PROXY STATEMENT
QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

Why am I receiving these materials? Our Board of Directors is making these materials available to you over the Internet or by delivering paper copies to you by mail in connection with American Assets Trust, Inc.'s Annual Meeting of Stockholders. As a stockholder, you are invited to attend the Annual Meeting and are entitled and requested to vote on the items of business described in this Proxy Statement. This proxy statement includes information that we are required to provide under Securities and Exchange Commission, or SEC, rules and is designed to assist you in voting your shares.

Where and when is the Annual Meeting? The Annual Meeting will be held at 9:00 a.m. (PDT) on Thursday, June 13, 2013 at 11455 El Camino Real, San Diego, California 92130, ICW Boardroom — 2nd Floor.

What is the purpose of the Annual Meeting of Stockholders? At the Annual Meeting, stockholders will vote upon matters described in the Notice of Annual Meeting and this Proxy Statement, including the election of directors and the ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm. In addition, once the business of the Annual Meeting is concluded, members of management will respond to questions raised by stockholders, as time permits.

Who can attend the Annual Meeting? All of our stockholders as of the close of business on April 5, 2013, the record date for the Annual Meeting, or individuals holding their duly appointed proxies, may attend the Annual Meeting. You should be prepared to present photo identification for admittance. Authorizing a proxy in response to this solicitation will not affect a stockholder's right to attend the Annual Meeting and to vote in person. Please note that if you hold your common stock in "street name" (that is, through a broker, bank or other nominee), you will need to bring a copy of a brokerage statement reflecting your stock ownership as of April 5, 2013 to gain admittance to the Annual Meeting.

What am I voting on? At the Annual Meeting, you may consider and vote on:

- (1) the election of six directors;
- (2) the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2013;
- (3) an advisory resolution to approve the Company's executive compensation for the fiscal year ended December 31, 2012; and
- (4) any other business properly introduced at the Annual Meeting.

What are the Board's recommendations? The Board recommends a vote:

- for the election of each nominee named in this Proxy Statement (see Proposal No. 1);
- for ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2013 (see Proposal No. 2); and
- for the advisory resolution to approve the Company's executive compensation (see Proposal No. 3).

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board.

Who may vote? You may vote if you owned shares of our common stock at the close of business on April 5, 2013, which is the record date for the Annual Meeting. You are entitled to cast one vote in the election of directors for as many individuals as there are directors to be elected at the Annual Meeting and to cast one vote on each other matter presented at the Annual Meeting for each share of common stock you owned as of the record date. As of April 5, 2013, we had 39,709,212 shares of common stock outstanding.

Who counts the votes? A representative of Broadridge Financial Solutions, Inc. will tabulate the votes and will act as the inspector of the election.

Is my vote confidential? Yes, your proxy card, ballot, and voting records will not be disclosed to us unless applicable law requires disclosure, you request disclosure, or your vote is cast in a contested election (which is not applicable in 2013). If you write comments on your proxy card, your comments will be provided to us, but how you voted will remain confidential.

What is a quorum for the Annual Meeting? The presence in person or by proxy of stockholders entitled to cast a majority of all the votes entitled to be cast at the Annual Meeting will constitute a quorum at the Annual Meeting. No business may be conducted at the Annual Meeting if a quorum is not present.

If a quorum is not present at the Annual Meeting, the chairman of the meeting may adjourn the Annual Meeting to another date, time or place, not later than 120 days after the original record date of April 5, 2013 without notice other than announcement at the meeting. We may also postpone the Annual Meeting to a date that is not later than 120 days after the original record date or cancel the Annual Meeting by making a public announcement of the postponement or cancellation before the time scheduled for the Annual Meeting.

What vote is required to approve an item of business at the Annual Meeting? To be elected as a director (Proposal No. 1), a nominee must receive a plurality of all the votes cast in the election of directors.

To ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm (Proposal No. 2) and to adopt the advisory resolution on executive compensation (Proposal No. 3), the affirmative vote of a majority of the votes cast on the proposal is required.

If you are a stockholder of record as of the record date for the Annual Meeting and you authorize a proxy (whether by Internet, telephone or mail) without specifying a choice on any given matter to be considered at this Annual Meeting, the proxy holders will vote your shares according to the Board's recommendation on that matter.

If you are a stockholder of record as of the record date for the Annual Meeting and you fail to authorize a proxy or vote in person, assuming that a quorum is present at the Annual Meeting, it will have no effect on the result of the vote on any of the matters to be considered at the Annual Meeting.

If you hold your shares through a broker, bank or other nominee, under the rules of the New York Stock Exchange, or NYSE, your broker or other nominee may not vote with respect to certain proposals unless you have provided voting instructions with respect to that proposal. A "broker non-vote" results when a broker, bank or other nominee properly executes and returns a proxy but indicates that the nominee is not voting with respect to a particular matter because the nominee has not received voting instructions from the beneficial owner. A broker non-vote is not considered a vote cast on a proposal, however, stockholders delivering a properly-executed broker non-vote will be counted as present for purposes of determining whether a quorum is present.

If you hold your shares in a brokerage account, then, under NYSE rules and Maryland law:

With respect to Proposal No. 1 (Election of Directors), your broker, bank or other nominee is not entitled to vote your shares on this matter if no instructions are received from you. Broker non-votes will have no effect on the election of directors.

With respect to Proposal No. 2 (Ratification of Independent Registered Public Accounting Firm), your broker is entitled to vote your shares on this matter if no instructions are received from you.

With respect to Proposal No. 3 (Advisory Resolution on Executive Compensation), your broker, bank or other nominee is not entitled to vote your shares on these matters if no instructions are received from you. Broker non-votes will have no effect on the result of the vote on Proposal No. 3.

Because an abstention is not a vote cast, if you instruct your proxy or broker to "abstain" on any matter, it will have no effect on the vote on any of the matters to be considered at the Annual Meeting. However, you will still be counted as present for purposes of determining whether a quorum is present.

How do I vote? If you plan to attend the Annual Meeting and wish to vote in person, we will give you a ballot at the Annual Meeting. However, if your common stock is held in the name of your broker, bank or other nominee, and you

Edgar Filing: American Assets Trust, Inc. - Form DEF 14A

want to vote in person, you will need to obtain a legal proxy from the institution that holds your common stock.

If your common stock is held in your name, there are three ways for you to authorize a proxy:

If you received a paper copy of the proxy materials by mail, sign and mail the proxy card in the enclosed return envelope;

Call 1-800-690-6903; or

Log on to the Internet at <https://materials.proxyvote.com/024013> and follow the instructions at that site. The web site address for authorizing a proxy by Internet is also provided on your Notice.

Telephone and Internet proxy authorizations will close at 11:59 p.m. (EDT) on June 12, 2013. Unless you indicate otherwise on your proxy card, the persons named as your proxies will vote your shares of common stock: FOR all of the nominees for director named in this Proxy Statement; FOR the ratification of Ernst & Young LLP as our independent registered public accounting firm; and FOR the advisory resolution to approve the Company's executive compensation.

If your common stock is held in the name of your broker, bank or other nominee, you should receive separate instructions from the holder of your common stock describing how to provide voting instructions.

Even if you plan to attend the Annual Meeting, we recommend that you authorize a proxy in advance as described above so that your vote will be counted if you later decide not to attend the Annual Meeting.

Can I revoke my proxy? Yes, if your common stock is held in your name, you can revoke your proxy by:

Filing written notice of revocation before or at our Annual Meeting with our Secretary, at the address shown on the front of this Proxy Statement;

Signing a proxy bearing a later date; or

Voting in person at the Annual Meeting.

Attendance at the Annual Meeting will not, by itself, revoke a property-executed proxy. If your common stock is held in the name of your broker, bank or other nominee, please follow the voting instructions provided by the holder of your common stock regarding how to revoke your proxy.

What happens if additional matters are presented at the Annual Meeting? Other than the three proposals described in this Proxy Statement, we are not aware of any business that may properly be brought before the Annual Meeting. If any other matters are properly introduced for a vote at the Annual Meeting and if you properly authorize a proxy, the persons named as proxy holders will vote in their discretion on any such additional matters. As of the date of this Proxy Statement, our Board is not aware of any other individual who may properly be nominated for election as a director at the Annual Meeting or of any nominee who is unable or unwilling to serve as director. If any nominee named in this proxy statement is unwilling or unable to serve as a director, our Board may nominate another individual for election as a director at the Annual Meeting, and the persons named as proxy holders will vote for the election of any substitute nominee.

Who pays for this proxy solicitation? We will bear the expense of preparing, printing and mailing this proxy statement and the proxies we solicit. Proxies may be solicited by mail, telephone, personal contact and electronic means and may also be solicited by directors and officers in person, by the Internet, by telephone or by facsimile transmission, without additional remuneration.

We will also request brokerage firms, banks, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of shares of our common stock as of the record date and will reimburse them for the cost of forwarding the proxy materials in accordance with customary practice. Your cooperation in promptly voting your shares and submitting your proxy by the Internet or telephone, or by completing and returning the enclosed proxy card (if you received your proxy materials in the mail), will help to avoid additional expense.

Where can I find corporate governance materials? Our Corporate Governance Guidelines and Code of Business Conduct and Ethics and the charters for the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee are published on the Corporate Governance page of the Investor Relations section on our web site at www.americanassetstrust.com. (We are not including the other information contained on, or available through, our web site as a part of, or incorporating such information by reference into, this Proxy Statement.)

INFORMATION ABOUT THE BOARD
 PROPOSAL NO. 1
 NOMINEES FOR ELECTION TO THE BOARD

At the Annual Meeting, our stockholders will elect six directors to serve until our next annual meeting of stockholders and until their respective successors are elected and qualify. In March 2013, Alan D. Gold determined not to stand for re-election as a director of the Company at our 2013 Annual Meeting of Stockholders due to his desire to devote more of his time to other business obligations. In connection with Mr. Gold's decision not to stand for re-election at this year's Annual Meeting of Stockholders, the Board voted to decrease its size from seven to six members and to designate Duane A. Nelles as a member of our Audit Committee, in each case effective as of the date of our 2013 Annual Meeting of Stockholders.

The Board seeks independent directors who represent a mix of backgrounds and experiences that will enhance the quality of the Board's deliberations and decisions. In nominating candidates, the Board considers a diversified membership in the broadest sense, including persons diverse in experience, gender and ethnicity. The Board does not discriminate on the basis of race, color, national origin, gender, religion, disability or sexual preference. Our director nominees were nominated by the Board based on the recommendation of the Nominating and Corporate Governance Committee, or Governance Committee. They were selected on the basis of outstanding achievement in their professional careers, broad experience, personal and professional integrity, their ability to make independent, analytical inquiries, financial literacy, mature judgment, high performance standards, familiarity with our business and industry, and an ability to work collegially. We also believe that all of our director nominees have a reputation for integrity, honesty and adherence to high ethical standards. All nominees are presently directors of American Assets Trust, Inc. and each of the nominees has consented, if elected as a director, to serve until his term expires.

