**PROXY STATEMENT
FOR THE 2006 ANNUAL MEETING OF STOCKHOLDERS
August 1, 2006**

QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING

Why am I receiving these materials?

We sent you this proxy statement and the enclosed proxy card because the Board of Directors of Chordiant Software, Inc. (referred to as "**Chordiant**" or "**we**" or "**us**") is soliciting your proxy to vote at the 2006 Annual Meeting of Stockholders. You are invited to attend the annual meeting to vote on the proposals described in this proxy statement. However, you do not need to attend the meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card, or follow the instructions below to submit your proxy over the telephone or on the Internet.

We intend to mail this proxy statement and accompanying proxy card on or about June 29, 2006 to all stockholders of record entitled to vote at the annual meeting.

Who can vote at the annual meeting?

Only stockholders of record at the close of business on June 15, 2006 will be entitled to vote at the annual meeting. On this record date, there were 79,616,230 shares of common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on June 15, 2006 your shares were registered directly in your name with our transfer agent, EquiServe, then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to fill out and return the enclosed proxy card or vote by proxy over the telephone or on the Internet as instructed below to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on June 15, 2006 your shares were held, not in your name but rather in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in [street name] and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the annual meeting. As a beneficial owner,

you have the right to direct your broker or other agent on how to vote the shares in your account. You are also invited to attend the annual meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

1

What am I voting on?

There are two matters scheduled for a vote:

- Election of two (2) Class III directors to hold office until the 2009 Annual Meeting of Stockholders and redesignation of one Class III director to Class II and election of the director to hold office for the remaining Class II term until the 2008 Annual Meeting of Stockholders; and
- Ratification of BDO Seidman, LLP as our independent registered public accounting firm for our fiscal year ending September 30, 2006.

What are the recommendations of Chordiant's Board of Directors on the matters scheduled for a vote?

The Board of Directors unanimously recommends that the stockholders vote FOR the election of the nominees for two (2) Class III directors to hold office until the 2009 Annual Meeting of Stockholders, the redesignation of one Class III director to Class II and the election of the nominee to hold office for the remaining Class II term until the 2008 Annual Meeting of Stockholders, and FOR the ratification of the selection of BDO Seidman, LLP as Chordiant's independent registered public accounting firm for its fiscal year ending September 30, 2006.

How do I vote?

You may either vote For all the nominees to the Board of Directors or you may withhold your vote for any nominee you specify. For each of the other matters to be voted on, you may vote For or Against or abstain from voting. The procedures for voting are fairly simple:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the annual meeting, vote by proxy using the enclosed proxy card, vote by proxy over the telephone, or vote by proxy on the Internet. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person if you have already voted by proxy.

- To vote in person, come to the annual meeting and we will give you a ballot when you arrive.
- To vote using the proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the annual meeting, we will vote your shares as you direct.
- To vote over the telephone, please refer to the phone number printed on the enclosed proxy card. You will be asked to provide the company number and control number from the enclosed proxy card. Your vote must be received by 11:59 P.M. Eastern Time on July 31, 2006 to be counted.
- To vote on the Internet, go to **<http://www.proxyvote.com>** to complete an electronic proxy card. You will be asked to provide the company number and control number from the enclosed proxy card. Your vote must be received by 11:59 P.M. Eastern Time on July 31, 2006 to be counted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from us. Simply complete and mail the proxy card to ensure that your vote is counted. Alternatively, you may vote by telephone or over the Internet as instructed by your broker or bank. To vote in person at the annual meeting, you must obtain a valid proxy from your broker, bank, or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of June 15, 2006.

2

What if I return a proxy card but do not make specific choices?

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted For¹ the election of the three (3) nominees for director, and For² the ratification of BDO Seidman, LLP as independent registered public accounting firm for the fiscal year ending September 30, 2006. If any other matter is properly presented at the meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return **each** proxy card to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the meeting. If you are a record holder of your shares, you may revoke your proxy in any one of three ways:

- You may submit another properly completed proxy card with a later date.
- You may send a written notice via certified or registered mail that you are revoking your proxy to our Corporate Secretary, Derek P. Witte, at 20400 Stevens Creek Boulevard, Suite 400, Cupertino, California 95014.
- You may attend the annual meeting and vote in person. Simply attending the meeting will not, by itself, revoke your proxy.

If your shares are held by your broker or bank as a nominee or agent, you should follow the instructions provided by your broker or bank.

When are stockholder proposals due for the 2007 annual meeting of stockholders?

Our Bylaws require that for a stockholder proposal to be considered for inclusion in the proxy materials for next year's annual meeting of the stockholders, it must be delivered to the our Corporate Secretary not later than the close of business on the one hundred twentieth (120th) day nor earlier than the close of business on the one hundred eightieth (180th) day prior to the first anniversary of the preceding year's annual meeting. However, if the date of the annual meeting is advanced more than thirty (30) days prior to or delayed by more than thirty (30) days after the anniversary of the preceding year's annual meeting, the stockholder proposal must be received not later than the close of business on the one hundred twentieth (120th) day and not earlier than the close of business on the one hundred eightieth (180th) day prior to such annual meeting, or the tenth (10th) day following the day on which the public announcement of the date of such meeting is first made.

We expect that the 2007 annual meeting of stockholders will be held on or about March 1, 2007. If you intend to present a proposal at our 2007 annual meeting of stockholders but do not intend for the proposal to be included in next year's proxy materials, or if you wish to nominate a director for election to our Board of Directors at our 2007 annual meeting, your proposal must be submitted in writing to our Corporate Secretary, Derek P. Witte, at our principal executive offices no earlier than September 1, 2006 and no later than October 31, 2006. You are also advised to review our Bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations.

3

If you wish to submit a stockholder proposal to be considered for inclusion in next year's proxy materials, your proposal must be submitted in writing no later than September 28, 2006 to our Corporate Secretary, Derek P. Witte, at 20400 Stevens Creek Boulevard, Suite 400, Cupertino, California 95014. The proposal will need to comply with SEC regulations under Rule 14a-8 of the Securities Exchange Act of 1934 regarding the inclusion of stockholder proposals in company-sponsored proxy materials.

How are votes counted?

Votes will be counted by the inspector of election appointed for the meeting, who will separately count "For" and "Withhold" and, with respect to proposals other than the election of directors, "Against" votes, abstentions and broker non-votes. Abstentions will be counted towards the vote total for each proposal, and will have the same effect as "Against" votes. Broker non-votes have no effect and will not be counted towards the vote total for any proposal.

If your shares are held by your broker as your nominee (that is, in "street name"), you will need to obtain a proxy form from the institution that holds your shares and follow the instructions included on that form regarding how to instruct your broker to vote your shares. If you do not give instructions to your broker, your broker can vote your shares with respect to "discretionary" items, but not with respect to "non-discretionary" items. Discretionary items are proposals considered routine under the rules of the New York Stock Exchange ("NYSE") on which your broker may vote shares held in street name in the absence of your voting instructions. On non-discretionary items for which you do not give your broker instructions, the shares will be treated as broker non-votes.

How many votes are needed to approve each proposal?

- For the election of directors, the three (3) nominees receiving the most "For" votes (among votes properly cast in person or by proxy) will be elected. Only votes "For" or "Withheld" will affect the outcome.
- The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the annual meeting will be required to ratify the selection of BDO Seidman, LLP. Abstentions will be counted toward the tabulation of votes cast on proposals presented to the stockholders and will have the same effect as negative votes. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether this matter has been approved.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if at least a majority of the outstanding shares entitled to vote are represented by stockholders present at the meeting or by proxy. On the record date, there were 79,616,230 shares outstanding and entitled to vote. Thus, 39,808,116 shares must be represented by stockholders present at the meeting or by proxy to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy vote (or one is submitted on your behalf by your broker bank or other nominee) or vote in person at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, a majority of the votes present at the meeting may adjourn the meeting to another date.

