This proxy statement is first being mailed to shareholders on or about January 13, 2017.

Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting to Be Held on February 15, 2017. This proxy statement and our Annual Report on Form 10-K for the year ended September 30, 2016 as well as driving directions to the annual meeting are available at <http://www.proxyvote.com> and on our website at <http://ir.malvernfederal.com>.

What is the purpose of the annual meeting?

At our annual meeting, shareholders will act upon the matters outlined in the Notice of Annual Meeting, consisting of the election of directors, several proposed amendments to our Articles of Incorporation (consisting of an amendment to eliminate our classified board of directors, an amendment to eliminate provisions prohibiting a shareholder from acquiring more than 10% of our common stock and an amendment of the supermajority voting requirement for certain mergers and similar transactions), a non-binding resolution to approve the compensation of our named executive officers, and the ratification of our independent registered public accounting firm for the fiscal year ending September 30, 2017.

Who is entitled to vote?

Only Malvern Bancorp shareholders of record as of the close of business on the record date for the meeting, January 6, 2017, are entitled to vote at the meeting. On the record date, we had [6,560,713] shares of common stock issued and outstanding and no other class of equity securities outstanding. For each issued and outstanding share of common stock you own on the record date, you will be entitled to one vote on each matter to be voted on at the meeting, in person or by proxy.

How do I submit my proxy?

VOTE BY INTERNET - www.proxyvote.com

Use the Internet to transmit your voting instructions and for electronic delivery of information up until 11:59 P.M. Eastern Time the day before the cut-off date or meeting date. Have your proxy card in hand when you access the web site and follow the instructions to obtain your records and to create an electronic voting instruction form.

VOTE BY PHONE - 1-800-690-6903

Use any touch-tone telephone to transmit your voting instructions up until 11:59 P.M. Eastern Time the day before the cut-off date or meeting date. Have your proxy card in hand when you call and then follow the instructions.

VOTE BY MAIL

Mark, sign and date your proxy card and return it in the postage-paid envelope we have provided or return it to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717.

If my shares are held in “street name” by my broker, could my broker automatically vote my shares for me?

Your broker may not vote on the election of directors, any of the amendments to our Articles of Incorporation or the non-binding proposal on compensation of our named executive officers unless you provide your broker with instructions on how to vote. You should use the voting instruction card provided by the institution that holds your shares to instruct your broker to vote your shares or else your shares will be considered “broker non-votes.”

Broker non-votes are shares held by brokers or nominees as to which voting instructions have not been received from the beneficial owners or the persons entitled to vote those shares and the broker or nominee does not have discretionary voting power under rules applicable to broker-dealers. Under these rules, the proposal to elect directors, the proposals to amend our Articles of Incorporation and the non-binding proposal to approve the compensation of our named executive officers are not items on which brokerage firms may vote in their discretion on behalf of their clients if such clients have not furnished voting instructions within ten days of the annual meeting.

Your broker may vote in his or her discretion on the ratification of the appointment of our independent registered public accounting firm if you do not furnish instructions.

Can I attend the meeting and vote my shares in person?

All shareholders are invited to attend the annual meeting. Shareholders of record can vote in person at the annual meeting. If your shares are held in street name, then you are not the shareholder of record and you must ask your broker or other nominee how you can vote at the annual meeting.

Can I change my vote after I return my proxy card?

Yes. If you are a shareholder of record, there are three ways you can change your vote or revoke your proxy after you have sent in your proxy form.

First, you may send a written notice to our Corporate Secretary, Mr. Joseph D. Gangemi, Malvern Bancorp, Inc., 42 East Lancaster Avenue, Paoli, Pennsylvania 19301, in advance of the meeting stating that you would like to revoke your proxy.

Second, you may complete and submit a new proxy card before the annual meeting. Any earlier proxies will be revoked automatically.

Third, you may attend the annual meeting and vote in person. Any earlier proxy will be revoked. However, attending the annual meeting without voting in person will not revoke your proxy.

If your shares are held in “street name” and you have instructed a broker or other nominee to vote your shares, you must follow directions from your broker or other nominee to change your vote.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the outstanding shares that are entitled to vote on a particular matter will constitute a quorum. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of votes considered to be present at the meeting.

What are the Board of Directors' recommendations?

The recommendations of the Board of Directors are set forth under the description of each proposal in this proxy statement. In sum, the Board of Directors recommends that you vote FOR the nominees for director described herein, FOR each of the proposals to amend certain provisions of the Company's Articles of Incorporation, FOR the non-binding resolution to approve the compensation of our named executive officers, and FOR the ratification of the appointment of BDO USA, LLP to serve as our independent registered public accounting firm for fiscal 2017.

The proxy solicited hereby, if properly signed and returned to us and not revoked prior to its use, will be voted in accordance with your instructions. If no contrary instructions are given, each proxy signed and received will be voted in the manner recommended by the Board of Directors and, upon the transaction of such other business as may properly come before the meeting, in accordance with the best judgment of the persons appointed as proxies. Proxies solicited hereby may be exercised only at the annual meeting and any adjournment of the annual meeting and will not be used for any other meeting.

What vote is required to approve each item?

The election of directors will be determined by a majority of votes cast by shareholders at the annual meeting. The affirmative vote of a majority of the outstanding shares entitled to vote at the annual meeting is required to approve each proposed amendment to the Articles of Incorporation. The affirmative vote of a majority of the votes cast on the proposal is required to approve the non-binding resolution approving the compensation of our named executive officers and to ratify the appointment of BDO USA, LLP for fiscal 2017. Under the Pennsylvania Business Corporation Law, abstentions and broker "non-votes" are not counted as votes cast.

**INFORMATION WITH RESPECT TO NOMINEES FOR DIRECTOR,
DIRECTORS AND EXECUTIVE OFFICERS
PROPOSAL ONE
ELECTION OF DIRECTORS**

Our Articles of Incorporation and our Bylaws currently provide that our Board of Directors will be divided into three classes as nearly equal in number as possible, and that directors are elected by our shareholders for staggered terms and until their successors are elected and qualified. Generally, one class is elected annually.

Our Bylaws also provide that our Board will consist of not less than five nor more than 15 members, as determined from time to time by resolution of the Board. Our Board has set the number of directors, effective as of the 2017

Annual Meeting, at eight.

