Stockholder Vote Required

The Board of Directors recommends a vote FOR the election of each of the nominees named above for election to the Board of Directors.

COMPENSATION DISCUSSION & ANALYSIS

We seek to have compensation programs for our named executive officers that are intended to achieve a variety of goals, including, but not limited to:

attracting and retaining talented and experienced executives in the evolving and competitive energy efficiency industry;

motivating and fairly rewarding executives whose knowledge, skills and performance are critical to our success; and

providing fair and competitive compensation.

During 2012 and 2013, the entire Board of Directors consisting of Laird Cagan, Chairman of the Board and Johnny Thomas, Chief Executive Officer, determined all matters and there was no compensation committee. During 2012, the sole Named Executive Officers were Johnny Thomas, Chief Executive Officer, and John C. Francis, Vice President of Corporate Development, who resigned as an executive officer effective May 16, 2013, with the appointment of new management from the Company's acquisition of IPS Engineering, Inc. The cash compensation of Messrs. Thomas and Francis consisting of salaries of \$174,000 and \$150,000 was pursuant to at will employment contracts first entered into as of September 1, 2010 (as subsequently amended) and approved by a prior independent Board of Directors, which subsequently resigned when the Company entered into a new industry. The relatively small base salaries to Messrs. Thomas and Francis were requested by those officers in view of the Company's cash needs as an emerging growth company. The warrants granted under the employment agreements and subsequent regrants were the primary incentive to management to grow the Company.

The additional named executive officers hired in 2013 each negotiated their compensation in connection with the sale of their respective companies to the Company and had no prior relationship with the Company.

The Compensation Committee took office on January 1, 2014. In determining executive compensation for fiscal year 2014 the Compensation Committee intends to compensate named executive officers and reward them for both Company-wide and individual performance and to attempt to link pay and performance. This policy is intended to assure that our compensation practices are competitive with those in the industry. However, given the fact that our named executive officers are working under employment contracts which generally include performance based equity compensation the only flexibility the Compensation Committee will have is with new hires or cash bonuses to existing officers for extraordinary performance. Our chief executive officer, as he did for prior fiscal years, intends to assist the Compensation Committee in determining compensation for the other named executive officers.

Elements of Executive Officer Compensation

Overview. Total compensation paid to our executive officers is divided among three principal components. Base salary is fixed under employment contracts and does not vary based on our financial and other performance. Other components, such as cash bonuses and stock options, are variable and dependent upon the Company performance. Judgments about these elements will be made subjectively by the Compensation Committee. The value of the stock options and warrants is dependent upon our future stock price and, accordingly, is intended to reward the named executive officers for favorable Company-wide performance.

Our Compensation Committee will review total compensation particularly to any new hires to see if it falls in line with peer companies and may also look at overall market data. Our goal will be to promote pay for performance and emphasize the variable elements of overall compensation over fixed base salaries. In this regard, it will be our policy to emphasize long-term equity awards over short-term cash bonuses as the long-term awards are intended to align with goals such as total shareholder return.

Base Salary. We pay our executives a base salary, which we review annually based on existing employment contracts. We believe that a competitive base salary is a necessary element of any compensation program. Base salaries are established, in part, based on the executive's individual position, responsibility, experience, skills, historic salary levels with his prior business. We will seek going forward to align base compensation levels comparable to our competitors and other companies similarly situated. We do not view base salaries as primarily serving our objective of paying for performance. Furthermore, we believe that our salary levels when combined with long-term equity awards will allow us to hire new executive officers when and as required.

Cash Incentive Bonuses. Consistent with our emphasis on pay-for-performance incentive compensation programs, our executives will be eligible to receive cash incentive bonuses based upon extraordinary performance during the year.

Equity Compensation. We believe that stock options and warrants are an important long-term incentive for our executive officers and other employees and generally align officer interest with that of our stockholders. They are intended to further our emphasis on pay-for-performance.

The Compensation Committee will not have any formal plan or obligation that requires it to grant equity compensation to any executive officer. The authority to make equity grants to our executive officers rests with our full Board of Directors based upon recommendations made by the Compensation Committee. The Committee will consider the input of our chief executive officer in setting the compensation of our other executive officers, including in the determination of appropriate levels of equity grants.

Regulatory Considerations

We account for the equity compensation expense for our employees under the rules of FASB Accounting Standard Codification 718, Compensation - Stock Compensation, or ASC 718.

As disclosed in Note 9 to the audited financial statements for the year ended December 31, 2013, The Company estimates the fair value of share-based compensation utilizing the Black-Scholes option pricing model, which is dependent upon several variables such as the expected option term, expected volatility of our stock price over the expected option term, expected risk-free interest rate over the expected option term, expected dividend yield rate over the expected option term, and an estimate of expected forfeiture rates. The Company believes this valuation methodology is appropriate for estimating the fair value of stock options granted to employees and directors which are subject to ASC Topic 718 requirements. These amounts are estimates and thus may not be reflective of actual future results, nor amounts ultimately realized by recipients of these grants. The Company recognizes compensation on a straight-line basis over the requisite service period for each award. The following table summarizes the assumptions the Company utilized to record compensation expense for stock warrants and options granted during the years ended December 31, 2013:

Expected term (years)	5.0 - 10.0
Expected volatility	101.49-103.25%
Weighted-average volatility	101.49-103.25%
Risk-free interest rate	3.64-3.99%

Employment Agreements

There are no material plans, contracts or arrangements pursuant to which any executive officer is a party or in which he participates other than those available to all officers and directors of the Company.

On August 31, 2010, the Company entered into an "at will" employment agreement, effective as of September 1, 2010, with Dr. Johnny R. Thomas, as Chief Executive Officer and President of the Company. Dr. Thomas' base salary was initially ninety nine thousand dollars (\$99,000.00) per annum. He is eligible to receive a bonus to be established by the Compensation Committee of the Board of Directors for extraordinary performance. The agreement provides for a non-competition and non-solicitation period of one-year from the termination of employment. In the event that an officer is terminated without cause: (i) he shall receive a cash settlement of \$75,000, and (ii) 50% of all unvested warrants issued under his employment agreement, as amended, shall vest immediately. Dr. Thomas was granted warrants to purchase an aggregate of one (1) million shares of Common Stock, exercisable for ten (10) years at \$1.00 per share, all of which have vested.

On August 31, 2010, the Company entered into an at will employment agreement, effective as of September 1, 2010, with John C. Francis, by resolution of the board as Vice-President, Corporate Development and Investor Relations of the Company. Mr. Francis's base salary was initially seventy-five thousand dollars (\$75,000.00) per annum. All other terms of employment are the same as set forth in Dr. Thomas' agreement described above.

On March 1, 2011, the Board of Directors of the Company amended the employment agreements of Dr. Johnny R. Thomas and John C. Francis by resolution of the Board. Each of their employment agreements dated September 1, 2010 were amended effective February 1, 2011, pursuant to Board of Directors' resolutions to increase their annual salaries by \$75,000. Johnny R. Thomas' salary increased from \$99,000 to \$174,000 and John Francis' salary from \$75,000 to \$150,000. Effective as of May 16, 2013, upon the Company entering the employment agreements with Robert Potts and Brett Woodard, John Francis was no longer deemed to be an executive officer of the Company.

Johnny R. Thomas and John C. Francis were each awarded five-year performance warrants to purchase 1,000,000 shares each at an exercise price of \$1.25 per share. In November 2012 the warrant exercise price was reduced to \$0.01 per share, the warrants was extended to ten years and the vesting criteria was amended to remove the milestone criteria. All of these warrants also vest when the holders exercise the warrants and purchase Common Stock and are therefore deemed to be currently exercisable. All of these warrants are fully vested.

On August 5, 2013, the Board of Directors of the Company approved a three-year extension to Dr. Thomas' employment agreement through August 31, 2016. Dr. Thomas' salary remained at \$174,000 per annum. The Board approved the grant of ten (10)-year warrants to purchase 1,000,000 shares at an exercise price of \$.01 per share. The warrants vested one quarter (250,000 shares) upon grant and 62,500 shall vest quarterly on the last day of each calendar quarter until the remaining 750,000 warrants vest on September 30, 2016.

On August 5, 2013, the Board of Directors of the Company approved a three-year extension to Mr. Francis' employment agreement through August 31, 2016. The Board approved the grant of ten (10)-year warrants for services rendered to purchase 400,000 shares at an exercise price of \$.01 per share which vest over a three-year period.

On October 5, 2013, the Board of Directors granted Mr. Francis ten-(10) year warrants to purchase 200,000 shares at an exercise price of \$.01 per share for services rendered, all of which were fully vested. All of the foregoing issuances were simultaneous with the assignment of part of the warrants for estate planning purposes. The Board evaluated the performance of Mr. Francis relative to his compensation and determined that his contributions to the Company warranted bonus compensation. Mr. Francis was a critical manager in the development and implementation of the business model, the acquisitions, investor relations and capital formation. The Company raised over \$20 Million in equity in 2013, which would not have been possible without the efforts of Mr. Francis, the Chairman and Dr. Thomas.

The Company entered into an Employment Agreement effective May 16, 2013, with Robert Potts. Under this Agreement, Mr. Potts will serve as Chief Operating Officer of the Company for a five-year period. The Agreement is automatically renewable for one-year periods on the same terms and conditions unless the Company gives written notice to Mr. Potts at least one-year before May 15, 2018. Mr. Potts' s base salary is \$300,000 per annum, however, he agreed to reduce his first year salary to \$120,000. Mr. Potts will be entitled to a bonus of \$180,000 on December 31, 2014, in the event at least four power plant projects reach commercial operations by that date. In addition, Mr. Potts will be entitled to a cash bonus equal to a percentage of pre-tax net profits of the Blue Earth CHP division above those forecasted at the time Mr. Potts' employment commenced. Mr. Potts will forfeit 25% per year (up to 75% in total) of the 3,070,000 shares of the Company' s Common Stock which he received upon the acquisition of IPS, subject to vesting as 7 initial power plants are turned on, if he terminates the Agreement without good reason on at least two months prior notice. Mr. Potts also received warrants to purchase 1,200,000 shares exercisable at \$1.18 per share for ten years, subject to a vesting schedule and based on performance. If the Agreement is terminated by Mr. Potts for good reason he will be entitled to an amount equal to his annual base salary for one year, any earned but unpaid bonus and any deferred compensation. The Agreement is also terminable by the Company for cause. The Agreement provides for a one-year restricted period following termination of employment, from engaging in a competitive business, or for soliciting employees from and terminating their employment with the Company or hiring any person previously employed by the Company within 90 days of such hiring.

The Company entered into an employment agreement effective May 16, 2013 with Brett Woodard to be the Chief Financial Officer of the Company. It is a five-year agreement with substantially the same terms as Mr. Potts' agreement.

On January 31, 2014, the Company entered into a two-year employment agreement with Donald R. Kendall, Jr. which shall be automatically extended for one-year periods unless terminated by either party on at least thirty (30) days' prior written notice. There is no specific time requirement under the contract. Mr. Kendall is being compensated at the rate of \$120,000 per annum. He received an aggregate of 1,300,000 stock options under his employment contract exercisable at \$2.00, the fair market value of the Company' s common stock, when the purchase price was agreed to on December 4, 2013. The Company agreed to negotiate in good faith success fees for transactions he introduces or for which Kendall is actively involved. Mr. Kendall is entitled to a year' s severance pay, plus earned bonuses if his contract is terminated by him for good reason or if he is terminated without cause. Kendall is subject to a non-compete and non-solicitation for the longer of the period he is employed by the Company or for two years from

the execution of his agreement.

Simultaneously with entering into Mr. Kendall's employment, the Company purchased 100% of the equity interests in Kenmont Solutions Capital GP, LLC (Kenmont), the Company owned by Donald Kendall. The Company issued 25,000 shares of its restricted common stock pursuant to an Equity Exchange Agreement. The Company simultaneously entered into a Sale of Goodwill Agreement to purchase Kendall's personal goodwill. The purchase price for Kendall's goodwill was 1,725,000 shares of restricted common stock of the Company and options to purchase 200,000 shares of common stock at an exercise price of \$2.00 per share. The above-described 1,750,000 restricted shares of the Company's common stock are subject to an eighteen (18)-month lock-up period and for a leak-out provision for the following twelve (12)-month period ending thirty (30) months from January 31, 2014.

Consulting Agreements

In connection with the Company's acquisition of IPS Engineering, Inc. it entered into substantially similar Independent Contractor and Service Agreements with Broadway Family Group LLC and Planet Investment Consultants, affiliates of IPS Engineering, Inc. on June 3, 2013, and July 1, 2013, respectively. The agreements are for three years to provide consulting services to the Company. The consultants each received warrants to purchase 1,200,000 shares exercisable at \$1.18 per share for ten years. The Warrants vest when the various power plants commence production and produce revenues. The consultants are subject to non-solicitation and non-compete provisions during their consulting and for a one-year period thereafter.

The Company entered into an Independent Consulting Agreement effective as of November 15, 2011 with Remanco Inc., an entity controlled by David Lies, a principal shareholder of the Company. On October 12, 2013, the Agreement was extended until November 14, 2014. Mr. Lies was granted warrants to purchase 100,000 shares of Common Stock at \$.01 per share for five years. See *Certain Relationships and Related Transactions and Director Independence* below for information concerning various warrants issued to Members of Management.

Effective February 17, 2014, D. Jason Davis and Joseph Patalano entered into a consulting agreement with Blue Earth and ceased to serve as officers and directors or employees of Xenergy on that date. They will focus their business time on project development, rather than construction of projects. They will be paid a success fee on projects they develop. Mr. Davis was paid \$50,000 against future compensation that may be due to him, and Mr. Patalano was awarded 35,000 shares of common stock as a consultant fee. Messrs. Davis and Patalano will be paid for projects they source and develop, a success fee of 8% of gross profits if no developer is involved, and 4% if a developer is involved, and for certain projects which the consultants develop they will be paid a developer fee mutually agreed to based on the economics of the project.

Equity Incentive Plan

On October 30, 2009, our board of directors and stockholders adopted the 2009 Equity Incentive Plan. As long as he is employed by Castrovilla, Mr. Pink's option remained exercisable in three equal installments of 10,000 shares each on December 31, 2011, 2012 and 2013, only if Castrovilla operations as currently situated achieve EBITDA levels of \$870,000, \$1,044,000 and \$1,252,000, respectively. An aggregate of approximately \$1,734,000 was paid to the Company and zero cash was received by Johnny R. Thomas, John C. Francis or their affiliates. Since all of the prior warrants were assigned and/or exercised, Messrs. Thomas and Francis did not increase their ownership position through the grant of new warrants. The demand notes payables accrued interest at 12% per annum and are unsecured. Mr. Cagan was also granted ten-year warrants exercisable as of April 17, 2013, at \$0.01 per share, valued at \$1,239,288, to purchase 1,000,000 shares of Common Stock in consideration of his serving as an emergency financing source.

