Forward-Looking Statements

Certain statements contained in this report, including the expected sale of the Company's former headquarters, and the expected proceeds from the sale, are not based on historical fact and are forward-looking statements within the meaning of federal securities laws and regulations. These statements are based on management's current expectations, assumptions, estimates and observations of future events and include any statements that do not directly relate to any historical or current fact. These forward-looking statements can be identified by the use of words like "anticipates," "estimates," "projects," "expects," "plans," "believes," "intends," "will," "could," "assumes" and other words of similar meaning. Due to the uncertainties inherent in forward-looking statements, actual results could differ materially from those set forth in forward-looking statements. The Company intends these forward-looking statements to speak only at the time of this report and does not undertake to update or revise these statements as more information becomes available except as required under federal securities laws and the rules and regulations of the Securities and Exchange Commission ("SEC"). Factors that could cause actual results to differ materially from those in forward-looking statements include, but are not limited to, the timing and success of completion of the sale; the risk that a condition to closing the proposed transaction may not be satisfied; the diversion of management time on transaction-related issues; weather and special or unusual events, as well as, other risks described in this report and other factors described from time to time in the Company's filings with the SEC.