On February 17, 2016, our Board adopted resolutions to be presented to shareholders at our 2017 annual meeting to amend the Company's Articles of Incorporation to declassify the Board, such that each director will be elected to a one-year term rather than the staggered three-year terms currently provided in the Articles of Incorporation. All of our current directors whose terms would otherwise extend after the 2017 annual meeting have agreed that, if our shareholders approve the proposed amendment to the Articles of Incorporation to declassify the Board, they will relinquish the remaining unexpired portion of their respective terms and be re-nominated for election to a one-year term at our 2017 annual meeting.

Our Board of Directors has nominated the following eight individuals for election at the 2017 annual meeting, to serve for a one-year term and until their successors are elected and qualified, if Proposal 2 is approved by the shareholders: Howard Kent, Therese Woodman, Norman Feinstein, Andrew Fish, Cynthia Felzer Leitzell, Steve Scartozzi, George Steinmetz and Anthony C. Weagley.

In the event that Proposal 2 is not approved by the shareholders, our Board has nominated Steve Scartozzi and George Steinmetz for election at the 2017 annual meeting to serve for three-year terms (until the 2020 annual meeting) and until their successors are elected and qualified.

No director or nominee for director is related to any other director or executive officer by blood, marriage or adoption. Shareholders are not permitted to use cumulative voting for the election of directors. Our Board of Directors has determined that Messrs. Kent, Feinstein, Fish, Scartozzi and Steinmetz, and Ms. Woodman and Ms. Leitzell, are independent directors, as defined in the Nasdaq listing standards.

Under our current Bylaws, nominees for director will be elected by a majority of votes cast by shareholders at the 2017 annual meeting. If a nominee for director does not receive at least a majority of the votes cast at the 2017 annual meeting, he or she is required to tender his or her resignation to the Board, and the Board, after considering the recommendation of the Nominating and Corporate Governance Committee, will thereafter consider whether to accept or reject the tendered resignation, or whether other action should be taken.

Unless otherwise directed, each proxy signed and returned by a shareholder will be voted for the election of the nominees for director as described herein. If any person named as a nominee should be unable or unwilling to stand for election at the time of the 2017 annual meeting, the proxies will nominate and vote for any replacement nominee or nominees recommended by our Board of Directors. At this time, the Board of Directors knows of no reason why any of the nominees named herein may not be able to serve as a director if elected.

The following tables present information concerning the nominees for director. **All nominees listed below are being nominated for a one-year term expiring at the 2018 annual meeting if Proposal 2 is approved at the 2017 annual meeting. If Proposal 2 is not approved by the shareholders and our classified Board of Directors continues, Messrs. Scartozzi and Steinmetz are being nominated to serve for three-year terms and the other individuals named below will continue in office, in the classes indicated below.**

The indicated period of service as a director includes, with respect to periods prior to 2008, service as a director of the Bank. Ages are reflected as of September 30, 2016.

The Board of Directors recommends that you vote FOR the election of the nominees named in this proxy statement for director.

Director Nominations

Nominations for director of Malvern Bancorp are made by the full Board of Directors. The Board of Directors considers the recommendations of the Nominating and Corporate Governance Committee in selecting nominees for director. All of our directors participate in the consideration of director nominees and will consider candidates for director suggested by other directors, as well as our management and shareholders. A shareholder who desires to recommend a prospective nominee for the Board should notify our Secretary in writing with whatever supporting material the shareholder considers appropriate. Any shareholder wishing to make a nomination must follow our procedures for shareholder nominations, which are described under “Shareholder Proposals, Nominations and Communications with the Board of Directors.”

The charter of the Nominating and Corporate Governance Committee sets forth certain criteria the committee may consider when recommending individuals for nomination as a director including: (a) ensuring that the board of directors, as a whole, is diverse and consists of individuals with various and relevant career experience, relevant technical skills, industry knowledge and experience, financial expertise (including expertise that could qualify a director as a “financial expert,” as that term is defined by the rules of the SEC), local or community ties and (b) minimum individual qualifications, including strength of character, mature judgment, familiarity with our business and industry, independence of thought and an ability to work collegially. The committee also may consider the extent to which the candidate would fill a present need on the Board of Directors.

Committees and Meetings of the Board of Directors

During the fiscal year ended September 30, 2016, the Board of Directors of Malvern Bancorp met 10 times. No director of Malvern Bancorp attended fewer than 75% of the aggregate of the total number of Board meetings held during the period for which he or she has been a director and the total number of meetings held by all committees of the Board on which he or she served during the periods that he served.

Membership on Certain Board Committees. The Board of Directors of Malvern Bancorp has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. The membership of the committees set forth in the following paragraphs is as of the date of this proxy statement.

Audit Committee. The Board of Directors has established an Audit Committee consisting of Ms. Leitzell (Chair) and Messrs. Scartozzi, Steinmetz and O’Grady. The Audit Committee reviews with management and the independent registered public accounting firm the systems of internal control, reviews the annual financial statements, including the Form 10-K, and monitors Malvern Bancorp’s adherence in accounting and financial reporting to generally accepted accounting principles. The Audit Committee is comprised of four directors who are independent directors as defined

in the Nasdaq listing standards and the rules and regulations of the Securities and Exchange Commission. The Board of Directors has determined that Ms. Leitzell meets the qualifications established for an audit committee financial expert in the regulations of the Securities and Exchange Commission. The Audit Committee met five times in fiscal 2016. The Audit Committee charter as presently in effect is available on the Company's website, ir.malvernfederal.com.

Board Leadership Structure and the Board's Role in Risk Oversight

Anthony C. Weagley serves as our President and Chief Executive Officer, Howard Kent serves as Chairman of the Board and Therese Woodman serves as Vice Chair of the Board. The Board of Directors has determined that separation of the offices of Chairman of the Board and President enhances Board independence and oversight. Further, the separation of the Chairman of the Board permits the President and Chief Executive Officer to better focus on his responsibilities of managing the daily operations of Malvern Bancorp, enhancing shareholder value and expanding and strengthening our franchise while allowing the Chairman to lead the Board of Directors in its fundamental role of providing independent oversight and advice to management. Mr. Kent is an independent director under the rules of the Nasdaq Stock Market.

Risk is inherent with every business, particularly financial institutions. We face a number of risks, including credit risk, interest rate risk, liquidity risk, operational risk, strategic risk and reputational risk. Management is responsible for the day-to-day management of the risks Malvern Bancorp encounters, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board of Directors has the responsibility to ensure that the risk management processes designed and implemented by management are adequate and functioning as designed. The Board of Directors receives reports on this topic from executive management, other officers of the Company and the Chairpersons of the Audit and Compliance Committees. The Chairman of the Board and independent directors work together to provide strong, independent oversight of Malvern Bancorp's management and affairs through its committees and meetings of independent directors. The Company believes that its Board leadership structure supports this approach to risk management.

