On August 22, 2006, the Company's Board of Directors (the "Board") approved changes to its director compensation program set in 2004: increased the annual cash retainer for the Chair of the Compensation Committee from \$10,000 to \$15,000; increased the annual cash retainer for the Chair of the Nominating and Corporate Governance Committee from \$3,000 to \$10,000 and increased the annual cash retainer for the non-executive Chairman of the Board from \$50,000 to \$90,000. Annual cash retainers for the directors and the cash retainer for the Chair of the Audit Committee remain unchanged.

On August 22, 2006, the Board approved amendments to the October 13, 2005 Stock Option and Restricted Shares Award Agreements for Mark C. Demetree and Phillip M. Martineau. The amendments provide for acceleration of vesting of each of their respective 4,036 restricted shares and 5,673 stock options. Under the revisions, the shares vested upon the date their term as directors expired, August 22, 2006.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On August 23, 2006, the Company filed an amendment to its Amended and Restated Certificate of Incorporation. The form of amendment is attached hereto as Exhibit 99.3.

Item 8.01 Other Events.

On August 18, 2006 a shareholder derivative complaint was filed in the District Court for the District of New Jersey against certain current and former officers and directors. The suit alleges that named parties breached their fiduciary duties to the Company by, among other things, making statements between November, 2004 and July, 2005 which plaintiffs claim were false and misleading and by allegedly failing to implement adequate internal controls and means of supervision at the Company. The suit seeks an unspecified amount of damages from the named parties and modifications to the Company's corporate governance policies.

Additionally, on August 21, 2006, the U.S. District Court for the Southern District of New York held a hearing on the Company's Motion to Dismiss the complaint filed in 2005 by Murray Capital Management, Inc., as previously described in the Company's most recent Form 10-Q. The Court granted the Company's Motion to Dismiss without prejudice, and permitted the plaintiff 45 days to file an amended complaint.

On August 23, 2006, the Company also issued a press release, attached hereto as Exhibit 99.2, announcing August 23, 2006 as the record date and September 14, 2006 as the expiration date for the \$75 million rights offering.

As a result of the rights offering referred to in such press release, the exercise price of the Company's warrants will be reduced to \$30.69 per share of common stock, the number of shares issuable upon the exercise of each warrant will increase by approximately 4.63% and the conversion price of the Company's convertible senior subordinated notes will be reduced to \$16.42 per share. These adjustments will be confirmed in notices sent in accordance with the warrant agreement and the indenture for the convertible notes.
