Edgar Filing: ADVANTAGE TECHNOLOGIES GROUP INC - Form 8-K

(a) On March 7, 2014, ADDvantage Technologies Group, Inc. (the “Company”) received notification from Nasdaq that it was no longer in compliance with Nasdaq’s independent director requirement as set forth in Listing Rule 5605. This rule requires that the Company’s Board of Directors be composed of a majority of independent directors. The Company’s Board of Directors has been composed of four independent directors and three non-independent directors but the decision of independent director Stephen J. Tyde to not seek re-election resulted in the election of an equal number of independent and non-independent directors at the Company’s annual meeting on March 5, 2014.

The Nasdaq notification has no immediate effect on the listing of the Company’s common stock. Consistent with Listing Rule 5605(b)(a)(A), Nasdaq provides the Company a cure period in order to regain compliance as follows:

- until the earlier of the Company’s next annual shareholders’ meeting or March 5, 2015; or
- if the next annual shareholders’ meeting is held before September 3, 2014, then the Company must evidence compliance no later than September 3, 2014.

The announcement by Kenneth A. Chymiak, a non-independent director, that he will resign from the Board of Directors later this year (see Form 8-K filed on March 7, 2014) makes it likely that the Company will regain compliance within the cure period at the time of Mr. Chymiak’s resignation.
