Board Composition

Our Board is currently composed of five directors. John R. Loftus is the Company's Chairman of the Board, Chief Executive Officer and President since December 2016. Our most recent board member, Allison M. DeStefano, was elected to the board on March 19, 2018. Our Board has determined that current board members Joel S. Friedman, Alexandra C. Griffin, and Jim R. Ruth are "independent" under the standards of the SEC and the NYSE AMERICAN. Under applicable SEC and NYSE AMERICAN rules, the existence of certain "related person" transactions above certain thresholds between a director and us are required to be disclosed and preclude a finding by our Board that the director is independent. In addition to transactions required to be disclosed under SEC rules, our Board considered certain other relationships in making its independence determinations, and determined in each case that such other relationships did not impair the director's ability to exercise independent judgment on our behalf.

Our directors are elected at an annual meeting of our shareholders by the holders of shares entitled to vote in the election of directors, except in the case of vacancy, which can be filled by an affirmative vote of a majority of the remaining directors. Each director is elected to serve until the annual meeting of shareholders following their election or until he or she chooses to resign from his position.

Board Meetings

Our Board meets as often as necessary to perform its duties and responsibilities. During Fiscal 2018, the Board met four times in person or telephonically. All members of our Board were present at and participated in all meetings. Management also regularly conferred with directors between meetings regarding our affairs.

Audit Committee

The Audit Committee, established in accordance with Section 3(a)(58)(A) of the Exchange Act, consisting of all three independent directors of our Board, was chaired by Alexandra C. Griffin during Fiscal 2018, who is also an “audit committee financial expert,” as that term is defined in Item 407(d)(5)(ii) of Regulation S-K, promulgated under the Securities Act. Ms. Griffin is “independent,” as defined by the listing standards of the Exchange during Fiscal 2018. The other members of the Audit Committee during Fiscal 2018 were Joel S. Friedman and Jim R. Ruth. The Audit Committee is primarily tasked with overseeing our financial reporting process, evaluation of independent auditors and, where appropriate, exercising its duty to replace our independent auditors. Management is responsible for preparing our financial statements, and the independent auditors are responsible for auditing those financial statements. During Fiscal 2018, the Audit Committee met four times in person or telephonically.

In addition to their regular activities, the Audit Committee is available to meet with the independent auditors, the Chief Executive Officer or the Chief Financial Officer whenever a special situation arises and meets as often as necessary to perform its duties and responsibilities. The charter for the Audit Committee is available under the “Investors” menu of our corporate website at www.DGSECompanies.com. We certify that we have adopted a formal written audit committee charter and that the Audit Committee reviews and reassesses the adequacy of the charter annually.

Audit Committee Report

The Audit Committee has reviewed and discussed the audited financial statements with management and Whitley Penn LLP (“Whitley Penn”), our independent registered accounting firm, and all matters required to be discussed by the

American Institute of Certified Public Accountants, Professional Standards, Vol. 1, AU Section 380, as adopted by the Public Company Accounting Oversight Board (“PCAOB”) in Rule 3200T.

The Audit Committee has received written disclosures and the letter from Whitley Penn required by applicable rules of the PCAOB regarding Whitley Penn’s communications with the Audit Committee concerning independence, and the Audit Committee has discussed with Whitley Penn its independence.

Based on the review and discussions noted in the preceding two paragraphs, the Audit Committee recommended to the Board that the audited financial statements for the year ended December 31, 2018 and 2017 be included in our annual report on Form 10-K with the SEC.

All three independent directors, Joel S. Friedman, Alexander C. Griffin and Jim R. Ruth, are members of the Audit Committee. The Audit Committee acts pursuant to our Audit Committee Charter. Each of the members of the Audit Committee qualifies as an independent director under the current listing standards of the Exchange.

