EXPLANATORY NOTE

Deregistration of Securities

This Post-Effective Amendment No. 1 (this “Post-Effective Amendment”) relates to the Registration Statement on Form S-8 (Registration No. 333-196242) (the “Registration Statement”) of Noranda Aluminum Holding Corporation, a Delaware corporation (the “Company”), initially filed with the Securities and Exchange Commission (the “Commission”) on May 23, 2014. The Registration Statement registered the offering of 5,000,000 shares of the Company’s common stock under the Noranda Aluminum Holding Corporation 2014 Long-Term Incentive Plan.

On December 15, 2015, the New York Stock Exchange filed a Form 25 with the Securities and Exchange Commission, the effect of which (i) was to suspend the Company’s reporting requirements under Section 12(b) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”) on December 25, 2015 and (ii) will be to terminate the registration of the Company’s common stock under Section 12(b) of the Exchange Act on March 14, 2016. In addition, each of the Company’s common stock and Noranda Aluminum Acquisition Corporation’s 11% Senior Notes due 2019 (with respect to which the Company and other direct and indirect wholly owned subsidiaries of the Company are guarantors) were held of record, as determined pursuant to Rule 12g5-1 under the Exchange Act, by fewer than 300 persons. As a result, (i) the Company’s reporting obligations under Section 15(d) of the Exchange Act will not be revived upon the termination of the registration of the Company’s common stock under Section 12(b) of the Act and (ii) the Company will no longer be eligible to use the Registration Statement in connection with the offer and sale of securities that remain unsold. Therefore, the Company hereby removes from registration any of the securities subject to the Registration Statement that remain unsold as of date of filing of this Post-Effective Amendment.