Your proxy holder will cast your votes for each of the Board's nominees, unless you instruct otherwise. If a nominee is unable to serve as a director, your proxy holder will vote for any substitute nominee proposed by the Board.

The Board of Directors unanimously recommends that the stockholders vote "FOR" the six nominees listed below.

Narrative Disclosure to Director Compensation Table

Non-Employee Director Compensation Program

The compensation program for our non-employee directors is intended to fairly compensate our directors for the time and effort necessary to serve on our Board. Non-employee members of our Board receive a combination of cash and equity-based compensation.

In connection with our initial public offering, in January 2011 our Board of Directors approved a compensation program for our non-employee directors, which consists of annual cash retainers, meeting fees and long-term equity awards.

Cash Compensation. Pursuant to this program, each non-employee director will receive an annual base retainer for his or her services of \$20,000, payable in cash in quarterly installments in conjunction with quarterly meetings of the Board of Directors. In addition, each non-employee director who serves as the chair of the Audit, Compensation or Governance Committees will receive an additional annual cash retainer of \$10,000, \$5,000 or \$5,000, respectively. Directors also receive additional cash consideration equal to \$1,500 for each board meeting attended in person, \$750 for each telephonic board meeting, \$1,000 for each committee meeting attended in person and \$500 for each telephonic committee meeting. Directors are permitted to elect to receive these cash amounts in the form of fully vested shares of our common stock.

We reimburse each of our directors for his travel expenses incurred in connection with his attendance at full Board and committee meetings.

Equity Compensation. Each of our non-employee directors is eligible to receive automatic grants of restricted stock under our 2011 Equity Incentive Award Plan, or our 2011 Plan. On the date of each annual meeting of stockholders, each non-employee director who continues to serve on our Board of Directors following such annual meeting will be granted an award of restricted stock with a value equal to \$40,000, based on the closing price of our common stock on the date of such grant. These awards of restricted stock will vest ratably as to one-third of the shares subject to each grant on each of the first three anniversaries of the date of grant, subject to the director's continued service on our Board of Directors. All awards of restricted stock granted to each non-employee director will vest in full upon a change in control (as defined in the 2011 Plan). On July 10, 2012, the date of our 2012 Annual Meeting of Stockholders, we granted each of our non-employee directors 1,603 restricted shares of our common stock pursuant to our 2011 Plan.

BOARD STRUCTURE, LEADERSHIP AND RISK MANAGEMENT

We have structured our corporate governance in a manner we believe closely aligns our interests with those of our stockholders. Notable features of our corporate governance structure include the following:

- our Board of Directors is not staggered, with each of our directors subject to re-election annually;
- of the seven persons who currently serve on our Board of Directors, our Board of Directors has determined that five, or 71%, of such directors satisfy the listing standards for independence of the NYSE and Rule 10A-3 under the Securities Exchange Act of 1934, as amended, or the Exchange Act and our Board of Directors has similarly determined that of the six persons who we expect to continue serving on our Board of Directors given Mr. Gold's determination not to stand for re-election this year, four, or 67%, satisfy such standards;
- at least one of our directors qualifies as an "audit committee financial expert" as defined by the SEC;
- we have opted out of the control share acquisition statute in the Maryland General Corporation Law, or MGCL, and the business combination provisions of the MGCL; and
- we do not have a stockholder rights plan.

Our directors stay informed about our business by attending meetings of our Board of Directors and its committees and through supplemental reports and communications. Our independent directors meet regularly in executive sessions without the presence of our corporate officers or non-independent directors.

Our Board of Directors is currently chaired by Mr. Rady, our Executive Chairman. Our Board of Directors believes that Mr. Rady's service as our Executive Chairman is in the best interests of our Company and our stockholders because Mr. Rady possesses detailed and in-depth knowledge of the issues, opportunities and challenges we face, and because he is the person best positioned to develop agendas that ensure that our Board of Directors' time and attention is focused on the most critical matters. Our Board of Directors believes that his role as Executive Chairman enables decisive leadership, ensures clear accountability and enhances our ability to communicate our message and strategy clearly and consistently to stockholders, employees and tenants.

EXECUTIVE SESSIONS OF NON-MANAGEMENT DIRECTORS

Our non-management, independent directors meet without management present each time the full Board convenes for a regularly scheduled meeting. If the Board convenes for a special meeting, the non-management, independent directors will meet in executive session if circumstances warrant. One non-management, independent director will preside as chair over each executive session of the Board that is held without management present; and such non-management, independent director will preside at all meetings of the Board at which our Executive Chairman is not present.

The position of chair of the executive sessions of the Board will be rotated quarterly among each of the non-management, independent directors in last-name alphabetical order. The current presiding non-management, independent director and additional information on the Board's executive sessions as described in our Corporate Governance Guidelines can be found at the Investor Relations / Corporate Governance link of our website at www.americanassetstrust.com. (The Company's web site address provided above and elsewhere in this Proxy Statement is not intended to function as a hyperlink, and the information on the Company's web site is not and should not be considered, part of this Proxy Statement and is not incorporated by reference herein.)

The Board welcomes communications from stockholders. For information on how to communicate with our independent directors, please refer to the information set forth under the heading "Communications with the Board."

BOARD MEETINGS

The Board held five regularly scheduled and special meetings in 2012 to review significant developments, engage in strategic planning, and act on matters requiring Board approval. Each incumbent director attended an aggregate of at least 75 percent of the Board meetings, and the meetings of committees on which he served, in 2012.

BOARD COMMITTEES

Our Board of Directors has established three standing committees: an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. The principal functions of each committee are briefly described below. We comply with the listing requirements and other rules and regulations of the NYSE, as amended or modified from time to time, with respect to each of these committees and each of these committees is comprised exclusively of independent directors. Additionally, our Board of Directors may from time to time establish other committees to facilitate the management of our company.

Audit Committee

Our Audit Committee consists of three of our independent directors. We have determined that the Chairperson of our Audit Committee qualifies as an "audit committee financial expert" as that term is defined by the applicable SEC regulations and NYSE corporate governance listing standards. Our Board of Directors has determined that each of the Audit Committee members is "financially literate" as that term is defined by the NYSE corporate governance listing standards. We have adopted an Audit Committee charter, which details the principal functions of the Audit Committee, including oversight related to:

- our accounting and financial reporting processes;
- the integrity of our consolidated financial statements and financial reporting process;
- our systems of disclosure controls and procedures and internal control over financial reporting;
- our compliance with financial, legal and regulatory requirements;
- the evaluation of the qualifications, independence and performance of our independent registered public accounting firm;
- the performance of our internal audit function; and

our overall risk profile.

8

The Audit Committee is also responsible for engaging an independent registered public accounting firm, reviewing with the independent registered public accounting firm the plans and results of the audit engagement, approving professional services provided by the independent registered public accounting firm, including all audit and non-audit services, reviewing the independence of the independent registered public accounting firm, considering the range of audit and non-audit fees and reviewing the adequacy of our internal accounting controls. The Audit Committee also prepares the Audit Committee report required by SEC regulations to be included in our annual proxy statement. Mr. Finger is chairperson, as well as our Audit Committee Financial Expert and Messrs. Gold and Olinger are current members of the Audit Committee. During 2012, the Audit Committee met a total of four times. Upon his re-election to the Board, Mr. Nelles will replace Mr. Gold on the Audit Committee, effective as of our Annual Meeting.

Compensation Committee

Our Compensation Committee consists of three of our independent directors. We adopted a Compensation Committee charter, which details the principal functions of the Compensation Committee, including:

- reviewing and approving on an annual basis the corporate goals and objectives relevant to our Chief Executive Officer's compensation, evaluating our Chief Executive Officer's performance in light of such goals and objectives and determining and approving the remuneration of our Chief Executive Officer based on such evaluation;
- reviewing and approving the compensation of all of our other executive officers;
- reviewing our executive compensation policies and plans;
- implementing and administering our incentive compensation equity-based remuneration plans;
- assisting management in complying with our proxy statement and annual report disclosure requirements;
- producing a report on executive compensation to be included in our annual proxy statement; and
- reviewing, evaluating and recommending changes, if appropriate, to the remuneration for directors.

The Compensation Committee may delegate its responsibilities to a subcommittee of the Compensation Committee, provided that such responsibilities do not pertain to matters involving executive compensation or certain matters determined to involve compensation intended to comply with Section 162(m) of the Internal Revenue Code of 1986, as amended. Dr. Sullivan is chairperson and Messrs. Finger and Nelles are members of the Compensation Committee. During 2012, the Compensation Committee met a total of nine times.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee, or Governance Committee, consists of three of our independent directors. We adopted a Nominating and Corporate Governance Committee charter, which details the principal functions of the Governance Committee, including:

- identifying and recommending to the full Board of Directors qualified candidates for election as directors and recommending nominees for election as directors at the annual meeting of stockholders;
- developing and recommending to the Board of Directors corporate governance guidelines and principles and implementing and monitoring such guidelines and principles;
- reviewing and making recommendations on matters involving the general operation of the Board of Directors, including Board size and composition, and committee composition and structure;
- recommending to the Board of Directors nominees for each committee of the Board of Directors;
- annually facilitating the assessment of the Board of Directors' performance as a whole and of the individual directors, as required by applicable law, regulations and the NYSE corporate governance listing standards; and
- overseeing the Board of Directors' evaluation of the performance of management.

Mr. Nelles is chairperson and Dr. Sullivan and Mr. Olinger are members of the Governance Committee. During 2012, our Governance Committee met a total of two times.

AUDIT COMMITTEE REPORT

The information contained in this Report of the Audit Committee shall not be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended (the "Securities Act") or the Exchange Act, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing (except to the extent that we specifically incorporate this information by reference) and shall not otherwise be deemed "soliciting material" or "filed" with the SEC or subject to Regulation 14A or 14C, or to the liabilities of Section 18 of the Exchange Act (except to the extent that we specifically incorporate this information by reference).

Although the Audit Committee of the Board of Directors (the "Audit Committee") oversees the financial reporting process of American Assets Trust, Inc., a Maryland corporation (the "Company"), on behalf of the Board of Directors (the "Board") of the Company, consistent with the Audit Committee's written charter, management has the primary responsibility for preparation of the Company's consolidated financial statements in accordance with generally accepted accounting principles and the reporting process, including disclosure controls and procedures and the system of internal control over financial reporting. The Company's independent registered public accounting firm is responsible for auditing the annual financial statements prepared by management.

