QUARTERLY REPORT ON FORM 10 Q FOR THE QUARTERLY PERIOD

FORWARD LOOKING STATEMENTS

Certain information set forth in this report contains “forward looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. All statements other than historical factual information are forward looking statements, including without limitation statements regarding: projections of revenue, expenses, profit, profit margins, tax rates, tax provisions, cash flows, pension and benefit obligations and funding requirements, our liquidity position or other projected financial measures; management’s plans and strategies for future operations, including statements relating to anticipated operating performance, cost reductions, restructuring activities, new product and service developments, competitive strengths or market position, acquisitions, divestitures, business separations, spin offs, or other distributions, strategic opportunities, securities offerings, stock repurchases, dividends and executive compensation; growth, declines and other trends in markets we sell into; new or modified laws, regulations and accounting pronouncements; outstanding claims, legal proceedings, tax audits and assessments and other contingent liabilities; foreign currency exchange rates and fluctuations in those rates; general economic and capital markets conditions; the timing of any of the foregoing; assumptions underlying any of the foregoing; and any other statements that address events or developments that we intend or believe will or may occur in the future. In some cases, forward looking statements can be identified by terminology such as “believes,” “expects,” “may,” “will,” “should,” “anticipates” or “intends” or negative of such terms or other comparable terminology, or by discussions of strategy. We may also make additional forward looking statements from time to time. All such subsequent forward looking statements, whether written or oral, by us or on our behalf, are also expressly qualified by these cautionary statements.

As previously disclosed, on May 21, 2017, Huntsman, Clariant Ltd, a Swiss corporation, (“Clariant”), and HurricaneCyclone Corporation, a Delaware corporation and wholly owned indirect subsidiary of Clariant (“Merger Sub”, collectively, the “Parties”), entered into an Agreement and Plan of Merger (the “Merger Agreement”) which contemplated that Merger Sub would be merged with and into Huntsman, with Huntsman surviving the merger as a wholly-owned subsidiary of Clariant. On October 26, 2017, Huntsman, Clariant and Merger Sub entered into a Termination Agreement, dated as of October 26, 2017 (the “Termination Agreement”), pursuant to which the parties mutually terminated the Merger Agreement. No fees are currently payable under the terms of the Termination Agreement. Huntsman and Clariant also agreed to release each other from certain claims and liabilities arising out of or related to the Merger Agreement or the transactions contemplated therein or thereby. Pursuant to the Termination Agreement, each party agrees to bear its own costs, fees and expenses in connection with Merger Agreement and the transactions contemplated thereby, except for specified joint filing fees and related expenses as set forth in the Merger Agreement. During the three and nine months ended September 30, 2017 and 2016, we incurred merger-related costs of \$12 million, \$18 million, nil and nil, respectively.

All forward looking statements, including without limitation management's examination of historical operating trends, are based upon our current expectations and various assumptions. Our expectations, beliefs and projections are expressed in good faith and we believe there is a reasonable basis for them, but there can be no assurance that management's expectations, beliefs and projections will result or be achieved. All forward looking statements apply only as of the date made. We undertake no obligation to publicly update or revise forward looking statements whether because of new information, future events or otherwise, except as required by securities and other applicable law.

There are a number of risks and uncertainties that could cause our actual results to differ materially from the forward looking statements contained in or contemplated by this report. Any forward looking statements should be considered in light of the risks set forth in "Part II. Item 1A. Risk Factors" below and "Part I. Item 1A. Risk Factors" in our Annual Report on Form 10 K for the year ended December 31, 2016.