These warrants were issued in recognition of his work in a tireless manner as an executive chairman without any cash compensation or bonus during the past three years. This included his efforts in the successful acquisition of six companies and strategically rendering the business from a position of zero revenues and no employees to growth of over 100 employees, together with raising \$20 million of equity and a market capitalization of approximately \$150 million.

In connection with the Company's May 16, 2013 acquisition of IPS Engineering Inc. the Company entered into substantially similar consulting agreements with Broadway Family Group LLC and Green Planet Consultants LLC for which they each received ten-year warrants to purchase 1,200,000 shares of common stock exercisable at \$1.18 per share, valued at a total of \$7,178,745. CORPORATE GOVERNANCE DIRECTOR AND COMMITTEE INFORMATION

Composition of the Board of Directors. Since the adoption of the Sarbanes-Oxley Act in July 2002, there has been a growing public and regulatory focus on the independence of directors. Additional requirements relating to independence are imposed by the Sarbanes-Oxley Act with respect to members of the Audit Committee. The Board has established procedures consistent with the Sarbanes-Oxley Act of 2002, the Securities and Exchange Commission, and The NASDAQ Stock Market prior to the Company being listed on a national securities exchange. During the year ended December 31, 2013, the Board of Directors consisted of two directors, Laird Cagan, Chairman of the Board, and Johnny R. Thomas, Chief Executive Officer. They held one in-person meeting, two telephonic meetings and approved all other matters of the Board by unanimous written consent. Commencing in 2014, with the addition of three new independent directors, the Company has approved all Board matters through unanimous written consent and telephonic meetings and intends to hold in-person meetings.

Independent Directors

We believe Laird Cagan is an independent director, as that term is defined by listing standards of the national securities exchanges and SEC rules, including the rules relating to the independence standards of an audit committee and the non-employee director definition of Rule 16b-3 of the Exchange Act. The Company's Board of Directors has elected Michael W. Allman, James A. Kelly and Governor Bill Richardson to its Board of Directors. Each serves as an independent director for a two-year term which commenced on January 1, 2014. Each of these three persons will serve as an independent director and where noted on the respective committees listed below.

We believe that our Board of Directors should be composed of individuals with sophistication and experience in many substantive areas that impact our business. We believe that experience, qualifications, or skills in the following areas are most important: experience in the energy industry; regulatory; accounting and finance; capital markets; strategic planning; business development practices; and board practices of other corporations. These areas are in addition to the personal qualifications described above for each director. We believe that all of our current Board members possess the professional and personal qualifications necessary for Board service, and have highlighted particularly noteworthy attributes for each Board member in the individual biographies above.

Our combined heat and power and solar projects, generate electricity at the customer's site, as such, they interface with the traditional electric grid. Mr. Allman and Mr. Kelly have managed large electric grids for many years; therefore their grid experiences are directly applicable to our core business. In addition, public utilities, such as those they managed for many years oversee multi-billion dollar rebate programs for energy efficiency. These experiences are directly relevant to our energy efficiency business. As part of the administration of the large rebate programs, the public utilities that they managed are early reviewers and evaluators of new technology. Therefore, we believe they provide exceptional inputs to the Company when evaluating technology acquisitions and for marketing of our existing technology. Federal and State governments have many policies and programs that directly influence our business model in all areas, alternative energy, energy efficiency and technology. Governor Richardson provides valuable insight and access to the political process and political decision making leaders.

Board Committees

During the year ended December 31, 2013, the Board consisted of two directors and the Company did not have any committees. Effective January 1, 2014, the Board has delegated various responsibilities and authority to different Board committees. The Board has three standing committees: the Compensation Committee, the Audit Committee and the Nominating and Corporate Governance committee. The Board has appointed only independent directors to such committees. The members of each committee are appointed by the Board and serve only one-year terms. Committees regularly reported on their activities and actions to the full Board of Directors. Each committee has a written charter adopted by the Board of Directors under which it operates. As set forth below, copies of the respective charters are attached hereto as appendices to this Proxy Statement.

Audit Committee

The audit committee's duties are to recommend to our board of directors the engagement of independent auditors to audit our financial statements and to review our accounting and auditing principles. The audit committee reviews the scope, timing and fees for the annual audit and the results of audit examinations performed by independent public accountants, including their recommendations to improve the system of accounting and internal controls. The audit committee oversees the independent auditors, including their independence and objectivity. However, the committee members are not acting as professional accountants or auditors, and their functions are not intended to duplicate or substitute for the activities of management and the independent auditors. The audit committee is empowered to retain independent legal counsel and other advisors as it deems necessary or appropriate to assist the audit committee in fulfilling its responsibilities, and to approve the fees and other retention terms of the advisors. Our audit committee members possess an understanding of financial statements and generally accepted accounting principles. Michael W. Allman serves as Chairman of the Audit Committee, which also consists of James A. Kelly and Laird Q. Cagan.

Audit Committee Financial Expert. The Board of Directors has determined that Michael W. Allman is an audit committee financial expert as such term is defined by the SEC. As noted above, Mr. Allman, as well as the other members of the Audit Committee, has been determined to be independent within the meaning of SEC and exchange regulations.

Compensation Committee

The compensation committee has certain duties and powers as described in its charter, including but not limited to periodically reviewing and approving our salary and benefits policies, compensation of our executive officers, administering our stock option plans, and recommending and approving grants of stock options under those plans. James A. Kelly serves as Chairman of the Compensation Committee, which also consists of Michael W. Allman and Laird Q. Cagan.

Nominating Committee

The nominating and corporate governance committee considers and makes recommendations on matters related to the practices, policies and procedures of the board of directors and takes a leadership role in shaping our corporate governance. As part of its duties, the nominating and corporate governance committee assesses the size, structure and composition of the board of directors and its committees, coordinates evaluation of board performance and reviews board compensation. The nominating and corporate governance committee also acts as a screening and nominating committee for candidates considered for election to the board of directors. James A. Kelly serves as Chairman of the Nominating and Corporate Governance Committees, which also consists of Michael W. Allman and Laird Q. Cagan.

Compensation Committee Interlocks and Insider Participation

None of our directors or executive officers serves as a member of the board of directors or compensation committee of any entity that has one or more of its executive officers serving as a member of our board of directors.

Director or Officer Involvement in Certain Legal Proceedings

Our directors and executive officers were not involved in any legal proceedings as described in Item 401(f) of Regulation S-K in the past ten years.

Directors and Officers Liability Insurance

We have directors' and officers' liability insurance insuring our directors and officers against liability for acts or omissions in their capacities as directors or officers, subject to certain exclusions. Such insurance also insures us against losses which we may incur in indemnifying our officers and directors. In addition, we have entered into indemnification agreements with key officers and directors and such persons shall also have indemnification rights under applicable laws, and our certificate of incorporation and bylaws.

Board Leadership Structure and Role in Risk Oversight

Although we have not adopted a formal policy on whether the Chairman and Chief Executive Officer positions should be separate or combined, we have determined that it is in the best interests of the Company and its shareholders to keep these roles separate.

Our Audit Committee is primarily responsible for overseeing our risk management processes on behalf of our board of directors. The Audit Committee receives and reviews periodic reports from management, auditors, legal counsel, and others, as considered appropriate regarding our company's assessment of risks. In addition, the Audit Committee reports regularly to the full Board of Directors, which also considers our risk profile. The Audit Committee and the full Board of Directors focus on the most significant risks facing our company and our company's general risk management strategy, and also ensure that risks undertaken by our Company are consistent with the Board's appetite for risk. While the Board oversees our company's risk management, management is responsible for day-to-day risk management processes. We believe this division of responsibilities is the most effective approach for addressing the risks facing our company and that our Board leadership structure supports this approach.

Committees of the Board of Directors

In June 2013, the Board of Directors adopted charters relative to its audit committee, compensation committee and nominating committee. However, until January 1, 2014, the entire Board determined all matters and no Committees had been formed.

Audit Committee Charter. The Audit Committee performs its duties under a written charter approved by the Board of Directors. The Audit Committee charter is filed as Appendix C to our proxy statement.

Independence of Audit Committee Members. All members of the Audit Committee of the Board of Directors have been determined to be independent directors pursuant to the definition contained in Rule 5605(a)(2) of the NASDAQ Listing Rules and under the Rule 10A-3 under the Securities Exchange Act of 1934, as amended.

Compensation Committee Charter. The Board of Directors has adopted a Compensation Committee charter to govern its Compensation Committee. The Compensation Committee charter is filed as Appendix D to our proxy statement.

Governance Committee Charter. In June 2013, the Board adopted the Nominating and Corporate Governance Committee Charter, a copy of which is filed as Appendix E to our proxy statement.

Related Party Transactions

Reference is made to Footnote 13 to the Company's financial statements included in the Company's Annual Report for period ending December 31, 2013.

Code of Ethics

We have adopted a written code of ethics that applies to our directors, officers and employees, including principals executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. Our Code of Ethics is attached as Appendix F to our proxy statement and is also available without charge upon written request directed to Blue Earth, Inc., Attention: Secretary, 2298 Horizon Ridge Parkway, Suite 205 Henderson, Nevada 89052.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our directors, named executive officers and persons holding more than 10% of a registered class of the equity securities of the Company to file with the SEC and to provide us with initial reports of ownership, reports of changes in ownership and annual reports of ownership of Common Stock and other equity securities of the Company. Based solely on a review of the reports furnished to us, or written representations from reporting persons that all reportable transaction were reported, we believe that during the fiscal year ended 2013, our officers, directors and greater than ten percent owners timely filed all reports they were required to file under Section 16(a), except as follows:

Two Form 4's for D. Jason Davis and one Form 4 for Laird Cagan were filed late.

PROPOSAL 2

AMENDING THE CERTIFICATE OF INCORPORATION TO INCREASE THE AUTHORIZED SHARES OF COMMON STOCK

The affirmative vote of a majority of the shares of Common Stock issued and outstanding is required for the approval of the proposal to amend the Company's Articles of Incorporation and effect the increase in the authorized shares of the Company's common stock, par value \$.001 per share, from 100,000,000 to 500,000,000

The Certificate of Amendment to the Company's Articles of Incorporation that reflects the increase in the authorized common stock is attached hereto as Appendix A. The increase in the authorized common stock will become effective upon the filing of the Certificate of Amendment with the Secretary of State of the State of Nevada, which is expected to occur as soon as is reasonably practicable following shareholder approval of this proposal.

Reason for Increase

In order to permit the Company to raise capital or issue its common stock for other business purposes, the Company needs to increase the number of shares of its authorized common stock for issuance under its Articles of Incorporation. As a result of the increase in authorized common stock, the Company will be able to issue shares from time to time as may be required for proper business purposes, such as raising additional capital for ongoing operations, establishing strategic relationships with corporate partners, acquiring or investing in complementary businesses or products, providing equity incentives to employees, and effecting stock splits or stock dividends.

The Company is at all times investigating additional sources of financing which the board of directors believes will be in the Company's best interests and in the best interests of the Company's shareholders. While the Company hopes to raise money in the near future, it currently has no plans, arrangements or understandings for the issuance of additional shares at the present time.

Effects of Increase

With an increase in the Company's authorized common shares, the board of directors will be able to issue those additional shares without the approval of the Company's shareholders, except as may be required by applicable law. In general, the issuance of any new shares of common stock will cause immediate dilution to the Company's existing stockholders, may affect the amount of any dividends paid to such stockholders and may reduce the share of the proceeds of the Company that they would receive upon liquidation of the Company. Another effect of increasing the Company's authorized common stock may be to enable the Board of Directors to render it more difficult to, or discourage an attempt to, obtain control of the Company by means of a merger, tender offer, proxy contest or otherwise, and thereby protect the continuity of present management. The Board of Directors would, unless prohibited by applicable law, have additional shares of common stock available to effect transactions (such as private placements) in which the number of the Company's outstanding shares would be increased and would thereby dilute the interest of any party attempting to gain control of the Company, even if such party is offering a significant premium over the current market price of the common stock. Such an issuance of shares of common stock would increase the number of outstanding shares, thereby possibly diluting the interest of a party attempting to obtain control of the Company. The Board of Directors is not aware of any attempt, or contemplated attempt, to acquire control of the Company, and this resolution was not presented with the intent that the increase in the Company's authorized common stock be utilized as an anti-takeover measure.

Indemnification of Directors and Officers

Section 718.7502 of the Nevada Revised Statutes (NRS) provides, in general, that a corporation incorporated under the laws of the State of Nevada, as we are, may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding whether civil, criminal, administrative or investigative (other than a derivative action by or in the right of the corporation) by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint

venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if such person (a) is not liable pursuant to Section 73.138 of the NRS, and (b) acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe such person's conduct was unlawful. In the case of a derivative action, a Nevada corporation may indemnify any such person against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit if such person (a) is not liable pursuant to Section 73.138 of the NRS, and (b) acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation.

Our Articles of Incorporation and Bylaws provide that we will indemnify our directors, officers, employees and agents to the extent and in the manner permitted by the provisions of the NRS, as amended from time to time, subject to any permissible expansion or limitation of such indemnification, as may be set forth in any stockholders' or directors' resolution or by contract. In addition, our director and officer indemnification agreements with each of our directors and officers provide, among other things, for the indemnification to the fullest extent permitted or required by Nevada law, provided that no indemnitee will be entitled to indemnification in connection with any claim initiated by the indemnitee against us or our directors or officers unless we join or consent to the initiation of the claim, or the purchase and sale of securities by the indemnitee in violation of Section 16(b) of the Exchange Act.

Any repeal or modification of these provisions approved by our stockholders will be prospective only and will not adversely affect any limitation on the liability of any of our directors or officers existing as of the time of such repeal or modification.

We are also permitted to maintain insurance on behalf of any director, officer, employee or other agent for liability arising out of his actions, whether or not the NRS would permit indemnification.

Disclosure of Commission Position on Indemnification for Securities Act Liabilities

Insofar as indemnification for liabilities under the Securities Act may be permitted to officers, directors or persons controlling the Company pursuant to the foregoing provisions, the Company has been informed that it is the opinion of the Securities and Exchange Commission that such indemnification is against public policy as expressed in such Securities Act and is, therefore, unenforceable.

