Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.

The Board of Directors of the Company has elected Douglas K. Beplate, as Chief Operating Officer of the Company. Mr. Beplate has been working on the development and marketing of the Hemostyp gauze since 2010. Mr. Beplate's present responsibilities include daily operations and oversight of sales, marketing, product development and intellectual property. From 1996 to 2007, Mr. Beplate was founder and President of Emergency Filtration Products, Inc. (EFP) where his responsibilities included product design, research and development, patent work and production. During his time at EFP, Mr. Beplate was awarded a grant through California State University San Bernardino for development of nanotechnology for the U.S. government and military sector. Prior to his position at EFP he was a consultant to various medical products firms from where he was involved in research and development, and product design.

The Company and Mr. Beplate are negotiating the terms of his employment agreement with the Company. Previously, the Company entered into a Consulting Agreement with Mr. Beplate, the terms of which are described in the Company's Form 10-Q for the quarter ended September 30, 2013.
