The Finance Committee
Con-way Inc. Board of Directors:

Edgar Filing: Con-way Inc. - Form 11-K

We have audited the accompanying statements of net assets available for benefits of the Menlo Worldwide Forwarding, Inc. Savings Plan as of December 31, 2005 and 2004, and the related statement of changes in net assets available for benefits for the year ended December 31, 2005. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2005 and 2004, and the changes in its net assets available for benefits for the year ended December 31, 2005, in conformity with U.S. generally accepted accounting principles.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects, in relation to the basic financial statements taken as a whole.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The fund information in the statements of net assets available for benefits and statement of changes in net assets available for benefits is presented for purposes of additional analysis rather than to present the net assets available for benefits and changes in net assets available for benefits of each fund. The fund information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects, in relation to the basic financial statements taken as a whole.

MENLO WORLDWIDE FORWARDING, INC. SAVINGS PLAN

Notes to Financial Statements

(1) Description of Plan

The following description of the Menlo Worldwide Forwarding, Inc. Savings Plan (the Plan), formerly the CNF Inc. EWW Savings Plan, is provided for general information purposes only. Participants should refer to the Employee Benefits Handbook or the Plan document for more complete information.

Edgar Filing: Con-way Inc. - Form 11-K

The term "Con-way" or "Company" refers to Con-way Inc., formerly CNF Inc., and subsidiaries. On April 18, 2006, shareholders approved management's proposal to change the Company's name to Con-way Inc. from CNF Inc. The name of the Plan remains Menlo Worldwide Forwarding, Inc. Savings Plan.

(a) General

The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Overall responsibility for administering the Plan rests with the Con-way Inc. Benefits Administrative Committee (the Committee), which is appointed by the Chief Executive Officer of Con-way. Menlo Worldwide Forwarding, Inc. is a subsidiary of Menlo Worldwide, LLC that was sold in December 2004, as discussed below. Menlo Worldwide, LLC is a wholly owned subsidiary of Con-way. The Plan's trustee, T. Rowe Price Trust Company (the Trustee), is responsible for the management and control of the Plan's assets, which are held in individual participant investment accounts, collectively known as "the Trust."

Effective September 19, 2000, the pilots of Emery Worldwide Airlines (EWA) ceased participation in the CNF Thrift and Stock Plan (TASP) and their elective deferrals began being contributed to the Plan. The pilots' vested balance in the TASP was transferred to the Plan effective December 20, 2000.

(b) Amendments

In December 2004, Con-way completed the sale of Menlo Worldwide Forwarding, Inc. and its subsidiaries and Menlo Worldwide Expedite!, Inc. (collectively referred to as MWF) to United Parcel Service, Inc. (UPS). The active employees of MWF ceased participation in the Plan as of the sale date and were permitted to rollover their Plan account balances to a UPS-sponsored defined contribution plan. In 2005, approximately \$3,590,000, including rollovers, was distributed from the TASP to former employees as a result of the sale of MWF.

Effective September 6, 2005, the Plan was amended to remove certain restrictions prohibiting the early transfer of assets from the Preferred Stock Fund and the Restricted Con-way Common Stock Fund. Prior to the amendment, balances in the nonparticipant-directed funds could only be transferred to the participant-directed funds upon a participant reaching age 55 and having completed at least 10 years of participation in the Plan. The change effectively allows participants to transfer Con-way's matching contributions to investments other than Con-way equity. In September 2005, balances in the Restricted Con-way Common Stock Fund were transferred to the Unrestricted Con-way Common Stock Fund, and balances in the nonparticipant-directed Con-way Preferred Stock Fund were changed to the participant-directed Con-way Preferred Stock Fund.

Accordingly, in the Statements of Net Assets Available for Benefits, previously restricted participant account balances related to matching contributions of Con-way's common and preferred stock are included in participant-directed investments as of December 31, 2005, but are reported separately as nonparticipant-directed investments as of December 31, 2004.

(c) Eligibility

Edgar Filing: Con-way Inc. - Form 11-K

Employees were eligible to participate in the Plan if they were covered by a collective bargaining unit that specifically provided for participation in the Plan. Employees were eligible to participate in the Plan upon hire if they were regular full-time employees. Supplemental or part-time employees became eligible upon completion of one year of service during which the employee worked 750 hours.