Compensation Committee

On August 31, 2012, the Board approved the creation of a Compensation Committee comprised of our independent directors. The Compensation Committee is currently chaired by Joel S. Friedman and is primarily concerned with reviewing, approving and determining the compensation of our executive officers to ensure that we employ ethical compensation standards and that our executive officers are fairly compensated based upon their performance and contribution to us. The Compensation Committee meets as often as necessary to perform its duties and responsibilities. During Fiscal 2018, the Compensation Committee met one time in person or telephonically. We have adopted a formal written Compensation Committee Charter, and the Compensation Committee reviews and reassesses the adequacy of the charter annually. The charter for the Compensation Committee is available under the “Investors” menu of our corporate website at www.DGSECompanies.com.

Compliance, Governance, and Nominating Committee

On January 17, 2013, the Board approved the creation of a Nominating and Corporate Governance Committee comprised of our independent directors, and on February 20, 2015, the Board approved a resolution which changed the name of this committee to the Compliance, Governance, and Nominating Committee, and also delegated certain additional responsibilities to the committee. The Compliance, Governance, and Nominating Committee is currently chaired by Jim R. Ruth and is primarily concerned with matters relating to the Company’s director nominations process and procedures, developing and maintaining the Company’s corporate governance policies, monitoring the Company’s compliance with its code of conduct and ethics, and any related matters required by the federal securities laws. The Compliance, Governance, and Nominating Committee meets as often as necessary to perform its duties and responsibilities. During Fiscal 2018, the Compliance, Governance, and Nominating Committee met one time. We have adopted a formal written Compliance, Governance, and Nominating Committee Charter, and the Compliance, Governance, and Nominating Committee reviews and reassesses the adequacy of the charter annually. The charter for the Compliance, Governance and Nominating Committee is available under the “Investors” menu on our corporate website at www.DGSECompanies.com.

Leadership

Pursuant to our bylaws, the Chairman of our Board shall be and is our Chief Executive Officer. On June 11, 2014, the Board passed a resolution to create the role of Lead Independent Director. The independent directors elected Joel S.

Friedman to fill that role. The Lead Independent Director consults with the Chairman in setting the schedule and agenda for Board meetings, coordinates and moderates executive sessions of the independent directors, acts as a liaison between the independent directors and the Chairman, and assists the Board and officers in providing oversight for the Company's governance guidelines and policies. As noted above, Mr. Friedman also serves as chairman of the Compensation Committee.

Pursuant to our bylaws, the Chairman of our Board and Chief Executive Officer presides, when present, at all meetings of the shareholders and at all meetings of our Board. The Chairman of our Board and Chief Executive Officer generally supervises over our affairs, has general and active control of all of our business and sees that all orders and resolutions of our Board and our shareholders are carried into effect. We have determined this leadership structure appropriate given the need for a centralized model of oversight.

Risk Oversight

Like other companies, we face a variety of risks, including investment risk, liquidity risk, and operational risk. Our Board believes an effective risk management system should: (i) timely identify the material risks that we face; (ii) communicate necessary information with respect to material risks to senior executives and, as appropriate, to the Board or the relevant committee of our Board of Directors; (iii) implement appropriate and responsive risk management strategies consistent with our risk profile; and, (iv) integrate risk management into decision-making. Our Board is tasked with overseeing risk oversight, and periodically meets with management and advisors regarding the adequacy and effectiveness of our risk management processes and to analyze the most likely areas of future risk for us. In addition to the formal compliance program, our Board encourages management to promote a corporate culture that incorporates risk management into our corporate strategy and day-to-day business operations.

Code of Business Conduct & Ethics and Related Party Transaction Policy

We have adopted a Code of Business Conduct and Ethics that applies to our directors, officers and employees, as well as a Related Person Transaction Policy, that applies to our directors (and director nominees), executive officers (or persons performing similar functions), and certain of our family members, affiliates, associates and/or related persons, as well as stockholders owning at least 5% of our Common Stock. The latest copies of our Code of Business Conduct and Ethics, and Related Person Transaction Policy are available under the “Investors” menu on our corporate website at www.DGSECompanies.com. Any transactions between us and our officers, directors, principal shareholders, or other affiliates have been on terms no less favorable to us than the Board believes could be obtained from unaffiliated third parties on an arms-length basis. We intend to disclose future amendments to these policies, or waivers of such provisions, at the same location on our website and also in public filings.

