construed against the party drafting such agreement or other document.

Section 10.13 No Liability

No director or officer of the Purchaser shall have any personal liability whatsoever to the Company under this Agreement or any other document delivered in connection with the transactions contemplated hereby on behalf of the Purchaser. No director or officer of the Company or any of its Subsidiaries shall have any personal liability whatsoever to the Purchaser under this Agreement or any other document delivered in connection with the transactions contemplated hereby on behalf of the Company or any of its Subsidiaries.

Section 10.14 Language

The Parties expressly acknowledge that they have requested that this Agreement and all ancillary and related documents thereto be drafted in the English language only. Les parties aux présentes reconnaissent avoir exigé que la présente entente et tous les documents qui y sont accessoires soient rédigés en anglais seulement.

Section 10.15 Counterparts, Execution

This Agreement may be executed in two or more counterparts, each of which shall be deemed to be an original but all of which together shall constitute one and the same instrument. The Parties shall be entitled to rely upon delivery of an executed facsimile or similar executed electronic copy of this Agreement, and such facsimile or similar executed electronic copy shall be legally effective to create a valid and binding agreement between the Parties.

- 59 -

IN WITNESS WHEREOF the Purchaser and the Company have caused this Agreement to be executed as of the date first written above by their respective officers thereunto duly authorized.

There is no claim, audit, action, suit, proceeding or investigation now pending or, to the Company's knowledge, threatened against or with respect to the Company or its Material Subsidiaries in respect of any material Tax or Tax asset that would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. There are no currently effective material elections, agreements or waivers extending the statutory period or providing for an extension of time with respect to the assessment or reassessment of any Taxes, or of the filing of any Return or any payment of Taxes by the Company and any of its Material Subsidiaries.