How can I find out the results of the voting at the annual meeting?

Preliminary voting results will be announced at the annual meeting. Final voting results will be published in our annual report on Form 10-K for fiscal 2006.

PROPOSAL 1 ELECTION OF DIRECTORS

Our Board of Directors (the "**Board**") is divided into three classes. Each class consists, as nearly as possible, of one-third of the total number of directors, and each class has a three-year term. Vacancies on the Board may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board to fill a vacancy in a class shall serve for the remainder of the full term of that class, and until the director's successor is

elected and qualified. This includes vacancies created by an increase in the number of directors.

The Board presently has eight (8) seats, of which all are currently filled, although Stephen P. Kelly has submitted his resignation as director effective as 11:59 p.m. on the date of this annual meeting. The Board will continue to review candidates to replace the Board seat that will be vacated by Mr. Kelly. There are three (3) directors in Class III whose term of office expires in 2006. Two (2) nominees for election to this class, William J. Raduchel and Samuel T. Spadafora, are directors of ours who were previously elected by the stockholders and are nominated to be elected to three-year terms. One (1) nominee, David A. Weymouth, was elected by our Board to fill a vacancy and is nominated to be redesignated to Class II and elected for the remaining term of a Class II director. Mr. Weymouth was recommended to the Nominating and Corporate Governance Committee for consideration by Mr. Spadafora, the chairman of the Board, who is also an executive officer of ours. The Nominating and Corporate Governance Committee then recommended to the Board the redesignation of Mr. Weymouth as a Class II director and the election of Mr. Weymouth for the remaining term of a Class II director until the 2008 annual meeting. If elected at the annual meeting, each of the Class III nominees would serve until the 2009 annual meeting, and the Class II nominee would serve until the 2008 annual meeting, in each case until his successor is elected and has qualified, or until the director's death, resignation or removal. It is our policy to encourage directors and nominees for directors to attend the annual meeting, and they may attend telephonically. Except for Messrs. Spadafora, Kelly and Springsteel, none of the directors attended the 2005 annual meeting of stockholders.

The following is a brief biography of each nominee and each director whose term will continue after the annual meeting.

Independence of the Board of Directors

As required under the Nasdaq Stock Market ("Nasdaq") listing standards, a majority of the members of a listed company's board of directors must qualify as "independent," as affirmatively determined by the board of directors. The Board consults with our legal counsel to ensure that the Board's determinations are consistent with all relevant securities and other laws and regulations regarding the definition of "independent," including those set forth in pertinent listing standards of the Nasdaq, as in effect from time to time.

Consistent with these considerations, after review of all relevant transactions or relationships between each director, or any of his or her family members, and us, our senior management and our independent auditors, the Board affirmatively has determined that all of our directors are independent directors within the meaning of the applicable Nasdaq listing standards, except for Steven Springsteel, our chief executive officer and president, Samuel Spadafora, the chairman of the Board and chief strategy officer, and Stephen Kelly, who is resigning from the Board as of the date of this meeting and who resigned as our chief executive officer on February 1, 2005 but remained an employee of ours until May 2, 2006.

Information Regarding the Board of Directors and its Committees

In April 2004, the Board of Directors documented our governance practices by adopting Corporate Governance Guidelines to assure that the Board will have the necessary authority and practices in place to review and evaluate our business operations as needed and to make decisions that are independent of our management. The guidelines are also intended to align the interests of directors and management with those of our stockholders. The Corporate Governance Guidelines set forth the practices the Board will follow with respect to board composition and selection, director orientation and education, director compensation, board meetings, board committees, board access to management, and succession planning. The Corporate Governance Guidelines were adopted by the Board to, among other things, reflect changes to the Nasdaq listing standards and Securities and Exchange Commission rules adopted to implement provisions of the Sarbanes-Oxley Act of 2002. The Corporate Governance Guidelines, as well as the charters for Audit, Compensation, Nominating and Corporate Governance and Strategic Planning Committees of the Board, may be viewed on the worldwide web at www.chordiant.com.

As required under Nasdaq listing standards, our independent directors meet in regularly scheduled executive sessions at which only independent directors are present. Executive sessions have been chaired by David Springett, the Board's lead independent director.

In June 2005, Mr. Spadafora and Dr. Raduchel attended the Stanford Directors' College, an "ISS endorsed" director education program.

Meetings of the Board of Directors

During fiscal 2005, the Board met 13 times. All directors other than Mr. Hoffman attended at least 75% of the aggregate of the meetings of the Board and of the committees on which they served, held during the period for which they were a director or committee member, respectively.

Committees

During the year, the Board Committees were the Audit Committee, the Compensation Committee, the Nominating and Corporate Governance Committee, and the Strategic Planning Committee. The charters of the Audit Committee, Compensation Committee, Nominating and Corporate Governance Committees and the Strategic Planning Committee, as well as additional information about our Corporate Governance Policies and Practices, are available on our website at <http://chrd.client.shareholder.com/documents.cfm>. Such charters and additional information shall not constitute "soliciting material," shall not be deemed "filed" with the Securities and Exchange Commission and is not to be incorporated by reference into any other company filings under the Securities Act of 1933 or the Exchange Act of 1934, except to the extent we specifically incorporate such charters and additional information by reference therein.

Audit Committee

During fiscal 2005, the Audit Committee held 13 meetings. As of May 15, 2006, the Audit Committee has met eight times during fiscal 2006. During fiscal 2005, the Audit Committee consisted of William Raduchel, David Springett, and Steven Springsteel (Chair). In September 2005, the Board reconstituted the Audit Committee and appointed David Weymouth as a member, and Dr. Raduchel resigned from the Audit Committee. Mr. Springsteel and Mr. Springett remained members of the Audit Committee. In January 2006, Mr. Springsteel resigned from the Audit Committee, Dr. Raduchel joined the Audit Committee, and Mr. Weymouth was appointed Chairman. In March 2006, the Audit Committee was reconstituted, and Richard Stevens joined the Audit Committee as Chairman, and Messrs. Weymouth and Springett remained as members.

The Audit Committee of the Board oversees our corporate accounting and financial reporting process, including:

- approving the engagement of the independent auditors and evaluating the performance of and assessing the qualifications of the independent auditors;
- conferring with management and the independent auditors regarding the effectiveness of internal controls over financial reporting; and
- establishing procedures, as required under applicable law, for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls or auditing matters and the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters.

The Board of Directors annually reviews the Nasdaq listing standards definition of independence for Audit Committee members and has determined that during the 2005 fiscal year all members of our Audit Committee were independent (as independence is currently defined in Rule 4350(d)(2)(A)(i) and (ii) of the Nasdaq listing standards) and that all current members of our Audit Committee are independent. Upon his appointment to the Audit Committee in January 2004, the Board of Directors determined that Mr. Springsteel qualified as an "audit committee financial expert," as defined in applicable Securities and Exchange Commission ("SEC") rules. The Board made a qualitative assessment of Mr. Springsteel's level of knowledge and experience based on a number of factors, including his formal education and experience as a chief financial officer for public reporting companies. Following Mr. Springsteel's resignation from the Audit Committee, and upon Dr. Raduchel's appointment to the Audit Committee, the Board determined that Dr. Raduchel qualified as an "audit committee financial expert." Upon Mr. Stevens' appointment to the Audit Committee, the Board determined that Mr. Stevens qualified as an "audit committee financial expert." The Audit Committee has adopted a written Audit Committee Charter that is attached as **Appendix A** to these proxy materials. Additionally, our Audit Committee charter can be found on the worldwide web at www.chordiant.com.

