Item 1.01 Entry into a Material Definitive Agreement

On August 3, 2018, Stage Stores, Inc. and subsidiary Specialty Retailers, Inc. (collectively, “we,” “our” or “registrant”) entered into an amendment to our senior secured revolving credit facility agreement (with references to the “credit facility” and “credit facility agreement” herein to include all prior amendments to our senior secured revolving credit facility and the agreement related thereto). The amendment was entered into by and among Specialty Retailers, Inc., as borrower, Stage Stores, Inc., as guarantor, Wells Fargo Bank, National Association, as administrative agent, collateral agent and term loan agent, and lenders Wells Fargo Bank, National Association, JPMorgan Chase Bank, N.A., Regions Bank, Bank of America, N.A., and SunTrust Bank.

The amendment provides us with a \$25,000,000 term loan. With the addition of the new term loan, total availability under our credit facility is up to \$450,000,000, including a \$25,000,000 seasonal increase. Interest rates under the credit facility are determined by a prime rate or LIBOR, plus an applicable margin, as set forth in the credit facility agreement. Borrowings under the credit facility are limited to the availability under a borrowing base that is determined principally on eligible inventory as defined by the credit facility agreement. The credit facility, including the term loan, is secured by our inventory, cash, cash equivalents, and substantially all of our other assets. Borrowings under the credit facility remain available for working capital and general corporate purposes, as well as to finance capital expenditures and to support our letter of credit requirements. The term loan matures on December 16, 2021, contemporaneously with the existing credit facility.

The credit facility agreement contains a covenant requiring us to maintain excess availability at or above the greater of \$35,000,000 or 10% of the Adjusted Combined Loan Cap (as defined therein). A failure to comply with this covenant may have a material adverse effect on our capital resources, financial condition, results of operations, and liquidity. The credit facility agreement also contains covenants which, among other things, restrict (i) the amount of additional debt or capital lease obligations, (ii) the payment of cash dividends to \$30,000,000 in a fiscal year, and (iii) the repurchase of common stock under certain circumstances.

A copy of the amendment is filed as Exhibit 10.4 to this Form 8-K. The foregoing description of the amendment and credit facility agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the amendment and credit facility agreement which are incorporated herein by reference.

The amendment included as an exhibit to this Form 8-K is intended to provide the reader with information regarding its terms and is not intended to provide any other factual or disclosure information about us or the other parties to the amendment or the credit facility agreement. The amendment and credit facility agreement contain representations, warranties, and covenants by the parties thereto, and those representations, warranties, and covenants:
