ITEM 7.01 REGULATION FD

On January 23, 2015, Kennedy-Wilson Holdings, Inc. (the “Company”) entered into a purchase agreement (the “Purchase Agreement”) with a wholly-owned subsidiary of Winthrop Realty Trust (“Winthrop”) to acquire a majority equity interest in Vintage Housing Holdings, LLC (“VHH”). VHH owns certain interests in 30 multi-family properties totaling 5,485 units. The properties, which were built on average in 2006, are located primarily in Washington (3,796 units), California (756 units) and Nevada (544 units). The purchase price, which was determined through direct negotiations between the Company and Winthrop, was approximately \$86 million and represents an approximate 61.5% equity ownership in VHH. Upon the closing of the transaction, the property developer and current manager of VHH will own the remaining 38.5% of the equity interests and maintain its role as manager.

Including the assumption of approximately \$328 million of property debt, along with third party equity interests and unrestricted cash, the Company’s purchase values the 30 property portfolio at approximately \$486 million. During fiscal year 2014, the portfolio produced net operating income of approximately \$32 million. During 2014, three of the properties with 830 units were in lease up, including a 231-unit property that completed lease up in March 2014, a 204-unit property that completed lease up in September 2014 and a 395-unit property that completed lease up in January 2015.

The Company’s deposit of approximately \$7.5 million under the Purchase Agreement became non-refundable on February 13, 2015. The closing of the acquisition is expected to be consummated in the first half of 2015, subject to customary closing conditions. Including the units that the Company would acquire upon the closing of this transaction, the Company will own interests in 25,966 multifamily units worldwide.