Anti-Takeover Effect of Nevada Law, Certain By-Law Provisions

Certain provisions of our Bylaws are intended to strengthen the board of directors' position in the event of a hostile takeover attempt. These provisions have the following effects:

We are subject to the provisions of NRS 78.378 to 78.3793, inclusive, an anti-takeover law which applies to any acquisition of a controlling interest in an "issuing corporation." In general, such anti-takeover laws permit the articles of incorporation, bylaws or a resolution adopted by the directors of an "issuing corporation" (as defined in NRS 78.3788) to impose stricter requirements on the acquisition of a controlling interest in such corporation than the provisions of NRS 78.378 to 78.3793, inclusive, as well as permit the directors of an issuing corporation to take action to protect the interests of the corporation and its stockholders, including, but not limited to, adopting plans, arrangements or other instruments that grant or deny rights, privileges, power or authority to holder(s) of certain percentages of ownership and/or voting power. Further, an "acquiring person" (and those acting in association) only obtains such voting rights in the control shares as are conferred by resolution of the stockholders at either a special meeting requested by the acquiring person, provided it delivers an offeror's statement pursuant to NRS 78.3789 and undertakes to pay the expenses thereof, or at the next special or annual meeting of stockholders. In addition, the anti-takeover law generally provides for (i) the redemption by the issuing corporation of not less than all of the "control shares" (as defined) in accordance with NRS 78.3792, if so provided in the articles of incorporation or bylaws in effect on the 10th day following the acquisition of a controlling interest in an "issuing corporation", and (ii) dissenter's rights pursuant to NRS 92A.300 to 92A.500, inclusive, for stockholders that voted against authorizing voting rights for the control shares.

We are also subject to the provisions of NRS 78.411 to 78.444, inclusive, which generally prohibits a publicly held Nevada corporation from engaging in a "combination" with an "interested stockholder" (each as defined) that is the beneficial owner, directly or indirectly, of at least ten percent of the voting power of the outstanding voting shares of the corporation or is an affiliate or associate of the corporation that previously held such voting power within the past three years, for a period of three years after the date the person first became an "interested stockholder", subject to certain exceptions for authorized combinations, as provided therein.

In accordance with NRS 78.195, our articles of incorporation provide for the authority of the board of directors to issue shares of preferred stock in series by filing a certificate of designation to establish from time to time the number of shares to be included in such series and to fix the designation, powers, preferences and rights of the shares of each such series and the qualifications, limitations or restrictions thereof, subject to limitations prescribed by law.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR PROPOSAL 2 TO AMEND ARTICLE THIRD OF THE CERTIFICATE, AND EFFECT AN INCREASE OF THE AUTHORIZED COMMON STOCK OF THE COMPANY TO 500,000,000 SHARES.

PROPOSAL 3

SUMMARY OF THE SHAREHOLDER RIGHTS PLAN

The following is a summary of certain material terms of the Shareholder Rights Plan, a copy of which is attached hereto as Appendix B. The summary is qualified in its entirety by reference to the full text of the Shareholder Rights Plan. Shareholders are urged to read the Shareholder Rights Plan carefully prior to determining whether or not to vote in favor of approving the Shareholder Rights Plan.

Issuance of Rights

Under the Shareholder Rights Plan, the Company shall issue one right (a **Right**) in respect of each Common Share outstanding on the date the Shareholder Rights Plan is adopted (the **Record Time**) and may issue one Right in respect of each Common Share after the Record Time and prior to the earlier of the Separation Time (as defined below) and the Expiration Time (as defined below). The Company may, after the Separation Time, but prior to the Expiration Time, also issue one Right in respect of each Common Share which is issued after the Record Time pursuant to the exercise of securities convertible into Common Shares of the Company (**Convertible Securities**) which are outstanding

as of the date of the first public announcement that any person or entity has become an Acquiring Person (as defined below)(the *Stock Acquisition Date*).

Exercise Price and Adjustment of Exercise Price and Number of Rights

Each Right will entitle the holder thereof, from and after the Separation Time and prior to the Expiration Time, to purchase, for \$1.00 per share (the *Exercise Price*), one Common Share. The Exercise Price has been determined by the Board to be in the best interest of the Company's shareholders, based upon, among other things, its approximation of the Company's long term growth during the next three-year life of the Shareholder Rights Plan and the Board's determination that the Company's Common Stock is currently undervalued. The Exercise Price and the number of the Rights outstanding are subject to adjustment if, after the Record Time and prior to the Expiration Time, the Company performs certain actions that customarily trigger adjustments, including declaring or paying a dividend on its Common Shares; subdividing or changing the number of outstanding Common Shares into a greater number of Common Shares; combining or changing the number of outstanding Common Shares into a smaller number of Common Shares; or issuing any Common Shares at a purchase price less than the Exercise Price.

Exercise of Rights and Transferability

Until the Separation Time, the Rights shall not be exercisable and each Right will be evidenced by the certificate for the associated Common Share and will be transferable only together with, and will be transferred by a transfer of, such associated Common Share. From and after the Separation Time and prior to the Expiration Time, the Rights shall be exercisable and the registration and transfer of the Rights shall be separate from and independent of Common Shares. Promptly following the Separation Time, the rights agent to be designated by the Board (the *Rights Agent*) will send to each holder of record of Common Shares as of the Separation Time or who subsequently becomes a holder of

record of Common Shares upon the exercise of rights attaching to Convertible Securities outstanding at the Stock Acquisition Date, a rights certificate (the *Rights Certificate*) representing one Right for each Common Share. The Rights may be exercised in whole or in part on any business day after the Separation Time and prior to the Expiration Time by submitting to the Rights Agent, the Rights Certificate together with an election to exercise such Rights and payment of the Exercise Price for each Right being exercised. Upon receipt of the foregoing, the Rights Agent will direct the Company's transfer agent to issue stock certificates to the holders exercising their Rights, representing one Common Share for each Right exercised.

Flip-in Event

A flip-in event (a *Flip-in Event*) occurs when any person or entity becomes an Acquiring Person (as defined below). If a Flip-In Event occurs, (prior to the Expiration Time) the Company shall take such action as shall be necessary to ensure and provide (within ten business days of such occurrence or such longer period as may be required to satisfy the requirements of applicable legislation of each of the states of the United States), that each Right shall thereafter constitute the right to purchase from the Company, upon exercise of the Right in accordance with the terms of the Shareholder Rights Plan, that number of Common Shares equal to the Common Shares for the equal right.

Upon the occurrence of any Flip-in Event, any Rights that are or were beneficially owned on or after the earlier of the Separation Time and the Stock Acquisition Date by an Acquiring Person or any person or entity acting jointly or in concert with an Acquiring Person or a transferee of Rights of an Acquiring Person or of any person or entity acting jointly or in concert with an Acquiring Person who becomes a transferee in a transfer that the Board has determined is part of a plan, arrangement or scheme of an Acquiring Person shall become null and void without any further action, and any holder of such Rights shall not have any right whatsoever to exercise such Rights under the Shareholder Rights Plan and shall not have thereafter any right whatsoever with respect to such Rights.

Separation Time

Separation Time means the close of business on the tenth (10th) trading day after the earlier of (i) the Stock Acquisition Date; (ii) the date of the commencement of or first public announcement of the intent of any person (other than the Company or any subsidiary of the Company) to commence a take-over bid (other than a Permitted Bid or Competing Permitted Bid (as defined below)); (iii) the date upon which a take-over bid ceases to be a Permitted Bid or Competing Permitted Bid; or such later time as may be determined by the Board acting in good faith.

Expiration Time

If the shareholders confirm the Plan at the 2014 annual general meeting, the Expiration Time will be the earlier of (i) the date the Board waives or redeems the Rights or (ii) July 18, 2017, three (3) years from adoption of the Shareholder Rights Plan at the Meeting.

Acquiring Person

Acquiring Person means any person or entity who is the beneficial owner of twenty percent (20%) or more of the outstanding Common Shares and other voting securities of the Company (collectively, *Voting Shares*), provided, however, that the term Acquiring Person shall not include (i) the Company or any subsidiary or affiliate of the Company; (ii) any person or entity which becomes the beneficial owner of twenty percent (20%) or more of the

outstanding Common Shares and other voting securities of the Company as a result of any one or any combination of the following events defined below: (A) a Voting Share Reduction; (B) a Permitted Bid Acquisition; (C) an Exempt Acquisition; (D) a Convertible Security Acquisitions; or (E) a Pro Rata Acquisition; (iii) for the period of ten (10) days after the date of the first public announcement of a take-over bid, any person who or entity which becomes the beneficial owner of twenty percent (20%) or more of the outstanding Voting Shares as a result of such person or entity making or proposing to make a take-over bid; (iv) an underwriter or member of a banking or selling group that becomes the beneficial owner of twenty percent (20%) or more of the outstanding Voting Shares in connection with a distribution of securities of the Company; or (v) any employee or executive officer or director stock ownership or other employee or executive officer or director benefit plan, or trust for the benefit of employees of the Company or any subsidiary of the Company or any person or entity organized, appointed or established by the Company for or pursuant to the terms of any such plan or trust. In general:

- a) a Voting Share Reduction means an acquisition or redemption by the Company or a subsidiary of the Company of Voting Shares which, by reducing the number of Voting Shares outstanding or which may be voted, increases the proportionate number of Voting Shares beneficially owned by any person or entity;
- b) a Permitted Bid Acquisition means an acquisition made pursuant to a Permitted Bid or a Competing Permitted Bid;
- c) an Exempt Acquisition means a share acquisition in respect of which the Board has waived the applicable Shareholder Rights Plan (i) which was made on or prior to the Record Time; (ii) which was made pursuant to a dividend reinvestment plan; (iii) pursuant to the receipt or exercise of rights issued by the Company to all the holders of Common Shares to subscribe for or purchase Common Shares or Convertible Securities, provided that such rights are acquired directly from the Company; (iv) pursuant to a distribution by the Company of Common Shares or Convertible Securities made pursuant to a prospectus; or (v) pursuant to a distribution by the Company of Common Shares or Convertible Securities by way of a private placement by the Company or upon the exercise by an individual employee of stock options granted under a stock option plan of the Company, or by Board resolution, or rights to purchase securities granted under a share purchase plan of the Company where all necessary stock exchange approvals for such private placement, stock option plan or share purchase plan have been obtained and such private placement, stock option plan, stock option agreements or share purchase plan complies with the terms and conditions of such approvals and such person or entity does not become the beneficial owner of more than twenty-five (25%) of the Common Shares of the Company outstanding immediately prior to the distribution;
- d) a Convertible Security Acquisition means the acquisition of Common Shares upon the exercise of Convertible Securities received by such person or entity pursuant to a Permitted Bid Acquisition, Exempt Acquisition or a Pro Rata Acquisition; and
- e) a Pro Rata Acquisition means an acquisition by a person or entity of beneficial ownership of Voting Shares as a result of a dividend reinvestment acquisition; a stock dividend, a stock split or other event pursuant to which a person or entity becomes the beneficial owner of Voting Shares on the same pro rata basis as all other holders of Voting Shares; the acquisition or exercise by such person or entity of rights to purchase Voting Shares distributed to such person or entity in the course of a distribution to all holders of Voting Shares pursuant to a rights offering or pursuant to a prospectus; or a distribution of Voting Shares or securities convertible into or exchangeable for Voting Shares (and the conversion or exchange of such convertible or exchangeable securities), made pursuant to a prospectus or a distribution by way of a private placement; provided that the person or entity does not thereby acquire a greater percentage of such Voting Shares, or securities convertible into or exchangeable for Voting Shares, so offered than the person or entity's percentage of Voting Shares beneficially owned immediately prior to such acquisition.

Permitted Bid and Competing Permitted Bid

A take-over bid will not trigger a Flip-in Event if it is a Permitted Bid or a Competing Permitted Bid. A permitted bid is a take-over bid made by way of a take-over bid circular to all holders of Voting Shares which also complies with the following additional provisions: (i) the take-over bid is made for any and all Voting Shares to all holders of record of Voting Shares wherever resident as registered on the books of the Company; (ii) the take-over bid contains, and the take up and payment for securities tendered or deposited thereunder shall be subject to, irrevocable and unqualified conditions that (A) no Voting Shares will be taken up or paid for pursuant to the take-over bid prior to the close of business on a date which is not earlier than the sixtieth (60th) day following the date of the take-over bid and unless at such date more than fifty percent (50%) of the Voting Shares held by independent shareholders have been deposited pursuant to the take-over bid and not withdrawn; (B) unless the take-over bid is withdrawn, Voting Shares may be

deposited pursuant to such take-over bid at any time prior to the close of business on the date of first take-up or payment and that any Voting Shares deposited pursuant to the take-over bid may be withdrawn at any time prior to the close of business on such date; and (C) if as of a date not earlier than the sixtieth (60th) day following the date of the take-over bid more than fifty percent (50%) of the Voting Shares held by independent shareholders have been deposited pursuant to the take-over bid and not withdrawn, the offeror will make a public announcement of that fact and the take-over bid will remain open for deposits and tenders of Voting Shares for not less than ten business days from the date of such public announcement.

A Competing Permitted Bid is a take-over bid that is made after a Permitted Bid has been made and prior to the expiry of that Permitted Bid, that satisfies the requirement for a Permitted Bid, and that contains, and the take-up and payment for securities tendered or deposited thereunder are subject to, an irrevocable and unqualified condition that no Voting Shares will be taken up or paid for pursuant to the take-over bid prior to the close of business on a date that is no earlier than the later of (A) the earliest date on which Voting Shares may be taken up or paid for under any prior Permitted Bid in existence at the date of such take-over bid and (B) the last day on which the take-over bid must be open for acceptance after the date of such take-over bid under applicable legislation.

Agreement of Rights Holders

Every holder of Rights, by accepting the same, consents and agrees with the Company and the Rights Agent and with every other holder of Rights (i) to be bound by and subject to the provisions of this Shareholder Rights Plan in respect of all Rights held; (ii) that, prior to the Separation Time, each Right will be transferable only together with, and will be transferred by a transfer of, the associated Common Share; (iii) that after the Separation Time, the Rights Certificate will be transferable only upon registration of the transfer in the register for the Rights; (iv) that, prior to due presentment of a Rights Certificate for registration of transfer, the Company, the Rights Agent and any agent of the Company or the Rights Agent may deem and treat the person in whose name the Rights Certificate is registered as the absolute owner thereof and of the Rights evidenced thereby for all purposes whatsoever, and neither the Company nor the Rights Agent shall be affected by any notice to the contrary; (v) that such holder of Rights has waived its right to receive any fractional Rights or any fractional shares upon exercise of a Right; (vi) that, without the approval of any holder of Rights and upon the sole authority of the Board acting in good faith, the Shareholder Rights Plan may be supplemented or amended from time to time as provided for in the Shareholder Rights Plan; and (vii) that neither the Company nor the Board nor the Rights Agent shall have any liability to any holder of a Right or any other person or entity as result of the inability of the Company, the Board or the Rights Agent to perform any of their obligations under the Shareholder Rights Plan by reason of any preliminary or permanent injunction or other order, decree, notice of hearing or ruling issued by a court of competent jurisdiction or by a governmental, regulatory or administrative agency or commission, or any statute, rule, regulation, or executive order promulgated or enacted by any governmental authority, prohibiting or otherwise inhibiting or restraining performance of such obligation.

