**Brazilian President Signs Bill for Transfer of  
Rights with Compensation and Capitalization**

Rio de Janeiro, June 30, 2010   Petróleo Brasileiro S.A. - Petrobras, informs that today Draft Bill No. 5.941/09 concerning the transfer of rights with compensation ( transfer of rights ) and the capitalization of Petrobras was signed into law by the President of the Republic, having previously been approved by the Brazilian National Congress on June 9, 2010.

The new law authorizes the Brazilian Federal Government to transfer to Petrobras the right to explore and produce oil, natural gas and other fluid hydrocarbons in pre-salt areas not under concession, limited to the production of 5 billion barrels of oil equivalent, in addition to authorizing the Brazilian Federal Government to subscribe for shares of the capital stock of Petrobras.

The President of the Republic vetoed a provision of the Bill approved by the Brazilian National Congress (Article 1, Section 4) that would have allowed Petrobras to pay for the transfer of rights by returning certain onshore fields to the ANP that are currently under concession to Petrobras.

With the President's signature of the Bill, another important step in the process of the transfer of rights and the Company's capitalization is fulfilled. Petrobras expects to complete the capitalization by September of this year.

This announcement is not an offer of Petrobras shares. Petrobras shares may not be offered or sold in the United States absent registration or an exemption from registration, and Petrobras currently intends to register the proposed offering in the United States. Any public offering of Petrobras shares will be made by means of a prospectus containing detailed information about Petrobras and the offering.

## FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
