Our news release dated October 16, 2002 concerning third quarter 2002 financial results, together with supplemental third quarter 2002 financial information, filed as Exhibits 20 and 99.1 through 99.4, respectively, to this report, are incorporated by reference herein.

In addition, our North American and Overseas Production schedule dated October 16, 2002, filed as Exhibit 99.5 to this report, is incorporated by reference herein.

To view slides summarizing our third quarter 2002 financial results, investors can visit the following web site: <http://media.ford.com>. Also, investors can access replays of a conference call with news media and security analysts to review our third quarter results that was hosted by Allan Gilmour, Ford's Vice Chairman and Chief Financial Officer, which took place in the morning on October 16, 2002, by visiting one of the following web sites: [www.shareholder.ford.com](http://www.shareholder.ford.com), [www.streetevents.com](http://www.streetevents.com) (subscribers only) or <http://www.companyboardroom.com>.

Statements included herein may constitute "forward looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. These statements involve a number of risks, uncertainties, and other factors that could cause actual results to differ materially from those stated, including, without limitation: greater price competition in the U.S. and Europe resulting from currency fluctuations, industry overcapacity or other factors; a significant decline in industry sales, particularly in the U.S. or Europe, resulting from slowing economic growth or other factors; lower-than-anticipated market acceptance of new or existing products; currency or commodity price fluctuations; economic difficulties in South America or Asia; reduced availability of or higher prices for fuel; a market shift from truck sales in the U.S.; lower-than-anticipated residual values for leased vehicles; a credit rating downgrade; labor or other constraints on our ability to restructure our business; increased safety, emissions, fuel economy or other regulation resulting in higher costs and/or sales restrictions; work stoppages at key Ford or supplier facilities or other interruptions of supplies; the discovery of defects in vehicles resulting in delays in new model launches, recall campaigns or increased warranty or litigation costs; insufficient credit loss reserves; and our inability to implement the Revitalization Plan.
