NOTICE TO THE MARKET

Telemig Celular Participações S.A. publicly announces that has received a letter from its holding company, Telpart Participações S/A (Telpart), with some clarifications regarding the article published on the present date in the newspaper Gazeta Mercantil, whose headline was Vivo acquires Telemig and Amazônia Celular (*Vivo compra Telemig e Amazônia Celular*), as well as in other medias, as follows:

- 1) Telpart is effectively promoting a bidding process, which has been largely announced, in order to evaluate divestiture opportunities related to its subsidiaries Telemig Celular Participações S/A and Tele Norte Celular Participações S/A (Subsidiaries).
- 2) Telpart s policy is neither to confirm nor deny market rumors. However, in order to maintain the process as transparent as possible, Telpart would like to clarify that, differently from what is mentioned in said article, the bidding process has not been concluded and, consequently, so far, there is no decision taken by Telpart and its controlling shareholders regarding the sale of the Subsidiaries.
- 3) Telpart, consistently with its previous practices, is committed to promptly inform the market, as well as the proper authorities, on any development on this matter.

Belo Horizonte, July 27, 2007.

Oscar Thompson CEO and Investor Relations Officer Telemig Celular Participações S.A.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates offuture economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