The Audit Committee has reviewed and discussed with management and the Company's independent registered public accounting firm, Ernst & Young LLP, our December 31, 2012 audited financial statements. Prior to the commencement of the audit, the Audit Committee discussed with the Company's management and independent registered public accounting firm the overall scope and plans for the audit. Subsequent to the audit and each of the quarterly reviews, the Audit Committee discussed with the independent registered public accounting firm, with and without management present, the results of their examinations or reviews, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of specific judgments and the clarity of disclosures in the consolidated financial statements.

In addition, the Audit Committee discussed with the independent registered public accounting firm the matters required to be discussed by Statements on Auditing Standards No. 61, "Communication with Audit Committees," as amended. The Audit Committee has also received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence. The Audit Committee discussed with the independent registered public accounting firm its independence from the Company and considered the compatibility of non-audit services with its independence.

Based upon the reviews and discussions referred to in the foregoing paragraphs, the Audit Committee recommended to the Board that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2012 filed with the Securities and Exchange Commission.

CORPORATE GOVERNANCE

CODE OF BUSINESS CONDUCT AND ETHICS

Our Board of Directors established a code of business conduct and ethics that applies to our officers, directors and employees. Among other matters, our code of business conduct and ethics is designed to deter wrongdoing and to promote:

- honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
- full, fair, accurate, timely and understandable disclosure in our SEC reports and other public communications;
- compliance with applicable governmental laws, rules and regulations;
- prompt internal reporting of violations of the code to appropriate persons identified in the code; and
- accountability for adherence to the code of business conduct and ethics.

Any waiver of the code of business conduct and ethics for our executive officers or directors must be approved by a majority of our independent directors, and any such waiver shall be promptly disclosed as required by law or NYSE regulations.

The Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee charters, along with the Code of Business Conduct and Ethics and Corporate Governance Guidelines, are available at the Corporate Governance section of the Investor Relations page on our web site at www.americanassetstrust.com. In addition, these documents also are available in print to any stockholder who requests a copy from our Investor Relations Department at American Assets Trust, Inc., 11455 El Camino Real, Suite 200, San Diego, California 92130, or by email at info@americanassets.com. In accordance with the Corporate Governance Guidelines, the Governance Committee oversees an annual assessment by the Board of the Board's performance. The Governance Committee is responsible for establishing the evaluation criteria and implementing the process for such evaluation, as well as considering other corporate governance principles that may, from time to time, merit consideration by the Board. (The Company's web site address provided above and elsewhere in this Proxy Statement is not intended to function as a hyperlink, and the information on the Company's web site is not, and should not be considered part of this Proxy Statement and is not incorporated by reference herein.)

ROLE OF THE BOARD IN RISK OVERSIGHT

One of the key functions of our Board of Directors is informed oversight of our risk management process. Our Board of Directors administers this oversight function directly, with support from its three standing committees, the Audit Committee, the Governance Committee and the Compensation Committee, each of which addresses risks specific to their respective areas of oversight. In particular, our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. The Audit Committee also monitors compliance with legal and regulatory requirements, in addition to oversight of the performance of our internal audit function.

Our Governance Committee monitors the effectiveness of our Corporate Governance Guidelines, including whether they are successful in preventing illegal or improper liability-creating conduct.

Our Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Since January 2012, there have been no insider participations or compensation committee interlocks of the Compensation Committee. At all times since January 2012, the Compensation Committee has been comprised solely of independent, non-employee directors.

COMMUNICATIONS WITH THE BOARD

Stockholders and other interested parties may write to the entire Board or any of its members at American Assets Trust, Inc., c/o Adam Wyll, Senior Vice President, General Counsel and Secretary, 11455 El Camino Real, Suite 200, San Diego, California 92130. Stockholders and other interested parties also may e-mail the Chairperson, the entire Board or any of its members c/o awyll@americanassets.com, or otherwise e-mail all of our independent directors c/o independentdirectors@americanassets.com. The Board may not be able to respond to all stockholder inquiries directly.

Therefore, the Board has developed a process to assist it with managing inquiries.

The General Counsel will perform a legal review in the normal discharge of his duties to ensure that communications forwarded to the Executive Chairman, the Board or any of its members preserve the integrity of the process. While the Board oversees management, it does not participate in day-to-day management functions or business operations, and is not normally in the best position to respond to inquiries with respect to those matters. For example, items that are unrelated to the duties and responsibilities of the Board such as spam, junk mail and mass mailings, ordinary course disputes over fees or services, personal employee complaints, business inquiries, new product or service suggestions, resumes and other forms of job inquiries, surveys, business solicitations or advertisements will not be forwarded to the Executive Chairman or any other director. In addition, material that is unduly hostile, threatening, illegal or similarly unsuitable will not be forwarded to the Executive Chairman or any other director and will not be retained. Such material may be forwarded to local or federal law enforcement authorities.

Any communication that is relevant to the conduct of our business and is not forwarded will be retained for one year and made available to the Executive Chairman and any other independent director on request. The independent directors grant the General Counsel discretion to decide what correspondence will be shared with our management and specifically instruct that any personal employee complaints be forwarded to our Human Resources Department. If a response on behalf of the Board is appropriate, we gather any information and documentation necessary for answering the inquiry and provide the information and documentation as well as a proposed response to the appropriate directors. We also may attempt to communicate with the stockholder for any necessary clarification. Our General Counsel (or his designee) reviews and approves responses on behalf of the Board in consultation with the applicable director, as appropriate.

Certain circumstances may require that the Board depart from the procedures described above, such as the receipt of threatening letters or e-mails or voluminous inquiries with respect to the same subject matter. Nevertheless, the Board considers stockholder questions and comments important, and endeavors to respond promptly and appropriately.

NOMINATION PROCESS FOR DIRECTOR CANDIDATES

The Governance Committee is, among other things, responsible for identifying and evaluating potential candidates and recommending candidates to the Board for nomination. The Governance Committee is governed by a written charter, a copy of which is available at the Corporate Governance section of the Investor Relations page of our web site at www.americanassetstrust.com. (The Company's web site address provided above and elsewhere in this Proxy Statement is not intended to function as a hyperlink, and the information on the Company's web site is not, and should not be considered part of this Proxy Statement and is not incorporated by reference herein.)

The Governance Committee regularly reviews the composition of the Board and whether the addition of directors with particular experiences, skills, or characteristics would make the Board more effective. When a need arises to fill a vacancy, or it is determined that a director possessing particular experiences, skills, or characteristics would make the Board more effective, the Governance Committee initiates a search. As a part of the search process, the Governance Committee may consult with other directors and members of senior management, and may hire a search firm to assist in identifying and evaluating potential candidates.

When considering a candidate, the Governance Committee reviews the candidate's experiences, skills, and characteristics. The Governance Committee also considers whether a potential candidate would otherwise qualify for membership on the Board, and whether the potential candidate would likely satisfy the independence requirements of the NYSE as described below.

Candidates are selected on the basis of outstanding achievement in their professional careers, broad experience, personal and professional integrity, their ability to make independent, analytical inquiries, financial literacy, mature judgment, high performance standards, familiarity with our business and industry, and an ability to work collegially. Other factors include having members with various and relevant career experience and technical skills, and having a Board that is, as a whole, diverse. Where appropriate, we will conduct a criminal and background check on the candidate. In addition, at least a majority of the Board must be independent as determined by the Board under the guidelines of the NYSE listing standards, and at least one member of the Board should have the qualifications and skills necessary to be considered an “Audit Committee Financial Expert” under Section 407 of the Sarbanes-Oxley Act of 2002 (“Sarbanes-Oxley Act”), as defined by the rules of the SEC.

All potential candidates are interviewed by the Executive Chairman of the Board and Governance Committee Chairperson, and, to the extent practicable, the other members of the Governance Committee, and may be interviewed by other directors and members of senior management as desired and as schedules permit. In addition, the General Counsel conducts a review of the director questionnaire submitted by the candidate and, as appropriate, a background and reference check is conducted. The Governance Committee then meets to consider and approve the final candidates, and either makes its recommendation to the Board to fill a vacancy, or add an additional member, or recommends a slate of candidates to the Board for nomination for election to the Board. The selection process for candidates is intended to be flexible, and the Governance Committee, in the exercise of its discretion, may deviate from the selection process when particular circumstances warrant a different approach.

Stockholders may recommend candidates to our Board. The stockholder must submit a detailed resume of the candidate and an explanation of the reasons why the stockholder believes the candidate is qualified for service on our Board of Directors and how the candidate satisfies the Board's criteria. The stockholder must also provide such other information about the candidate as is set forth in our Bylaws and as would be required by the SEC rules to be included in a proxy statement. In addition, the stockholder must include the consent of the candidate and describe any arrangements or undertakings between the stockholder and the candidate regarding the nomination. The stockholder must submit proof of stockholdings in American Assets Trust, Inc. All communications are to be directed to the chair of the Governance Committee, c/o American Assets Trust, Inc., 11455 El Camino Real, Suite 200, San Diego, California 92130, Attention: General Counsel. For any annual meeting, recommendations received after 120 days prior to the anniversary of the date of the proxy statement for the prior year's annual meeting will likely not be considered timely for consideration by the Governance Committee for that annual meeting.

AUDIT COMMITTEE FINANCIAL EXPERTS

Our Board has determined that Mr. Finger qualifies as an “audit committee financial expert,” as this term has been defined by the SEC in Item 407(d)(5)(ii) of Regulation S-K. Messrs. Finger, Gold and Olinger were each determined by our Board to be “financially literate” in accordance with SEC rules, including based on their prior experience. Mr. Gold has extensive experience in real estate investment and management and holds a Bachelor of Science Degree in Business Administration and a Master of Business Administration. Our Board has also determined that Mr. Nelles, who is replacing Mr. Gold as a member of our Audit Committee, is “financially literate” in accordance with SEC rules, including based on his prior experience.

Our Board determined that Mr. Finger acquired the required attributes for such designation as a result of the following relevant experience, which forms of experience are not listed in any order of importance and were not assigned any relative weights or values by our Board in making such determination:

• Since 2008, Mr. Finger has served as president of Strategic Advisory, Inc., an advisory services company.

• Prior to forming Strategic Advisory, Inc., Mr. Finger served as chief financial officer of Federal Realty Investment Trust from 2002 until 2007. During his tenure at Federal Realty Investment Trust, Mr. Finger also served as executive vice president from 2005 until 2007 and as senior vice president from 2002 until 2005.

These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. Our independent auditors and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date. The Audit Committee may also pre-approve particular services on a case-by-case basis.

OTHER COMPANY PROPOSALS

PROPOSAL NO. 2

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee appointed Ernst & Young LLP as our independent registered public accounting firm to audit our consolidated financial statements for the fiscal year ending December 31, 2013. Pursuant to this appointment, Ernst & Young LLP will serve as our independent registered public accounting firm and report on our consolidated financial statements for the fiscal year ending December 31, 2013.