Rights Holders Not Shareholders

No holder of any Rights or Rights Certificate shall be entitled to vote, receive dividends or be deemed for any purpose the holder of any Common Share or any other share or security of the Company which may at any time be issuable on the exercise of the Rights, nor shall the Rights Agreement nor any Rights Certificate be construed or deemed or confer upon the holder of any Right or Rights Certificate any of the rights, titles, benefits or privileges of a holder of Common Shares or any other shares or securities of the Company or any right to vote at any meeting of shareholders of the Company or to receive notice of any meeting or other action affecting any holder of Common Shares or any other shares or securities of the Company.

Redemption and Waiver

The Board acting in good faith may, with the prior consent of holders of Voting Shares or the holders of Rights, at any time prior to the occurrence of a Flip-in Event, elect to redeem all but not less than all of the then outstanding Rights at a redemption price of \$0.001 per Right (the Redemption Price), subject to adjustment. If the Board elects or is deemed to have elected to redeem the Rights subsequent to a Flip-in Event and such redemption is approved by the holders of Voting Shares or the holders of Rights, as applicable, the right to exercise the Rights will without further

action and without notice, terminate and the only right thereafter of the holders of Rights shall be to receive the Redemption Price.

The Board may also waive certain provisions of the Shareholder Rights Plan. Amongst other provisions, the Board acting in good faith may, prior to the occurrence of a Flip-in Event determine to waive the application of Shareholder Rights Plan to such particular Flip-in Event, provided that such Flip-in Event would occur by way of a takeover bid made by means of a takeover bid circular delivered to all holders of Voting Shares. The Board may also waive the application of the Shareholder Rights Plan in respect of the occurrence of any Flip-in Event if the Board of Directors has determined that a person or entity became an Acquiring Person by inadvertence and without any intention to become, or knowledge that it would become, an Acquiring Person under the Shareholder Rights Plan provided within ten (10) days after any such waiver by the Board, the person or entity reduces its beneficial ownership of Voting Shares such that the person or entity is no longer an Acquiring Person.

Supplements and Amendments

The Company may make changes to the Shareholder Rights Plan prior to or after the Separation Time to correct any clerical or typographical error or to maintain the validity of the Shareholder Rights Plan as a result of any change in any applicable legislation, rules or regulation without the approval of the holders of the Voting Shares or Rights. The Company may, with the approval of the holders of Voting Shares, at any time prior to the Separation Time, make changes to or rescind any of the provisions of the Shareholder Rights Plan and the Rights (whether or not such action would materially adversely affect the interests of the holders of Rights generally). The Company may, with the approval of the holders of Rights, at any time after the Separation Time, make changes to or rescind any of the provisions of the Shareholder Rights Plan and the Rights (whether or not such action would materially adversely affect the interests of the holders of Rights generally).

Vote Required for Approval

The affirmative vote of a majority of the votes cast at the Annual Meeting is required for the adoption of the Stockholder Rights Plan.

THE BOARD RECOMMENDS A VOTE FOR THE RATIFICATION OF THE STOCKHOLDER RIGHTS PLAN.

PROPOSAL NO. 4

Advisory Vote on Executive Compensation

The Company is providing its shareholders with the opportunity to cast an advisory vote on executive compensation as described below. We believe that it is appropriate to seek the views of shareholders on the design and effectiveness of the Company's executive compensation program.

Our overall goal for the executive compensation program is to attract, motivate, and retain a talented and creative team of executives who will provide leadership for our success in very competitive markets in a competitive industry. The Company seeks to accomplish this goal in a way that rewards performance and that is aligned with shareholders long-term interests. We believe that our executive compensation program, which utilizes both short-term and long-term equity awards, satisfies this goal and is strongly aligned with the long-term interest of our shareholders. The Company did not have a Compensation Committee during fiscal 2013, which went into effect on January 1, 2014 with the addition of three new independent directors. We believe that the compensation program for the Named Executive Officers is instrumental in helping the Company achieve strong financial performance.

The Company requests shareholder approval of the compensation of the Company's Named Executive Officers as disclosed pursuant to the Securities and Exchange Commission's compensation rules (which include the narrative disclosures that accompany the compensation tables).

As an advisory vote, this proposal is not binding upon the Company. However, the Compensation Committee, which is responsible for designing and administering our executive compensation program, values the opinions expressed by shareholders in their vote on this proposal and will consider the outcome of the vote when making future compensation decisions for the Named Executive Officers.

Vote Required

Approval of Proposal No. 4 requires that the number of votes cast in favor of the proposal exceeds the number of votes cast in opposition. Abstentions and broker non-votes will not affect the outcome of this proposal.

THE BOARD RECOMMENDS THAT THE COMPENSATION PAID TO THE COMPANY'S NAMED EXECUTIVE OFFICERS, AS DISCLOSED PURSUANT TO ITEM 402 OF REGULATION S-K IS HEREBY APPROVED.

PROPOSAL NO. 5

Advisory Vote on the Frequency of Say-on-Pay Votes

The Company is providing shareholders an advisory vote to approve how often the Company votes on executive compensation as required by Section 14A of the Exchange Act. Section 14A was added to the Exchange Act by Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the Dodd-Frank Act). The advisory vote to approve executive compensation is not a vote on the Company's general compensation policies or the compensation of the Company's Board of Directors. The Dodd-Frank Act requires the Company to hold the advisory vote to approve executive compensation at least once every three years. We believe that our compensation policies and procedures align with the Company's strategic objectives and the long-term interests of our shareholders. Our compensation program is guided by the philosophy that total executive compensation should vary based on achievement of goals and objectives, both individual and corporate, and should be focused on long-term strategies to build stockholder value. We believe that our philosophy and practices have resulted in executive compensation decisions that are appropriate and that have benefited the Company over time.

The Compensation Committee will generate an executive compensation program, which is intended to reward named executive officers for sustaining our financial and operating performance and leadership excellence, along with the limited use of executive perquisites and reasonable severance pay multiples contribute to an executive compensation program that is competitive yet strongly aligned with stockholder interests.

This Proposal No. 5 provides shareholders with the opportunity to cast an advisory vote on how often the Company should include a say-on-pay vote in its proxy materials for future annual shareholder meetings (or a special shareholder meeting for which we must include executive compensation information in the proxy statement for that meeting). Under this Proposal No.5, shareholders may vote to have the say-on-pay vote every three years, or they may abstain.

We believe that say-on-pay votes should be conducted every three years. This is the first year that shareholders are provided with the opportunity to cast a say-on-pay vote, and the Compensation Committee, which administers our executive compensation program, values the opinions expressed by shareholders and will consider the outcome of these votes in making its decisions on executive compensation in the future.

Vote Required

The option of one year, two years, or three years which receives the highest number of votes will be the option recommended by the shareholders. Abstentions and broker non-votes will not affect the outcome of this approval.

Recommendation of the Board

THE BOARD RECOMMENDS THAT SHAREHOLDERS VOTE ON PROPOSAL NO. 5 TO HOLD SAY-ON-PAY VOTES EVERY THREE YEARS (AS OPPOSED TO EVERY ONE YEAR OR EVERY TWO YEARS).

AUDIT COMMITTEE REPORT

The following report is being furnished with the Proxy Statement and is not deemed to be soliciting material or to be filed with the SEC or subject to the SEC's proxy rules or to the liabilities of Section 18 of the 1934 Act and the report shall not be deemed to be incorporated by reference into any prior to subsequent filing by the Company under the Securities Act of 1933 or the Exchange Act.

Directors of the Company (the Board).

Item 304(a) of Regulation S-K

During the two most recent fiscal years and through the date of this report, there were no (1) disagreements with Lake & Associates on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements if not resolved to its satisfaction would have caused Lake & Associates to make reference in its reports on the Company's financial statements for such years to the subject matter of the disagreement, or (2) reportable events, as such term is defined in Item 304(a)(1)(v) of Regulation S-K.

The audit reports of Lake & Associates on the financial statements of the Company, during the periods from December 31, 2010 through December 10, 2012, did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles, except that the reports stated there is substantial doubt about the Company's ability to continue as a going concern.

The Company has requested that Lake & Associates furnish it with a letter addressed to the Securities and Exchange Commission stating whether or not it agrees with the above statements and, if not, stating the respects in which it does not agree. A copy of such letter, dated December 11, 2012, indicating that it is in agreement with such disclosures is filed as Exhibit 16.1 to Form 8-K filed with the SEC on December 13, 2012.

During the Company's two most recent fiscal years and the subsequent interim periods preceding HJA's engagement, neither the Company nor anyone on behalf of the Company consulted with HJA regarding the application of accounting principles to any specific completed or contemplated transaction, or the type of audit opinion that might be rendered on the Company's financial statements, and HJA did not provide any written or oral advice that was an important factor considered by the Company in reaching a decision as to any accounting, auditing or financial reporting issue or any matter that was the subject of a disagreement or a reportable event, as such terms are defined in Item 304(a)(1) of Regulation S-K.

These services may include audit services, audit-related services, tax services and other services. The independent auditors and management are required to periodically report to our Board of Directors regarding the extent of services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date. The Board of Directors may also pre-approve particular services on a case-by-case basis.

(g)

The Company covenants and agrees that it will:

(i)

take all such action as may be necessary and within its power to ensure that all securities delivered upon exercise of Rights shall, at the time of delivery of the certificates for such securities (subject to payment of the Exercise Price), be duly and validly authorized, executed, issued and delivered as fully paid and non-assessable;

(v)

pay when due and payable any and all United States federal, provincial and state transfer taxes and charges (not including any income or capital taxes of the holder or exercising holder or any liability of the Company to withhold tax) which may be payable in respect of the original issuance or delivery of the Rights Certificates or certificates for Common Shares, provided that the Company shall not be required to pay any transfer tax or charge which may be payable in respect of any transfer involved in the transfer or delivery of Rights Certificates or the issuance or delivery of certificates for securities in a name other than that of the holder of the Rights being transferred or exercised.

2.3 Adjustment to Exercise Price; Number of Rights

The Exercise Price, the number and kind of securities subject to purchase upon exercise of each Right and the number of Rights outstanding are subject to adjustment from time to time as provided in this Section 2.3.

(a)

If the Company shall at any time after the Record Time and prior to the Expiration Time:

(i)

declare or pay a dividend on its Common Shares payable in Common Shares (or other securities exchangeable for or convertible into or giving a right to acquire Common Shares) other than pursuant to any optional stock dividend program, dividend reinvestment plan or a dividend payable in Common Shares in lieu of a regular periodic cash dividend;

(ii)

subdivide or change the outstanding Common Shares into a greater number of Common Shares;

(iii)

combine or change the outstanding Common Shares into a smaller number of Common Shares; or

(iv)

issue any Common Shares (or other securities exchangeable for or convertible into or giving a right to acquire Common Shares) in respect of, in lieu of or in exchange for existing Common Shares;

except as otherwise provided in this Section 2.3, the Exercise Price and the number of Rights outstanding, or, if the payment or effective date therefore shall occur after the Separation Time, the securities purchasable upon exercise of Rights shall be adjusted as of the payment or effective date such that:

A.

if the Exercise Price and number of Rights outstanding are to be adjusted,

1.

the Exercise Price in effect after such adjustment will be equal to the Exercise Price in effect immediately prior to such adjustment divided by the number of Common Shares (or other capital stock) (the Expansion Factor) that a holder of one Common share immediately prior to such dividend, subdivision, change, combination or issuance would hold thereafter as a result thereof; and

2.

each Right held prior to such adjustment will become that number of Rights equal to the Expansion Factor;

and the adjusted number of Rights will be deemed to be distributed among the Common Shares with respect to which the original Rights were associated (if they remain outstanding) and the Common Shares issued in respect of such dividend, subdivision, change, combination or issuance, so that each such Common Share (or other capital stock) will have exactly one Right associated with it; and

B.

if the securities purchasable upon exercise of Rights are to be adjusted, the securities purchasable upon exercise of each Right after such adjustment will be the securities that a holder of the securities purchasable upon exercise of one Right immediately prior to such dividend, subdivision, change, combination or issuance would hold thereafter as a result thereof.

If after the Record Time and prior to the Expiration Time the Company shall issue any securities other than Common Shares in a transaction of a type described in paragraphs 2.3(a)(i) or (iv), such securities shall be treated herein as nearly equivalent to Common Shares as may be practicable and appropriate under the circumstances and the Company and the Rights Agent agree to amend this Agreement in order to effect such treatment.

(b)

If the Company shall at any time after the Record Time and prior to the Separation Time fix a record date for the issuance of rights, options or warrants to all holders of Common Shares entitling them (for a period expiring within forty-five (45) calendar days after such record date) to subscribe for or purchase Common Shares (or securities convertible into or exchangeable for or carrying a right to purchase Common Shares) at a price per Common Share (or, if a security convertible into or exchangeable for or carrying a right to purchase or subscribe for Common Shares having a conversion, exchange or exercise price, including the price required to be paid to purchase such convertible or exchangeable security or right per share) less than the Market Price per Common Share on such record date, the Exercise Price to be in effect after such record date shall be adjusted to that price determined by multiplying the Exercise Price in effect immediately prior to such record date by a fraction:

(i)

the numerator of which shall be the number of Common Shares outstanding on such record date, plus the number of Common Shares that the aggregate offering price of the total number of Common Shares so to be offered (and/or the aggregate initial conversion, exchange or exercise price of the convertible or exchangeable securities or rights so to be offered, including the price required to be paid to purchase such convertible or exchangeable securities or rights) would purchase at such Market Price per Common Share; and

(ii)

the denominator of which shall be the number of Common Shares outstanding on such record date, plus the number of additional Common Shares to be offered for subscription or purchase (or into which the convertible or exchangeable securities or rights so to be offered are initially convertible, exchangeable or exercisable).

If such subscription price may be paid by delivery of consideration, part or all of which may be in a form other than cash, the value of such consideration shall be as determined in good faith by the Board of Directors, whose determination shall be described in a statement filed with the Rights Agent and shall be binding on the Rights Agent and the holders of the Rights. Such adjustment shall be made successively whenever such a record date is fixed, and in the event that such rights or warrants are not so issued (or are issued but not exercised), the Exercise Price shall be adjusted to be the Exercise Price which would then be in effect if such record date had not been fixed.

