Item 5.02 - Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On June 12, 2018, the Compensation Committee (the “Committee”) of the Board of Directors of Turtle Beach Corporation (the “Company”) approved a grant of restricted common stock to the Company's chief executive officer, Juergen Stark. The Committee determined to provide Mr. Stark with a “catch-up” grant for past service due to the fact that Mr. Stark's long-term equity incentive compensation for fiscal years 2017, 2016 and 2015 was limited, relative to target amounts, by certain provisions of the Company’s 2013 Stock-Based Incentive Compensation Plan. The grant awards Mr. Stark 150,172 restricted shares of the Company’s common stock and will vest in equal monthly tranches during the first three years following the grant date, June 15, 2018, in order to provide increased retention incentives.

Item 5.07 - Submission of Matters to a Vote of Security Holders

The 2018 Annual Meeting of Stockholders (the “Annual Meeting”) of the Company was held on June 12, 2018. A quorum was present at the Annual Meeting. Matters submitted to the stockholders and voted upon at the meeting, which are more fully described in the Company’s Definitive Proxy Statement filed with the Securities and Exchange Commission on April 30, 2018 (the “Proxy Statement”), were (1) the election of six nominees to the Company’s board of directors, (2) the ratification of the appointment of BDO USA, LLP, as the Company’s independent registered public accounting firm for the year ending December 31, 2018, (3) the approval of a one-time stock option exchange program to permit the Company to cancel certain outstanding stock options held by certain of its employees (including its executive officers) and its non-employee directors in exchange for new or replacement options exercisable at a reduced exercise price for a reduced number of shares of its common stock (with the balance returned to the 2013 Plan (as defined below) share reserve) (the “Option Exchange Proposal”) and (4) the approval of an amendment to the Company’s 2013 Stock-Based Incentive Compensation Plan (as amended, the “2013 Plan”), to (x) increase the total number of shares of common stock authorized for grant under the 2013 Plan from 1,362,500 shares to 2,862,500 shares, (y) increase the maximum number of shares of common stock available for grant to any individual plan participant in a calendar year from 112,500 shares to 500,000 shares and (z) assuming Proposal 3 is approved, exclude the replacement options issued in the option exchange from the calculation of such individual plan participant limit (the “Stock Plan Proposal”).

All proposals were approved by the Company’s stockholders. There were 10,845,088 shares of the Company’s common stock represented at the Annual Meeting in person or by proxy, constituting approximately 87.8% of the Company’s outstanding common stock on April 18, 2018, the record date. The table below shows the votes cast for, against or withheld, as well as the number of abstentions and broker non-votes, as to each proposal, including a separate tabulation with respect to each nominee for director. There were no broker non-votes for the proposal regarding the ratification of the accounting firm.
