Item 8.01 Other Events.

On March 27, 2018, the board of directors of Tecnoglass Inc. (the “Company”) authorized the transfer of all of the rights and obligations under the Company’s outstanding \$210 million aggregate principal amount of 8.2% senior unsecured 5-year notes (the “Notes”) to its wholly owned subsidiary, Tecno Corporation. The assignment and restructuring aim to reduce and optimize certain legal, administrative and reporting costs while also contributing to the reduction of tax inefficiencies such as withholding taxes or the generation of taxes between related companies. Additionally, since Tecno Corporation is already a guarantor of the obligations under the Notes, assigning the direct obligations under to this entity while including Tecnoglass Inc. as a Guarantor, doesn’t change the credit position of current bondholders. The aforementioned changes are being addressed in line with the requirements of the bond Indenture.