We expect that representatives of Ernst & Young LLP will attend the Annual Meeting and will have the opportunity to make a statement if they so desire and to respond to appropriate questions.

Although stockholder ratification is not required, the appointment of Ernst & Young LLP is being submitted for ratification at the Annual Meeting with a view towards soliciting stockholders' opinions, which the Audit Committee will take into consideration in future deliberations. If Ernst & Young LLP's selection is not ratified at the Annual Meeting, the Audit Committee will consider the engagement of another independent registered accounting firm. The Audit Committee may terminate Ernst & Young LLP's engagement as our independent registered public accounting firm without the approval of our stockholders whenever the Audit Committee deems termination appropriate.

PROPOSAL NO. 3

ADVISORY APPROVAL OF THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or the Dodd-Frank Act, American Assets Trust, Inc.'s stockholders are entitled to vote at the annual meeting to approve, on an advisory basis, the compensation of the Company's named executive officers as disclosed in this proxy statement pursuant to the compensation disclosure rules of the SEC. Pursuant to the Dodd-Frank Act, the stockholder vote on executive compensation is an advisory recommendation only, and it is not binding on American Assets Trust, Inc. or our Board of Directors.

A majority of the votes cast at the 2012 Annual Meeting of Stockholders were voted in favor of holding the advisory vote on executive compensation on an annual basis and, in accordance with this stockholder preference, our Board has determined that advisory votes on executive compensation will be held on an annual basis.

Although the approval is non-binding, our Compensation Committee and Board of Directors value the opinions of the stockholders and will consider the outcome of the vote when making future compensation decisions. Set forth below is a summary of some of the key points of our 2012 executive compensation program. We urge you to consider the complete discussion of our executive compensation program as discussed in the "Compensation Discussion and Analysis" section of this proxy statement.

As described more fully in the "Compensation Discussion and Analysis" section of this proxy statement, our executive compensation program is designed to attract, retain and motivate individuals with superior ability, experience and leadership capability to deliver on our annual and long-term business objectives necessary to create stockholder value. We urge stockholders to read the "Compensation Discussion and Analysis" section of this proxy statement, which describes in detail how our executive compensation policies and procedures operate and are intended to operate in the future. The Compensation Committee and the Board of Directors believe that our executive compensation program fulfills these goals and is reasonable, competitive and aligned with our performance and the performance of our executives.

We are asking our stockholders to indicate their support for our named executive officer compensation as described in this proxy statement. This proposal, commonly known as a "say-on-pay" proposal, gives our stockholders the opportunity to express their views on our named executive officers' compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. Accordingly, we ask that our stockholders vote "FOR" the following resolution:

"RESOLVED, that American Assets Trust, Inc.'s stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in American Assets Trust, Inc.'s Proxy Statement for the 2013 Annual Meeting of Stockholders, pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the 2012 Summary Compensation Table and the other related tables and disclosures."

Recommendation of the Board of Directors:

Our Board of Directors recommends that stockholders vote "FOR" the advisory approval of the compensation of the named executive officers as disclosed in this proxy statement pursuant to the compensation disclosure rules of the SEC.

OTHER MATTERS

We are not aware of any other matters that may properly be presented at the Annual Meeting. If any other matters are properly raised at the Annual Meeting or at any adjournment or postponement thereof the proxy holders will vote on such matters in their discretion.

Our named executive officers include:

Ernest S. Rady, our Executive Chairman of the Board of Directors,
John W. Chamberlain, our President and Chief Executive Officer,
Robert F. Barton, our Executive Vice President and Chief Financial Officer,
Adam Wyll, our Senior Vice President, General Counsel and Secretary, and
Patrick Kinney, our Senior Vice President of Real Estate Operations.

Executive Summary

Fiscal 2012 — The Year in Review

Our initial executive compensation program was established in connection with our formation transactions and initial public offering in January 2011. This program is primarily comprised of three elements: base salary, annual bonuses and long-term equity incentives. Long-term equity awards are in the form of restricted stock awards which vest over a multi-year vesting period. The restricted stock awards granted to our named executive officers in connection with our initial public offering vest over four years based on continued service.

Since our initial public offering in January 2011, our executive team has focused on the disciplined execution of our business strategy. Our Company's fiscal 2012 accomplishments, guided by our named executive officers, illustrate this focus, which included, among other things, the following:

Investment Activity: In 2012, we closed acquisitions and dispositions in an aggregate amount of approximately \$380 million. Specifically, we acquired "One Beach Street," a three-story, approximately 97,000 square foot renovated historical office building located along the Embarcadero in San Francisco's North Waterfront District; "City Center Bellevue," a 27-story LEED EB Gold certified office tower consisting of approximately 497,000 square feet located in the heart of Bellevue, Washington's Central Business District; and "Geary Marketplace", a newly constructed, approximately 35,000 square foot, 100% leased, grocery-anchored shopping center located in Walnut Creek,

California. Additionally, we sold "160 King Street," a nine-story, approximately 167,000 square foot office building located in San Francisco's South of Market District.

Outperformance. In 2012, our common stock had a return of 40.9% (assuming reinvestment of all dividends) and we significantly outperformed the MSCI US REIT Index which had a return of 17.8% (assuming reinvestment of all dividends).

Financing Activity: We entered into a seven-year, \$21.9 million non-recourse mortgage loan secured by "One Beach Street" at an interest-only rate of 3.94% and we entered into a 10 year, \$111 million non-recourse mortgage loan secured by "City Center Bellevue" at an interest-only rate of 3.98%.

Portfolio: As of December 31, 2012, our operating portfolio was comprised of 23 retail, office, multifamily and mixed-use properties with an aggregate of approximately 5.7 million rentable square feet of retail and office space (including mixed-use retail space), 922 residential units (including 122 RV spaces) and a 369-room hotel.

Additionally, as of December 31, 2012, we owned land at three of our properties that we classified as held for development and two of our properties that we classified as under development.

Financial Results: We achieved funds from operations attributable to common stock and units for 2012 of \$77.5 million, or \$1.35 per diluted share/unit.

Dividends: We declared aggregate dividends in 2012 of \$0.84 per share.

2012 Executive Compensation Actions

For 2012, we did not adopt any formal incentive compensation programs beyond the initial base salaries, target bonuses and restricted stock awards previously established for our named executive officers in connection with our initial public offering. The Compensation Committee took into account a number of factors in making its 2012 compensation decisions, including our financial and operational results and individual performance. In light of these considerations, the Compensation Committee made the following executive compensation decisions with respect to 2012:

Market Appropriate Base Salaries: We seek to provide our named executive officers with competitive cash compensation opportunities in order to provide them with a stable annual income at an appropriate level. The Compensation Committee did not make any further adjustments to the base salary rates in effect for 2012 for our named executive officers, with the exception of Mr. Wyll, who received an increase of \$20,000 to his annual base salary for 2012. Mr. Wyll's annual base salary was recently further increased by an additional \$20,000 for 2013.

Annual Bonuses: The Compensation Committee determined to award annual bonuses to our named executive officers either at target, slightly below target or slightly above target, depending on the named executive officer.

Emphasis on Performance-Based Compensation: A significant portion of each named executive officer's compensation in 2012 has been provided in the form of variable compensation, including annual bonus opportunities. Additionally, the Compensation Committee determined that substantial restricted stock awards were granted to our named executive officers upon completion of our initial public offering in January 2011, subject to multi-year service and performance-based vesting provisions, which were factored into compensation decisions in 2012. Each of these elements are designed to ensure that management maintains a long-term focus that serves the best interests of our company. The performance-based restricted stock awards will become eligible for vesting based on performance relative to pre-established performance objectives, which aligns executive compensation with stockholder interests by tying a significant majority of total direct compensation to the achievement of stockholder returns.

Emphasis on Performance-Based Restricted Stock Awards: Of the initial restricted stock awards granted to our named executive officers in connection with our initial public offering, the majority of such awards become eligible to vest based on our absolute and relative total stockholder return over the three year performance period commencing on the date of the initial public offering.

Executive Compensation Program Overview

Our executive compensation program is administered under the direction of the Compensation Committee of the Board of Directors. The responsibilities of the Compensation Committee are more fully described above under "Board Committees — Compensation Committee."

Objectives of Our Compensation Program

Our compensation program is designed to attract, motivate and retain talented executives that will drive our financial and operational objectives while creating long-term stockholder value. This program is further designed to accomplish the following objectives:

To attract, retain and motivate a high-quality executive management team capable of creating long-term stockholder value;

• To provide compensation opportunities that are competitive with the prevailing market, are rooted in a pay-for-performance philosophy, and create a strong alignment of management and stockholder interests; and

• To achieve an appropriate balance between risk and reward in our compensation programs that does not incentivize unnecessary or excessive risk taking.

Elements of Our Executive Compensation Program

We believe that each of the elements of our executive compensation program plays an important role and together serve to achieve our compensation objectives. The Compensation Committee intends for the executive compensation program overall to be aligned with the following long-term philosophical positioning:

Base Salary: The Compensation Committee intends that annual base salaries for our named executive officers provide a stable annual income at a level that is consistent with the individual executive officer's role and contribution to the Company.

Annual Bonuses: Annual bonus opportunities are intended to link each executive officer's compensation to our overall financial and operating performance, and the officer's individual and business unit performance, for a particular year.

Long-Term Equity Incentive Awards: Long-term equity incentive awards, consisting primarily of restricted stock awards, are intended to further promote retention through time-based and performance-based vesting, to significantly align the financial interests of our executives with those of our stockholders and to encourage actions that maximize long-term stockholder value.

Other Compensation: The named executive officers also are eligible to receive other elements of compensation, including health and retirement benefits, as described below under "Other Benefits." All of these compensation elements are considered by the Compensation Committee in setting the compensation of our named executive officers. To the extent that we provide our named executive officers with any perquisites or benefits beyond those provided to all other employees, such arrangements will be limited in scope and conservative in relation to market practices. We have also entered into employment agreements with each of our named executive officers, which are described below under "— Employment Agreements" and "— Potential Payments Upon Termination or Change in Control."

Allocation of Compensation: The Compensation Committee strives to strike an appropriate balance among base salary, annual bonus and long-term incentives, and it may adjust the allocation of pay in order to facilitate the achievement of our objectives or remain competitive in the market for executive talent. We have not adopted any formal or informal policies or guidelines for allocating compensation between long-term and short-term compensation, between cash and non-cash compensation or among different forms of cash and non-cash compensation. We do not guarantee that any executive will receive a specific market-derived compensation level and actual compensation may be above or below targets based on both company and individual performance.