Compensation Committee

During fiscal 2005, the Compensation Committee met ten (10) times. As of May 15, 2006, the Compensation Committee has met eight times during fiscal 2006. During fiscal 2005, the Compensation Committee consisted of William Raduchel, David Springett, and Steven Springsteel (Chair). In September 2005, the Board reconstituted the Compensation Committee and appointed Charles Hoffman as a member and appointed Dr. Raduchel as Chairman, replacing Mr. Springsteel. Mr. Springett remained a member of the Compensation Committee. The Compensation

Committee currently consists of Dr. Raduchel (Chair), Mr. Hoffman and Mr. Springett. All members of our Compensation Committee are independent (as independence is currently defined in Rule 4200(a)(15) of the Nasdaq listing standards). Our Compensation Committee charter can be found on the worldwide web at www.chordiant.com.

The Compensation Committee of the Board oversees our overall compensation strategy and policies, including:

- reviewing and approving, or recommending to the Board for approval, individual performance goals which shall support our corporate performance goals and objectives relevant to the compensation of our executive officers and other senior management;
- recommending and approving the terms of a plan for vice presidents (excluding executive officers) pursuant to which the chief executive officer may determine the compensation to be paid to such officers;
- establishing policies with respect to equity compensation arrangements;
- reviewing compensation practices and trends relating to our industry to assess the propriety, adequacy and competitiveness of our executive compensation programs;
- reviewing and approving, or recommending to the Board for approval, the terms of any employment agreements, severance agreements, change-of-control protections and any other compensatory arrangements for our executive officers and other senior management;
- reviewing, determining and recommending to the Board for approval the compensation to be paid to our non-employee Directors for service on the Board and its committees;
- recommending to the Board the adoption, amendment and termination of our stock option plans, stock purchase plans, executive bonus plans and similar programs; and
- administering our stock option plans, stock purchase plans, executive bonus plans and similar programs.

Nominating and Corporate Governance Committee

During fiscal 2005, the Nominating and Corporate Governance Committee consisted of R. Andrew Eckert (Chair) and David Springett. In June 2005, Mr. Eckert resigned from the board, and in July 2005, the Board appointed Charles Hoffman as Chairman. The Nominating and Corporate Governance Committee currently consists of Mr. Hoffman (Chair) and Mr. Springett. In fiscal 2005, the Nominating and Corporate Governance Committee did not meet. As of May 15, 2006, the Nominating and Corporate Governance Committee has met twice during fiscal 2006. All members of the Nominating and Corporate Governance Committee are independent (as independence is currently defined in Rule 4200(a)(15) of the Nasdaq listing standards). Our Nominating and Corporate Governance Committee charter can be found on the worldwide web at www.chordiant.com.

The Nominating and Corporate Governance Committee of the Board is responsible for:

- identifying, evaluating, reviewing and recommending qualified candidates to serve as directors of Chordiant (consistent with criteria approved by the Board);
- making recommendations to the Board regarding the chairmanship and membership of each committee; and
- reviewing and assessing Chordiant's corporate governance principles.

The Board will determine the appropriate characteristics, skills and experience for the Board as a whole and for its individual members. The Board considers recommendations for nominees from the Nominating and Corporate Governance Committee, which is responsible for identifying, reviewing, and evaluating candidates in accordance with the criteria set forth below. In selecting candidates and existing directors for service on the Board, the minimum general criteria set forth below will be considered; specific additional criteria may be added with respect to specific searches. An acceptable candidate may not fully satisfy all of the criteria, but is expected to satisfy nearly all of them.

The Board believes that candidates for director should have certain minimum qualifications, including being able to read and understand basic financial statements and having the highest personal integrity and ethics. In considering candidates recommended by the Nominating and Corporate Governance Committee, the Board intends to consider

such factors as possessing relevant expertise upon which to be able to offer advice and guidance to management, having sufficient time to devote to our affairs, demonstrated excellence in his or her field, having the ability to exercise sound business judgment and having the commitment to rigorously represent the long-term interests of our stockholders. However, the Board retains the right to modify these qualifications from time to time. Candidates for director nominees are reviewed in the context of the current composition of the Board, our operating requirements and the long-term interests of stockholders. In conducting this assessment, the Board considers, skills, experience and such other factors as it deems appropriate given the current needs of the Board and Chordiant, to maintain a balance of knowledge, experience and capability. In the case of incumbent directors whose terms of office are set to expire, the Board reviews such directors' overall service to Chordiant during their term, including the number of meetings attended, level of participation, quality of performance, and any other relationships and transactions that might impair such directors' independence. In the case of new director candidates, the Board also determines whether the nominee is independent for purposes of Nasdaq listing standards.

The Nominating and Corporate Governance Committee uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board. The committee meets to discuss and consider such candidates' qualifications and then selects a nominee for recommendation to the Board. To date, the Nominating and Corporate Governance Committee has not paid a fee to any third party to assist in the process of identifying or evaluating director candidates. In fiscal 2005, the Nominating and Corporate Governance Committee did not reject a timely director nominee from a stockholder or stockholders holding more than 5% of our voting stock.

The Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders. The Committee does not intend to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether the candidate was recommended by a stockholder or not. Stockholders who wish to recommend individuals for consideration by the Nominating and Corporate Governance Committee to become nominees for election to the Board may do so by delivering a written recommendation via certified or registered mail to the Nominating and Corporate Governance Committee at the following address: Chordiant Software, Inc. at 20400 Stevens Creek Boulevard, Suite 400, Cupertino, CA 95014, Attention: Derek P. Witte, Corporate Secretary, not more than six months nor less than four months prior to any meeting at which directors are to be elected. Submissions must include the full name of the proposed nominee, a description of the proposed nominee's business experience for at least the previous five years, complete biographical information, a description of the proposed nominee's qualifications as a director and a representation that the nominating stockholder is a beneficial or record owner of Chordiant's stock. Any such submission must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected.

Strategic Planning Committee

During fiscal 2005, the Strategic Planning Committee held two (2) meetings. As of May 15, 2006, the Strategic Planning Committee has met three times during fiscal 2006. The Strategic Planning Committee was formed in January 2004 and currently consists of Messrs. Spadafora (Chair), Springett and Weymouth and Dr. Raduchel. A majority of the directors on our Strategic Planning Committee are independent (as independence is currently defined in Rule 4200(a)(15) of the Nasdaq listing standards). Our Strategic Planning Committee charter can be found on the worldwide web at www.chordiant.com.

The Strategic Planning Committee of the Board is responsible for:

- serving as representatives of the Board to review with the chief executive officer, president and other management of Chordiant, our long-range financial and strategic objectives;
- reviewing with our chief executive officer, president and other management, material changes to our strategic direction, including acquisitions, joint ventures or dispositions of businesses and capital assets and the financing of such transactions;
- reviewing and assessing periodically the adequacy of the committee's charter, including the committee's role and responsibilities as outlined in the charter, and shall recommend any proposed changes to the Board for its consideration; and

- undertaking from time to time such additional activities within the scope of the committee's primary functions as assigned by the Board.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

Communications with Management and Independent Accountants

The Audit Committee has reviewed and discussed our audited financial statements with management. In addition, the Audit Committee has discussed with BDO Seidman, LLP, our independent accountants, the matters required to be discussed by Statement of Auditing Standards No. 61, "Communications With Audit Committees" which includes, among other items, matters related to the conduct of the audit of our financial statements. The Audit Committee also has received written disclosures and the letter from BDO Seidman, LLP required by the Independence Standards Board Standard No. 1, which relates to the accountant's independence from us and our related entities, and has discussed their independence from us, including whether BDO Seidman, LLP's provision of non-audit services was compatible with that independence.