For purposes of this Agreement, the granting of the right to purchase Common Shares (whether from treasury shares or otherwise) pursuant to any dividend or interest reinvestment plan and/or any Common Share purchase plan

providing for the reinvestment of dividends or interest payable on securities of the Company and/or the investment of periodic optional payments and/or employee benefit, stock option or similar plans (so long as such right to purchase is in no case evidenced by the delivery of rights or warrants) shall not be deemed to constitute an issue of rights or warrants by the Company; provided, however, that, in the case of any Dividend Reinvestment Plan, the right to purchase Common Shares is at a price per share of not less than ninety percent (90%) of the current market price per share (determined as provided in such plans) of the Common Shares.

(c)

If the Company shall at any time after the Record Time and prior to the Separation Time fix a record date for a distribution to all holders of Common Shares (including any such distribution made in connection with a merger or amalgamation in which the Company is the continuing corporation) of evidences of indebtedness, cash (other than an Ordinary Course Dividend or a dividend referred to in paragraph 2.3(a)(i)), assets or rights or warrants (excluding those referred to in subsection 2.3(b)), the Exercise Price to be in effect after such record date shall be determined by multiplying the Exercise Price in effect immediately prior to such record date by a fraction:

B - 20

(i)

the numerator of which shall be the Market Price per Common Share on such record date, less the fair market value (as determined in good faith by the Board of Directors, whose determination shall be described in a statement filed with the Rights Agent and shall be binding on the Rights Agent and the holders of Rights), on a per share basis, of the portion of the cash, assets, evidences of indebtedness, rights, options or warrants so to be distributed; and

(ii)

the denominator of which shall be such Market Price per Common Share.

Such adjustments shall be made successively whenever such a record date is fixed, and in the event that such a distribution is not so made, the Exercise Price shall be adjusted to be the Exercise Price which would have been in effect if such record date had not been fixed.

(d)

Each adjustment made pursuant to this Section 2.3 shall be made as of

(i)

the payment or effective date for the applicable dividend, subdivision, change, combination or issuance, in the case of an adjustment made pursuant to subsection (a) above; and

(ii)

the record date for the applicable distribution, in the case of an adjustment made pursuant to subsection (b) or (c) above, subject to readjustment to reverse the same if such distribution shall not be made.

(e)

Notwithstanding anything herein to the contrary, no adjustment in the Exercise Price shall be required unless such adjustment would require an increase or decrease of at least one percent (1%) in the Exercise Price; provided, however, that any adjustments which by reason of this subsection 2.3(e) are not required to be made shall be carried forward and taken into account in any subsequent adjustment. All calculations under this Section 2.3 shall be made to the nearest cent or to the nearest hundredth of a share. Notwithstanding the first sentence of this subsection 2.3(e), any adjustment required by this Section 2.3 shall be made no later than the earlier of (i) three years from the date of the transaction which mandates such adjustment and (ii) the Termination Time. Whenever an adjustment to the Exercise Price is made pursuant to this Section 2.3, the Company shall:

(i)

promptly prepare a certificate setting forth such adjustment and a brief statement of the facts accounting for such adjustment; and

(ii)

promptly file with the Rights Agent and with each transfer agent for the Common Shares a copy of such certificate and mail a brief summary thereof to each holder of Rights.

(f)

If the Company shall at any time after the Record Time and prior to the Separation Time issue any shares of capital stock (other than Common Shares), or rights or warrants to subscribe for or purchase any such capital stock, or securities convertible into or exchangeable for any such capital stock, in a transaction referred to in paragraph (a)(i) or (a)(iv) above, if the Board of Directors acting in good faith determines that the adjustments contemplated by subsections (a), (b) and (c) above in connection with such transaction will not appropriately protect the interests of the holders of Rights, the Board of Directors may determine what other adjustments to the Exercise Price, number of Rights and/or securities purchasable upon exercise of Rights would be appropriate and, notwithstanding subsections (a), (b) and (c) above, but subject to the prior consent of the holders of Common Shares or Rights obtained in accordance with Section 5.4, such adjustments, rather than the adjustments contemplated by subsections (a), (b) and (c) above, shall be made. The Company and the Rights Agent shall have authority without the approval of the holders of the Common Shares or the holders of Rights to amend this Agreement as appropriate to provide for such adjustments.

(g)

Each Right originally issued by the Company subsequent to any adjustment made to the Exercise Price hereunder shall evidence the right to purchase, at the adjusted Exercise Price, the number of Common Shares purchasable from time to time hereunder upon exercise of a Right, all subject to further adjustment as provided herein.

(h)

Irrespective of any adjustment or change in the Exercise Price or the number of Common Shares issuable upon the exercise of the Rights, the Rights Certificates theretofore and thereafter issued may continue to express the Exercise Price per Common Share and the number of Common Shares which were expressed in the initial Rights Certificates issued hereunder.

(i)

In any case in which this Section 2.3 shall require that an adjustment in the Exercise Price be made effective as of a record date for a specified event, the Company may elect to defer until the occurrence of such event the issuance to the holder of any Right exercised after such record date the number of Common Shares and other securities of the Company, if any, issuable upon such exercise over and above the number of Common Shares and other securities of the Company, if any, issuable upon such exercise on the basis of the Exercise Price in effect prior to such adjustment; provided, however, that the Company shall deliver to such holder an appropriate instrument evidencing such holder's right to receive such additional shares (fractional or otherwise) or securities upon the occurrence of the event requiring such adjustment.

(j)

Notwithstanding anything in this Section 2.3 to the contrary, the Company shall be entitled to make such reductions in the Exercise Price, in addition to those adjustments expressly required by this Section 2.3, as and to the extent that the Board of Directors shall in good faith determine to be advisable in order that any (i) consolidation or subdivision of the Common Shares, (ii) issuance wholly or in part for cash of any Common Shares or securities that by their terms are convertible into or exchangeable for Common Shares, (iii) stock dividends or (iv) issuance of rights, options or warrants referred to in this Section 2.3, hereafter made by the Company to holders of its Common Shares shall not be taxable to such shareholders.

(k)

The Company covenants and agrees that, after the Separation Time, it will not, except as permitted by Section 5.1 or Section 5.4, take (or permit any Subsidiary of the Company to take) any action if at the time such action is taken it is reasonably foreseeable that such action will diminish substantially or otherwise eliminate the benefits intended to be afforded by the Rights.

(l)

If an event occurs which would require an adjustment under both this Section 2.3 and Section 3.1, the adjustment provided for in this Section 2.3 shall be in addition to and shall be made prior to, any adjustment required pursuant to Section 3.1.

(m)

If the Company shall at any time after the Record Time and prior to the earlier of the Separation Time and the Expiration Time issue any Common Shares otherwise than in a transaction referred to in subsection 2.3(a) each such Common Share so issued shall automatically have one new Right associated with it, which Right shall be evidenced by the certificate representing such Common Share.

2.4 Date on Which Exercise is Effective

Each Person in whose name any certificate for Common Shares or other securities, property or assets, if applicable, is issued upon the exercise of Rights shall for all purposes be deemed to have become the holder of record of the Common Shares or other securities, property or assets, if applicable, represented thereby on, and such certificate shall be dated, the date upon which the Rights Certificate evidencing such Rights was duly surrendered in accordance with subsection 2.2(d) hereof (together with a duly completed Election to Exercise) and payment of the Exercise Price for such Rights (and any applicable transfer taxes and other governmental charges payable by the exercising holder hereunder) was made; provided, however, that if the date of such surrender and payment is a date upon which the Common Share transfer books of the Company are closed, such Person shall be deemed to have become the record holder of such Common Shares or other securities, property or assets on, and such certificate shall be dated, the next succeeding Business Day on which the Common Share transfer books of the Company are open.

2.5

Execution, Authentication, Delivery and Dating of Rights Certificates

(a)

The Rights Certificates shall be executed on behalf of the Company by any two of its directors and/or senior officers. The signature of any of these officers on the Rights Certificates may be manual or facsimile. Rights Certificates bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Company shall bind the Company notwithstanding that such individuals or any of them have ceased to hold such offices prior to the countersignature and delivery of such Rights Certificates.

(b)

Promptly after the Company learns of the Separation Time, the Company will notify the Rights Agent in writing of such Separation Time and will deliver Rights Certificates executed by the Company to the Rights Agent for countersignature, and the Rights Agent shall countersign (manually or by facsimile signature in a manner satisfactory to the Company) and send such Rights Certificates to the holders of the Rights pursuant to subsection 2.2(c). No Rights Certificate shall be valid for any purpose until countersigned by the Rights Agent as aforesaid.

(c)

Each Rights Certificate shall be dated the date of countersignature thereof.

2.6

Registration, Registration of Transfer and Exchange

(a)

After the Separation Time, the Company will cause to be kept a register (the Rights Register) in which, subject to such reasonable regulations as it may prescribe, the Company will provide for the registration and transfer of Rights. The Rights Agent is hereby appointed registrar for the Rights (the Rights Registrar) for the purpose of maintaining the Rights Register for the Company and registering Rights and transfers of Rights as herein provided and the Rights Agent hereby accepts such appointment. If the Rights Agent shall cease to be the Rights Registrar, the Rights Agent will have the right to examine the Rights Register at all reasonable times.

(b)

After the Separation Time and prior to the Expiration Time, upon surrender for registration of transfer or exchange of any Rights Certificate, and subject to the provisions of subsections 2.6(d) and 3.1(b), the Company will execute, and the Rights Agent will manually countersign and deliver, in the name of the holder or the designated transferee or transferees, as required pursuant to the holder's instructions, one or more new Rights Certificates evidencing the same aggregate number of Rights as did the Rights Certificates so surrendered.

B - 23

(c)

All Rights issued upon any registration of transfer or exchange of Rights Certificates shall be the valid obligations of the Company, and such Rights shall be entitled to the same benefits under this Agreement as the Rights surrendered upon such registration of transfer or exchange.

(d)

Every Rights Certificate surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company or the Rights Agent, as the case may be, duly executed by the holder thereof or such holder's attorney duly authorized in writing. As a condition to the issuance of any new Rights Certificate under this Section 2.6, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Rights Agent) connected therewith.

2.7

Mutilated, Destroyed, Lost and Stolen Rights Certificates

(a)

If any mutilated Rights Certificate is surrendered to the Rights Agent prior to the Expiration Time, the Company shall execute and the Rights Agent shall countersign and deliver in exchange therefore a new Rights Certificate evidencing the same number of Rights as did the Rights Certificate so surrendered.

(b)

If there shall be delivered to the Company and the Rights Agent prior to the Expiration Time:

(i)

evidence to their reasonable satisfaction of the destruction, loss or theft of any Rights Certificate; and

(ii)

such security or indemnity as may be reasonably required by them in their sole discretion to save each of them and any of their agents harmless,

then, in the absence of notice to the Company or the Rights Agent that such Rights Certificate has been acquired by a bona fide purchaser, the Company shall execute and upon the Company's request the Rights Agent shall countersign and deliver, in lieu of any such destroyed, lost or stolen Rights Certificate, a new Rights Certificate evidencing the same number of Rights as did the Rights Certificate so destroyed, lost or stolen.

(c)

As a condition to the issuance of any new Rights Certificate under this Section 2.7, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Rights Agent) connected therewith.

(d)

Every new Rights Certificate issued pursuant to this Section 2.7 in lieu of any destroyed, lost or stolen Rights Certificate shall evidence the contractual obligation of the Company, whether or not the destroyed, lost or stolen Rights Certificate shall be at any time enforceable by anyone, and shall be entitled to all benefits of this Agreement equally and proportionately with any and all other Rights duly issued by the Company.

2.8 Persons Deemed Owners

The Company, the Rights Agent and any agent of the Company or the Rights Agent may deem and treat the Person in whose name a Rights Certificate (or, prior to the Separation Time, the associated Common Share certificate) is registered as the absolute owner thereof and the Rights evidenced thereby for all purposes whatsoever. As used in this Agreement, unless the context otherwise requires, the term holder of any Rights shall mean the registered holder of such Rights (or, prior to the Separation Time, the associated Common Shares).

2.9 Delivery and Cancellation of Certificates

All Rights Certificates surrendered upon exercise or for redemption, registration of transfer or exchange shall, if surrendered to any Person other than the Rights Agent, be delivered to the Rights Agent and, in any case, shall be promptly cancelled by the Rights Agent. The Company may at any time deliver to the Rights Agent for cancellation any Rights Certificates previously countersigned and delivered hereunder which the Company may have acquired in any manner whatsoever, and all Rights Certificates so delivered shall be promptly cancelled by the Rights Agent. No Rights Certificate shall be countersigned in lieu of or in exchange for any Rights Certificates cancelled as provided in this Section 2.9, except as expressly permitted by this Agreement. The Rights Agent shall destroy all cancelled Rights Certificates and deliver a certificate of destruction to the Company.

2.10 Agreement of Rights Holders

Every holder of Rights, by accepting the same, consents and agrees with the Company and the Rights Agent and with every other holder of Rights:

(a)

to be bound by and subject to the provisions of this Agreement, as amended from time to time in accordance with the terms hereof, in respect of all Rights held;

(b)

that, prior to the Separation Time, each Right will be transferable only together with, and will be transferred by a transfer of, the associated Common Share;

(c)

that after the Separation Time, the Rights Certificate will be transferable only upon registration of the transfer on the Rights Register as provided herein;

(d)

that, prior to due presentment of a Rights Certificate (or, prior to the Separation Time, the associated Common Share certificate) for registration of transfer, the Company, the Rights Agent and any agent of the Company or the Rights Agent may deem and treat the person in whose name the Rights Certificate (or, prior to the Separation Time, the associated Common Share Certificate) is registered as the absolute owner thereof and of the Rights evidenced thereby (notwithstanding any notations of ownership or writing on such Rights Certificate or the associated Common Share certificate made by anyone other than the Company or the Rights Agent) for all purposes whatsoever, and neither the Company nor the Rights Agent shall be affected by any notice to the contrary;

(e)

that such holder of Rights has waived his, her or its right to receive any fractional Rights or any fractional Common Shares upon exercise of a Right (except as provided herein);

(f)

that, subject to the provisions of Section 5.4 hereof, without the approval of any holder of Rights and upon the sole authority of the Board of Directors acting in good faith, this Agreement may be supplemented or amended from time to time pursuant to and as provided herein; and

(g)

that notwithstanding anything in this Agreement to the contrary, neither the Company nor the Board of Directors nor the Rights Agent shall have any liability to any holder of a Right or any other Person as result of the inability of the Company, the Board of Directors or the Rights Agent to perform any of their obligations under this Agreement by reason of any preliminary or permanent injunction or other order, decree, notice of hearing or ruling issued by a court of competent jurisdiction or by a governmental, regulatory or administrative agency or commission, or any statute, rule, regulation, or executive order promulgated or enacted by any governmental authority, prohibiting or otherwise inhibiting or restraining performance of such obligation.

