**Braskem Announces Share Buy-Back**

**São Paulo, May 4, 2006 --- BRASKEM S.A.** (BOVESPA: BRKM5; NYSE: BAK; LATIBEX: XBRK) leader in the thermoplastic resins segment in Latin America and one of the three largest Brazilian privately-owned industrial companies, announces that, as in light of its current share prices, Braskem's board of directors authorized its management to implement a buy-back program to repurchase common and class A preferred shares in accordance with the terms of CVM Instruction No. 10/80, as follows:

- **Purpose:** the purchase of Braskem's common and class A preferred shares to be held in treasury and subsequently resold or cancelled, without reducing Braskem's capital;
- **Term:** 180 days from today's date;
- **Number of shares currently outstanding in the market:** 189,009,414 shares, of which 19,808,264 are common shares, 168,397,784 class A preferred shares and 803,066 class B preferred shares;
- **Number of shares to be purchased:** Braskem may purchase up to 13,896,133 class A preferred shares representing 8.75% of the total number of preferred shares outstanding in the market, and 1,400,495 common shares, representing 7.1% of the total number of common shares outstanding in the market. These percentages, together with the number of shares currently in treasury, aggregate to a maximum of 10% per class of shares that may be retained in treasury in accordance with Brazilian law;
- **Brokerage Firms:** the brokerage firms that have been authorized by Braskem to effectuate the buy-back are Credit Suisse Brasil S/A CCTVM, Itaú CV S/A, Agora Sênior CTVM S/A, Hedging-Griffo CV S/A, and UBS CCVM S/A.

This initiative is intended to capture an important potential for value creation due to the current price of the Company's shares.

According to José Carlos Grubisich, Braskem's CEO, "This buy-back program is additional evidence of Braskem's strategic vision to create value for all of its shareholders and of its long-term commitment to the domestic and international capital markets."

Braskem, a world-class Brazilian petrochemical company, is the leader in the

thermoplastic resins segment in Latin America and is among the three largest Brazilian privately-owned industrial companies. The company operates 14 manufacturing plants located throughout Brazil and has an annual production capacity in excess of 6 million tons of thermoplastic resins and other petrochemical products.