The compensation levels of the named executive officers reflect to a significant degree their varying roles and responsibilities. Mr. Chamberlain, in his role as President and Chief Executive Officer, has the greatest level of responsibility among our named executive officers and, therefore, receives the highest level of pay. This is also consistent with competitive practices among our peer group companies.

Determination of Compensation Awards

The initial compensation arrangements with our named executive officers were determined in negotiations with each individual executive prior to our initial public offering and based on input from our independent compensation consultants, as described below. In making compensation decisions following our initial public offering, our Compensation Committee will annually review and determine the total compensation to be paid to our executive officers based on our performance and its assessment of the individual performance of our named executive officers, as described below.

Role of Management. Mr. Rady, our Executive Chairman, may make recommendations to the Compensation Committee based on its requests. He also discusses with the Committee members:

- the Company's and its peers' performance,
- the financial and other impacts of proposed compensation changes on our business,
- peer group data, and
- the performance of the other named executive officers, including information on how he evaluates the other executives' individual and business unit performances.

The Compensation Committee also gathers data on the Chief Executive Officer's performance through several channels, including qualitative and quantitative assessments of the Company's performance, discussions with other

members of the management team and discussions with other members of the Board of Directors.

20

The Compensation Committee generally meets without any members of management present, except for Mr. Wyll who serves as secretary for such meetings. To the extent Mr. Rady, Mr. Wyll or any of the other named executive officers attend a Compensation Committee meeting, he does not attend any portion of the Compensation Committee meeting intended to be held without members of management present, or any executive sessions relating to his own compensation.

Competitive Market Data and Compensation Consultants. We previously retained both FPL Associates, L.P. and Semler Brossy Consulting Group LLC, each an independent compensation consultant, in connection with our formation transactions and our initial public offering.

Prior to our initial public offering, both of these consultants provided our initial Board of Directors with advice regarding the initial design of our executive compensation program, including the employment agreements with our named executive officers. While these consultants were involved in advising the Company regarding its initial compensation decisions in connection with the initial public offering, those decisions were not entirely made with regard to competitive market information, but were in large part based on our anticipated resources during our first year of operations and the compensation levels necessary to attract and retain our management team. Due to the fact that we had no operations prior to our initial public offering, those decisions preceding our initial public offering were made by our initial Board of Directors and not the Compensation Committee.

No Conflict of Interest. In 2012, the Compensation Committee again retained Semler Brossy Consulting Group LLC to provide independent compensation advice with respect to providing the Compensation Committee with insight in determining our peer group and an analysis of our named executive officers' compensation as compared to our peer group. After review and consultation with Semler Brossy, the Compensation Committee has determined that there is no conflict of interest resulting from retaining Semler Brossy currently or during the year ended December 31, 2012. In reaching these conclusions, the Compensation Committee considered the factors set forth in Exchange Act Rule 10C-1.

Peer Group. Though our Compensation Committee determined our peer group in 2012, peer group data will be first assessed by the Compensation Committee in evaluating compensation decisions commencing in 2013. The peer group is used to evaluate the competitive pay levels of our named executive officers and to evaluate program design elements. The 2012 peer group established by our Compensation Committee consists of the following 14 public REITs focused primarily on the development, ownership and operation of retail, office, apartment and/or mixed use properties, each having total assets in the range of \$1.1 billion to \$3.5 billion as of August 2012.

Kilroy Realty Corporation	Equity One Inc.	Tanger Factor Outlets Centers Inc.
PS Business Parks Inc.	Glimcher Realty Trust	Washington Real Estate Investment Trust
Hudson Pacific Properties, Inc.	Investors Real Estate Trust	Rouse Properties Inc.
Saul Centers Inc.	Parkway Properties Inc.	Cousins Properties Inc.
Inland Real Estate Corp.	Acadia Realty Trust	

Additionally, the Compensation Committee determined that it will consider the compensation practices of the following five public REITs. However, because compensation levels for many of the following peers are likely to be substantially higher than the peer group listed above, the Compensation Committee will limit the use of direct compensation data for the following peers when assessing market practices.

Boston Properties Inc.	DDR Corp	Douglas Emmett Inc.
Regency Centers Corporation	Federal Realty Investment Trust	

While the REITs included in our peer group may not be in direct competition with the Company, we believe that our peer group is representative of our market for executive talent.

Elements of Executive Officer Compensation

The Compensation Committee does not seek to benchmark compensation based upon the peer group reviewed nor does the Compensation Committee currently employ any formulaic process in making compensation decisions. Rather, the Compensation Committee uses its subjective judgment based upon a review of all information, including an annual review for each named executive officer of his level of responsibility, contributions to our financial results and our overall performance. The Compensation Committee makes a generalized assessment of these factors and this information is not weighted in any specific manner.

Base Salary

The initial base salary for each named executive officer is provided in the employment agreement between the Company, American Assets Trust, L.P., and such officer, as described below under “— Employment Agreements,” subject to annual increases in the discretion of the Board of Directors or the Compensation Committee. In determining base salary increases, the Compensation Committee will consider each executive officer's individual performance and business unit performance, as well as the Company's overall performance, market conditions and competitive salary information. With the exception of Mr. Wyll, who received a \$20,000 increase to his annual base salary effective for 2012, and recently received another \$20,000 increase to his annual base salary effective for 2013, no adjustments have been made to the base salaries of our named executive officers since our initial public offering.

Cash Bonuses

Our named executive officers are eligible to earn discretionary annual cash bonuses based on our Company's and each named executive officer's individual performance, as determined by our Compensation Committee. Eligibility to receive these cash bonuses incentivizes our named executive officers to strive to perform at their highest levels and further our interests and the interests of our stockholders. The amounts of any discretionary cash bonuses are determined each year by our Compensation Committee after taking into account individual and company-wide performance.

Each named executive officer's annual target bonus is set forth in his employment agreement. Such annual target bonus and 2012 actual cash bonus percentage for each named executive officer is as follows:

Executive	Target Bonus (% Base Salary)	2012 Bonus (% Base Salary)
John W. Chamberlain	125%	116%
Robert F. Barton	100%	86%
Adam Wyll	50%	55%
Patrick Kinney	40%	40%

The Compensation Committee conducted a comprehensive evaluation of corporate and individual performance in 2012 for purposes of determining discretionary cash bonuses. Mr. Rady conducted a subjective assessment of each other named executive officer's individual performance, which reflected each named executive's contribution to the achievement of the Company performance criteria described above. Based upon the Compensation Committee's performance evaluation and the relative roles and responsibility for our named executive officers, the Compensation Committee approved the cash performance bonuses for the named executive officers for 2012 reflected in the “Summary Compensation Table.” Though Mr. Rady was not eligible for an annual bonus in 2011, Mr. Rady was eligible for, and received, a discretionary cash bonus in 2012 as reflected in the “Summary Compensation Table.” Mr. Rady will continue to remain eligible for an annual cash bonus.

These discretionary bonuses were not determined based on the attainment of any particular individual or company-level performance goal(s) or the application of any benchmarking or formula(e) except that the

Compensation Committee considered it important to recognize and factor into bonus levels the fact that the total return of the Company's stock significantly outperformed the MSCI US REIT Index in 2012. The Compensation Committee considered all of the factors described above as applied to each named executive officer, and made a subjective determination as to the appropriate bonus level based on that information, considered in light of the Compensation Committee's collective experience regarding appropriate compensation and bonus levels.

Long-Term Equity Incentive Awards

Long-term equity incentives are provided to our named executive officers through grants of restricted stock by the Compensation Committee pursuant to the 2011 Plan, as further described below. Subject to the terms of the 2011 Plan, the Compensation Committee, as plan administrator, has the discretion to determine both the recipients of awards and the terms and provisions of such awards, including the applicable exercise or purchase price, expiration date, vesting schedule and terms of exercise. The 2011 Plan is subject to certain limitations on the maximum number of shares granted or cash awards payable in any calendar year.

We intend that grants of long-term incentive awards will be designed to increase our named executive officers' stock ownership in our company, to directly align employee compensation with the interests of our stockholders and to encourage actions that maximize long-term stockholder value. We expect that future grants of our long-term incentive awards will generally vest over several years, thereby providing an incentive for the grantee to remain with American Assets Trust, Inc. Dividends will be paid on the entirety of the grant from the date of the grant. We do not coordinate the timing of equity award grants with the release of material non-public information nor do we time the release of material non-public information for purposes of affecting the value of executive compensation.

2011 Long-Term Equity Incentive Awards. In January 2011, upon the completion of and in connection with our initial public offering, we made grants of restricted common stock to our named executive officers (other than Mr. Rady), pursuant to the terms of their employment agreements. These awards under the 2011 Plan were granted to recognize such individuals' efforts on our behalf in connection with our formation and the initial public offering. These awards were intended to enable our named executive officers to establish an initial meaningful equity stake in our company that would vest over a period of years based on a combination of continued service and performance relative to pre-established objectives. The size and vesting terms of these initial awards were determined by our initial Board of Directors after an assessment of appropriate levels of initial ownership and incentive compensation based on its review of market data and recommendations provided by our independent compensation consultant and its experience in setting compensation levels, without reliance on any formal benchmarking process. These awards are reflected in the "Grants of Plan-Based Awards" table below.

2011 Time-Based Awards. The restricted stock awards initially granted to our named executive officers that are subject to time-based vesting will vest, based on continued employment, in two substantially equal installments on each of the third and fourth anniversaries of the date of grant.

2011 Performance-Based Awards. The performance-based restricted stock awards initially granted to our named executive officers were designed to provide the named executive officers with the potential to earn equity awards subject to the Company creating stockholder value over a three-year performance period commencing with the date of our initial public offering. The inclusion of performance-based awards in our annual equity award program reflects the Compensation Committee's desire to have a higher portion of each named executive officer's compensation tied to increasing stockholder value. It also supports our pay for performance philosophy by placing more emphasis on the incentive components of pay.

2011 Performance Hurdles. The vesting of the restricted stock awards subject to performance-based vesting set forth above is based on the achievement of absolute and relative total stockholder return hurdles over a three-year performance period, commencing on the date of completion of our initial public offering, which hurdles were established by our initial Board of Directors and set forth in the applicable award agreements. Threshold, target and maximum achievement levels were established and each named executive officer will vest in the shares based on performance relative to these objectives. Full vesting credit will be given for achievement at or above the maximum targeted level and no vesting credit will be given for achievement below the threshold level. To achieve full vesting of this stock, the Company needs to achieve a compounded annualized total stockholder return of 12% annually during the three-year performance period and a compounded annualized total stockholder return with respect to the three-year performance period that equals or exceeds 2.0% greater than the compounded annualized total stockholder return of the MSCI US REIT Index. Vesting will be calculated on a linear basis for performance between the threshold and

maximum performance target levels.