Shareholder Communication

Shareholders may send communications to our Board, individual directors or officers through our Investor Relations Department, Attn: Mr. Bret A. Pedersen, Chief Financial Officer, c/o DGSE Companies, Inc., 13022 Preston Road, Dallas, TX 75240, by phone at 972-587-4049, or via email at investorrelations@dgse.com. Mr. Pedersen will forward all shareholder communications that, in his judgment, are appropriate for consideration by members of our Board. Comments or questions regarding our accounting, internal controls or auditing matters will be referred to members of the Audit Committee. Comments or questions regarding the nomination of directors and other corporate governance matters will be referred to our Compliance, Governance, and Nominating Committee.

ITEM 11. EXECUTIVE COMPENSATION

Our Board is responsible for establishing and administering our executive compensation and employee benefit programs in the context of our overall goals and objectives. This Board’s duty has been delegated to the Compensation Committee of our Board of Directors (the “Compensation Committee”) in accordance with the Compensation Committee’s Charter. The Compensation Committee reviews the executive compensation program at least annually and approves appropriate modifications to executive officer compensation, including specific amounts and types of compensation. The Compensation Committee is responsible for establishing the compensation of the CEO and CFO. The Compensation Committee establishes the annual compensation of the non-employee directors and oversees our equity compensation plans, including the administration of our stock-based compensation plans.

The objectives of our compensation program are to: (i) provide a competitive, comprehensive compensation package to attract, retain and motivate highly talented personnel at all levels of our organization; and, (ii) provide incentives and rewards for implementing and accomplishing our short-term and long-term strategic and operational goals and objectives. Therefore, we strive to structure compensation packages that are competitive within the industry, while

maintaining and promoting our interests, as well as the interests of our shareholders.

We believe that specific levels of executive compensation should reflect the responsibilities of each position within our Company, the relative value of the position and the competition for quality, key personnel in our industry. Our executive compensation program includes three primary components:

Base salary. Base salary is the guaranteed element of an executive's annual cash compensation. The level of base salary reflects the Compensation Committee's assessment of the employee's long-term performance, his or her skill set and the market value of that skill set.

Annual cash bonus opportunities. Performance-based incentive cash bonuses are intended to reward executives for achieving specific financial and operational goals both at a corporate and an individual level.

Long-term incentive awards. Long-term incentives are provided through grants of stock options and restricted stock units intended to encourage our executives to take steps that they believe are necessary to ensure our long-term success, and to align their interests with our other shareholders.

Advice of Compensation Consultant

In February 2015, as part of a set of corporate governance reforms that the Board implemented, the Compensation Committee recommended and the Board approved an Executive Compensation Policy. As part of this policy the Compensation Committee is required to retain an independent compensation consultant at least once every three years to review the Company's compensation philosophy and plan to ensure that the criteria, factors, and policies and procedures for determining compensation comport with current best practices. Such consultant shall make recommendations to the Compensation Committee and/or the entire Board regarding any appropriate actions to better align executive and director compensation with shareholder interests and long-term value creation. Accordingly, in 2016, the Compensation Committee retained an independent compensation consultant, Paradox Compensation Advisors ("Paradox"), to analyze our executive compensation program as compared to our peers. Paradox also advised the Compensation Committee regarding appropriate elements of a competitive executive compensation structure, including fixed and at-risk elements, short-term and long-term incentives, and cash and equity components. Paradox reported the results of its analysis of our total executive compensation packages for positions held by members of our executive leadership team, as well as specific components of these packages, as compared to executives holding similar positions as similar-sized companies and/or labor market peers in related industries.