Committee Member Independence

The Audit Committee is comprised of three non-employee, independent directors (as independence is defined in NASD Rule 4200(a)(15) of the Nasdaq Stock Market listing standards). The Audit Committee does have a "financial expert" as defined in applicable SEC rules.

Based on the Audit Committee's discussion with management and BDO Seidman, LLP, and the Audit Committee's review of the representation of management and the report of the BDO Seidman, LLP to the Audit Committee, the then constituted Audit Committee recommended that the Board include the audited consolidated financial statements in our Annual Report on Form 10-K for the twelve months ended September 30, 2005 filed with the Securities and Exchange Commission filed on December 9, 2005.

PROPOSAL 2 RATIFICATION OF SELECTION OF INDEPENDENT

REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board has selected BDO Seidman, LLP as our independent auditors for the fiscal year ending September 30, 2006 and has further directed that the selection of independent auditors for ratification by the stockholders be submitted at the Annual Meeting. BDO Seidman, LLP became our independent registered public accounting firm on July 1, 2005. Representatives of BDO Seidman, LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither our Bylaws nor other governing documents or law require stockholder ratification of the selection of BDO Seidman, LLP as our independent auditors. However, the Audit Committee of the Board is submitting the selection of BDO Seidman, LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee of the Board will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee of the Board in its discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in our best interests and the best interests of our stockholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the annual meeting will be required to ratify the selection of BDO Seidman, LLP. Abstentions will be counted toward the tabulation of votes cast on proposals presented to the stockholders and will have the same effect as negative votes. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether this matter has been approved.

Engagement of BDO Seidman

As previously reported in a current report of Form 8-K on July 1, 2005, we engaged BDO Seidman, LLP as our independent registered public accounting firm, effective July 1, 2005.

During our two most recently completed fiscal years prior to our engagement of BDO Seidman LLP, which ended December 31, 2003 and September 30, 2004, and through the subsequent interim period, neither we nor anyone on our behalf consulted BDO Seidman, LLP regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed; or the type of audit opinion that might be rendered on our financial statements, nor has BDO Seidman, LLP provided to us a written report or oral advice regarding such principles or audit opinion; or (ii) any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions thereto) or a reportable event (as described in Item 304(a)(1)(v) of Regulation S-K).

Resignation of PricewaterhouseCoopers LLP

On May 18, 2005, PricewaterhouseCoopers LLP informed us that PricewaterhouseCoopers LLP declined to stand for reelection as our independent registered public accounting firm. This event was disclosed in our Form 8-K filed on May 24, 2005.

The reports of PricewaterhouseCoopers LLP on our consolidated financial statements for the nine months ended September 30, 2004 and the year ended December 31, 2003 did not contain any adverse opinion, or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. During the nine months ended September 30, 2004, the year ended December 31, 2003 and through May 18, 2005, there were no disagreements with PricewaterhouseCoopers LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of PricewaterhouseCoopers LLP would have caused them to make reference thereto in their report on the financial statements for such periods. During the nine months ended September 30, 2004, the year ended December 31, 2003 and through May 18, 2005, other than as previously disclosed in our Form 10-K/T for the period ending September 30, 2004 and Forms 10-Q for the periods ending December 31, 2004 and March 31, 2005 and as described below, there were no [reportable events] requiring disclosure pursuant to paragraphs (a) (1) (v) of Section 304 of Regulation S-K. The term [reportable event] means any of the items listed in paragraphs (a) (1) (v) (A)-(D) of Section 304 of Regulation S-K.

As previously reported in a current report on Form 8-K on December 6, 2005, in completing our assessment of the effectiveness of our internal control over financial reporting, we determined that certain material weaknesses (as defined below) in our internal control over financial reporting existed as of September 30, 2005. Our management determined that we did not maintain effective control over its accounting for its non-cash stock-based compensation and related financial statement disclosures, since the method by which we originally valued the common stock and amortized deferred stock-based compensation for such common stock were determined to be incorrect. In addition, our management determined that we did not maintain effective control over the preparation of our Statement of Cash Flows, in particular, with regard to the classification of cash expenditures for certain capitalized costs. Our management has concluded that each of these matters constitutes a material weakness in internal control over financial reporting.

As originally reported in our quarterly report on Form 10-Q for the fiscal quarter ended September 30, 2004, our management determined that a material weakness existed with respect to our internal control over financial reporting relating to the staffing of our finance department to the effect that inadequate staffing and supervision leading to untimely identification and resolution of certain accounting matters. Notwithstanding the progress made to remediate the staffing issues of September 30, 2004, certain untimely identification and resolution of certain accounting matters have been identified by us in the 2005 audit of our financial statements, which, taken in combination, have led management to conclude that at September 30, 2005, a material weakness in the levels of staffing in the financial department continued to exist.

In this report, unless otherwise indicated, a "significant deficiency" is defined as a control deficiency, or combination of deficiencies, that adversely affects the company's ability to initiate, authorize, record, process or report external financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the company's financial statements that is more than inconsequential will not be prevented or detected. A "material weakness" is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected.

Pre-Approval Policies and Procedures.

Before the independent registered public accounting firm is engaged by us or our subsidiaries to render audit or non-audit services, the Audit Committee shall pre-approve the engagement. Audit Committee pre-approval of audit and non-audit services will not be required if the engagement for the services is entered into pursuant to pre-approval policies and procedures established by the Audit Committee regarding our engagement of the independent accountant, provided the policies and procedures are detailed as to the particular service, the Audit Committee is informed of each service provided and such policies and procedures do not include delegation of the Audit Committee's responsibilities under the Exchange Act to our management. The Audit Committee may delegate to one or more designated members of the Audit Committee the authority to grant pre-approvals, provided such approvals are presented to the Audit Committee at a subsequent meeting. If the Audit Committee elects to establish pre-approval policies and procedures regarding non-audit services, the Audit Committee must be informed of each non-audit service provided by the independent auditor. The Audit Committee pre-approval of non-audit services (other than review and attest services) also will not be required if such services fall within available exceptions established by the SEC. As such, the engagement of BDO Seidman, LLP and PricewaterhouseCoopers LLP to render 100% of the services described in the categories above was approved by the Audit Committee in advance of the rendering of those services.

The Audit Committee has determined the rendering of the tax and other non-audit services by BDO Seidman, LLP are compatible with maintaining the accountant's independence and certain tax services have been pre-approved. In Fiscal 2005 we also retained Deloitte & Touche LLP to provide us with tax services.

Under the 2005 Plan, stock options vest over a period that is limited to five years, but are typically granted with a four-year vesting period. Beginning September 27, 2005, no additional stock awards will be granted under the 1999 Plan. Shares remaining available for issuance pursuant to the exercise of options or settlement of stock awards under the 1999 Plan of approximately 1,242,000 shares were added to the share reserve of the 2005 Plan and, as of September 27, 2005, became available for issuance pursuant to stock awards granted under the 2005 Plan. All outstanding stock awards granted under the 1999 Plan will remain subject to the terms of the 1999 Plan, except that the Board may elect to extend one or more of the features of the 2005 Plan to stock awards granted under the 1999 Plan. Any shares subject to outstanding stock awards granted under the 1999 Plan that expire or terminate for any reason prior to exercise or settlement shall be added to the share reserve of the 2005 Plan and become available for issuance pursuant to stock awards granted under the 2005 Plan. The 2005 Plan increases the number of shares available for issuance by 5,500,000 shares of common stock from an aggregate total of approximately 1,242,000 shares available under the 1999 Plan as of September 27, 2005, resulting in an aggregate of approximately 6,742,000 shares available for future grant and issuance under the 2005 Plan. As of

September 30, 2005, there were approximately 6.7 million shares reserved for future issuance and approximately 6.0 million shares that were outstanding under the 2005 Plan.

