Disclaimer

DISCLOSURE AND FORWARD LOOKING STATEMENTS

This presentation is solely for informational purposes and has been prepared to assist interested parties in making their own evaluation of Malvern Bancorp, Inc. (the “Company”) and does not purport to contain all of the information that may be relevant. This presentation does not constitute an offer to sell, nor a solicitation of an offer to buy, any securities of the Company by any person in any jurisdiction in which it is unlawful for such person to make such an offering or solicitation.

Neither the Securities and Exchange Commission nor any other regulatory body has approved or disapproved of the securities of the Company or passed upon the accuracy or adequacy of this presentation. Any representation to the contrary is a criminal offense

The Company has filed a shelf registration statement (including a prospectus)(File No. 333-219999) and a preliminary prospectus supplement with the Securities and Exchange Commission, or the SEC, for the offering to which this presentation relates. The sale of shares of common stock in the underwritten offering is being made solely pursuant to such prospectus supplement and accompanying base prospectus. Before you invest, you should read the prospectus in the registration statement and the preliminary prospectus supplement and other documents the Company has filed with the SEC for more complete information about the Company and the offering. You may obtain these documents for free by visiting EDGAR on the SEC website at www.sec.gov or by visiting the Company’s website at www.mymalvernbank.com. Alternatively, copies of the preliminary prospectus supplement and the accompanying prospectus relating to the offering may be obtained by contacting Sandler O’Neill + Partners, L.P., 1251 Avenue of the Americas, 6th Floor, New York, New York 10020, or by phone at 1-866-805-4128.

This presentation contains forward-looking statements. Any statements about our expectations, beliefs, plans, predictions, forecasts, objectives, assumptions or future events or performance are not historical facts and may be forward-looking. You can identify forward-looking statements by the use of forward-looking terminology such as “believes,” “expects,” “could,” “may,” “will,” “should,” “seeks,” “likely,” “intends,” “plans,” “pro forma,” “projects,” “estimates,” “anticipates” or the negative of these words and phrases or similar words or phrases that are predictions of or indicate future events or trends and that do not relate solely to historical matters. You can also identify forward-looking statements by discussions of strategy, plans or intentions. Forward-looking statements involve numerous risks and uncertainties and you should not rely on them as predictions of future events. Forward-looking statements depend on assumptions, data or methods that may be incorrect or imprecise and we may not be able to realize them. We do not guarantee that the transactions and events described will happen as described (or that they will happen at all).

We have based these forward-looking statements largely on our current expectations and projections about future events and financial trends that we believe may affect our financial condition, results of operations, business strategy and financial needs. There are important factors that could cause our actual results, level of activity, performance or achievements to differ materially from the results, level of activity, performance or achievements expressed or implied by the forward-looking statements including, but not limited to: (1) changes in general economic and financial market conditions; (2) changes in the regulatory environment; (3) economic conditions generally and in the financial services industry; (4) changes in the economy affecting real estate values; (5) our ability to achieve loan and deposit growth; (6) the completion of any future acquisitions or business combinations and our ability to integrate any acquired business into our business model; (7) projected population and income growth in our targeted market areas; and (8) volatility and direction of market interest rates and a weakening of the economy which could materially impact credit quality trends and the ability to generate loans and grow deposits. We disclaim any obligation to publicly update or revise any forward-looking statement to reflect changes in underlying assumptions or factors of new information, data or methods, future events or other changes except as required by applicable law. All forward-looking statements are necessarily only estimates of future results. Accordingly, actual results may differ materially from those expressed in or contemplated by the particular forward-looking statement, and, therefore, you are cautioned not to place undue reliance on such statements. Any forward-looking statement is qualified in its entirety by reference to the matters discussed in this presentation. Further, any forward-looking statement speaks only as of the date on which it is made, and we undertake no obligation to update any forward-looking statement to reflect events or circumstances after the date on which the statement is made or to reflect the occurrence of unanticipated events or circumstances, except as required by applicable law.

Certain information contained in this presentation and statements made orally during this presentation relate to or are based on publications and other data obtained from third-party sources. While we believe these third-party sources to be reliable as of the date of this presentation, we have not independently verified, and make no representation as to the adequacy, fairness, accuracy or completeness of, any information obtained from such third-party sources.