Directors' Attendance at Annual Meetings

Directors are expected to attend the annual meeting of shareholders absent a valid reason for not doing so. In 2016, all of our directors attended our annual meeting of shareholders.

Directors' Compensation

We do not pay separate compensation to directors for their service on the Board of Directors of Malvern Bancorp. Fees are paid to directors by the Bank only. Each of our directors, other than Mr. Weagley, receives an annual retainer of \$25,000. The Bank's Chairman of the Board currently receives an additional annual retainer of \$10,000 and the Vice Chair receives an additional annual retainer of \$7,500. Our directors, except for our President and Chief Executive Officer, currently receive a fee of \$800 for attending regularly scheduled monthly Board meetings of the Bank and for special meetings of the Board beginning with the fourth special Board meeting. The Chair of the Audit Committee receives an additional fee \$7,500 per year. Board members receive a fee of \$300 for attending committee meetings,

except for members of the Nominating and Corporate Governance Committee.

The DRP Agreement also provides for reduced benefits upon early retirement and for benefits upon the director’s death or disability or separation of service following a change-in-control, as defined, of the Bank. The DRP Agreement provides that in the event any of the payments to be made thereunder are deemed to constitute “parachute payments” within the meaning of Section 280G of the Internal Revenue Code (the “Code”), then such payments and benefits received thereunder shall be reduced by the minimum amount necessary to result in no portion of the payments and benefits being non-deductible by the Bank for federal income tax purposes. The DRP Agreement also includes non-compete provisions. Mr. Hughes resigned as a director as of February 14, 2016, and will receive \$631 per month for 60 months.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The primary objective of our executive compensation program is to attract and retain talented and motivated executive officers that will contribute to the Company’s overall success. Executive officers are instrumental to supporting growth and profitability as well as minimizing risk, resulting in the advancement of shareholder interests. The performance of each of the executive officers has a potentially vital impact on our profitability; therefore, we believe the design and administration of the compensation program is of considerable importance.

Executive Compensation Philosophy

Our compensation philosophy is dictated by the Compensation Committee of our Board of Directors. The duties and responsibilities of the Compensation Committee, which consists entirely of independent directors of the Board, are to:

· provide guidance regarding the design of our employee benefit plans;

- oversee the investments of our 401(k) plan;

- establish the compensation of our chief executive officer;

- with input from our chief executive officer, establish or recommend to our Board the compensation of our other executive officers;

- monitor our overall compensation policies and employee benefit plans;

- monitor our incentive plans for appropriate performance measures consistent with our overall strategic objectives; and

- ensure that our incentive plans do not encourage unnecessary and excessive risk.

-10-

Our Compensation Objectives and the Focus of Our Compensation Rewards

We believe that an appropriate compensation program should draw a balance between providing rewards to executive officers while at the same time effectively controlling compensation costs. We reward executive officers in order to attract highly qualified individuals, to retain those individuals in a highly competitive marketplace for executive talent and to incentivize them to perform in a manner that maximizes our corporate performance. Accordingly, we have sought to structure our executive compensation with a focus on pay-for-performance. We seek to offer executive compensation programs that align each individual's financial incentives with our strategic direction and corporate values.

We view executive compensation as having three key elements:

- a current cash compensation program consisting of salary and cash bonus incentives;
- long-term equity incentives reflected in grants of stock options and/or restricted stock; and
- other executive retirement benefits and perquisites.

These programs aim to provide our executives with an overall compensation package that is competitive with comparable financial institutions, and aligns individual performance with our long-term business objectives.

We annually review our mix of short term performance incentives versus longer term incentives, and incorporate in our compensation reviews the data from studies performed as to appropriate competitive levels of compensation and benefits. We do not have set percentages of short term versus long term incentives. Instead, we look to provide a reasonable balance of those incentives.

We also periodically “benchmark” our compensation programs to industry available databases and to a peer group. The process has involved hiring independent compensation consulting firms to perform studies that employ the following processes:

- gathering data from industry specific global and regional compensation databases based upon company size for each executive position;

- determining an appropriate peer group of financial institutions based upon similar size and geography;

- developing data points for salary and total cash compensation comparisons and equity opportunities;

- averaging peer group and database statistics together to produce a relevant “market” at the data points for salary, total cash compensation and equity and comparing our positions to the “market” data;

- evaluating other compensation components, including executive benefits as compared to competitive standards; and

- comparing our compensation levels to the “market” and determining our relative positioning for competitiveness as to salary, total cash compensation and non-cash compensation.

Our chief executive officer participates in determinations regarding the compensation and design of our benefit programs for all employees, but does not participate in setting his own compensation.

During fiscal 2016, the Compensation Committee engaged Compensation Advisors (“Compensation Advisors”) to assist with the assessment and market review of executive officer and director compensation and related benefits. Compensation Advisors provided no services to and received no fees from the Company, or its affiliates, other than in connection with the engagement entered into by the Compensation Committee. There are no personal relationships between Compensation Advisors and any member of the Compensation Committee other than in respect of the engagement. No employee of Compensation Advisors owns any stock of the Company and there are no business or personal relationships between Compensation Advisors and any executive officer of the Company other than in respect to the engagement entered into by the Compensation Committee of the Company.

The Role of Management

In addition to input from the our compensation consultant, the Committee also considers input from the Company’s Chief Executive Officer regarding base salary, bonuses and other benefits for named executive officers other than the Chief Executive Officer. Although the Committee considers such input, the Compensation Committee has final authority on compensation matters for all named executive officers.

Peer Review

The Compensation Committee utilized a proxy peer group to review compensation levels for the executive team and board of directors. The purpose of the peer group is to provide relative comparative data to assist the Board in making sound decisions relative to the compensation practices of the Bank. The peer group was developed from an initial group of 81 banks with 2015 year end assets between \$600 million and \$989 million and available compensation data. The initial group was narrowed based on relevant criteria, including asset size, geographic location, number of offices, number of employees, and performance metrics. The resulting peer group is 16 banks with 2015 year end assets between \$600 million and \$885 million.

During fiscal 2016, Compensation Advisors was asked to perform a base salary review of the employees at the Bank. Each incumbent position was compared to current market pricing for similar positions from our sources. This allows positions that have skills that are portable to industries outside of banking to be benchmarked on a more global scale. Each position was compared to positions with similar job responsibilities. Actual job responsibilities may vary among the same job titles. The Bank continues to re-benchmark positions when a job description is changed or a new position is created.

