Item Other Events

8.01.

Ashland Inc. ("Ashland") has received the Revenue Agents Report ("RAR") from the Internal Revenue Service ("IRS") which includes the results of the IRS audit for the tax period ended June 30, 2005, the date of the completion of the MAP Transaction.* The RAR recommends adjustments for that period which will result in additional federal income taxes owed of approximately \$14.1 million, of which approximately \$11.2 million relate to the MAP Transaction. Under the terms of an agreement entered into by Ashland and Marathon in connection with the MAP Transaction, Marathon is responsible for the payment of the \$11.2 million amount. The balance of the tax owed is Ashland's responsibility, which has previously been provided for in Ashland's reserves.

It is Ashland's and Marathon's intent to accept the adjustments contained in the RAR. This should substantially conclude the current IRS audit for that year, subject to completion of final documentation.

* The "MAP Transaction" refers to the transfer of Ashland's 38% interest in Marathon Ashland Petroleum LLC, a former joint venture with Marathon Oil Corporation ("Marathon"), and two other Ashland businesses to Marathon.
