MATERIAL FACT

Companhia Brasileira de Distribuição (“Company” or “GPA”), in compliance with Brazilian Law No. 6.404/76 and CVM Instruction No. 358/02 and in addition to the Material Fact disclosed on December 21, 2018, announces to its shareholders and the market in general the following.

The Company entered into a TRS (Total Return Swap) agreement with a top-tier financial institution, in which it carried out, on this date, a sale of 50,000,000 (fifty million) common shares of Via Varejo S.A., corresponding to 3.86% of its capital stock, totaling the amount of R\$ 217,500,000.00 (two hundred and seventeen million and five hundred thousand Brazilian reais) (“Transaction”).

As a result of the Transaction, the corporate interest held by the Company in Via Varejo S.A. decreased from 559,521,085 common shares, corresponding to 43.23%, to 509,521,085 common shares, corresponding to 39.36% of its capital stock.

As per Article 12 of CVM Instruction No. 358/02, the Company informs that the Transaction does not imply in any change in the corporate control, nor in the composition of the management of Via Varejo S.A., as well as it is not bound by any agreement regulating the right to vote or purchase and sale securities issued by Via Varejo S.A.

The Company will keep the market and its shareholders informed in the event of new material facts related to this matter.

São Paulo, December 27, 2018.

Daniela Sabbag

Investor Relations Officer

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