2000 Nonstatutory Equity Incentive Plan

In March 2000 the Board adopted the 2000 Nonstatutory Equity Incentive Plan (the "2000 Plan"). Stockholder approval of this plan is not required and has not been obtained by us. The 2000 Plan was in effect as of December 31, 2003. In April 2002 and October 2002, the Board approved increases to the number of shares reserved under the 2000 Plan from 900,000 shares to 2,400,000 shares and then to 4,400,000 shares, also without stockholder approval as such approval was not required by the 2000 Plan or by applicable law. The 2000 Plan does not have a termination date, and will continue indefinitely until suspended or terminated by the Board. The 2000 Plan provides for the grant of nonstatutory stock options and the issuance of restricted stock and stock bonuses to our employees (other than officers, directors, or beneficial owners of ten percent (10%) or more of our common stock) and consultants who meet certain eligibility requirements.

As of September 30, 2005, there were approximately 2.1 million shares subject to outstanding stock option grants, approximately 63,000 shares of unvested restricted stock, and approximately 426,000 shares available for future grant and issuance (plus any shares that might be returned to the 2000 Plan in the future as a result of cancellations or expirations of granted options and the repurchase of unvested restricted stock and stock bonuses). The terms and price of nonstatutory stock options granted under the 2000 Plan are determined by the Board (or a committee of the Board) and are set forth in each optionee's option agreement. The exercise price of nonstatutory stock options granted under the 2000 Plan has been 100% of the fair market value on the date of grant, and the term of the options has been ten years. Generally, stock options under the 2000 Plan vest over a period of four years in equal monthly installments with 25% of the shares vesting after one year, and the remainder vesting in equal monthly installments over the remaining three years. In the future, stock options may have the same or different vesting terms as determined by the Board (or a committee of the Board). The Board (or a committee of the Board) sets the terms of stock bonuses and rights to purchase restricted stock.

18

1999 Equity Incentive Plan

The 1999 Plan provides for the grant to employees of incentive stock options within the meaning of Section 422 of the Internal Revenue Code of 1986 and for grants to employees, directors and consultants of nonstatutory stock options and stock purchase rights. Unless terminated sooner, the 1999 Plan will terminate automatically in 2009. The option price shall not be less than the fair market value of the shares on the date of grant and no portion may be exercised beyond ten years from that date. Under the 1999 Plan, stock options vest over a period that is limited to five years, but are typically granted with a four-year vesting period. Each option outstanding under the 1999 Plan may be exercised in whole or in part at any time. Exercised but unvested shares are subject to repurchase by us at the initial exercise price. As of September 27, 2005, approximately 1,242,000 available shares under the 1999 Plan were added to the share reserve of the 2005 Plan. No additional stock options will be granted under the 1999 Plan subsequent to September 27, 2005. Any shares subject to outstanding stock awards granted under the 1999 Plan that expire or terminate for any reason prior to the exercise or settlement are added to the share reserve of the 2005 Plan and become available for issuance under the 2005 Plan.

1999 Non-Employee Directors' Option Plan

The 1999 Non-Employee Director Stock Option Plan was adopted by the Board of Directors and became effective on the date of the initial public offering. The Non-Employee Director Stock Option Plan provides for the automatic grant of a nonstatutory option to purchase 25,000 shares of Common Stock to each new non-employee director who becomes a director after the date of our initial public offering on the date that such person becomes a director. Each current and future non-employee director will automatically be granted an additional nonstatutory option to purchase 7,500 shares on the day after each of our annual meetings of the stockholders. Each director who is a member of a board committee will automatically be granted an additional nonstatutory option to purchase 5,000 shares on the day after each of our annual meetings of the stockholders. As of September 30, 2005, approximately 952,000 shares of common stock have been reserved for issuance, and 290,000 shares are outstanding under the director plan. The amount reserved under the 1999 Non-Employee Directors' Stock Option Plan automatically increases on October 1st of each year by the greater of (1) 0.5% outstanding shares on such date or (2) the number of shares subject to stock awards made under this plan during the prior twelve month period. However, the automatic increase is subject to reduction by the Board of Directors. Under the terms of the

plan, option prices shall not be less than the fair market value of the shares on the date of grant and no portion may be exercised beyond ten years from that date.

1999 Employee Stock Purchase Plan

The 1999 ESPP was adopted by the Board of Directors and became effective on February 14, 2000, the date of our initial public offering. Eligible employees can have up to 15% of their earnings withheld to be used to purchase shares of our Common Stock at 85% of the lower of the fair market value of the Common Stock on the commencement date of each six-month offering period or the specified purchase date. There were no purchases of common stock under the ESPP for fiscal year ended September 30, 2005, as the plan is currently suspended. At September 30, 2005, approximately 3,558,000 shares are available for future issuances under this plan.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 (the "1934 Act") requires our directors and executive officers, and persons who own more than ten percent of a registered class of our equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of common stock and other equity securities of ours. Officers, directors and greater than ten percent stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

To our knowledge, based solely on a review of the copies of such reports furnished to us, during the fiscal year ended September 30, 2005, all Section 16(a) filing requirements applicable to its officers, directors and greater than ten percent beneficial owners were complied with, except as follows: one option grant each to Charles E. Hoffman and David A. Weymouth was reported late on Form 4. One grant of restricted shares to Robert U. Mullen was reported late on Form 5.

COMPENSATION OF DIRECTORS AND EXECUTIVE OFFICERS

Compensation of Directors

On June 2, 2005, the Board approved compensation to be paid to our non-employee directors as follows.

Non-employee directors receive cash compensation from us for their services as members of the Board or for attendance at committee meetings as follows: Directors receive a quarterly retainer of \$7,500 for service as a member of the Board (subject to attendance at three out of four regularly scheduled meetings). Directors also receive \$1,500 per meeting of the Audit Committee, not to exceed \$6,000 per quarter, and \$1,500 per meeting of the Nominating and Corporate Governance Committee, not to exceed \$3,000 per quarter. Chairs of the Compensation Committee, Nominating and Corporate Governance Committee, and Strategy Committee each receive \$2,000 per quarter. The Chair of the Audit Committee receives \$3,000 per quarter. The Lead Independent Director receives \$2,000 per quarter and, for a special assignment for the period January through September

2005, \$1,500 per meeting not to exceed \$6,000 per quarter. Other committees do not carry separate cash compensation. Directors are also eligible for reimbursement for expenses incurred in connection with attendance at Board meetings in accordance with our policy.

Previously during fiscal year 2005, we paid cash compensation to non-employee directors as follows: Directors received a quarterly retainer of \$7,500 for service as a member of the Board (subject to attendance at meetings) and \$750 per quarter for service on the audit committee and \$750 per quarter for service on the compensation committee (each subject to attendance at committee meetings). The Lead Independent Director received \$750 for each meeting he convened of the independent directors. Other committees such as the nominating committee or other special ad hoc committees formed did not carry separate compensation.

Each non-employee director receives stock option grants under the 1999 Non-Employee Directors' Stock Option Plan (the "Directors' Plan") (only non-employee directors of ours or of an affiliate of ours are eligible to receive options under the Directors' Plan). Options granted under the Directors' Plan are non-discretionary and are intended by us not to qualify as incentive stock options.