ITEM 12. SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT AND RELATED STOCKHOLDER MATTERS

Equity Compensation Plan Information

On June 21, 2004, our shareholders approved the adoption of the 2004 Stock Option Plan (the “2004 Plan”) which reserved 1,700,000 shares of our Common Stock for issuance upon exercise of options to purchase our Common Stock. We granted options to purchase an aggregate of 1,459,634 shares of our Common Stock under the 2004 Plan to

certain of our officers, directors, key employees and certain other individuals who provided us with goods and services. Each option vested on either January 1, 2004 or immediately upon issuance thereafter. The exercise price of each option issued pursuant to the 2004 Plan is equal to the market value of our Common Stock on the date of grant, as determined by the closing bid price for our Common Stock on the Exchange on the date of grant or, if no trading occurred on the date of grant, on the last day prior to the date of grant on which our securities were listed and traded on the Exchange. Of the options issued under the 2004 Plan, as of December 31, 2018, 845,634 have been exercised, 599,000 have expired, and 15,000 remain outstanding. No further issuances can be made pursuant to the 2004 Plan.

On June 27, 2006, our shareholders approved the adoption of the 2006 Equity Incentive Plan (the “2006 Plan”), which reserved 750,000 shares for issuance upon exercise of options to purchase our Common Stock or other stock awards. We subsequently granted options to purchase 150,000 shares of our Common Stock pursuant to the 2006 Plan, of which 100,000 have been exercised and the remaining 50,000 have expired as of December 31, 2018.

On March 24, 2016, the Board awarded the three independent directors on the Board at that time a total of 122,040 RSUs as compensation for their Board service. One-fourth (or 30,510) of the RSUs vested and were issued on March 31, 2016. The remaining RSUs vested ratably and were exercisable at the end of every quarter (June 30, September 30, and December 31, 2016). Each vested RSU converted into one share of our Common Stock, par value \$0.01, without additional consideration, on the applicable vesting date.

On April 27, 2016, the Board awarded Matthew Peakes, the Company’s former Chief Executive Officer, and Nabil J. Lopez, the Company’s former Chief Financial Officer, a total of 75,000 and 50,000 RSUs, respectively, as compensation for their service as executives of the Company. For Mr. Peakes, one-fourth (or 18,750), and for Mr. Lopez, one-fourth (or 12,500) of the RSUs were to vest ratably in equal annual installments over a four year period beginning on April 27, 2017, subject to a continued status as an employee on each such date and other terms and conditions set forth in the RSU Award Agreement, dated April 27, 2016. Each vested RSU is convertible into one share of our Common Stock, par value \$0.01, without additional consideration. Upon termination of service of the employee, other than by death or disability, any RSUs that have not vested will be forfeited and the award of such units shall terminate. As a result of his resignation effective August 15, 2016, 50,000 RSUs awarded to Mr. Lopez were forfeited. As a result of the continued employment of Matthew Peakes on April 27, 2017, his first annual installment (or 18,750) RSUs became vested. As a result of Matthew Peake’s resignation effective June 30, 2017, all further service RSUs awarded to Mr. Peakes were forfeited. In addition to the RSU grant above for Matthew Peakes and Nabil Lopez, the compensation committee granted an additional 75,000 and 50,000, respectively, performance based RSUs to the executives that were to vest ratably over a four year period beginning April 27, 2017 if certain financial performance criteria are achieved. As a result of his resignation effective August 15, 2016, 50,000 RSUs awarded to Mr. Lopez were forfeited. As a result of the financial performance being below the minimum level, no RSUs were vested on the first annual installment. As a result of Matthew Peake’s resignation effective June 30, 2017, all performance RSUs awarded to Mr. Peakes were forfeited.

Subsequent to such grants, the 2006 Plan expired, as a result, no further issuances can be made pursuant to the 2006 Plan.

On December 7, 2016, our shareholders approved the adoption of the 2016 Equity Incentive Plan (the “2016 Plan”), which reserved 1,100,000 shares for issuance pursuant to awards issued thereunder. As of December 31, 2018, no awards had been made under the 2016 Plan.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

From time to time, we engage in business transactions with our shareholders, Elemetal and other related parties. Set forth below in the section entitled “Related Party Transactions” is a summary of such transactions.