Components of the Compensation Program

The elements of the compensation programs for the Company's executive officers, which are base salary, cash incentives, equity incentives, and benefits, are detailed below. While the Compensation Committee considers total compensation when reviewing benchmarking data, one component does not specifically affect another as they each serve unique purposes. In addition to providing a benefit to the executive each component serves the purpose of either attracting or retaining talent.

Base Salary

The Compensation Committee views base salary as the foundation of the compensation program and is a primary consideration for attracting experienced talent. We establish our executive officers' base salaries primarily using criteria that includes technical expertise, individual responsibility level, organizational performance and the competitive data for the peer group identified above and believe that base salaries should be paid at a level that affords us the ability to hire and retain experienced individuals in our industry that can effectively contribute to the achievement of our strategic business goals.

Base salary for the Chief Executive Officer is set by the Committee on an annual basis. Base salaries for the executive officers other than its Chief Executive Officer are made on an annual basis and are based upon recommendations by the Chief Executive Officer. The factors for the Committee's compensation decisions include Bank financial performance, industry base salaries within the Peer Group, the nature and responsibilities of the position, the contribution and experience of the officer, and the length of the officer's service with the Bank. The Committee also considers recommendations from the compensation consultant.

Executive Achievement Incentive Compensation Plan

The Executive Achievement Incentive Compensation Plan ("EAICP") is a performance-based incentive program designed to reward key executives and reinforce the goals of the Bank for profitable growth and achievement of Company financial objectives. For fiscal 2016, all Named Executive Officers (as defined herein) other than Mr. Weagley participated in the EAICP.

The EAICP provides the executive with the opportunity to earn both equity and non-equity (cash) awards, expressed as a percentage of salary. Individuals are assigned specific objectives throughout the year, which comprise each individual's "personal" goals. These personal goals typically represent 50% of the total available payout and can range

up to 100% of the total available payout under the EAICP. The other component may be a “Bank” goal, which accounts for up to 50% of the total payout, but is usually no more than 25% of the total available payout.

Performance metrics include a number of key performance factors, including profitability, growth, and financial operating condition. The 2016 fiscal year performance metrics included return on assets, return on equity, net income before tax, loan growth, non-performing assets and a composite score for achievement of other annual objectives.

Incentive awards payable under the EAICP for fiscal 2016 were based on a percent of base salary and ranged from 2 percent to 15 percent. Each participant’s possible award included one or more of the above criteria, with the maximum amount possible not to exceed 100% of the potential award. See “Grant of Plan Based Awards” for a description of the amounts that could have been earned under the EAICP by the Named Executive Officers for fiscal 2016.

The three Named Executive Officers who participated in the EAICP for fiscal 2016 received awards under the EAICP for fiscal 2016 performance, as their respective goals were met. See the “Summary Compensation Table.”

Loan Incentive Plan

The Bank's lending officers are eligible to participate in the Loan Incentive Plan (the "Lender Plan"), which provides an annual incentive payout based on quarterly loan originations that meet certain underwriting standards. Quarterly originations must meet a hurdle of \$2.0 million for a payout to occur. Incentive amounts are based on the achievement of individual goals (weighted at 30%) and Bank-wide goals (weighted at 70%). The Compensation Committee can make discretionary adjustments to the quarterly incentive payout amounts.

Employees' Savings & Profit Sharing Plan

The Bank maintains an Employees' Savings & Profit Sharing Plan (the "401(k) Plan"), for its employees, including executive officers. Eligible employees may defer up to 6% of their salaries, with a matching contribution made by the Bank up to a specified limit determined annually by the Board of Directors. The Bank also may make additional discretionary contributions. We made 401(k) Plan matching contributions of \$83,481 and \$98,000, respectively, in fiscal 2016 and fiscal 2015.

Employee Stock Ownership Plan

In 2008, the Company established an employee stock ownership plan (the "ESOP") for all eligible employees. As part of the Bank's mutual holding company reorganization, the ESOP purchased 241,178 shares of common stock of Malvern Federal Bancorp utilizing a \$2.6 million loan from the Company. The loan to the ESOP is being repaid over its term of 18 years and shares are released for allocation to employees' accounts as debt service payments are made. Shares released from the suspense account are allocated to each eligible participant's plan account pro rata based on compensation. Forfeitures may be used for the payment of expenses or be reallocated among the remaining participants. Participants become 100% vested after three years of service. Participants also become fully vested in their account balances upon a change in control (as defined), death, disability or retirement. Benefits are payable upon retirement or separation from service. The current ESOP trustee is Pentegra.

Other Benefits

Change in Control Arrangements

On June 23, 2016, Malvern Bancorp, Inc. and its wholly owned subsidiary, Malvern Federal Savings Bank, entered into an employment agreement with Mr. Weagley, which amends and restates Mr. Weagley's prior employment agreement dated May 15, 2015.

On May 23, 2016, the Bank entered into a Change of Control Agreement with each of Joseph Gangemi, Senior Vice President and Chief Financial Officer of the Company and the Bank, William Boylan, Senior Vice President and Chief Lending Officer of the Company and the Bank, and William "Bill" Woolworth, Senior Vice President and Chief Risk Officer of the Company and the Bank. See "Agreements with Named Executive Officers."

Shareholder Advisory Vote on Executive Compensation

We conduct an annual shareholder advisory vote on the compensation of the named executive officers, and our Board of Directors and the Compensation Committee carefully consider the outcome of these advisory votes when making compensation decisions. In February 2016, in excess of 97.4% of the votes cast were voted in favor of the non-binding advisory proposal to approve the compensation of our named executive officers. The Compensation Committee viewed this approval as an affirmation of our current pay practices and as a result, we made no significant changes to our pay practices. It continues to be the Committee's goal to maintain alignment of our pay practices with the best interests of the Company and its shareholders. We will, therefore, continue to evaluate the appropriateness of the Company's compensation program and consider shareholder feedback throughout the evaluation process.

Compensation-Related Risk Assessment

We conduct an annual evaluation of our compensation programs, policies and practices to ensure that they reflect an appropriate level of risk-taking but do not encourage our employees to take excessive or unnecessary risks that could have an adverse impact on the Company.

