Item Entry Into a Material Definitive Agreement.  
1.01.

Following a hearing on November 13, 2008, the bankruptcy court for the Southern District of New York presiding over the Calpine Corporation ("Calpine") bankruptcy, No. 05-60200 (the "Bankruptcy Court") entered an order granting Calpine's request for court-approval to consummate its October 22, 2008, Settlement Agreement and Amendment (the "Settlement Agreement") with Rosetta Resources Inc. ("Rosetta"). The motion was filed on October 24, 2008, and no objections to the motion were filed or raised at the hearing by any party. The parties scheduled the closing required under the settlement for December 1, 2008.

Under the terms of the Settlement Agreement as now approved by the Bankruptcy Court, Rosetta and Calpine will complete a global settlement resolving all issues between them for \$97 million in cash and other contractual consideration. Specifically, Rosetta will conclude the original transaction by which it purchased Calpine's oil and gas business on July 7, 2005, by paying Calpine \$84.6 million in cash, reflecting the withheld purchase price and certain post-closing adjustments and true-ups, in return for Calpine providing clean legal title to certain withheld properties. The parties will amend the original Purchase and Sales Agreement ("PSA") to exclude certain disputed preferential right properties ("PRP"). Rosetta will also pay the balance of \$12.4 million in cash to Calpine to resolve all outstanding legal disputes regarding various matters, including Calpine's fraudulent conveyance lawsuit. Additionally, the parties will amend and restate their Gas Purchase Agreement for Rosetta's Sacramento Basin gas production, extending it for ten years, and Rosetta will sublease to Calpine certain office space located in Rio Vista, California. The existing Marketing Agreement between the parties remains unchanged and will expire by its terms on June 30, 2009.

In concluding the original transaction on December 1, 2008, as part of the settlement, the parties will finalize all remaining property conveyances to Rosetta, including the previously disclosed "Non Consent Properties" ("NCP") for \$67.6 million, subject to the settlement's amendment of the PSA to exclude the PRP. The \$67.6 million reflects the combined allocated value of each NCP withheld from the purchase price on July 7, 2005. The additional \$17 million, Rosetta will pay is the amount Rosetta computed it owed to Calpine for all the post-closing adjustments required under the PSA, including net revenues. In return, Calpine will assume the PSA and therefore convey legal title to Rosetta "as of" the specified May 1, 2005 "Effective Date", which will result in Rosetta retaining the previously reported estimates of net revenues from the NCP that it placed in suspense pending the outcome of its disputes with Calpine.