Following the completion of the three-year performance period for the performance-based restricted stock awards initially granted to our named executive officers, our Compensation Committee will determine the number of shares to which an executive will be entitled based on our performance relative to the performance hurdles set forth in the executive's initial award agreement. These shares will then vest in two substantially equal installments, with the first installment vesting on the third anniversary of the date of grant and the second installment vesting on the fourth anniversary of the date of grant, subject to the executive's continued employment on those dates.

The following table lists the time-based and performance-based vesting restricted stock awards granted to our named executive officers (other than Mr. Rady) upon the completion of our initial public offering and the years in which such awards may vest. The shares subject to the performance-based restricted stock awards below represent the maximum number of shares subject to

23

such awards that may vest, assuming the highest performance hurdles are achieved and all of the shares subject to such awards ultimately vest.

Executive	Year	Time Vesting Restricted Stock	Performance Vesting Restricted Stock

	2013	—	—
	2014	45,000	67,500

	2015	33,750	50,625

	2013	—	—
	2014	9,000	13,500
	2015	9,000	13,500

At its discretion, the Compensation Committee may grant additional long-term incentive awards to the named executive officers in 2013, and beyond, consistent with the compensation philosophy of the Company.

Other Benefits

We provide benefits such as medical, dental and life insurance and disability coverage for all of our employees, including our named executive officers. We also provide personal paid time off and other paid holidays to all employees, including the named executive officers. We believe that our employee benefit plans are an appropriate element of compensation and are necessary to attract and retain employees.

401(k) Plan

We maintain a retirement savings plan under section 401(k) of the Internal Revenue Code of 1986, as amended, or the Code, to cover our eligible employees. The Code allows eligible employees to defer a portion of their compensation, within prescribed limits, on a pre-tax basis through contributions to the 401(k) plan. We currently match each eligible participant's contributions, within prescribed limits, with an amount equal to 100.0% of such participant's initial 5.0% of tax-deferred contributions. In addition, we reserve the right to make additional discretionary contributions on behalf of eligible participants.

Employment Agreements

In order to specify our expectations with regard to our named executive officers' duties and responsibilities and to provide greater certainty with regard to the amounts payable to our named executive officers in connection with certain terminations or change in control events, our initial Board of Directors has approved and we have entered into employment agreements with each of our executive officers that became effective as of the date of our initial public offering, which are described in more detail under “— Employment Agreements” and “— Potential Payments Upon Termination or Change in Control” below.

Insider Trading, Anti-Hedging Policies and Clawback

Our insider trading policies contain stringent restrictions on transactions in Company stock by executive officers and directors. All trades by executive officers and directors must be pre-cleared with our General Counsel. Furthermore, no executive officer or director may engage in any hedging transactions with respect to any equity securities of the

Company held by them, whether vested or unvested, which includes the purchase of any financial instrument (including puts and call options) designed to hedge or offset any decrease in the market value of such equity securities.

We do not currently have any “clawback” or other compensation recovery policy with respect to compensation that may have been paid on the basis of incorrect financial results. We do expect to evaluate such policies in the future to comply with the terms of the Dodd-Frank Act.

2011 Equity Incentive Award Plan

We have adopted the 2011 Plan, which became effective immediately prior to the completion of our initial public offering. Our 2011 Plan provides for the grant to employees and consultants of our Company and our operating partnership (and their respective subsidiaries) and directors of our Company of stock options, restricted stock, stock appreciation rights, LTIP units, dividend equivalents, restricted stock units and other stock-based awards. Only employees of our Company and its qualifying subsidiaries are eligible to receive incentive stock options under our 2011 Plan. We have reserved a total of 4,054,411 shares of our common stock for issuance pursuant to the 2011 Plan, subject to certain adjustments as set forth in the 2011 Plan. As of December 31, 2012, 633,222 shares of restricted stock had been granted and 3,421,189 shares remained available for future grants under the 2011 Plan.

Tax Deductibility of Executive Compensation

The Compensation Committee considers the anticipated tax treatment to the Company and the named executive officers in its review and establishment of compensation programs and payments. The deductibility of some types of compensation payments can depend upon the timing of the executive's vesting or exercise of previously granted rights. Interpretations of and changes in applicable tax laws and regulations as well as other factors beyond the Committee's control also can affect deductibility of compensation. The Committee's general policy is to maintain flexibility in compensating named executive officers in a manner designed to promote varying corporate goals. Accordingly, the Compensation Committee has not adopted a policy that all compensation must be deductible.

Accounting Standards

ASC Topic 718, Compensation-Stock Compensation (referred to as ASC Topic 718 and formerly known as FASB 123R), requires us to recognize an expense for the fair value of equity-based compensation awards. Grants of equity awards under our 2011 Plan will be accounted for under ASC Topic 718. Our Compensation Committee will regularly consider the accounting implications of significant compensation decisions, especially in connection with decisions that relate to our equity plans and programs. As accounting standards change, we may revise certain programs to appropriately align accounting expenses of our equity awards with our overall executive compensation philosophy and objectives.

Summary Compensation Table

The table below summarizes the total compensation paid or earned by each of our named executive officers for the fiscal years ended December 31, 2012 and December 31, 2011.

(1) For 2011, represents actual base salary paid commencing with our initial public offering on January 19, 2011 and ending December 31, 2011.

(2)

Amounts in 2011 reflect the aggregate grant-date fair value of restricted stock awards granted to each of our named executive officers upon the completion of our initial public offering in January 2011, computed in accordance with ASC Topic 718. We recognize compensation expense for these shares on a straight-line basis over the vesting period based on the fair value of the award on the date of grant. For information regarding the assumptions made in connection with the calculation of these amounts with respect to the restricted stock awards the vesting of which is time-based, please see Note 10 to our consolidated financial statements included in our Annual Report on Form 10-K.

With respect to the restricted stock awards the vesting of which is performance-based, the performance objectives applicable to those awards are entirely market-based. We use a Monte Carlo simulation model to value these performance-based restricted stock awards based upon the then-probable outcome of the performance objectives at the time of grant. Our model estimates the fair value of the awards based on our data and that of the MSCI US REIT Index. Based on the performance objectives and these capital markets assumptions, the performance-based restricted stock awards were valued using the Monte Carlo model at \$13.11 per share.

(3) Represents above-market interest (interest in excess of 120% of the federal long-term rate) on compensation deferred on a basis that is not tax-qualified.

For additional information regarding our executive deferred compensation plans, please see "Executive Deferred Compensation Plans" below.

(4) All other compensation represents 401(k) matching contributions, dividends on unvested restricted stock, PTO pay-out and auto allowance. PTO pay-out represents accrued paid time off, or PTO, in which the executive received cash from the Company in return for a reduction of accrued PTO. Other compensation for 2012 is as follows:

Name	401(K) Matching Contributions	Dividends Paid on Unvested Stock	PTO Pay-out	Auto Allowance	Total Other Compensation
Ernest S. Rady	\$—	\$—	\$—	\$—	\$—

Patrick Kinney	18,000	502,740	27,000	754,110

The restricted stock awards vest, based on continued employment, in two substantially equal installments on each (1) of the third and fourth anniversaries of the date of grant. Dividends are paid on the entirety of the grant from the date of the grant.

Market value has been calculated as the closing market price of our common stock at December 31, 2012, the last (2) trading day of 2012, of \$27.93, multiplied by the outstanding shares of unvested restricted stock for each named executive officer.

These shares represent the maximum number of shares subject to the restricted stock awards the vesting of which is performance-based that may become eligible for vesting based on performance relative to the applicable performance objectives during the three year performance period beginning on the date of our initial public offering. If the maximum number of shares to which an executive will be entitled based on our performance (3) relative to the performance hurdles set forth in the executive's award agreement become eligible for vesting following the completion of the performance period, these shares will then vest in two substantially equal installments, with the first installment vesting on the third anniversary of the date of grant and the second installment vesting on the fourth anniversary of the date of grant, subject to the executive's continued employment on those dates, based on continued employment, in two substantially equal installments on each of the third and fourth anniversaries of the date of grant. Dividends are paid on the entirety of the grant from the date of the grant.

Stock Vested

None of the restricted stock held by our named executive officers vested during the fiscal year ended December 31, 2012.

Employment Agreements

We have entered into employment agreements with each of our named executive officers, effective as of the date of our initial public offering. We believe that the protections contained in these employment agreements help to ensure the day-to-day stability necessary to our executives to enable them to properly focus their attention on their duties and responsibilities with the Company and will provide security with regard to some of the most uncertain events relating to continued employment, thereby limiting concern and uncertainty and promoting productivity. The following is a summary of the material terms of the agreements.

Under the agreements, Messrs. Rady and Chamberlain report directly to the Board, while the other executives report to our President and Chief Executive Officer. The initial term of the employment agreements will end on the third anniversary of the closing of our initial public offering in January 2014. On that date and on each subsequent anniversary of that date, the term of the employment agreements will automatically be extended for successive one year periods, unless earlier terminated. Pursuant to Messrs. Rady and Chamberlain's employment agreements, during the terms of their employment, we will nominate each for election as a director.

Under the employment agreements, the named executive officers receive initial annual base salaries in the amounts reflected in the "Summary Compensation Table" above, which are subject to increase at the discretion of our Compensation Committee. In addition, the named executive officers will each be eligible to receive an annual cash performance bonus, the amount of which will be determined, for all named executive officers except for Mr. Rady based on the attainment of performance criteria established by our Compensation Committee. The target bonuses for the named executive officers (other than Mr. Rady) are set forth above under "— Elements of Executive Officer Compensation — Cash Bonuses." In connection with entering into the employment agreements, each of our named executive officers (other than Mr. Rady) was also granted a "founders" award of restricted shares of our common stock as described above under "— Elements of Executive Officer Compensation — Equity Awards." In addition, the named executive officers are eligible to participate in customary health, welfare and fringe benefit plans, and will accrue up to five weeks of paid vacation per year.

Under the employment agreements, if a named executive officer's employment is terminated by the Company without "cause" or by the executive for "good reason" (each, as defined in the employment agreements) then, in addition to accrued amounts and any earned but unpaid bonuses, the executive will be entitled to receive the following:

- a lump-sum payment in an amount equal to two times the sum of (i) the executive's annual base salary then in effect, (ii) the highest annual bonus earned by the executive during the employment term and (iii) the highest value of any annual equity award(s) made to the executive during the employment term (not including the initial grant of restricted stock described above made in connection with the completion of the initial public offering that vests on the basis of performance objectives or any award(s) granted pursuant to a multi-year or long-term performance program, initial hiring or retention award or similar non-reoccurring award);
- a lump-sum payment in an amount equal to the executive's pro-rated annual bonus for the year in which the termination occurs, if any, based on performance achieved as of the termination date;
- accelerated vesting of all outstanding equity awards held by the executive as of the termination date; and
- a lump-sum cash payment equal to the executive's cost for continued healthcare coverage for up to 18 months after the termination date.