Risk Assessment Procedures

We have reviewed our compensation policies and programs for all of our employees and have determined that the compensation policies and incentive compensation programs in place are not reasonably likely to have a material adverse effect on the Company and do not encourage our employees to take excessive risks. We are confident that the internal controls and procedures we have in place throughout our organization sufficiently manage any inherent risk in our programs. Among other things, our executive compensation programs reflect the following policies and practices:

The Compensation Committee is composed solely of independent directors, under its own authority, and has engaged its own independent compensation consultant;

We conduct an annual shareholder advisory vote on the compensation of the named executive officers, and our Board of Directors and the Compensation Committee carefully consider the outcome of these advisory votes;

We do not provide significant perquisites or other personal benefits to our executive officers. Our executives participate in our health and welfare benefit programs on the same basis as all of our employees; and

Annually, the Board of Directors reviews and approves all policies of the Bank to ensure that they reflect an appropriate level of risk-taking but do not encourage our employees to take excessive or unnecessary risks that could have an adverse impact on the Bank.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee has reviewed the Compensation Discussion and Analysis included in this Proxy Statement and discussed it with our management. Based on this review and discussion, the Compensation Committee recommended that the Compensation Discussion and Analysis be included in this proxy statement.

The amount shown in the “Bonus” column for Mr. Weagley for fiscal 2016 includes 50,000 which was paid to him as a result of the termination of the Formal Agreement with the Office of the Comptroller of the Currency, as had been previously provided in Mr. Weagley’s original Employment Agreement dated May 15, 2015. The other \$150,000 was paid to him as a result of achievement of specific performance goals under an annual bonus plan outlined in his June 23, 2016 Employment Agreement. Mr. Boylan’s bonus for fiscal 2016 and fiscal 2015 consists of a signing bonus (payable over two years). Mr. Woolworth’s bonus for fiscal 2015 was a signing bonus.

The amounts shown in the “Non-Equity Incentive Plan Compensation” column for Mr. Boylan represent amounts paid to him under the Lender Plan. The amounts in such column for Mr. Gangemi and Mr. Woolworth represent amounts paid under the EAICP. In connection with fiscal 2016 performance, under the EAICP, Mr. Gangemi is also entitled to receive \$18,975 worth of restricted stock at the market price on the date of grant, and Mr. Woolworth is also entitled to receive \$17,600 worth of restricted stock at the market price on the date of grant. Such grants will be made in fiscal 2017.

In the table above, when we refer to amounts under “Stock Awards”, we are referring to the aggregate grant date fair value in accordance with FASB ASC Topic 718. The shares of restricted stock were granted in fiscal 2016 under the Company’s 2014 Long-Term Incentive Compensation Plan, and vest in 20% increments beginning on the one year anniversary of the grant date. See “Grant of Plan Based Awards.” These restricted stock awards were earned by the respective Named Executive Offices who received them under the EAICP.

“All Other Compensation” for fiscal 2016 consists of the following:

For Mr. Weagley, \$3,538 for premiums for insurance for Mr. Weagley’s benefit, \$11,880 for the use of an automobile and cell phone, a contribution of \$11,475 to the Company’s 401(k) plan on Mr. Weagley’s behalf to match a pre-tax deferral contribution (included under “Salary”) made by Mr. Weagley to that plan and \$27,737, representing the fair market value, on December 31, 2015, of 1,759 shares allocated to Mr. Weagley’s ESOP account on such date;

Grant of Plan Based Awards

During fiscal 2016, the only equity incentive plan awards made to our Named Executive Officers were shares of restricted stock, granted on December 30, 2015 (in fiscal 2016) under the Company's 2014 Long-Term Incentive Compensation Plan. These shares of restricted stock were earned by the applicable Named Executive Officers under the EAICP for fiscal 2015 performance. All of such shares of restricted stock vest in 20% increments beginning on the one year anniversary of the grant date. The Named Executive Officers did not receive option awards in fiscal 2016. As no stock options and no stock awards were granted to the Named Executive Officers prior to fiscal 2016, no stock options and no stock awards vested during fiscal 2016.

In addition, our Named Executive Officers earned non-equity incentive plan awards for fiscal 2016 in the form of cash under the EAICP. These cash amounts are included in the "Non-Equity Incentive Plan Compensation" column in the Summary Compensation Table. The information in the table below under columns (c), (d) and (e) pertain to these cash incentive awards. For a description of the EAICP, see the "Compensation Discussion and Analysis."

The information in the table below in the columns under "Estimated Possible Payouts Under Equity Incentive Plan Award" are denominated in dollars, although the applicable payouts are payable in grants of restricted stock under the Company's 2014 Long-Term Incentive Compensation Plan.

Agreements with Named Executive Officers

On June 23, 2016, Malvern Bancorp and Malvern Federal Savings Bank entered into an employment agreement (the "Employment Agreement") with Anthony C. Weagley, Chief Executive Officer and President of the Company and the Bank.

The Employment Agreement, which amends and restates Mr. Weagley's prior employment agreement dated May 15, 2015, provides that he will continue to serve as President and Chief Executive Officer of the Company and the Bank for successive one year periods, unless either party has provided written notice at least 60 days prior to the end of the then current annual period that such party does not agree to renew the Employment Agreement. The Employment Agreement also provides that Mr. Weagley will serve as a director of the Company and the Bank.

Pursuant to the Employment Agreement, Mr. Weagley will receive an annual base salary at the rate of \$400,000 per year, plus additional annual base compensation of \$100,000, of which \$35,000 will be paid in cash (as part of the regular payroll process) and the remaining \$65,000 will be paid in shares of the Company's common stock. Such amounts (totaling \$500,000), which are collectively referred to as "Annual Base Salary," may be increased by the Boards of the Company and the Bank.

Mr. Weagley will also be entitled to participate in an annual bonus plan, with an initial target bonus of \$100,000, upon the achievement of specified performance goals approved by the Compensation Committee and the Company's Board of Directors. He will also be entitled to participate in other employee benefit plans maintained for executives of the Bank.

If Mr. Weagley's employment is terminated by the Company or the Bank without "Cause" (as defined in the Employment Agreement)(other than for death or disability) or if the Company or the Bank terminate the Employment Agreement by delivering a non-renewal notice, in either case occurring after a "Change in Control" (as defined in the Employment Agreement), or if Mr. Weagley terminates his employment for "Good Reason" (as defined in the Employment Agreement) after a Change in Control, he will be entitled to receive, after signing a release, a lump sum cash payment equal to two years of his Annual Base Salary, in addition to any amounts he has already earned as of the date of termination, and any vesting restrictions on any grants of equity that have been made to him will be waived.