Under the Directors' Plan, each non-employee director is automatically entitled to receive an initial option to purchase 25,000 shares of our common stock. Pursuant to the terms of the Directors' Plan, initial grants to purchase 25,000 shares of our common stock were made to those non-employee directors serving on the Board on February 14, 2000, the effective date of our initial public offering. Each director elected or appointed subsequent to February 14, 2000 has received or will receive an initial option to purchase 25,000 shares of our common stock on the date of such non-employee director's election or appointment to the Board. These option grants are immediately exercisable with 1/3rd of the shares vesting on the anniversary of the grant date and 1/36th of the shares initially granted vesting each month thereafter that the director serves on the Board, such that all shares are fully vested over three years.

In addition, on the day after each of our annual meetings of stockholders, each person who is then a non-employee director is automatically granted an annual option to purchase 7,500 shares of our common stock. These annual option grants are immediately exercisable, with the shares vesting in equal monthly installments over a year period measured from the date of grant. If a non-employee director is appointed to the Board between annual meetings, the annual option is prorated to reflect the amount of time to be served until the next annual meeting.

Finally, on the day after each of our annual meetings, each non-employee director who is then serving on a Board committee will automatically receive, pursuant to the terms of the Directors' Plan, an option to purchase 5,000 shares of our common stock. The option is exercisable immediately and vests monthly over the year period measured from the date of grant. If the non-employee director is appointed to a committee after the annual meeting, the option is prorated according to the time to be served until the next annual meeting.

The exercise price of options granted under the Directors' Plan is the fair market value of our common stock on the date of the grant, as determined by the closing price reported on the Nasdaq National Market for the date of grant. Each option grant made pursuant to the Directors' Plan has a term of ten years. However, the time in which an option granted under the Directors' Plan may be exercised ends three months from the date the optionee's service with us is terminated, with the exception of termination resulting from death or disability of the optionee, in which case the option terminates 18 months following such optionee's death and 12 months following such optionee's

disability. In no event, however, may an option be exercised after its term expires. In addition, in the event of a dissolution, liquidation, sale of substantially all of our assets, a merger or consolidation in which we are not the surviving corporation, a reverse merger in which we are the surviving corporation but the shares of our common stock outstanding immediately preceding the merger are converted by virtue of the merger into other property or the acquisition by any person, entity or group of the beneficial ownership of our securities representing at least 50% of the combined voting power permitted to vote in the election of directors, then those unvested options issued under the Directors' Plan held by optionees then performing services as an employee or director of, or consultant to, us are accelerated by one year.

* On December 29, 2004, we changed our fiscal year end from December 31 to September 30. This chart reports compensation for the year 2003 based on the December 31 year end (as if the fiscal year had not been changed) and in addition reports compensation for the twelve months ended September 30, 2005 and 2004. Due to the change in fiscal year end, there is a three-month overlap in the compensation reported. Specifically, the three months beginning October 1, 2003 and ending December 31, 2003 are reflected both in the fiscal year 2003 and in the fiscal year 2004 compensation figures.

Stock Option Grants and Exercises

We grant options to our executive officers under the 2005 Equity Incentive Plan (the "Incentive Plan"). As of September 30, 2005, options to purchase a total of 5,965,972 shares were outstanding under the Incentive Plan and options to purchase 6,741,508 shares remained available for grant under the Incentive Plan.

The following tables show for the fiscal year ended September 30, 2005, certain information regarding options granted to, exercised by, and held at year-end by, the Named Executive Officers:

Option Grants in the Fiscal Year Ended September 30, 2005

Name	Individual Grants		Exercise Price	Expiration Date	Potential Realizable Value at Assumed Annual Rates of Stock Price Appreciation for Option Term (1)	
	Number of Securities Underlying Options Granted (2)(#)	% of Total Options Granted to Employees in Twelve Months Ended September 30, 2005 (3)(%)			5%(\$)	10%(\$)

- (1) The potential realizable value information is calculated based on the ten-year term of the option at the time of grant. Stock price appreciation of 5% and 10% is assumed as prescribed by the rules promulgated by the SEC and does not represent our prediction of our future stock price performance.
- (2) The stock option listed for Mr. de Urioste vests in a series of equal monthly installments over thirty months following the date of grant. Our stock option grant agreements allow for the early exercise of options granted to employees. All options exercised early are subject to repurchase by us at the original exercise price upon the option holder's cessation of service to us before the vesting of such holder's shares. Each of the options has a ten-year term, subject to earlier termination if the option holder's service with us ceases.
- (3) Percentages shown are based on an aggregate of options granted to our employees under our stock option plans during the period from October 1, 2004 through September 30, 2005.
- (4) The exercise price of each option is equal to the fair market value of our common stock as valued by the Board on the date of grant. The exercise price may be paid in cash, in shares of our common stock valued at fair market value on the date of exercise, or through a cashless exercise procedure involving a same-day sale of the purchased shares.
- (5) Mr. de Urioste resigned as our chief operating officer and chief financial officer effective March 8, 2006 but remained an employee until March 31, 2006. As of March 31, 2006, 404,166 stock options from this grant had vested, of which 100,000 have been exercised. His options which were unvested as of March 31, 2006 have expired.

EMPLOYMENT AND CHANGE OF CONTROL AGREEMENTS

Employment Agreements

On April 24, 1998, we entered into an employment agreement with Mr. Spadafora, which was amended in June 2005. Pursuant to the amended agreement, Mr. Spadafora is entitled to a base salary of \$250,000 and is not eligible to participate in Chordiant's 2005 Executive Bonus Plan. The amended agreement also provides that either Mr. Spadafora or we may terminate Mr. Spadafora's employment at any time. If Mr. Spadafora's employment is terminated without "cause" (as defined in Mr. Spadafora's employment agreement) Mr. Spadafora is entitled to receive 12 months of base salary, subject to certain conditions; provided, however, Mr. Spadafora will not receive this benefit if he is entitled to benefits under his Change of Control agreement discussed below. If Mr. Spadafora's employment with the Company is terminated without cause or he resigns for any reason prior to a "change of control" (as defined in Mr. Spadafora's Change Of Control agreement), Chordiant will provide him with a consulting agreement that will remain in place until he reaches the age of 65 (the "Consulting Period"). During the Consulting Period: (1) Chordiant will have the right to reasonably request that Mr. Spadafora perform consulting services for Chordiant up to a maximum of 40 hours per month; (2) Mr. Spadafora will receive \$5,000 to \$10,000 per month (depending on his duties); (3) Chordiant will pay the health insurance premiums for Mr. Spadafora and his wife; (4) Chordiant will pay the premium for a \$1.0 million term life insurance policy for Mr. Spadafora's benefit; and (5) Mr. Spadafora will continue to vest in his equity compensation awards, subject to the terms and conditions of the applicable plan documents. In June 2005, the Board also awarded Mr. Spadafora a cash bonus of \$25,000 in recognition of his extraordinary efforts in bringing Chordiant into compliance with its reporting obligations.

Effective February 1, 2006, we entered into an offer letter with Mr. Springsteel pursuant to which he became our president and chief executive officer. Mr. Springsteel will be paid an annual base salary of \$495,000. Mr. Springsteel will be eligible for bonuses under our 2006 Executive Bonus Plan for the 2006 fiscal year. His target bonus for the 2006 fiscal year is 80% of his base salary on a pro-rated basis. His target bonus for the second fiscal quarter (if earned) will be pro-rated. Mr. Springsteel received a grant of an option to purchase 1,000,000 shares of our common stock. The option is subject to a four year vesting schedule (1/48th per month). Mr. Springsteel is eligible for all standard employee benefits, including four weeks paid vacation and medical and dental coverage and a term life insurance policy in the amount of \$1,000,000 (with premiums paid by us). For purposes of benefits, he was given service credit for his prior tenure with us.