In the event that an executive's employment is terminated because the Company elects not to renew the initial or extended term of the employment agreement, then the executive will be entitled to receive the same payments and benefits described above for a termination without cause or for good reason. The executive's right to receive the severance payments and benefits described above is subject to his delivery of an effective general release of claims in favor of the Company.

Under the employment agreements, upon a change in control of the Company, the executives will be entitled to accelerated vesting of the executive's initial restricted stock grant such that the restricted stock will become fully vested and nonforfeitable.

Upon a termination of employment by reason of death or disability, the executive or his estate will be entitled to accelerated vesting of all outstanding equity awards held by the executive as of the termination date, in addition to accrued amounts and earned but unpaid bonuses.

The employment agreements also contain customary confidentiality and non-solicitation provisions.

Potential Payments Upon Termination or Change in Control

The table below reflects the amount of compensation that each of our named executive officers would be entitled to receive under his existing employment agreement with the Company upon termination of such executive's employment in certain circumstances or upon a change in control without a corresponding termination of such executive's employment. The amounts shown assume that such termination or change in control was effective as of

December 31, 2012, and are only estimates of the amounts that would be paid out to such executives upon termination of their employment or a change in control. The actual amounts to be paid out can only be determined at the time of such executive's separation from the Company or a change in control. In the event of a termination by the Company for cause or by the executive without good reason, including in connection with a change in control, such executive would not be entitled to any of the amounts reflected in the table.

Pursuant to the terms of the employment agreements with the executives described above, the severance payment is an amount equal to (a) two times the sum of (I) the executive's annual base salary then in effect, plus (II) the highest annual bonus earned by the executive during the employment term, plus (III) the value of the restricted stock awards granted to the executives at the time of the initial public offering the vesting of which is time-based, calculated based on the initial price per share of our common stock to the public of \$20.50, plus (b) the executive's annual bonus for 2012 based on performance achieved as of the termination date. The calculations in the table are based on the named executive officers' annual base salaries on December 31, 2012 and each executive's annual bonus for 2012. The severance payment will be paid in a lump sum.

For purposes of this calculation, each executive's total unvested shares of restricted stock on December 31, 2012, are multiplied by the closing market price of our common stock at December 31, 2012, the last trading day of 2012, of \$27.93.

This figure represents the amount needed to pay for health benefits for the executive and his eligible family members for 18 months following the executive's termination of employment at the same level as in effect immediately preceding his termination of employment. This amount is payable in cash in a lump sum.

Risk Assessment of Compensation Program

In February 2013, management assessed our compensation program for the purpose of reviewing and considering any risks presented by our compensation policies and practices that are likely to have a material adverse effect on us.

As part of that assessment, management reviewed the primary elements of our compensation program, including base salary, annual short-term incentive compensation, long-term incentive compensation and severance arrangements. Management's risk assessment included a review of the overall design of each primary element of our compensation program, and an analysis of the various design features, controls and approval rights in place with respect to compensation paid to management and other employees that mitigate potential risks to us that could arise from our compensation program.

Following the assessment, management determined that our compensation policies and practices did not create risks that were reasonably likely to have a material adverse effect on us and reported the results of the assessment to the Compensation Committee.

Executive Deferred Compensation Plans

Our operating partnership has adopted the American Assets Trust Executive Deferral Plan V, or EDP V, and the American Assets Trust Executive Deferral Plan VI, or EDP VI. These plans were adopted by our operating partnership as successor plans to those deferred compensation plans maintained by American Assets, Inc., in which certain employees of American Assets, Inc., who were transferred to us in connection with our initial public offering, participated prior to our initial public offering. EDP V and EDP VI contain substantially the same terms and conditions as these predecessor plans. American Assets, Inc. transferred the account balances under the predecessor plans to our operating partnership. These transferred account balances represent amounts deferred by certain employees prior to our initial public offering while they were employed by American Assets, Inc.

EDP V is a frozen plan, meaning that no additional deferrals or contributions will be made into the plan and all participants are 100% vested in their account balances under that plan. Participant accounts in EDP V are credited with earnings at a specified rate determined based on the participant's years of service. Participants in EDP V are entitled to receive a distribution from their account upon a separation from service, death, disability or retirement (as defined in EDP V). Distributions are generally paid in installments over a period of 15 years. In the event of a participant's disability, he or she will receive an annual disability benefit equal to one and one-half times the amount of the greatest annual deferral amount by such participant. These disability benefits will continue until the participant's death, the date he or she ceases to be disabled or the date he or she attains age sixty-five. If a participant dies before he or she retires, his or her successor will receive a death benefit equal to the greater of (1) the participant's then-existing account balance or (2) ten times the amount of the greatest annual deferral amount by such participant, paid in a lump sum. Participating employees may receive market returns on their deferred compensation amounts based on the performance of a variety of mutual fund-type investments or variable interest-rate products chosen by them. Mr. Barton is the only executive officer who is a participant in EDP V.

EDP VI allows for deferrals by participants of up to 90% of base salary and up to 100% of bonuses and other cash or equity-based compensation approved by our compensation committee. For the 2012 calendar year, participants in EDP VI were eligible to elect to defer base salary, bonuses and other cash compensation. There is no maximum dollar limit on the amount that may be deferred by a participant each year. Participants in EDP VI will elect to have the participant's account credited with earnings and investment gains and losses by assuming that deferred amounts were invested in one or more hypothetical investment options selected by the participant. Participants are permitted to change their investment elections at any time. Our operating partnership may also make discretionary contributions to a participant's account under EDP VI, and which contributions will be subject to a seven-year vesting schedule. The participants are always 100% vested in the amount they defer and the earnings, gains and losses credited to their accounts. Participating employees may receive market returns on their deferred compensation amounts based on the performance of a variety of mutual fund-type investments chosen by them.

Participants in EDP VI are entitled to receive a distribution from their account upon a separation from service, a specified date, death, disability, retirement (as defined in EDP VI), or unforeseeable emergency that results in "severe

financial hardship” that is consistent with the meaning of such term under section 409A of the Internal Revenue Code of 1986, as amended. Distributions are in a lump sum or annual installments over a period of 5, 10 or 15 years based upon the participant's election as allowed under EDP VI. Messrs. Chamberlain and Barton are the only executive officers who are participants in EDP VI.

EDP V and EDP VI are unfunded obligations of our operating partnership, and participants are unsecured creditors of our operating partnership.

We summarize below information regarding the participation in our nonqualified deferred compensation plans by our named executive officers. None of our named executive officers received any payments of nonqualified deferred compensation during the year ended December 31, 2012.

Name	2012 Nonqualified Deferred Compensation Under EDP V and EDP VI			
	Executive Contributions in 2012 (\$) ⁽¹⁾	Company Contributions in 2012 (\$)	Aggregate Earnings in 2012 (\$) ⁽²⁾	Aggregate Balance at 12/31/12 (\$)
Ernest S. Rady	—	—	—	—
John W. Chamberlain	27,010	—	4,969	110,993
Robert F. Barton	29,099	—	15,562	246,339
Adam Wyll	—	—	—	—
Patrick Kinney	—	—	—	—

Executive contributions consist of deferrals of salary and bonus that also are reported as compensation in the Summary Compensation Table. However, timing differences between reporting bonus compensation in the Summary Compensation Table (which reports bonus amounts in the year for which they were earned) and related deferral dates (the date on which the bonuses would have been paid to the executive) may in any year result in (1) lesser or greater amounts reported as executive contributions in the accompanying table than the amounts that have been included in compensation reported in the Summary Compensation Table. Executive contributions in 2012 that are also included as 2012 salary and bonus compensation reported in the Summary Compensation Table total \$27,010 for Mr. Chamberlain and \$29,099 for Mr. Barton. All of the reported contributions were made under EDP VI, as EDP V is a frozen plan.

Earnings are measured as the difference in deferred account balances between the beginning and the end of the year minus executive and Company contributions during the year. Earnings for 2012 were \$4,969 for Mr. Chamberlain and \$15,562 for Mr. Barton (of which \$2,629 were under EDP V and \$12,933 were under EDP VI). These earnings are not reported in the Summary Compensation Table. None of such earnings were above-market interest.

STOCK OWNERSHIP
PRINCIPAL STOCKHOLDERS

The following table sets forth certain information regarding the beneficial ownership of shares of our common stock and shares of common stock into which units are exchangeable as of April 5, 2013 for (i) each person who is the beneficial owner of 5% or more of our outstanding common stock, (ii) each of our directors and named executive officers, and (iii) all of our directors and executive officers as a group. Each person named in the table has sole voting and investment power with respect to all of the shares of our common stock shown as beneficially owned by such person, except as otherwise set forth in the notes to the table. The extent to which a person will hold shares of common stock as opposed to units is set forth in the footnotes below.

The SEC has defined “beneficial ownership” of a security to mean the possession, directly or indirectly, of voting power and/or investment power over such security. A stockholder is also deemed to be, as of any date, the beneficial owner of all securities that such stockholder has the right to acquire within 60 days after that date through (a) the exercise of any option, warrant or right, (b) the conversion of a security, (c) the power to revoke a trust, discretionary account or similar arrangement, or (d) the automatic termination of a trust, discretionary account or similar arrangement. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of common stock subject to options or other rights (as set forth above) held by that person that are exercisable as of April 5, 2013 or will become exercisable within 60 days thereafter, are deemed outstanding, while such shares are not deemed outstanding for purposes of computing percentage ownership of any other person.

Unless otherwise indicated, the address of each named person is c/o American Assets Trust, Inc., 11455 El Camino Real, Suite 200, San Diego, California 92130.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our executive officers, directors and persons who own more than 10% of our common stock to file reports of ownership and changes in ownership with the SEC. SEC regulations require us to identify anyone who failed to file a required report or filed a late report during the most recent fiscal year. Based solely on our review of the copies of such forms received by us, or written representations from certain reporting persons that no Forms 5 were required for such persons, we believe that, during the fiscal year ended December 31, 2012, our executive officers, directors and 10% stockholders complied with all Section 16(a) filing requirements applicable to them.

RELATED-PARTY AND OTHER TRANSACTIONS INVOLVING OUR OFFICERS AND DIRECTORS

We describe below transactions and series of similar transactions, during our last fiscal year, to which we were a party or will be a party, in which:

- the amounts involved exceeded or will exceed \$120,000; and
- any of our directors, executive officers, holders of more than 5% of our outstanding common stock or any member of their immediate family had or will have a direct or indirect material interest.