Upon termination by the Company or the Bank without Cause (other than for death or disability) or if the Company or the Bank terminate the Employment Agreement by delivering a non-renewal notice, in either case occurring absent a Change in Control, or if Mr. Weagley terminates his employment for Good Reason absent a Change in Control, he will be entitled to receive, after signing a release, a lump sum cash payment equal to two years of his Annual Base Salary.

The Employment Agreement contains 12 month post-termination non-compete, non-solicitation of customers and non-solicitation of employees provisions.

On May 23, 2016, the Bank entered into a Change of Control Agreement (each, a "Change of Control Agreement" and collectively, the "Change of Control Agreements") with each of Joseph Gangemi, Senior Vice President and Chief Financial Officer of the Company and the Bank, William Boylan, Senior Vice President and Chief Lending Officer of the Company and the Bank, and William "Bill" Woolworth, Senior Vice President and Chief Risk Officer of the Company and the Bank.

Each Change of Control Agreement provides that if the executive's employment with the Bank ceases within 12 months following the date of a Change of Control (as defined), or during the 90 days immediately preceding a Change of Control, as a result of termination by the Bank without Cause (as defined) or for Good Reason (as defined), then the executive will be entitled to receive any base salary that remains unpaid through the date of termination, any bonus that remains unpaid and which is payable with respect to a fiscal year which ended prior to the effective date of termination, and any expense reimbursement which is due and remains unpaid, plus a lump sum cash payment equal to 100% of the executive's base salary as in effect on the date of termination.

In addition, if the executive elects to receive continuation coverage under the Bank's group health plan under COBRA, each Change of Control Agreement provides that the executive will be entitled to reimbursement of the premium otherwise payable for COBRA continuation coverage for the 12 months immediately following the date of termination of employment, to the extent such premium exceeds the monthly amount charged to active similarly-situated employees of the Bank for the same coverage.

Each Change of Control Agreement provides that it is in lieu of, and not in addition to, any other severance plan, fund, agreement or other arrangement maintained by the Bank. Payment of the lump sum cash amounts and reimbursement for COBRA premiums described above are conditioned on the executive's execution and delivery of a release.

In addition, each Change of Control Agreement provides that the amounts and benefits payable to Mr. Gangemi or Mr. Woolworth, as applicable, in the circumstances described above, will be reduced to the extent necessary to avoid causing any of the payments or benefits to be nondeductible under Section 280G of the Internal Revenue Code of 1986, as amended (the "Code"), or subject to an excise tax under Section 4999 of the Code, unless the executive's after-tax amounts and benefits would be greater without such a reduction.

(4) The cash severance amount, which is equal to two years' annual base salary in effect as of the date of termination, is payable in a lump sum. The amount shown is based on Mr. Weagley's annual base salary in effect as of September 30, 2016.

(5) The cash severance amount, which is equal to 100% of the executive's annual base salary in effect at the time of termination, is payable in a lump sum. The amounts shown are based on their respective base salaries in effect as of September 30, 2016.

(6) These figures represent, based on the closing price of the Company's common stock on September 30, 2016 (\$16.40 per share), the aggregate value of outstanding shares of restricted stock awarded to each officer, the vesting of which would accelerate in the event of a termination of such officer's employment under the circumstances presented. The number of shares of restricted stock for which vesting would accelerate as of December 31, 2016 is as follows: Mr. Gangemi, 572 shares; Mr. Boylan, 248 shares; and Mr. Woolworth, 257 shares. The restricted shares fully vest in the event of a Change in Control as defined in our Long-Term Incentive Plan without regard to termination of employment, but are also included in the column showing amounts payable in connection with an involuntary termination after a Change of Control.

(7) Each of Messrs. Gangemi, Boylan and Woolworth is entitled to reimbursement of COBRA premiums for twelve (12) months following termination of employment to the extent that the COBRA premiums exceed the monthly amount charged active employees by the Company for health coverage. The figure presented represents the estimated amount of such reimbursements. Mr. Boylan did not have active employee health coverage as of September 30, 2016.

Related Party Transactions

Loans and Extensions of Credit. The Bank offers loans to its directors, officers and employees as well as members of their immediate families and others who are considered "related persons" under Item 404 of Regulation S-K of the SEC. Any loans by the Bank to related persons are made in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing at the same or comparable transactions with persons not related to the Bank. These loans did not involve more than the normal risk of collectability or present other unfavorable features. These loans were performing according to their original terms at September 30, 2016. None of the Bank's loans to any of its directors, executive officers, any of their immediate family members or to any related persons were non-accrual, past due, restructured or deemed potential problem loans at September 30, 2016.

Section 22(h) of the Federal Reserve Act generally provides that any credit extended by a savings institution, such as Malvern Federal Savings Bank, to its executive officers, directors and, to the extent otherwise permitted, principal shareholder(s), or any related interest of the foregoing, must be on substantially the same terms, including interest

rates and collateral, as those prevailing at the time for comparable transactions by the savings institution with non-affiliated parties; unless the loans are made pursuant to a benefit or compensation program that (i) is widely available to employees of the institution and (ii) does not give preference to any director, executive officer or principal shareholder, or certain affiliated interests of either, over other employees of the savings institution, and must not involve more than the normal risk of repayment or present other unfavorable features.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the officers and directors, and persons who own more than 10% of Malvern Bancorp's common stock to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and greater than 10% shareholders are required by regulation to furnish Malvern Bancorp with copies of all Section 16(a) forms they file. We know of no person who owns 10% or more of our common stock.

Based solely on our review of the copies of such forms furnished to us, or written representations from our officers and directors, we believe that all such Section 16(a) reports were timely filed with respect to the fiscal year ended September 30, 2016, except that Howard Kent (a director) inadvertently reported one stock purchase late, Cynthia Felzer Leitzell (a director) inadvertently reported one stock purchase late, Norman Feinstein (a director) inadvertently reported one stock purchase late, George Steinmetz (a director) inadvertently reported one stock purchase late, Anthony Weagley (an executive officer) inadvertently reported one stock purchase late, Joseph Gangemi (an executive officer) inadvertently reported one grant of restricted stock late and William Woolworth (an executive officer) inadvertently reported one grant of restricted stock late.

