**Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rules or Standard; Transfer of Listing.**

On February 6, 2006, pursuant to Section 303A.12(b) of the Listed Company Manual, Stoneridge, Inc. (the Company ) notified the New York Stock Exchange (the NYSE ) that the Company s Board of Directors is temporarily not in compliance with the NYSE requirement to have a majority of independent directors, required by Section 303A.01 of the NYSE s Listed Company Manual.

The NYSE was notified that the temporary non-compliance resulted from the recent appointment of John C. Corey as the Company s new President and CEO. Prior to that appointment Mr. Corey served as one of the Company s independent directors. Mr. Corey continues to serve as a director. As a result of the appointment the balance of independent directors to non-independent directors shifted from 6 to 4 to 5 to 5.

The Company further notified the NYSE that the Company hopes to remedy this non-compliance as promptly as possible. The Company has undertaken efforts to nominate at least one, but possibly two, new independent candidates for election to the Board at this year s annual meeting of shareholders to fill the spot(s) of the current director(s) who will not be re-nominated. The Chairperson of the Board of Director s Nominating and Corporate Governance Committee has engaged a professional search firm to recommend candidates for the Board s consideration. If the Board is successful in finding one or two new qualified independent nominees for Board service and those nominees are elected (and assuming the current directors other than as discussed above are re-elected) the Company would again have a majority of independent directors after the annual meeting of shareholders, which is tentatively scheduled for April 24, 2006.