2.11 Rights Certificate Holder not Deemed a Shareholder

No holder, as such, of any Rights or Rights Certificate shall be entitled to vote, receive dividends or be deemed for any purpose whatsoever the holder of any Common Share or any other share or security of the Company which may at any time be issuable on the exercise of the Rights represented thereby, nor shall anything contained herein or in any Rights Certificate be construed or deemed or confer upon the holder of any Right or Rights Certificate, as such, any of the rights, titles, benefits or privileges of a holder of Common Shares or any other shares or securities of the Company or any right to vote at any meeting of shareholders of the Company whether for the election of directors or otherwise or upon any matter submitted to holders of shares of the Company at any meeting thereof, or to give or withhold consent to any action of the Company, or to receive notice of any meeting or other action affecting any holder of Common Shares or any other shares or securities of the Company except as expressly provided herein, or to receive dividends, distributions or subscription rights, or otherwise, until the Right or Rights evidenced by Rights Certificates shall have been duly exercised in accordance with the terms and provisions hereof.

ARTICLE 3

ADJUSTMENTS TO THE RIGHTS IN THE EVENT OF CERTAIN TRANSACTIONS

3.1

Flip-in Event

(a)

Subject to subsections 3.1(b), 5.1(d), 5.1(e) and 5.1(f), if prior to the Expiration Time a Flip-in Event occurs, the Company shall take such action as shall be necessary to ensure and provide, within ten Business Days of such occurrence or such longer period as may be required to satisfy the requirements of the applicable securities acts, including the Securities Act and the Exchange Act, or applicable comparable legislation of each of the states of the United States so that, except as provided below, each Right shall thereafter constitute the right to purchase from the Company, upon payment of the Exercise Price and otherwise exercising such Right in accordance with the terms hereof, one Common Share (such Right to be appropriately adjusted in a manner analogous to the applicable adjustment provided for in Section 2.3 in the event that after the Stock Acquisition Date an event of a type analogous to any of the events described in Section 2.3 has occurred).

(b)

Notwithstanding anything in this Agreement to the contrary, upon the occurrence of any Flip-in Event, any Rights that are or were Beneficially Owned on or after the earlier of the Separation Time and the Stock Acquisition Date by:

B - 26

(i)

an Acquiring Person (or any Affiliate or Associate of an Acquiring Person or any Person acting jointly or in concert with an Acquiring Person or any Associate or Affiliate of an Acquiring Person); or

(ii)

a transferee of Rights, direct or indirect, of an Acquiring Person (or of any Affiliate or Associate of an Acquiring Person or of any Person acting jointly or in concert with an Acquiring Person or any Associate or Affiliate of an Acquiring Person) who becomes a transferee in a transfer that the Board of Directors has determined is part of a plan, arrangement or scheme of an Acquiring Person (or any Affiliate or Associate of an Acquiring Person or any Person acting jointly or in concert with an Acquiring Person or any Associate or Affiliate of an Acquiring Person), that has the purpose or effect of avoiding paragraph 3.1(b)(i);

shall become null and void without any further action, and any holder of such Rights (including any transferee of, or other successor to, such Rights whether directly or indirectly) shall not have any right whatsoever to exercise such Rights under any provision of this Agreement and shall not have thereafter any right whatsoever with respect to such Rights, whether under any provision of this Agreement or otherwise. The holder of any Rights represented by a Rights Certificate which is submitted to the Rights Agent upon exercise or for registration of transfer or exchange which does not contain the necessary certifications set forth in the Rights Certificate establishing that such Rights are not void under this subsection 3.1(b) shall be deemed to be an Acquiring Person for the purposes of this subsection 3.1(b) and such Rights shall become null and void.

(c)

Any Rights Certificate that represents Rights Beneficially Owned by a Person described in either paragraph 3.1(b)(i) or (ii) or transferred to any Nominee of any such Person, and any Rights Certificate issued upon transfer, exchange, replacement or adjustment of any other Rights Certificate referred to in this sentence, shall contain substantially the following legend:

THE RIGHTS REPRESENTED BY THIS RIGHTS CERTIFICATE WERE BENEFICIALLY OWNED BY A PERSON WHO WAS AN ACQUIRING PERSON OR AN AFFILIATE OR AN ASSOCIATE OF AN ACQUIRING PERSON (AS SUCH TERMS ARE DEFINED IN THE RIGHTS AGREEMENT) OR A PERSON ACTING JOINTLY OR IN CONCERT WITH ANY OF THEM. THIS RIGHTS CERTIFICATE AND THE RIGHTS REPRESENTED HEREBY ARE VOID IN THE CIRCUMSTANCES SPECIFIED IN

SUBSECTION 3.1(B) OF THE RIGHTS AGREEMENT.

(d)

From and after the Separation Time, the Company shall do all such acts and things as shall be necessary and within its power to ensure compliance with the provision of this Section 3.1, including without limitation, all such acts and things as may be required to satisfy the requirements of the Nevada Business Corporation Act, the Securities Act, the Exchange Act and any other applicable laws in respect of the issue of Common Shares upon the exercise of Rights in accordance with this Agreement.

(e)

If, upon the occurrence of a Flip-In Event, the aggregate number of Common Shares issuable upon the exercise of all Rights then outstanding would exceed the aggregate number of Common Shares that the Company is then authorized to issue pursuant to its organizational documents, the number of Common Shares acquirable pursuant to each Right as adjusted pursuant to subsection 3.1(a), shall be reduced pro rata to the extent necessary such that the aggregate number of Common Shares issuable upon the exercise of all outstanding Rights does not then exceed the aggregate number of Common Shares that the Company is then authorized to issue pursuant to its organizational documents and the payment due to the Company under Section 2.2(d) upon exercise of the Rights as reduced pro rata will be the Exercise

Price multiplied by a fraction, the numerator of which is the number of Common Shares acquirable upon exercise of the Rights as reduced pro rata pursuant to this subsection 3.1(e) and the denominator is the number of Common Shares acquirable upon exercise of the Rights as adjusted pursuant to subsection 3.1(a) without the pro rata reduction of this subsection 3.1(e), provided that any such pro rata reduction will not affect the Exercise Price or any other term of this Agreement relating to the Rights.

3.2 Fiduciary and other Statutory Duties of the Board of Directors of the Company

For clarification it is understood that nothing contained in this Article 3 shall be considered to affect the obligations of the Board of Directors to exercise its fiduciary and other statutory duties. Without limiting the generality of the foregoing, nothing contained herein shall be construed to suggest or imply that the Board of Directors shall not be entitled to recommend that holders of the Voting Shares reject or accept any Take-over Bid or take any other action (including, without limitation, the commencement, prosecution, defense or settlement of any litigation and the submission of additional or alternative Take-over Bids or other proposals to the shareholders of the Company with respect to any Take-over Bid or otherwise) that the Board of Directors believes is necessary or appropriate in the exercise of its fiduciary and other statutory duties.

ARTICLE 4

THE RIGHTS AGENT

4.1

General

(a)

The Company hereby appoints the Rights Agent to act as agent for the Company in accordance with the terms and conditions hereof, and the Rights Agent hereby accepts such appointment. The Company may from time to time appoint such co-Rights Agents (Co-Rights Agents) as it may deem necessary or desirable. In the event that the Company appoints one or more Co-Rights Agents, the respective duties of the Rights Agents and the Co-Rights Agents shall be as the Company may determine. The Company agrees to pay to the Rights Agent reasonable compensation for all services rendered by it hereunder and, from time to time, on demand of the Rights Agent, the reasonable expenses and counsel fees and other disbursements incurred by the Rights Agent in the administration and execution of this Agreement and the exercise and performance of its duties hereunder, including the reasonable fees and disbursements of any expert retained by the Rights Agent. The Company also agrees to indemnify the Rights Agent for, and to hold it harmless against, any loss, liability, costs, claims, actions, damages or expenses, incurred without negligence, bad faith or willful default on the part of the Rights Agent, for anything done or suffered or omitted to be done by the Rights Agent in connection with the acceptance, execution and administration of this Agreement and the performance of its duties hereunder, including the costs and expenses of defending against any claim of liability, which right to indemnification will survive the termination of this Agreement or the resignation of the Rights Agent.

(b)

The Rights Agent shall be protected and shall incur no liability for or in respect of any action taken, suffered or omitted to be done by it in connection with its acceptance, execution and administration of this Agreement in reliance upon any certificate for Voting Shares or Common Shares, or any Rights Certificate or certificate for other securities of the Company, instrument of assignment or transfer, power of attorney, endorsement, affidavit, letter, notice, direction, consent, certificate, statement, or other paper or document believed by it to be the genuine and to be signed, executed and, where necessary, verified or acknowledged, by the proper Person or Persons.

B - 28

(c)

The Company shall inform the Rights Agent in a reasonably timely manner of events which may materially affect the administration of this Agreement by the Rights Agent.

4.2

Merger, Amalgamation or Consolidation or Change of Name of Rights Agent

(a)

Any corporation into which the Rights Agent or any successor Rights Agent may be merged or amalgamated or with which it may be consolidated, or any corporation resulting from any merger, amalgamation, statutory arrangement or consolidation to which the Rights Agent or any successor Rights Agent is a party, or any corporation succeeding to the shareholder or stockholder services business of the Rights Agent or any successor Rights Agent, will be the successor to the Rights Agent under this Agreement without the execution or filing of any paper or any further act on the part of any of the parties hereto, provided that such corporation would be eligible for appointment as a successor Rights Agent under the provisions of Section 4.4. In case at the time each successor Rights Agent succeeds to the agency created by this Agreement any of the Rights Certificates have been countersigned but not delivered, any such successor Rights Agent may adopt the countersignature of the predecessor Rights Agent and deliver such Rights Certificates so countersigned; and in case at that time any of the Rights Certificates have not been countersigned, any successor Rights Agent may countersign such Rights Certificates either in the name of the predecessor Rights Agent or in the name of the successor Rights Agent; and in all such cases such Rights Certificates will have the full force provided in the Rights Certificates and in this Agreement.

(b)

In case at any time the name of the Rights Agent is changed and at such time any of the Rights Certificates shall have been countersigned but not delivered, the Rights Agent may adopt the countersignature under its prior name and deliver Rights Certificates so countersigned; and in case at that time any of the Rights Certificates shall not have been countersigned, the Rights Agent may countersign such Rights Certificates either in its prior name or in its changed name; and in all such cases such Rights Certificates shall have the full force provided in the Rights Certificates and in this Agreement.

4.3 Duties of Rights Agent

The Rights Agent undertakes the duties and obligations imposed by this Agreement upon the following terms and conditions, by all of which the Company and the holders of Rights Certificates, by their acceptance thereof, shall be bound:

(a)

the Rights Agent may consult with legal counsel (who may be legal counsel for the Company) and the opinion of such counsel will be full and complete authorization and protection to the Rights Agent as to any action taken, suffered or omitted to be done by it in good faith and in accordance with such opinion; the Rights Agent may also, with the approval of the Company (such approval not to be unreasonably withheld), consult with such other experts as the Rights Agent shall consider necessary or appropriate to properly carry out the duties and obligations imposed under this Agreement and the Rights Agent shall be entitled to rely in good faith on the advice of any such expert;

(b)

whenever in the performance of its duties under this Agreement the Rights Agent deems it necessary or desirable that any fact or matter be proved or established by the Company prior to taking or suffering any action hereunder, such fact or matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proven and established by a certificate signed by a Person reasonably believed by the Rights Agent to be a director and/or senior officer of the Company and delivered to the Rights Agent; and such certificate will be full authorization to the Rights Agent for any action taken or suffered in good faith by it under the provisions of this Agreement in reliance upon such certificate;

(c)

the Rights Agent will be liable hereunder only for its own negligence, bad faith or willful misconduct;

(d)

the Rights Agent will not be liable for or by reason of any of the statements of fact or recitals contained in this Agreement or in the certificates for Voting Shares or Common Shares or the Rights Certificates (except its countersignature thereof) or be required to verify the same, but all such statements and recitals are and will be deemed to have been made by the Company only;

(e)

the Rights Agent will not be under any responsibility in respect of the validity of this Agreement or the authorization, execution and delivery hereof (except the due authorization, execution and delivery hereof by the Rights Agent) or in respect of the validity or execution of any Common Share certificate or Rights Certificate (except its countersignature thereof); nor will it be responsible for any breach by the Company of any covenant or condition contained in this Agreement or in any Rights Certificate; nor will it be responsible for any change in the exercisability of the Rights (including the Rights becoming void pursuant to subsection 3.1(b)) or any adjustment required under the provisions of Section 2.3 or be responsible for the manner, method or amount of any such adjustment or the ascertaining of the existence of facts that would require any such adjustment (except with respect to the exercise of Rights after receipt of the certificate contemplated by Section 2.3 describing any such adjustment); nor will it by any act hereunder be deemed to make any representation or warranty as to the authorization of any Common shares to be issued pursuant to this Agreement or any Rights or as to whether any Common shares will, when issued, be duly and validly authorized, executed, issued and delivered and fully paid and non-assessable;

(f)

the Company agrees that it will perform, execute, acknowledge and deliver or cause to be performed, executed, acknowledged and delivered all such further and other acts, instruments and assurances as may reasonably be required by the Rights Agent for the carrying out or performing by the Rights Agent of the provisions of this Agreement;

(g)

the Rights Agent is hereby authorized and directed to accept written instructions with respect to the performance of its duties hereunder from any person believed by the Rights Agent to be a director and/or senior officer of the Company, and to apply to such individual for advice or instructions in connection with its duties, and it shall not be liable for any

action taken or suffered by it in good faith in reliance upon instructions of any such individual;

(h)

subject to compliance with applicable laws, the Rights Agent and any shareholder or stockholder, director, officer or employee of the Rights Agent may buy, sell or deal in Common Shares, Rights or other securities of the Company or become interested in any transaction in which the Company may be interested, or contract with or lend money to the Company or otherwise act as fully and freely as though it were not Rights Agent under this Agreement. Nothing herein shall preclude the Rights Agent from acting in any other capacity for the Company or for any other legal entity; and

(i)

the Rights Agent may execute and exercise any of the rights or powers hereby vested in it or perform any duty hereunder either itself or by or through its attorneys or agents, and the Rights Agent will not be answerable or accountable for any act, default, neglect or misconduct of any such attorneys or agents or for any loss to the Company resulting from any such act, default, neglect or misconduct, provided reasonable care was exercised in the selection and continued employment thereof.