PROPOSAL 2

APPROVAL OF AN AMENDMENT TO THE COMPANY'S ARTICLES OF INCORPORATION TO ELIMINATE THE CLASSIFIED BOARD OF DIRECTORS

Our Articles of Incorporation presently state that our directors will be divided into three classes, as nearly equal in number as possible, with each class elected on a staggered term basis, normally for a period of three years. On February 17, 2016, our Board adopted resolutions to submit to shareholders at our 2017 annual meeting an amendment to the Company's Articles of Incorporation to declassify the Board, such that each director will be elected to a one-year term rather than the staggered three-year terms currently provided in the Articles of Incorporation.

Background of Proposal

Classified or staggered boards have been widely adopted and have a long history in corporate law. Proponents of classified boards assert that they promote the independence of directors because directors elected for multi-year terms are less subject to outside influence. Proponents of a classified structure for the election of directors also believe it provides continuity and stability in the management of the business and affairs of a company because a majority of directors always has prior experience as directors of the company. Proponents further assert that classified boards may enhance stockholder value by forcing an entity or group seeking control of a target company to initiate arms-length discussions with the board of the target company because the entity or group is unable to replace the entire board in a single election.

Alternatively, some investors view classified boards as having the effect of reducing the accountability of directors to stockholders because classified boards limit the ability of stockholders to evaluate and elect all directors on an annual basis. The election of directors is a primary means for stockholders to influence corporate governance policies and to hold management accountable for implementing those policies. In addition, opponents of classified boards assert that a classified structure for the election of directors may discourage proxy contests in which stockholders have an opportunity to vote for a competing slate of nominees and therefore may erode shareholder value.

Our Board of Directors has considered carefully the advantages and disadvantages of maintaining a classified board structure. The Board has decided that it is an appropriate time to propose eliminating the classified Board. This determination by the Board furthers its goal of ensuring that the Company's corporate governance policies maximize management accountability to stockholders. If approved, the proposal would give stockholders the opportunity each year to register their views on the performance of the entire Board of Directors. Accordingly, our Board, after full review and deliberation, has determined that eliminating the classified Board is in the best interests of Malvern Bancorp and its stockholders.

The elimination of the classified board requires an amendment to Malvern Bancorp's Articles of Incorporation. If this Proposal 2 is approved by the shareholders, the terms of the nominees for election at the 2017 annual meeting would expire at the 2018 annual meeting. The directors whose terms would otherwise expire at the 2018 annual meeting and the 2019 annual meeting have agreed that if the shareholders approve this Proposal 2, they will relinquish the remaining unexpired portion of their respective terms and be re-nominated for election to a one-year term at the 2017 annual meeting. Accordingly, if Proposal 2 is approved by the shareholders, all eight of the directors listed in the tables under "Election of Directors" will be elected to one-year terms at the 2017 annual meeting. If Proposal 2 is not approved, the directors elected at the 2017 annual meeting will be elected for three year terms and there will be no change in the terms of the other directors.

Attached to this proxy statement as Appendix A are the Amended and Restated Articles of Incorporation of Malvern Bancorp, which reflect the changes required to implement this Proposal 2, if approved by the shareholders. If approved, this Proposal 2 will become effective upon the filing of the Amended and Restated Articles of Incorporation with the Commonwealth of Pennsylvania. The Company would make this filing promptly after the 2017 annual meeting. At such time, the Board would consider amendments to the Company's Bylaws that would make the Bylaws consistent with the proposed amendment to eliminate the classified Board.

Required Vote and Board of Directors Recommendation

As at least 80% of our Board of Directors has approved this amendment to the Articles of Incorporation, shareholder approval of Proposal 2 requires the affirmative vote of a majority of the outstanding shares entitled to vote at the 2017 annual meeting. Abstentions and broker non-votes will be counted as present for purposes of determining if a quorum is present, but will not affect the outcome of this proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” APPROVAL OF THE AMENDMENT TO THE ARTICLES OF INCORPORATION TO ELIMINATE THE CLASSIFIED BOARD.

PROPOSAL 3

APPROVAL OF AN AMENDMENT TO THE COMPANY’S ARTICLES OF INCORPORATION TO ELIMINATE PROVISIONS PROHIBITING A SHAREHOLDER FROM ACQUIRING MORE THAN 10% OF THE COMPANY’S COMMON STOCK

Article IX of the Company’s current Articles of Incorporation generally provides that no person shall, directly or indirectly, offer to acquire or acquire the beneficial ownership of (i) more than 10% of the issued and outstanding shares of any class of equity security of the Company or (ii) any securities convertible into or exercisable for any equity securities of the Company if, assuming conversion or exercise of all such securities, such person would be the beneficial owner of more than 10% of any class of equity securities of the Company.

Article IX further provides that the foregoing restrictions on offers to acquire or the acquisition of more than 10% of the Company’s issued and outstanding equity securities do not apply to (i) any offer with a view toward public resale made exclusively to the Company by underwriters or a selling group, (ii) any employee benefit plan of the Company or the Bank and (iii) any offer or acquisition approved in advance by the affirmative vote of 80% of the members of the Company’s Board of Directors then in office.

If shares are acquired in violation of Article IX, all shares beneficially owned by a person in excess of 10% will be deemed “Excess Shares,” and will not be counted as shares entitled to vote and shall not be voted or counted as voting shares in connection with any matters submitted to shareholders. Article IX further provides that the Board may cause any such Excess Shares to be transferred to an independent trustee for sale on the open market or otherwise, with the expenses of the trustee to be paid out of the proceeds of the sale.

On February 17, 2016, our Board adopted resolutions to submit to shareholders at our 2017 annual meeting an amendment to the Company's Articles of Incorporation to delete all of Article IX.

Background of Proposal

Article IX generally prohibits a person from exercising voting rights with respect to Excess Shares, as described above. Although Article IX provides that non-binding letters of intent with management of the Company regarding the basic structure of a potential acquisition and inquiries directed solely to the Company's management which are designed to elicit an indication of management's receptivity to a potential acquisition are excluded from the definition of "offer," Article IX could still delay or make more difficult a change of control transaction or other combination involving the Company that may otherwise be beneficial to the Company's shareholders.

Article IX was intended to limit the ability of a person to acquire a significant number of shares of the Company's common stock and thereby gain sufficient voting control to cause the Company to effect a transaction that may not be in the best interests of the Company and its shareholders. However, federal banking laws require persons to file bank change-in-control and/or holding company applications before they can acquire more than 10% (or even over 5%, in certain instances) of the Company's common stock.

Since Article IX was adopted, the Company has not faced the dangers that Article IX sought to guard against. Accordingly, the Board has concluded that the elimination of Article IX is advisable and in the best interests of the Company and its shareholders.

