Changes of Control

To the knowledge of management of the Company, the following changes of control have occurred since the beginning of the Company's last fiscal year.

May 2010

On May 20, 2010, Nitin Amersey, the sole officer, director and shareholder of the Company at that time, entered into a Stock Purchase Agreement with Benedetto Fuschino whereby it was agreed that Mr. Amersey would sell to Mr. Fuschino his 35,000,000 shares of common stock of Company, being all of the shares of the Company outstanding at that time, for a total purchase price of three thousand five hundred dollars (US \$3,500), paid from the personal funds.

June 2010

On June 4, 2010, Ben Fuschino, our sole officer and director at that time, sold his 35,000,000 shares of the Company's common stock, which shares represent 100% of our issued and outstanding common stock, to Luc Duchesne and Robert Cormier for a total purchase price of \$7,000. Mr. Duchesne and Mr. Cormier paid for those shares with their

personal funds.

Upon closing of this share transfer, there arose a change of control whereby Mr. Duchesne and Mr. Cormier collectively held a controlling 100% ownership interest in the Company. Immediately thereafter, additional common shares were issued by the Company as follows:

a total of 37,500,000 shares of common stock were issued to two companies, one of which is owned and controlled by Mr. Duchesne, and the other owned and controlled by Mr. Cormier and his spouse;

a total of 39,500,000 shares of common stock were issued to Mr. Duchesne and Mr. Cormier as consideration for their agreement to make their services available to the Company (as officers and in any other capacity under their Consulting Agreements with the Company);

a total of 6,500,000 shares of common stock were issued to the Company's directors in payment for their service on the board of directors; and

a total of 146,000,000 shares of common stock were issued to a total of 19 investors on a private placement basis.

December 2010

On December 23, 2010, in consideration for the payment of CAD\$39.25 and pursuant to an agreement of separation entered into by Luc Duchesne, Robert Cormier and certain other parties (the Separation Agreement), Luc Duchesne transferred to Missanaibi Headwaters Incorporated, a total of 39,250,000 common shares of the Company that were held by him. Missanaibi Headwaters Incorporated is a company controlled by the spouse of Ryan Bignucolo, one of the Company's new directors and officers.

On December 23, 2010, in consideration for the payment of CAD\$10.00 and pursuant to the Separation Agreement, in a private agreement GSN Dreamworks Inc. (a company controlled by Luc Duchesne, a former director and officer of the Company) transferred to Northern Haul Corporation a total of 10,000,000 common shares of the Company that were held by GSN.

On December 23, 2010, in consideration for the payment of CAD\$8.75 and pursuant to the Separation Agreement, in a private agreement GSN Dreamworks Inc. On December 23, 2010, in consideration for the payment of CAD\$39.25 and pursuant to the Separation Agreement, Robert Cormier, a former director and officer of the Company transferred to Friggi N.A. Inc. (a company controlled by Benedetto Fuschino, a current and former director and officer of the Company) a total of 39,250,000 common shares of the Company that were held by him.
