**Item 8.01 Other Events.**

On January 4, 2016 Giga-tronics Incorporated (“the Company”) announced the sale of its Power Meter, Amplifiers, Sensors, and legacy Signal Generator product lines to Spanawave Corporation ("Spanawave"). The product lines will transfer to Spanawave sequentially in phases beginning with certain sensor and amplifier products (effective immediately), with the final product line transfer (legacy Signal Generators) estimated to be completed in July 2016. The Company expects to receive payments totaling \$1.5 million from Spanawave over the phased transition period with one-half of the payments (\$750,000) expected to be received between June and July 2016. In addition, the Company will sell to Spanawave existing inventory for these products in phases. The Company will continue to manufacture the related products until the respective product line transfer is complete.

On January 4, 2016, the Company issued a press release announcing the sale of the product lines. A copy of the press release is attached as Exhibit 99.1 to this Form 8-K and is incorporated herein by reference.