(d) Contributions

Prior to the sale of MWF in December 2004, participants could contribute up to 50% of their compensation into the Plan, and could direct contributions to any one or more of the investment funds established under the Plan. Con-way makes no matching contributions for participants of the Plan.

Participants who formerly participated in the TASP, as discussed under "Amendments" above, and participants who transferred from noncontractual to contractual positions within Con-way, are awarded Con-way preferred stock as a substitute for cash dividends used for debt service on TASP debt. For 2005, these participants received Con-way preferred stock with a historical cost of \$64,008, as shown on the Statement of Changes in Net Assets Available for Benefits.

(e) Participant Accounts

A separate account is maintained for each participant of the Plan. Allocations of net Plan earnings are based upon participant account balances. The benefits to which participants are entitled are the benefits that can be provided from participants' vested accounts.

(f) Vesting

Participants are fully vested at all times in all contributions made to the Plan plus net earnings thereon.

(g) Participant Loans

The Plan had a loan provision allowing participants access to funds on a tax-free basis. Each participant could borrow from a minimum of \$1,000 up to a maximum of \$50,000 from the participant's fund account, reduced by the excess of the participant's highest outstanding loan balance during the one-year period on the day before the loan was made over the participant's current outstanding loan balance on the date of the loan. Loans do not exceed 50% of a participant's vested account balance (subject to administrative adjustment to assure compliance with the 50% limit). The loans are secured by the vested balance in the participant's account. Loans outstanding at December 31, 2005 bear interest at rates ranging from 8.75% to 10.50%.

In connection with the sale of MWF, as described above, a participant with an outstanding loan balance could either rollover the balance to a UPS-sponsored plan (if eligible for a UPS plan) or pay off the loan balance. If the loan was not paid off within 75 days, the loan was defaulted and offset against the participant's vested balance, in accordance with plan rules.

(h) Distribution to Participants

Employees became eligible for distribution in connection with the sale of MWF, as described above. Distributions are payable in the form of lump-sum payments or in a series of substantially equal annual installments.

Edgar Filing: Con-way Inc. - Form 11-K

(i) Plan Termination

Although it has not expressed any intent to do so, Con-way has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Con-way shall direct the Trustee with respect to the distribution of accounts to or for the exclusive benefit of participants or their beneficiaries.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The accompanying financial statements have been prepared using the accrual method of accounting.

(b) Financial Instruments

The investments in the accompanying financial statements are stated at quoted market prices, which approximate fair value as of December 31, 2005 and 2004, except for (1) participant loans outstanding that are valued at cost, which approximates fair value and, (2) Con-way preferred stock, which does not have a quoted market value, and is stated at fair value as determined by an annual independent appraisal.

(c) Investments

The Plan offers various investments in securities that are generally exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect amounts reported in the Statements of Net Assets Available for Benefits.

(d) Income Recognition

The difference in market value from one period to the next is included in net appreciation in fair value of investments in the accompanying Statement of Changes in Net Assets Available for Benefits. The net appreciation in fair value of investments also includes realized gains and losses.

Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Purchases and sales of securities are recorded on the trade-date basis.

(e) Operating Expenses

During 2005, all administrative expenses of the Plan were paid by Con-way.

(f) Payment of Benefits

Benefits paid to participants are recorded upon distribution.

(g) Estimates

Con-way makes estimates and assumptions when preparing the financial statements in conformity with U.S. generally accepted accounting principles. These estimates and assumptions affect the amounts reported in the accompanying financial statements and notes. Actual

Edgar Filing: Con-way Inc. - Form 11-K

results could differ from those estimates.

(4) Income Tax Status

The Internal Revenue Service has determined and informed Con-way by a letter dated October 3, 2001, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (the Code). The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

(5) Related Party Transactions

Edgar Filing: Con-way Inc. - Form 11-K

Certain Plan investments are shares in funds managed by T. Rowe Price Trust Company, the Trustee as defined by the Plan. Therefore, these investments and investment transactions qualify as party-in-interest.