4.4 Change of Rights Agent

The Rights Agent may resign and be discharged from its duties under this Agreement upon 90 days' notice (or such lesser notice as is acceptable to the Company) in writing delivered or mailed to the Company and to each transfer agent of Common Shares by registered or certified mail and to the holders of the Rights in accordance with Section 5.9. The Company may remove the Rights Agent upon thirty (30) days' notice in writing, mailed to the Rights Agent and to each transfer agent of the Common Shares by registered or certified mail and to the holders of the Rights in accordance with Section 5.9. If the Rights Agent should resign or be removed or otherwise become incapable of acting, the Company will appoint a successor to the Rights Agent. If the Company fails to make such appointment within a period of thirty (30) days after such removal or after it has been notified in writing of such resignation or incapacity by the resigning or incapacitated Rights Agent then the resigning Rights Agent or the holder of any Rights may apply to any court of competent jurisdiction for the appointment of a new Rights Agent. Any successor Rights Agent, whether appointed by the Company or by such a court, shall be a corporation incorporated under the laws of one of the United States of America. After appointment, the successor Rights Agent will be vested with the same powers, rights, duties and responsibilities as if it had been originally named as Rights Agent without further act or deed; but upon payment of its outstanding fees and expenses the predecessor Rights Agent shall deliver and transfer to the successor Rights Agent any property at the time held by it hereunder, and execute and deliver any further assurance, conveyance, act or deed necessary for that purpose. Not later than the effective date of any such appointment, the Company will file notice thereof in writing with the predecessor Rights Agent and each transfer agent of the Common Shares and give notice thereof to the holders of the Rights in accordance with Section 5.9. Failure to give any notice provided for in this Section 4.4, however, or any defect therein, shall not affect the legality or validity of the resignation or removal of the Rights Agent or the appointment of the successor Rights Agent, as the case may be.

ARTICLE 5

MISCELLANEOUS

5.1

Redemption and Waiver

(a)

The Board of Directors acting in good faith may, with the prior consent of holders of Voting Shares or the holders of Rights given in accordance with subsection 5.1(j) or (k), as the case may be, at any time prior to the occurrence of a Flip-in Event as to which the application of Section 3.1 has not been waived pursuant to the provisions of this Section 5.1, elect to redeem all but not less than all of the then outstanding Rights at a redemption price of \$0.001 per Right appropriately adjusted in a manner analogous to the applicable adjustment provided for in Section 2.3 if an event of the type analogous to any of the events described in Section 2.3 shall have occurred (such redemption price being herein referred to as the Redemption Price).

(b)

If the Board of Directors elects or is deemed to have elected to redeem the Rights, and, in circumstances where subsection 5.1(a) is applicable, such redemption is approved by the holders of Voting Shares or the holders of Rights in accordance with subsection 5.1(j) or (k), as the case may be, the right to exercise the Rights will thereupon, without further action and without notice, terminate and the only right thereafter of the holders of Rights shall be to receive the Redemption Price.

B - 31

(c)

Within ten (10) days after the Board of Directors electing or having been deemed to have elected to redeem the Rights, or, if subsection 5.1(a) is applicable within ten (10) days after the holders of Voting Shares or the holders of Rights having approved a redemption of Rights in accordance with subsection 5.1(j) or (k), as the case may be, the Company shall give notice of redemption to the holders of the Rights in accordance with Section 5.9. Each such notice of redemption will state the method by which the payment of the Redemption Price will be made. The Company may not redeem, acquire or purchase for value any Rights at any time in any manner other than that specifically set forth in this Section 5.1 or other than in connection with the purchase of Common Shares prior to the Separation Time. If the Redemption Price payable to any holder of Rights includes a fraction of a cent, such Redemption Price shall be rounded up to the nearest cent.

(d)

The Board of Directors acting in good faith may, prior to the occurrence of a Flip-in Event as to which the application of Section 3.1 has not been waived pursuant to this Section 5.1, determine to waive the application of Section 3.1 to such particular Flip-in Event, provided that such Flip-in Event would occur by way of a Takeover Bid made by means of a takeover bid circular delivered to all holders of Voting Shares; further provided that if the Board of Directors waives the application of Section 3.1 to a such a Flip-in Event, the Board of Directors shall be deemed to have waived the application of Section 3.1 to any other Flip-in Event occurring by reason of any Takeover Bid made by means of a takeover bid circular to all holders of Voting Shares which is made prior to the expiry of any Takeover Bid in respect of which a waiver is, or is deemed to have been, granted under this subsection 5.1(d).

(e)

The Board of Directors acting in good faith may, with the prior consent of the holders of Voting Shares given in accordance with subsection 5.1(j), determine, at any time prior to the occurrence of a Flip-in Event as to which the application of Section 3.1 has not been waived pursuant to this Section 5.1, if such Flip-in Event would occur by reason of an acquisition of Voting Shares otherwise than pursuant to a Take-over Bid made by means of a Take-over Bid circular delivered to all holders of Voting Shares and otherwise than in the circumstances set forth in subsection 5.1(f), to waive the application of Section 3.1 to such Flip-in Event. In the event that the Board of Directors proposes such a waiver, the Board of Directors shall extend the Separation Time to a date subsequent to and not more than ten Business Days following the meeting of shareholders called to approve such waiver.

(f)

The Board of Directors may waive the application of Section 3.1 in respect of the occurrence of any Flip-in Event if the Board of Directors has determined that a Person became an Acquiring Person by inadvertence and without any intention to become, or knowledge that it would become, an Acquiring Person under this Agreement and, in the event that such a waiver is granted by the Board of Directors, such Stock Acquisition Date shall be deemed not to have occurred. Any such waiver pursuant to this subsection 5.1(f) must be on the condition that such Person, within ten (10) days after the foregoing determination by the Board of Directors or such earlier or later date as the Board of Directors may determine (the Disposition Date), has reduced its Beneficial ownership of Voting Shares such that the Person is no longer an Acquiring Person. If the Person remains an Acquiring Person at the close of business on the Disposition Date, the Disposition Date shall be deemed to be the date of occurrence of a further Stock Acquisition Date and Section 3.1 shall apply thereto.

(g)

If a Person acquires Voting Shares pursuant to a Permitted Bid, a Competing Permitted Bid or an Exempt Acquisition occurring under subsection 5.1(d), then the Board of Directors shall, immediately upon the consummation of such acquisition and without further formality, be deemed to have elected to redeem the Rights at the Redemption Price.

(h)

Where a Take-over bid that is not a Permitted Bid or Competing Permitted Bid expires, is withdrawn or otherwise terminated after the Separation Time has occurred and prior to the occurrence of a Flip-in Event, the Board of Directors may elect to redeem all the outstanding Rights at the Redemption Price.

(i)

Upon the Rights being redeemed pursuant to subsection 5.1(h), all the provisions of this Agreement shall continue to apply as if the Separation Time had not occurred and Rights Certificates representing the number of Rights held by each holder of record of Common Shares as of the Separation Time had not been mailed to each such holder and for all purposes of this Agreement the Separation Time shall be deemed not to have occurred.

(j)

If a redemption of Rights pursuant to subsection 5.1(a) or a waiver of a Flip-in Event pursuant to subsection 5.1(e) is proposed at any time prior to the Separation Time, such redemption or waiver shall be submitted for approval to the holders of Voting Shares. Such approval shall be deemed to have been given if the redemption or waiver is approved by the affirmative vote of a majority of the votes cast by Independent Shareholders represented in person or by proxy at a meeting of such holders duly held in accordance with applicable laws and the Company's Articles.

(k)

If a redemption of Rights pursuant to subsection 5.1(a) or a waiver of a Flip-in Event pursuant to subsection 5.1(e) is proposed at any time after the Separation Time, such redemption or waiver shall be submitted for approval to the holders of Rights. Such approval shall be deemed to have been given if the redemption is approved by holders of Rights by a majority of the votes cast by the holders of Rights represented in person or by proxy at and entitled to vote at a meeting of such holders. For the purposes hereof, each outstanding Right (other than Rights which are Beneficially Owned by any Person referred to in clauses (i) to (v) inclusive of the definition of Independent Shareholders) shall be entitled to one vote, and the procedures for the calling, holding and conduct of the meeting shall be those, as nearly as may be, which are provided in the Company's Articles and the Nevada Business Corporation Act with respect to meetings of shareholders of the Company.

(l)

The Company shall give prompt written notice to the Rights Agent of any waiver of the application of Section 3.1 made by the Board of Directors under this Section 5.1.

5.2 Expiration

No Person shall have any rights whatsoever pursuant to or arising out of this Agreement or in respect of any Right after the Expiration Time, except the Rights Agent as specified in subsections 4.1(a) and (b).

5.3 Issuance of New Rights Certificates

Notwithstanding any of the provisions of this Agreement or of the Rights to the contrary, the Company may, at its option, issue new Rights Certificates evidencing Rights in such form as may be approved by the Board of Directors to reflect any adjustment or change in the number or kind or class of shares purchasable upon exercise of Rights made in accordance with the provisions of this Agreement.

5.4

Supplements and Amendments

(a)

Without the approval of any holders of Voting Shares or Rights, the Company may make amendments to this Agreement to correct any clerical or typographical error or which are required to maintain the validity of the Agreement as a result of any change in any applicable legislation, regulatory requirements, regulations or rules thereunder. Notwithstanding anything in this Section 5.4 to the contrary, no supplement or amendment shall be made to the provisions of Article 4 except with the written concurrence of the Rights Agent to such change, supplement or amendment.

(b)

Subject to subsection 5.4(a), the Company may, with the prior consent of the holders of Voting Shares obtained as set forth below, at any time before the Separation Time, amend, vary or rescind any of the provisions of this Agreement and the Rights (whether or not such action would materially adversely affect the interests of the holders of Rights generally). Such consent shall be deemed to have been given if the action requiring such approval is approved by the affirmative vote of a majority of the votes cast by Independent Shareholders represented in person or by proxy at the Special Meeting.

(c)

The Company may, with the prior consent of the holders of Rights obtained as set forth below, at any time on or after the Separation Time amend, vary or rescind any of the provisions of this Agreement and the Rights (whether or not such action would materially adversely affect the interests of the holders of Rights generally), provided that no such amendment, variation or deletion shall be made to the provisions of Article 4 except with the written concurrence of the Rights Agent thereto. Such consent shall be deemed to have been given if such amendment, variation or deletion is authorized by the affirmative votes of the holders of Rights present or represented at and entitled to vote at a meeting of the holders and representing fifty percent (50%) plus one of the votes cast in respect thereof.

(d)

Any approval of the holders of Rights shall be deemed to have been given if the action requiring such approval is authorized by the affirmative votes of the holders of Rights present or represented at and entitled to vote at a meeting of the holders of Rights and representing a majority of the votes cast in respect thereof. For the purposes hereof, each outstanding Right (other than Rights which are void pursuant to the provisions hereof) shall be entitled to one vote, and the procedures for the calling, holding and conduct of the meeting shall be those, as nearly as may be, which are provided in the Company's Articles and the Nevada Business Corporation Act with respect to meetings of shareholders of the Company.

(e)

Any amendments made by the Company to this Agreement pursuant to subsection 5.4(a) which are required to maintain the validity of this Agreement as a result of any change in any applicable legislation, regulation or rule thereunder shall:

(i)

if made before the Separation Time, be submitted to the shareholders of the Company at the next meeting of shareholders and the shareholders may, by the majority referred to in subsection 5.4(b) confirm or reject such amendment;

(ii)

if made after the Separation Time, be submitted to the holders of Rights at a meeting to be called for on a date not later than immediately following the next meeting of shareholders of the Company and the holders of Rights may, by resolution passed by the majority referred to in subsection 5.4(d) confirm or reject such amendment.

Any such amendment shall be effective from the date of the resolution of the Board of Directors adopting such amendment, until it is confirmed or rejected or until it ceases to be effective (as described in the next sentence) and, where such amendment is confirmed, it continues in effect in the form so confirmed. If such amendment is rejected by the shareholders or the holders of Rights or is not submitted to the shareholders or holders of Rights as required, then such amendment shall cease to be effective from and after the termination of the meeting at which it was rejected or to which it should have been but was not submitted or from and after the date of the meeting of holders of Rights that should have been but was not held, and no subsequent resolution of the Board of Directors to amend this Agreement to substantially the same effect shall be effective until confirmed by the shareholders or holders of Rights as the case may be.

5.5

Fractional Rights and Fractional Shares

(a)

The Company shall not be required to issue fractions of Rights or to distribute Rights Certificates which evidence fractional Rights. In lieu of such fractional Rights, there shall be paid to the registered holders of the Rights Certificates with regard to which such fractional Rights would otherwise be issuable an amount in cash equal to the same fraction of the Market Price of a whole Right determined on the date on which such fractional Right would otherwise be issuable.

(b)

The Company shall not be required to issue fractions of Common Shares upon exercise of the Rights or to distribute certificates which evidence fractional Common Shares. In lieu of issuing fractional Common Shares, the Company shall pay to the registered holders of Rights Certificates, at the time such Rights are exercised as herein provided, an amount in cash equal to the same fraction of the Market Price of one Common Share at the date of such exercise.

5.6 Rights of Action

Subject to the terms of this Agreement, all rights of action in respect of this Agreement, other than rights of action vested solely in the Rights Agent, are vested in the respective registered holders of the Rights; and any registered holder of any Rights, without the consent of the Rights Agent or of the registered holder of any other Rights, may, on such holder's own behalf and for such holder's own benefit and the benefit of other holders of Rights, enforce, and may institute and maintain any suit, action or proceeding against the Company to enforce such holder's right to exercise such holder's Rights in the manner provided in such holder's Rights Certificate and in this Agreement. Without limiting the foregoing or any remedies available to the holders of Rights, it is specifically acknowledged that the holders of Rights would not have an adequate remedy at law for any breach of this Agreement and will be entitled to specific performance of the obligations under, and injunctive relief against actual or threatened violations of the obligations of any person subject to, this Agreement.