Formation Transactions

Each property acquired by us through our operating partnership upon the completion of those certain formation transactions in which we engaged in connection with our initial public offering, or the Formation Transactions, was previously owned directly or indirectly by partnerships, limited liability companies or corporations in which Ernest S. Rady and his affiliates, including the Rady Trust, certain of our other directors and named executive officers and their affiliates and/or other third parties owned a direct or indirect interest. We refer to these partnerships, limited liability companies and corporations collectively as the “ownership entities” and we refer to the previous owners of the ownership entities as the “prior investors.”

In connection with the Formation Transactions, the Rady Trust entered into a representation, warranty and indemnity agreement with us, pursuant to which it made certain representations and warranties to us regarding the entities and assets acquired in the Formation Transactions and agreed to indemnify us and our operating partnership for breaches of such representations and warranties for one year after the completion of our initial public offering and the Formation Transactions. For purposes of satisfying any indemnification claims, the Rady Trust deposited into escrow shares of our common stock and common units with an aggregate value equal to ten percent of the consideration paid to the Rady Trust and its affiliates in the Formation Transactions. The Rady Trust had no obligation to increase the amount of common stock and/or common units in the escrow in the event the trading price of our common stock declined below the initial public offering price of \$20.50 per share. On or about January 26, 2012, all amounts in the escrow from the closing of the Formation Transactions were distributed to the Rady Trust and no indemnity claims were made against such amounts. This indemnification was subject to a one-time aggregate deductible equal to one percent of the consideration paid to the Rady Trust and its affiliates in the Formation Transactions and a cap equal to the value of the consideration deposited in the escrow. Other than the Rady Trust, none of the prior investors or the entities that we are acquiring in the Formation Transactions provided us with any indemnification.

Release of Guarantees

The Rady Trust and certain other affiliates of Mr. Rady were guarantors of approximately \$879.0 million of indebtedness, in the aggregate, that was assumed by us upon completion of our initial public offering. The guarantees with respect to substantially all of this indebtedness are limited to losses incurred by the applicable lender arising from a borrower's fraud, intentional misrepresentation or other “bad acts,” a borrower's bankruptcy, a prohibited transfer under the loan documents or losses arising from a borrower's breach of certain environmental covenants. Except as set forth in the following sentence, in connection with this assumption, the Rady Trust and such other affiliates of Mr. Rady were all released from their guarantee obligations, and the operating partnership and/or the REIT became replacement guarantors, from the date of the initial public offering. With respect to the assumption of the indebtedness related to the Loma Palisades property, the operating partnership was required to become a guarantor of such obligations, but the lenders did not consent to the release of American Assets, Inc. from its guarantee of such indebtedness. The operating partnership has entered into an indemnity agreement with American Assets, Inc., pursuant to which the operating partnership is obligated to reimburse American Assets, Inc. for any amounts paid by it under such

guarantee with respect to the assumed Loma Palisades indebtedness.

Partnership Agreement

In connection with the completion of our initial public offering and the Formation Transactions, we entered into an amended and restated partnership agreement with the various persons receiving common units in the Formation Transactions, including Mr. Rady, his affiliates and certain other executive officers of our company. As a result, these persons became limited partners of our operating partnership.

Pursuant to the partnership agreement, limited partners of our operating partnership and some assignees of limited partners have the right to require our operating partnership to redeem part or all of their common units for cash equal to the then-current market value of an equal number of shares of our common stock (determined in accordance with and subject to adjustment

under the partnership agreement), or, at our election, to exchange their common units for shares of our common stock on a one-for-one basis, subject to certain adjustments and the restrictions on ownership and transfer of our stock set forth in our charter.

In addition, we may not, without prior limited partner approval, directly or indirectly transfer all or any portion of our interest in the operating partnership before the later of the death of Mr. Rady and the death of his wife, in connection with a merger, consolidation or other combination of our assets with another entity, a sale of all or substantially all of our assets, a reclassification, recapitalization or change in any outstanding shares of our stock or other outstanding equity interests or an issuance of shares of our stock, in any case that requires approval by our common stockholders.

Registration Rights

We entered into a registration rights agreement with the various persons who received shares of our common stock and/or common units in the Formation Transactions, including Mr. Rady, his affiliates, immediate family members and related trusts and certain of our executive officers. Pursuant to the registration rights agreement, we filed a registration statement on Form S-3 covering the resale of the shares of our common stock issued in the Formation Transactions and the resale of the shares of our common stock issued or issuable, at our option, in exchange for common units issued in the Formation Transactions.

In addition, in connection with our filing a registration statement with respect to an underwritten offering for our own account, any of Mr. Rady and his affiliates, immediate family members and related trusts will have the right, subject to certain limitations, to register such number of shares of our common stock issued to him or her pursuant to the Formation Transactions as each such person requests.

Under certain circumstances, we are also required to undertake an underwritten offering upon the written request of holders of at least 10% in the aggregate of the securities originally issued in the Formation Transactions, provided the securities to be registered in such offering shall (1) have a market value of at least \$25 million or (2) shall represent all of the remaining securities acquired in the Formation Transactions by Mr. Rady and his affiliates, immediate family members and related trusts and such securities shall have a market value of at least \$10 million, and provided further that we are not obligated to effect more than three such underwritten offerings. We agreed to pay all of the expenses relating to the securities registrations described above.

Tax Protection Agreement

We entered into a tax protection agreement with certain limited partners of our operating partnership, or the protected partners, including Mr. Rady and his affiliates and an affiliate of Mr. Chamberlain. Under this agreement, our operating partnership will indemnify the protected partners for their tax liabilities (plus an additional amount equal to the taxes incurred as a result of such indemnity payment) attributable to their share of the built-in gain, as of the closing of the Formation Transactions, with respect to their interest in Carmel Country Plaza, Carmel Mountain Plaza, Del Monte Center, Loma Palisades, Lomas Santa Fe Plaza, Waikele Center or the ICW Plaza portion of Torrey Reserve Campus, which we collectively refer to as the tax protected properties, if the operating partnership, without the consent of Mr. Rady, disposes of any interest with respect to such properties in a taxable transaction during the shorter of the seven-year period after the closing of the Formation Transactions and the date on which 50% or more of the common units originally received by any such protected partner in the Formation Transactions have been sold, exchanged or otherwise disposed of by the protected partner, subject to certain exceptions and limitations. In addition, if during this period we fail to offer certain of the protected partners an opportunity to guarantee, in the aggregate, up to approximately \$129.4 million of our outstanding indebtedness, or if we fail to make commercially reasonable efforts to provide such partners who continue to own more than 50% of the common units originally received by such partners in the Formation Transactions with an opportunity to guarantee debt after this period, we will be required to

indemnify such partners against their resulting tax liabilities (plus an additional amount equal to the taxes they incur as a result of such indemnity payment). Notwithstanding the foregoing, the operating partnership's indemnification obligations under the tax protection agreement will terminate upon the later of the death of Mr. Rady and the death of his wife. Mr. Rady and his affiliates and an affiliate of Mr. Chamberlain will have the opportunity to guarantee up to approximately \$51.3 million and \$204,000, respectively, of our outstanding indebtedness. Among other things, this opportunity to guarantee debt is intended to allow the protected partners to defer the recognition of gain in connection with the Formation Transactions. The sole and exclusive rights and remedies of any protected partner under the tax protection agreement shall be a claim against our operating partnership for such protected partner's tax liabilities as calculated in the tax protection agreement, and no protected partner shall be entitled to pursue a claim for specific performance or bring a claim against any person that acquires a protected party from our operating partnership in violation of the tax protection agreement.

Lease Agreement

Insurance Company of the West, which was founded by Mr. Rady and is indirectly controlled by him, is a major tenant at Torrey Reserve Campus. Mr. Rady currently serves as the chairman of the board of directors of Insurance Company of the West. Pursuant to a lease agreement with Insurance Company of the West, we received approximately \$2.1 million in rent from Insurance Company of the West in 2012.

Employment Agreements

We entered into employment agreements with each of our named executive officers, which will provide for salary, bonus and other benefits, including accelerated equity vesting upon a change in control and severance upon a termination of employment under certain circumstances. The material terms of the agreements with our named executive officers are described above under “Executive Compensation and Other Information — Compensation Discussion and Analysis — Elements of Executive Officer Compensation”

Transition Services Agreement and American Assets, Inc.

Our operating partnership has entered into a transition services agreement with American Assets, Inc., which is indirectly controlled by Mr. Rady, pursuant to which it and American Assets, Inc. have each agreed to provide the other with such services as the other shall reasonably request. Any party receiving services under this agreement shall reimburse the party providing such services for the fully loaded cost of providing such services and for any other actual and reasonable out of pocket expenses incurred in connection with providing such services. Either party may terminate this agreement upon 30-days' written notice.

Additionally, Messrs. Rady, Chamberlain and Barton served as directors of American Assets, Inc. in 2012 and have been appointed by American Assets, Inc.'s stockholders to serve as directors of American Assets, Inc. in 2013. In 2012, Mr. Barton received a \$50,000 payment from American Assets, Inc. for extraordinary services provided to American Assets, Inc. in connection with successful litigation.

Equity Incentive Award Plan

In connection with the Formation Transactions, we adopted a cash and equity-based incentive award plan for our directors, officers, employees and consultants. The material terms of such award plan are described above under “— Compensation Discussion and Analysis — Elements of Executive Officer Compensation.”

REVIEW AND APPROVAL OF TRANSACTIONS WITH RELATED PERSONS

We have operated under our Code of Business Conduct and Ethics policy since our initial public offering in January 2011. As part of our Code of Business Conduct and Ethics, our directors and employees are expected to make business decisions and take actions based upon our best interests and not based upon personal relationships or benefits.

We have adopted a written policy regarding the review, approval and ratification of any related party transaction. Under this policy, our Audit Committee will review the relevant facts and circumstances of each related party transaction, including if the transaction is on terms comparable to those that could be obtained in arm's-length dealings with an unrelated third party and the extent of the related party's interest in the transaction, and either approve or disapprove the related party transaction. Any related party transaction shall be consummated and shall continue only if the Audit Committee has approved or ratified the transaction in accordance with the guidelines set forth in the policy. For purposes of our policy, a “Related Party Transaction” is (i) a transaction, arrangement or relationship, including any indebtedness or guarantee of indebtedness, (or any series of similar transactions, arrangements or relationships) in

For purposes of this policy, a “Related Party” is:

- any person who is, or at any time since the beginning of our last fiscal year was, a director or executive officer of the Company or a nominee to become a director of the Company;
- any person who is (or was) the beneficial owner of more than 5% of any class of our voting securities when the Related Party Transaction in question is (or was) expected to occur or exist;
- any immediate family member of any of the foregoing persons and any person (other than a tenant or employee) sharing the household of such director, executive officer, nominee or more than 5% beneficial owner; and

any firm, corporation or other entity in which any of the foregoing persons is employed or is a general partner or principal or serves in a similar position or in which such person has a 5% or greater beneficial ownership interest.