Attached to this proxy statement as Appendix A are the Amended and Restated Articles of Incorporation of Malvern Bancorp, which reflect the changes required to implement this Proposal 3, if approved by the shareholders. If approved, this Proposal 3 will become effective upon the filing of the Amended and Restated Articles of Incorporation with the Commonwealth of Pennsylvania.

Required Vote and Board of Directors Recommendation

As at least 80% of our Board of Directors has approved this amendment to the Articles of Incorporation, shareholder approval of Proposal 3 requires the affirmative vote of a majority of the outstanding shares entitled to vote at the 2017 annual meeting. Abstentions and broker non-votes will be counted as present for purposes of determining if a quorum is present, but will not affect the outcome of this proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” APPROVAL OF THE AMENDMENT TO THE ARTICLES OF INCORPORATION TO ELIMINATE ARTICLE IX.

PROPOSAL 4

APPROVAL OF AN AMENDMENT OF THE SUPERMAJORITY VOTING REQUIREMENT CONTAINED IN ARTICLE XI OF THE COMPANY’S ARTICLES OF INCORPORATION FOR CERTAIN MERGERS AND SIMILAR TRANSACTIONS

Article XI of the Company’s current Articles of Incorporation provides that any merger, consolidation, share exchange and sale of assets, and any voluntary dissolution and winding up of the Company (collectively, the “Specified Actions”), would require the affirmative vote of at least 75% of the Company’s outstanding shares; provided that if any such Specified Action is recommended by at least two-thirds of the entire Board of Directors, it would require only the affirmative vote required by applicable law, which generally is a majority of the votes cast by shareholders entitled to vote.

On February 17, 2016, our Board adopted resolutions to submit to shareholders at our 2017 annual meeting an amendment to Article XI of the Company’s current Articles of Incorporation to provide that approval of Specified Actions would require the affirmative vote of a majority of the outstanding shares; provided that if such Specified

Action is recommended by at least two-thirds of the entire Board of Directors, it would require only the affirmative vote required by applicable law, which generally is a majority of the votes cast by shareholders entitled to vote.

Background of Proposal

Article XI was intended to help prevent hostile takeover attempts and encourage third parties to negotiate with the Board. Since Article XI was adopted, the Company has not encountered the dangers that Article XI was supposed to address. In addition, management believes that the supermajority shareholder vote set forth in the current Article XI is not necessary for two reasons. First, management believes that in most instances, two-thirds of the entire Board would recommend any Specified Action, in which case the shareholder vote required by applicable law, which generally is a majority of the votes cast by shareholders entitled to vote, would be applicable. Second, management believes that a majority of the outstanding shares is a sufficiently higher shareholder approval requirement in the event that two-thirds of the Board does not recommend a Specified Action.

The Board believes that the current supermajority shareholder vote contained in Article XI may be viewed as burdensome, and as an impediment to a merger that might otherwise be in the best interests of the Company and its shareholders. Accordingly, the Board has concluded that the proposed amendment to Article XI is advisable and in the best interests of the Company and its shareholders.

Attached to this proxy statement as Appendix A are the Amended and Restated Articles of Incorporation of Malvern Bancorp, which reflect the changes required to implement this Proposal 4, if approved by the shareholders. If approved, this Proposal 4 will become effective upon the filing of the Amended and Restated Articles of Incorporation with the Commonwealth of Pennsylvania.

Required Vote and Board of Directors Recommendation

As at least 80% of our Board of Directors has approved this amendment to the Articles of Incorporation, shareholder approval of Proposal 4 requires the affirmative vote of a majority of the outstanding shares entitled to vote at the 2017 annual meeting. Abstentions and broker non-votes will be counted as present for purposes of determining if a quorum is present, but will not affect the outcome of this proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” APPROVAL OF THE AMENDMENT OF THE SUPERMAJORITY VOTING REQUIREMENT CONTAINED IN ARTICLE XI OF THE ARTICLES OF INCORPORATION FOR CERTAIN MERGERS AND SIMILAR TRANSACTIONS.

Proposal 5

PROPOSAL TO ADOPT A NON-BINDING RESOLUTION TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

Pursuant to Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the Dodd-Frank Act”), the proxy rules of the SEC were amended to require that not less frequently than once every three years, a proxy statement for an annual meeting of shareholders for which the proxy solicitation rules of the SEC require compensation disclosure must also include a separate resolution subject to shareholder vote to approve the compensation of the company’s named executive officers disclosed in the proxy statement. The Company’s Board of Directors previously determined to submit the non-binding resolution on compensation of our named executive officers to our shareholders on an annual basis.

The executive officers named in the summary compensation table and deemed to be “named executive officers” are Messrs. Weagley, Gangemi, Boylan and Woolworth. Reference is made to the summary compensation table and disclosures set forth under “Executive Compensation” in this proxy statement.

The proposal gives shareholders the ability to vote on the compensation of our named executive officers through the following resolution:

“Resolved, that the shareholders approve the compensation of the named executive officers as disclosed in this proxy statement.”

The shareholder vote on this proposal is not binding on Malvern Bancorp or the Board of Directors and cannot be construed as overruling any decision made by the Board of Directors. However, the Board of Directors of Malvern Bancorp will review the voting results on the non-binding resolution and take them into consideration when making future decisions regarding executive compensation.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE “FOR” THE NON-BINDING RESOLUTION TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

We have been advised by BDO USA, LLP that neither that firm nor any of its associates has any relationship with Malvern Bancorp or its subsidiaries other than the usual relationship that exists between an independent registered public accounting firm and its clients. (2) Audit related fees consist of fees incurred in connection with the audit of our employee benefit plan.

The Audit Committee selects our independent registered public accounting firm and pre-approves all audit services to be provided by it to Malvern Bancorp. The Audit Committee also reviews and pre-approves all audit-related and non-audit related services rendered by our independent registered public accounting firm in accordance with the Audit Committee's charter. In its review of these services and related fees and terms, the Audit Committee considers, among other things, the possible effect of the performance of such services on the independence of our independent registered public accounting firm. The Audit Committee pre-approves certain audit-related services and certain non-audit related tax services which are specifically described by the Audit Committee on an annual basis and separately approves other individual engagements as necessary.

Each new engagement of the Company's independent registered public accounting firm was approved in advance by the Audit Committee or its Chair, and none of those engagements made use of the *de minimis* exception to pre-approval contained in the Securities and Exchange Commission's rules.

The Board of Directors recommends that you vote FOR the ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm for the fiscal year ending September 30, 2017.
