KANSAS CITY SOUTHERN ANTICIPATES LOWER SECOND QUARTER EARNINGS

Edgar Filing: KANSAS CITY SOUTHERN - Form 8-K

Kansas City Southern (KCS) (NYSE: KSU) announced today that it anticipates its Second Quarter 2003 consolidated earnings will be significantly below current consensus estimates. The primary factors contributing to missing consensus were lower earnings from Grupo TFM, which were heavily impacted by U.S. GAAP deferred tax provisions primarily tied to the strengthened Mexican peso versus the U.S. dollar and lower future Mexican corporate tax rates, and lower U.S. operating income compared to Second Quarter 2002 resulting from higher fuel, insurance and casualty related costs.

The current First Call Second Quarter 2003 earnings per share consensus estimate for KCS is \$0.19. KCS anticipates its earnings per share will be reported in the low single cents per share.

KCS expects to release its Second Quarter earnings before the opening of trading in the NYSE on Wednesday, July 30, 2003. KCS management will discuss the company's Second Quarter earnings and operating performance at a conference beginning at 1:00 EDT, July 30, at the JPMorgan Building, 270 Park Avenue, 50th floor, New York, NY. Those unable to attend can listen to the presentation via telephone by calling 1-800/955-1795 (U.S. & Canada) or 1-706/643-0096 (International). A replay of the presentation will be available for one week after by calling 1-800/642-1687 (U.S. and Canada) or 1-706/645-9291 (International), and providing the conference I.D.: 1599169. The accompanying visuals to the presentation will be available on the KCS website, www.kcsi.com on July 30 prior to the conference.

KCS is comprised of, among others, The Kansas City Southern Railway (KCSR) and equity investments in Grupo TFM, Southern Capital and the Panama Canal Railway Company.