In the event of the consummation of a "change in control" (as defined in the offer letter), we will accelerate the vesting of any equity compensation that he has been granted as of the effective date of the change in control such that the equity compensation shall be fully vested for an additional twelve (12) month period as of the effective date of the change in control. Notwithstanding the foregoing, the option to purchase one million shares of common stock granted as of February 1, 2006 will vest 100% as of the effective date of the change in control.

Either we or Mr. Springsteel may terminate his employment relationship at any time with or without "cause" (as defined in the offer letter) on advance notice. If we terminate his employment without cause at any time, or Mr. Springsteel resigns his employment for "good reason" (as defined in the offer letter) at any time, then: (i) we will make severance payments to Mr. Springsteel in the form of monthly payments in the amount of one hundred thousand dollars (\$100,000) per month for ten (10) months following the termination date, and (ii) the vesting of any equity compensation that he has been granted through the last day of his employment will automatically accelerate such that the shares subject to each grant that would have vested had he remained employed for one year beyond the termination date will be fully vested for such additional one year period as of the termination date. Such acceleration shall be in addition to any accelerated vesting he previously received upon the consummation of a change of control (if any). If he resigns without good reason or his employment is terminated for cause, all compensation and benefits will cease immediately, and he will receive no further compensation or benefits from us. We agreed to directly pay Mr. Springsteel's legal fees associated with entering into the offer letter, up to \$15,000, upon receiving invoices for such services.

In the event that the payments and benefits provided for in the offer letter constitute "parachute payments" within the meaning of Section 280G of the Internal Revenue Code of 1986, as amended (the "Code"), would be subject to the excise tax imposed by Section 4999 of the Code, we are obligated to pay such excise tax provided that the maximum amount of the excise tax gross - up payment which we shall be obligated to pay shall be \$1,500,000.

Effective February 1, 2006, we entered into a separation agreement with Mr. Kelly. Under the terms of that agreement, Mr. Kelly resigned as our chief executive officer but was entitled to continue as an employee of ours, but not as an officer, for a period of ninety days under the current terms of his employment. At the end of the ninety day period, on May 2, 2006, Mr. Kelly ceased to be an employee of ours. Mr. Kelly agreed to remain on the Board of Directors until the date of our 2006 Annual Meeting unless there was a need for his resignation earlier due to the independence requirements of the Securities and Exchange Commission or the Nasdaq Stock Market. Mr. Kelly agreed to tender his resignation on the date of termination, effective as of the date of our 2006 Annual Meeting. We agreed to pay Mr. Kelly severance payments equal to his base salary of \$400,000 for twelve months following the date of termination, subject to standard payroll deductions and withholdings. Mr. Kelly is entitled to earn his bonus for the first two quarters of fiscal 2006, if earned, under the 2006 Executive Bonus Plan at the bonus range of 80% of his salary. Pursuant to the terms of his employment agreement, Mr. Kelly received accelerated vesting of 50% of the unvested options held by him on May 2, 2006, which resulted in acceleration of 20,139 options. Additionally, we will reimburse Mr. Kelly for up to \$7,000 for outplacement and legal services upon receipt of invoices for such services.

Effective March 8, 2006, we entered into a separation agreement with Mr. de Urioste. Under the terms of that agreement, Mr. de Urioste resigned as our chief operating officer and chief financial officer but was entitled to continue as an employee of ours, but not as an officer, until March 31, 2006 under the current terms of his employment. As of March 31, 2006, 404,166 stock options from this grant had vested, of which 100,000 have been exercised. His options which were unvested as of March 31, 2006 have expired. We agreed to pay Mr. de Urioste severance in the amount of \$145,833, payable over five months following the date of termination, subject to standard payroll deductions and withholdings. For five months thereafter, we agreed to reimburse Mr. de Urioste for premium payments sufficient to continue his group health insurance coverage at the level in effect as of the date of termination. His right to such payments shall cease on the date that he becomes eligible for group

health insurance benefits through a new employer.

Change of Control Agreements

We have entered into Change of Control Agreements with Samuel T. Spadafora, Robert U. Mullen, Frank J. Florence, James D. St. Jean and Peter S. Norman (each an "Executive"). We may in the future enter into these agreements with other executives of ours. The agreements with Messrs Spadafora, Mullen and Norman provide generally that if an Executive is terminated either without "cause," as defined in the agreements, or voluntarily leaves employment for "good reason," as defined in the agreements, within 90 days prior to a "change of control," as defined in the agreements, or 12 months following a change of control, then the Executive will receive, among other benefits, the following: (1) payment of the Executive's salary for a period of 12 months, (2) payment of the Executive's annual bonus, (3) continuation of our health and life insurance policies for one year, (4) so long as not prohibited by law, automatic extension of 60 months to repay any promissory note, loan or other indebtedness to us, and (5) with respect to options and restricted stock, accelerated vesting of a number of shares equal to the greater of (a) 50% of the then-unvested shares, or (b) 12 months' worth of vesting. The agreements with Messrs Florence and St. Jean provide generally that if an Executive is terminated either without "cause," as defined in the agreements, or voluntarily leaves employment for "good reason," as defined in the agreements, within 90 days prior to a "change of control," as defined in the agreements, or 12 months following a change of control, then the Executive will receive, among other benefits, the following: (1) payment of the Executive's salary for a period of 6 months, (2) payment of the Executive's annual bonus, (3) continuation of our health and life insurance policies for six months and (4) with respect to options and restricted stock, accelerated vesting of a number of shares equal to the lesser of (a) 50% of the then-unvested shares, or (b) 12 months' worth of vesting. These agreements also obligate us to make additional payments to the executive in the event the benefits result in the recipient having to pay certain excise taxes.

The offer letter we entered into with Mr. Springsteel contains terms regarding a change of control. In the event of the consummation of a "change in control," as defined in the offer letter, we will accelerate the vesting of any equity compensation that he has been granted as of the effective date of the change in control such that the equity compensation shall be fully vested for an additional twelve (12) month period as of the effective date of the change in control. Notwithstanding the foregoing, the option to purchase one million shares of common stock granted as of February 1, 2006 will vest 100% as of the effective date of the change in control.

- Tax advice and/or financial planning assistance to \$1,000 per person per year.
- A life insurance policy payable in the amount of \$1,000,000 to the executive's designated beneficiary with the premium paid by us.

Messrs. Springsteel, Spadafora, Mullen, Florence, St. Jean and Norman are participating executives in these benefits programs.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

Report of Compensation Committee

Purpose of the Compensation Committee

The Compensation Committee, composed entirely of independent, non-employee directors, administers the Company's executive compensation policies. The Committee reviews and recommends for approval to the Board of Directors all executive base and bonus compensation the plan by which bonuses in excess of the targets

established by the Board of Directors may be paid, and long-term stock-based incentive compensation.

Composition of Compensation Committee

As of June 26, 2006, the Committee was comprised of the following directors: William Raduchel, Charles Hoffman and David Springett. Mr. Springett has been on the Committee since April 18, 2002; Dr. Raduchel has been on the Committee since April 17, 2003 and became the Chairman of the Committee on September 21, 2005; and Mr. Hoffman has been on the Committee since September 21, 2005. From January 28, 2004 to September 21, 2005, the Committee was comprised of the following directors: Dr. Raduchel, Mr. Springett and Steven Springsteel, who was replaced by Charles E. Hoffman on September 21, 2005.