Related Party Transactions

DGSE has a corporate policy governing the identification, review, consideration and approval or ratification of transactions with related persons, as that term is defined in the Instructions to Item 404(a) of Regulation S-K, promulgated under the Securities Act (“Related Party”). Under this policy, all Related Party transactions are identified and approved prior to consummation of the transaction to ensure they are consistent with DGSE’s best interests and the best interests of its stockholders. Among other factors, DGSE’s Board considers the size and duration of the transaction, the nature and interest of the of the Related Party in the transaction, whether the transaction may involve a conflict of interest and if the transaction is on terms that are at least as favorable to DGSE as would be available in a comparable transaction with an unaffiliated third party. DGSE’s Board reviews all Related Party transactions at least annually to determine if it is in DGSE’s best interests and the best interests of DGSE’s stockholders to continue, modify, or terminate any of the Related Party transactions. DGSE’s Related Person Transaction Policy is available for review in its entirety under the “Investors” menu of the Company’s corporate relations website at www.DGSECompanies.com.

Through a series of transactions beginning in 2010, Elemetal, NTR and Truscott (“Related Entities”) became the largest shareholders of our Common Stock. NTR transferred all of its Common Stock to Eduro Holdings, LLC (“Eduro”) on August 29, 2018. A certain Related Entity has been DGSE’s primary refiner and bullion trading partner. In Fiscal 2018, 11% of sales and 2% of purchases were transactions with a certain Related Entity, and in the same period of Fiscal 2017, these transactions represented 17% of DGSE’s sales and 11% of DGSE’s purchases. On December 9, 2016, DGSE and a certain Related Entity closed the transactions contemplated by the Debt Exchange Agreement whereby DGSE issued a certain Related Entity 8,536,585 shares of its common stock and a warrant to purchase an additional 1,000,000 shares to be exercised within two years after December 9, 2016, in exchange for the cancellation and forgiveness of \$3,500,000 of trade payables owed to a certain Related Entity as a result of bullion-related transactions. The warrant to purchase an additional 1,000,000 shares expired in December, 2018 and was not exercised. As of December 31, 2018, the Company was obligated to pay \$3,088,973 to the certain Related Entity as a trade payable, and had a \$0 receivable from the certain Related Entity. As of December 31, 2017, the Company was obligated to pay \$3,902,293 to the certain Related Entity as a trade payable, and had a \$39,215 receivable from the certain Related Entity. For the year ended December 31, 2018 and 2017, the Company paid the Related Entities \$149,540 and \$199,243, respectively, in interest on the Company’s outstanding payable.

On July 19, 2012, the Company entered into the Loan Agreement with a certain Related Entity, pursuant to which the Related Entity agreed to provide the Company with a guidance line of revolving credit in an amount up to \$7,500,000. The Loan Agreement anticipated termination—at which point all amounts outstanding thereunder would be due and

payable—upon the earlier of: (i) August 1, 2014; (ii) the date that is twelve months after DGSE receives notice from the certain Related Entity demanding the repayment of the Obligations; (iii) the date the Obligations are accelerated in accordance with the terms of the Loan Agreement; or, (iv) the date on which the commitment terminates under the Loan Agreement. In connection with the Loan Agreement, DGSE granted a security interest in the respective personal property of each of its subsidiaries. The loan carried an interest rate of two percent (2%) per annum for all funds borrowed pursuant to the Loan Agreement. Proceeds received by DGSE pursuant to the terms of the Loan Agreement were used for repayment of all outstanding financial obligations incurred in connection with that certain Loan Agreement, dated as of December 22, 2005, between DGSE and Texas Capital Bank, N.A., and additional proceeds were used as working capital in the ordinary course of business. On February 25, 2014, we entered into a one-year extension of the Loan Agreement with the certain Related Entity, extending the termination date to August 1, 2015, and on February 4, 2015, we entered into an additional two-year extension, extending the termination date to August 1, 2017. On December 9, 2016, DGSE and the certain Related Entity closed the transactions contemplated by the Debt Exchange Agreement whereby DGSE issued the certain Related Entity 5,948,560 shares of common stock in exchange for the cancellation and forgiveness of the loan principal and accrued interest totaling \$2,438,909.