5.7 Regulatory Approvals

Any obligation of the Company or action or event contemplated by this Agreement shall be subject to the receipt of any requisite approval or consent from any governmental or regulatory authority, including but not limited to the approval of the Securities and Exchange Commission, the NYSE Amex Equities exchange and the Toronto Stock Exchange. B - 35

5.8 Unlawful Distributions

If in the opinion of the Board of Directors (who may rely upon the advice of counsel) any action or event contemplated by this Agreement would require compliance by the Company with the securities laws or comparable legislation of a jurisdiction outside the United States, the Board of Directors acting in good faith shall take such actions as it may deem appropriate to ensure that such compliance is not required, including, without limitation, establishing procedures for the issuance to a United States resident trustee of Rights or securities issuable on exercise of Rights, the holding thereof in trust for the Persons entitled thereto (but reserving to the trustee or to the trustee and the Company, as the Company may determine, absolute investment discretion with respect thereto) and the sale thereof and remittance of proceeds of such sale, if any, to the Persons entitled thereto. In no event shall the Company or the Rights Agent be required to issue or deliver Rights or securities issuable on exercise of Rights to Persons who are citizens, residents or nationals of any jurisdiction other than the United States, in which jurisdiction such issue or delivery would be unlawful without registration of the relevant Persons or securities for such purposes. Notwithstanding the foregoing, to the extent that the issuance or delivery of the Rights or securities issuable on exercise of Rights to Persons who are citizens, residents or nationals of any such jurisdiction in which such issue or delivery would be so unlawful, such Rights or securities shall be issued and delivered to such Persons to the extent the same may be so issued and delivered in reliance upon applicable exemptions from registration requirements in such jurisdictions.

Annex A

Employee Complaint Procedures for Accounting and Auditing Matters

The Sarbanes-Oxley Act of 2002 (SOX) requires audit committees of publicly-traded companies to establish policies and procedures for employees to confidentially report concerns regarding questionable accounting or auditing matters.

Section 301 of SOX requires audit committees to establish procedures for receipt of employee complaints. Any employee of the Company may submit a good faith complaint (Accounting Complaints) regarding accounting or auditing matters to the management of the Company without fear of dismissal or retaliation of any kind. The Company is committed to achieving compliance with all applicable securities laws and regulations, accounting standards, accounting controls and audit practices. The Company s Audit Committee will oversee treatment of employee concerns in this area.

In order to facilitate the reporting of employee complaints, the Company s Audit Committee has established the following procedures for (1) the receipt, retention, investigation and treatment of complaints regarding accounting, internal accounting controls, or auditing matters (Accounting Matters) and (2) the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.

Receipt of Employee Complaints

.

Employees with concerns regarding Accounting Matters may report their concerns to the Chief Financial Officer or General Counsel of the Company or to the Chairman of the Audit Committee of the Board of Directors of the Company.

.

Employees may forward complaints on a confidential or anonymous basis by setting forth such concerns in writing and forwarding them in a sealed envelope to the Chair of the Audit Committee, Blue Earth, Inc., 2298 Horizon Ridge Parkway, Suite 205, Henderson, Nevada 89052, such envelope to be labeled with a legend such as: To be opened by the Audit Committee only. If an employee would like to discuss any matter with the Audit Committee, the employee should indicate this on the submission and include a telephone number at which he or she might be contacted if the Audit Committee deems it appropriate.

.

Brett Woodard (the Compliance Officer), or his designee, is also authorized to receive and investigate Accounting Complaints, whether anonymous or not. In this capacity, the Compliance Officer provides advice to, and acts under the authority of, the Audit Committee.

.

In either event, individuals shall exercise due care to ensure the accuracy of the information disclosed.

Any correspondence to the Chairman should be clearly marked as an **urgent** matter for consideration by the Audit Committee of the Company. The earlier a concern is expressed, the easier it is to take action. The Chairman may, in his discretion, refer the Accounting Complaint to the Compliance Officer for investigation or retain the matter for investigation by the Audit Committee, as set forth below.

C - 7

Scope of Matters Covered by These Procedures

These procedures relate to employee complaints relating to any questionable accounting or auditing matters, including, without limitation, the following:

- .
fraud or deliberate error in the preparation, evaluation, review or audit of any financial statement of the Company;
- .
fraud or deliberate error in the recording and maintaining of financial records of the Company;
- .
deficiencies in or noncompliance with the Company's internal accounting controls;
- .
misrepresentation or false statement to or by a senior officer or accountant regarding a matter contained in the financial records, financial reports or audit reports of the Company; or
- .
deviation from full and fair reporting of the Company's financial condition.

Treatment of Complaints

.
Upon receipt of an Accounting Complaint, the recipient will (i) determine whether the complaint actually pertains to Accounting Matters, and (ii) when possible, acknowledge receipt of the complaint to the sender.

.
Complaints relating to Accounting Matters will be reviewed under Audit Committee direction, Internal Audit or such other persons as the Audit Committee determines to be appropriate.

.
If the Accounting Complaint is investigated by the Compliance Officer he will report the results of his investigation, orally or in writing, to the Audit Committee (an Investigation Report). Investigation Reports will be prepared in reasonable detail and shall be in addition to the information provided to the Audit Committee on the Docket. Such reports will describe the Accounting Complaint, the steps taken in the investigation, any factual findings, and the recommendations for corrective action, if any. The Compliance Officer will be free in its discretion to recommend to

the Audit Committee Chairman that outside auditors, outside counsel or other experts should be engaged to assist in the investigation and in the analysis of results. The Compliance Officer may, if he deems it reasonably necessary, require the assistance of the Chief Financial Officer, any of his staff, or any other employees of the Company in investigating and resolving any Accounting Complaint. The parameters of any investigation will be determined by the Compliance Officer in consultation with the Chairman of the Audit Committee or its designee in its discretion and the Company and its employees will cooperate as necessary in connection with any such investigation.

The Audit Committee will review the Docket and any written Investigation Reports submitted by the Compliance Officer. The Audit Committee will have the authority to direct that the appropriate corrective action be taken by the Company in response to any particular Accounting Complaint. The Audit Committee may, in its discretion, consult with any member of the Company's management who may have appropriate expertise to assist in the evaluation of the Accounting Complaint. The Audit Committee will be free in its discretion to engage outside auditors, counsel or other experts to assist in the evaluation of any results of any investigation into an Accounting Complaint, and the Company will pay all fees of such auditors, counsel and experts.

Confidentiality will be maintained to the fullest extent possible, consistent with the need to conduct an adequate review.

The Company will not discharge, demote, suspend, threaten, harass or in any manner discriminate against any employee in the terms and conditions of employment based upon any lawful actions of such employee with respect to good faith reporting of complaints regarding Accounting Matters or otherwise as specified in Section 806 of the Sarbanes-Oxley Act of 2002.

Reporting and Retention of Complaints and Investigations

The Compliance Officer will prepare a written docket (the Docket) of all Accounting Complaints summarizing in reasonable detail for each complaint: the nature of the complaint (including any specific allegations made and the persons involved); the date of receipt of the complaint; the current status of any investigation into the complaint; and any final resolution of the complaint. The Compliance Officer will distribute an update of the Docket, highlighting recent developments in reasonable detail, to the Chairman of the Audit Committee (and, if the Chairman so directs, to the full Audit Committee) in advance of each regularly scheduled meeting thereof (other than meetings convened principally to review the Company's periodic reports under the Securities Exchange Act of 1934, as amended).

Copies of Accounting Complaints and such log will be maintained in accordance with the Company's document retention policy.

Records; Attorney-Client Privilege

The Company will retain on a strictly confidential basis for a period of seven years (or otherwise as required under the Company's record retention policies in effect from time to time) all records relating to any Accounting Complaint and to the investigation and resolution thereof. All such records are confidential to the Company and are protected by attorney-client privilege and/or the attorney work product doctrine. Such records will be considered privileged and confidential.

Publication of Procedures

The Company will cause these procedures to be communicated to all employees.

Amendment

.

The Company reserves the right to modify or amend this policy at any time as it may deem necessary.

APPENDIX F

Codes of Ethics

F - 1

APPENDIX F

CODE OF ETHICS FOR OFFICERS, DIRECTORS AND EMPLOYEES OF BLUE EARTH, INC.

1.

TREAT IN AN ETHICAL MANNER THOSE TO WHOM BLUE EARTH, INC. HAS AN OBLIGATION

The officers, directors and employees of Blue Earth, Inc. (the Company) are committed to performing the business of the Company with the highest levels of honesty and ethical conduct in all aspects of their activities to comply with all applicable laws, rules and regulations, to deter wrongdoing and to abide by the policies and procedures adopted by the Company.

For the communities in which we live and work we are committed to acting as concerned and responsible neighbors, reflecting all aspects of good citizenship. For our shareholders we are committed to pursuing sound growth and earnings objectives and to exercising prudence in the use of our assets and resources. For our suppliers and partners we are committed to fair competition and the sense of responsibility required of a good customer and teammate.

2.

OBEY THE LAW

We will conduct our business in accordance with all applicable laws and regulations. Compliance with the law does not comprise our entire ethical responsibility. Rather, it is a minimum, absolutely essential condition for performance of our duties. In conducting business, we shall:

A.

STRICTLY ADHERE TO ALL ANTITRUST LAWS

Officers, directors and employees must strictly adhere to all antitrust laws. These laws prohibit practices in restraint of trade such as price fixing and boycotting suppliers or customers. They also bar pricing intended to run a competitor out of business; disparaging, misrepresenting, or harassing a competitor; stealing trade secrets; bribery; and kickbacks.

B.

STRICTLY COMPLY WITH ALL SECURITIES LAWS

In our role as a publicly owned company, we must always be alert to and comply with the securities laws and regulations of the United States.

I.

DO NOT ENGAGE IN SPECULATIVE OR INSIDER TRADING

Federal law and Company policy prohibits officers, directors and employees, directly or indirectly through their families or others, from purchasing or selling Company stock while in the possession of material, non-public information concerning the Company. This same prohibition applies to trading in the stock of other publicly held companies on the basis of material, non-public information.

Material, non-public information is any information that could reasonably be expected to affect the price of a stock. If an officer, director or employee is considering buying or selling a stock because of inside information they possess, they should assume that such information is material. It is also important for the officer, director or employee to keep in mind that if any trade they make becomes the subject of an investigation by the government, the trade will be viewed after-the-fact with the benefit of hindsight. Consequently, officers, directors and employees should always carefully consider how their trades would look from this perspective.

Two simple rules can help protect you in this area: (1) Do not use non-public information for personal gain. (2) Do not pass along such information to someone else who has no need to know.

II.

BE TIMELY AND ACCURATE IN ALL PUBLIC REPORTS

As a public company, the Company must file disclosure reports with the United States Securities and Exchange Commission that are full, fair, accurate, timely and understandable. Officers, directors and management of the Company are responsible for ensuring that these reports and the other public communications made by the Company are accurate and fairly present the financial condition and operating results of the Company.

Securities laws are vigorously enforced. Violations may result in severe penalties including forced sales of parts of the business and significant fines against the Company. There may also be sanctions against individual employees including substantial fines and prison sentences.

The principal executive officer and principal financial officer of the Company will certify to the accuracy of reports filed with the SEC in accordance with The Sarbanes-Oxley Act of 2002. Officers and directors who knowingly or willingly make false certifications may be subject to criminal penalties or sanctions including fines and imprisonment.

3.

AVOID CONFLICTS OF INTEREST

Our officers, directors and employees have an obligation to give their complete loyalty to the best interests of the Company. They should avoid any action that may involve, or may appear to involve, a conflict of interest with the Company. Officers, directors and employees should not have any financial or other business relationships with suppliers, customers or competitors that might impair the independence of any judgment they may need to make on behalf of the Company.

Officers, directors and employees are under a continuing obligation to disclose any situation that presents the possibility of a conflict or disparity of interest between the officer, director or employee and the Company. Disclosure to the Chairman of the Nominating and Corporate Governance Committee (or the Chairman of the Board if no Committee exists) of any material transaction or relationship that reasonably could be expected to give rise to a potential conflict is the key to remaining in full compliance with this policy.

4.

AVOID ILLEGAL AND QUESTIONABLE GIFTS OR FAVORS

The sale and marketing of our products and services should always be free from even the perception that favorable treatment was sought, received, or given in exchange for the furnishing or receipt of business courtesies. Officers, directors and employees of the Company will neither give nor accept business courtesies that constitute, or could be reasonably perceived as constituting, unfair business inducements or that would violate law, regulation or policies of the Company, or could cause embarrassment to or reflect negatively on the Company's reputation.

5.

KEEP ACCURATE AND COMPLETE RECORDS

We must maintain full, fair, accurate and complete Company records. Transactions between the Company and outside individuals and organizations must be promptly and accurately entered in our books in accordance with generally accepted accounting practices and principles. No one should rationalize or even consider misrepresenting facts or falsifying records. It will not be tolerated and will result in disciplinary action.

6.

ENFORCEMENT

The Company has empowered the Nominating and Corporate Governance Committee (the Governance Committee) to enforce this Code of Ethics and Business Conduct. Employees with concerns regarding accounting matters may report their concerns to the Company's Chief Financial Officer or to the Chairman of the Audit Committee of the Board of Directors (or the Chairman of the Board if no Committee exists). The Governance Committee will report to the Board of Directors at least once each year regarding the general effectiveness of this Code, the Company's controls and reporting procedures and the Company's business conduct. Officers, directors and employees of the Company who do not adhere to this Code will be held accountable for their actions.

You are encouraged to contact the Chairman of the Governance Committee when in doubt about, or if you have any questions regarding the best course of action in a particular situation. You are also encouraged to report violations of laws, rules, regulations of this Code to the Chairman of the Governance Committee.

7.

DISCIPLINARY MEASURES

The Company shall consistently enforce its Code of Ethics and Business Conduct through appropriate means of discipline. The Governance Committee shall determine whether violations of the Code have occurred and, if so, shall determine the disciplinary measures to be taken against any employee or agent of the Company who has so violated the Code.

The disciplinary measures, which may be invoked at the discretion of the Audit Committee, include, but are not limited to, counseling, oral or written reprimands, warnings, probation or suspension without pay, demotions, reductions in salary, termination of employment, restitution, or in the case of any director, refusal by the Governance Committee (or the entire Board of Directors) to nominate such director for re-election if such director has not been previously terminated for cause.

Any waiver of this Code for any director or executive officer may be made only by the Board of Directors of the Company and along with the reasons for such waiver, must be disclosed on a Current Report on Form 8-K within four business days and in any other manner required or permitted by the Securities and Exchange Commission or any applicable national securities exchange that the Company's securities are listed and traded on.

Persons subject to disciplinary measures shall include, in addition to the violator, others involved in the wrongdoing such as (i) persons who fail to use reasonable care to detect a violation, (ii) persons who if requested to divulge information withhold material information regarding a violation, and (iii) supervisors who approve or condone the violations or attempt to retaliate against employees or agents for reporting violations or violators.