Compensation Consultant

The Company's human resources department supports the Committee in its work. In fiscal year 2005, the Company engaged Compensia, a compensation consultant, to provide guidance on the Company's proposed 2005 compensation strategy. In addition, the Committee has the authority under its charter to engage the services of outside advisors to assist the Committee. In December 2005, the Committee engaged Hewitt Associates LLC, as an independent outside compensation consultant, to advise the Committee on all matters related to chief executive officer and other executive compensation. The independent compensation consultant does not advise our management, and receives no compensation from the Company other than on behalf of the Committee.

Objectives of the Compensation Program

The objectives of the compensation program established by the Compensation Committee are: (1) to attract and retain high-quality executives, (2) to tie executive compensation directly to our business and performance objectives and (3) to reward outstanding individual performance that contributes to our long-term success.

Elements of Compensation

Each executive officer's compensation package is comprised of three elements: (1) base compensation, (2) bonus compensation, and (3) long-term stock-based incentive compensation, which ties executive compensation directly to the Company's growth and stockholder value.

Base Compensation. Base salary is the fixed portion of executive pay and compensates individuals for expected day-to-day performance. The Committee meets at least annually to review and approve each executive officer's salary for the ensuing year. When reviewing base salaries, the Committee considers the following factors: competitive pay practices (which is the primary determinant of the range within which individual salaries are set), levels of responsibility, individual performance against goals and prior experience.

The Committee obtained information regarding competitive compensation ranges for calendar 2005 from the Radford High Technology Survey that relates to companies with \$50.0 million to \$199.9 million in revenues (the "Radford Survey") to evaluate the compensation paid to the Company's executive officers in relation to similarly situated companies.

Bonus Compensation. In the third quarter of fiscal 2005, the fiscal 2005 Bonus Plan (the "2005 Bonus Plan") for executive officers, upon the recommendation of the Committee, was approved by the Board of Directors. The 2005 Bonus Plan established a target bonus level for each executive officer equal to a certain percentage of his base salary, which ranged from 40% to 80%, except for Mr. Mullen who has a bonus target of \$500,000. A portion of the target bonus was payable quarterly depending upon whether the Company met certain financial benchmarks established by the Board. There were no personal objective benchmarks for fiscal 2005. The benchmarks were revenue, pro forma operating income, and net cash from operations, except in the case of Robert Mullen, where the financial benchmarks were revenue and net cash from operations. During fiscal 2005, we did not achieve the financial benchmarks established by the Board of Directors. As a result, no quarterly bonuses were paid to executive officers under the 2005 Bonus Plan other than to Mr. Mullen who did meet certain of his revenue and net cash goals.

Upon the recommendation of the Committee, the Board awarded spot bonuses to certain executive officers, including the chief executive officer, in the amounts set forth above in recognition of their individual efforts.

The Committee believes that the total cash compensation paid to the Company's executive officers in fiscal 2005, as reflected in the Summary Compensation table above, was required to retain the persons with the skills necessary to run the Company's business.

Long-Term Incentive Compensation. The Board, upon the recommendation of the Committee, approves long-term compensation awards to the Company's executives in the form of stock options and restricted stock awards. Equity-based compensation may more closely align the interests of executive officers with those of stockholders by providing an incentive to manage the Company with a focus on long-term strategic objectives set by the Board of Directors relating to growth and stockholder value. Stock option grants and restricted stock awards are determined by taking into account each executive officer's performance and responsibility level, a comparison with comparable awards to individuals in similar positions in the industry, each executive officer's current level of equity participation and the Company's operating performance. However, the Compensation Committee does not strictly adhere to these factors in all cases and may vary grants made to each executive officer as the particular circumstances warrant. Exercise prices for options are set at the fair market value of the Company common stock on the date of grant. Options typically vest monthly over a three to four year period.

The vesting schedule for restricted stock grants made to executive officers during the last fiscal year consisted of monthly vesting over a term of six months to two years provided that the executive officer continues his or her employment with the Company. Accordingly, the grants will have value only if the executive officer remains in the Company's employ. The Committee reexamines long-term compensation levels annually.

2005 Chief Executive Officer Compensation

The compensation for the Company's chief executive is determined through a process similar to that discussed above for the Company's other executive officers. Through 2005, the Company's chief executive officer was Stephen Kelly, who resigned as the Company's chief executive officer in February 2006 but remained an employee of the Company until May 2006.

30

Mr. Kelly's base salary for fiscal 2005 as chief executive officer was \$400,000, which represented an increase of approximately 14% from the prior calendar year. This amount put Mr. Kelly in approximately the 50th percentile of the relevant Radford Survey data. The Board approved, upon the recommendation of the Compensation Committee, to increase Mr. Kelly's salary during fiscal 2005 based on its belief that such level of compensation was necessary to retain Mr. Kelly as the Company's chief executive officer.

Mr. Kelly also received a \$19,582 bonus in June 2005 as described above under the heading "Bonus Compensation."

In June 2005, Mr. Kelly was awarded a grant of 125,000 restricted shares of our common stock which vested in April 2006.

Limitations on Deduction of Compensation Paid to Certain Executive Officers

Section 162(m) of the Internal Revenue Code (the "Code") limits us to a deduction for federal income tax purposes of no more than \$1 million of compensation paid to certain named executive officers in a taxable year. Compensation above \$1 million may be deducted if it is "performance-based compensation" within the meaning of the Code. In 2005, the Board of Directors adopted and stockholders approved our 2005 Equity Incentive Plan which allows awards under that plan to qualify as "performance-based compensation" so long as certain criteria are met. The Board of Directors continues to reserve the flexibility and authority to make decisions that are in the best interest of us and our stockholders, even if those decisions do not result in full deductibility under Section 162(m) of the Code.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In August 2005, we entered into a service provider agreement with Infogain. Samuel T. Spadafora is also a director of Infogain. Pursuant to the service provider agreement, revenue from Infogain was less than \$0.1 million for year ended September 30, 2005 and accounts receivable as of September 30, 2005 were less than \$0.1 million.

In January 2005, Charles E. Hoffman became a director of ours. Mr. Hoffman is the president and chief executive officer of Covad Communications Group, Inc. ("Covad"), a customer of ours. In January 2005, David A. Weymouth became a director of ours. Mr. Weymouth was the corporate responsibility director of Barclay's Group, a customer of ours, until June 2005. Pursuant to software license agreements,

software maintenance agreements, and professional services agreements, revenue from Barclay's Group was approximately \$7.0 million for the year ended September 30, 2005 and accounts receivable as of September 30, 2005 were approximately \$0.3 million. We have entered into indemnification agreements with our directors and officers for the indemnification of and advancement of expenses to these persons to the full extent permitted by law. We also intend to execute these agreements with our future directors and officers.

Except for our service provider agreement with Infogain, all transactions between us and our officers, directors and principal stockholders must be approved by a committee of independent and disinterested directors.

We do not have any formal policy concerning the direct or indirect pecuniary interest of any of our officers, directors, security holders or affiliates in any investment to be acquired or disposed of by us or in any transaction to which we are a party or have an interest. We will not enter into any such transactions unless approved by a majority of the entire Board, not including any interested director.

DELIVERY OF THIS PROXY STATEMENT

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are our stockholders will be "householding" our proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in "householding" and would prefer to receive a separate proxy statement and annual report, please notify your broker, direct your written request to Director of Investor Relations, Chordiant Software, Inc., 20400 Stevens Creek Boulevard, Suite 400, Cupertino, CA 95014, or contact Steve Polcyn, Director of Investor Relations at 408-517-6100. Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request "householding" of their communications should contact their broker.

33

OTHER MATTERS

The Board of Directors knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their best judgment.
