If your shares are registered in your name as the shareholder of record, you may vote by mail, telephone or Internet by following the instructions below. Voting instructions also appear on your proxy card. If you grant a proxy by telephone or by Internet, please have your proxy card available.

To vote by mail, complete, sign, and return the enclosed proxy card in the envelope provided to: Proxy Services, c/o Computershare Investor Services, P.O. Box 43126, Providence, RI, 02940-5138.

To vote by telephone, call toll free 1-800-652-VOTE (8683) within the United States, U.S. territories and Canada any time on a touch tone telephone and follow the instructions provided by the recorded message. There is NO CHARGE to you for the call.

To vote by Internet, access the voting site at [www.investorvote.com/SBSI](http://www.investorvote.com/SBSI), or scan the Quick Response code with your smartphone and follow the voting instructions set forth on the secure website.

The telephone and Internet procedures are designed to authenticate the shareholder's identity and to allow shareholders to vote their shares and confirm that their voting instructions have been properly recorded. Shareholders who vote by telephone or Internet do not need to return the proxy card. Proxies submitted by telephone or Internet must be recorded by 6:00 a.m. Central time on May 1, 2014.

If you hold your shares in "street name" in a stock brokerage account or through a bank, trust or other nominee, the broker or other nominee is considered the record holder and you are the beneficial owner of the shares. Beneficial owners vote their street name shares by instructing their broker or other nominee how to vote using the voting instruction form provided by the broker or nominee. Brokers have authority to vote in their discretion on "routine" matters if they do not receive voting instructions from the beneficial owner of the shares.

Please note that the proposal to elect directors, the advisory vote on the compensation of the Company's named executive officers, the proposal for the re-approval of the material terms of performance goals for qualified performance-based awards under the 2009 Incentive Plan, and the proposal to approve the restated certificate of formation are not considered routine matters. Consequently, if you do not give your broker or nominee specific voting instructions with respect to those proposals, your street name shares will be treated as broker non-votes with respect to those proposals (see "Quorum, Voting Rights and Procedures" below).

If you hold your shares in street name and want to vote in person at the Annual Meeting, you must obtain from your broker or nominee a legal proxy issued in your name giving you the right to vote the shares directly at the meeting. You will not be entitled to vote at the meeting unless you present such a proxy to the Company at that time.

### REVOCABILITY OF PROXY

Your proxy may be revoked prior to the Annual Meeting by providing notice in writing to the Corporate Secretary at the Company's principal office, located at 1201 South Beckham Avenue, Tyler, Texas 75701, at any time, or by advising the Corporate Secretary at the Annual Meeting that you wish to revoke your proxy and vote your shares in person. Your attendance at the Annual Meeting will not constitute automatic revocation of the proxy.

### PERSONS MAKING THE SOLICITATION

The Company's Board is soliciting the proxy. The expense of soliciting your proxy will be borne entirely by the Company and no other person or persons will bear such costs either directly or indirectly. Proxies will be solicited principally by mail, but may also be solicited by personal interview, telephone and email by directors, officers and employees of the Company who will receive no additional compensation. The Alliance Advisors, L.L.C. has been retained by the Company to assist in the solicitation of proxies for a fee of \$6,500, plus expenses.

### RECORD DATE AND OUTSTANDING SHARES

The Company's Board has fixed the close of business on March 12, 2014, as the record date for determining the holders of common stock of the Company entitled to notice of and to vote at the Annual Meeting. At the close of business on March 12, 2014, there were approximately \_\_\_\_\_ shares of common stock outstanding and eligible to be voted on each matter.

### QUORUM, VOTING RIGHTS AND PROCEDURES

The approval of all proposals brought before the Annual Meeting requires a quorum be present at the Annual Meeting. The presence, in person or by properly submitted proxy, of the holders of a majority of the shares of common stock entitled to vote at the Annual Meeting is necessary to constitute a quorum. In the event that a quorum is not represented in person or by proxy at the Annual Meeting, a majority of shares represented at that time may adjourn the Annual Meeting to allow the solicitation of additional proxies or other measures to obtain a quorum.

Each shareholder is entitled to one vote on each proposal per share of common stock held as of the record date.

Proposal 1, the election of five directors to serve until the 2017 Annual Meeting, requires approval by a “plurality” of the votes cast by the shares of common stock entitled to vote in the election. This means that the five nominees for director who receive the highest number of properly cast votes will be elected as directors even if those nominees do not receive a majority of the votes cast.

Proposal 2, the advisory vote on the compensation of the Company's named executive officers, Proposal 3, the re-approval of the material terms of performance goals for qualified performance-based awards under the 2009 Incentive Plan, Proposal 5, the ratification of EY as the Company's independent registered public accounting firm, and any other matter that may properly come before the Annual Meeting, require approval by a majority of the shares of common stock entitled to vote on, and voted for or against, or expressly abstained from voting, with respect to the matter.

Proposal 4, the approval of a Restated Certificate of Formation, requires the affirmative vote, in person or by proxy, of the holders of at least two-thirds of the outstanding shares of common stock entitled to vote. Although the advisory vote on Say-on-Pay is non-binding as provided

Table of Contents

by law, the Board will review the results of the votes and take them into account in making future determinations concerning executive compensation.

**EFFECT OF WITHHOLD VOTES, ABSTENTIONS AND BROKER NON-VOTES**

Shares represented at the Annual Meeting that are withheld or abstained from voting and broker non-votes will be considered present for the purpose of determining a quorum at the Annual Meeting.

For Proposal 1, shares represented by proxies that are marked “withhold” for the election of one or more director nominees will not be counted in determining the number of votes cast for those persons.

For Proposals 2, 3, 4 and 5, and for any other matter that may properly come before the meeting, express abstentions will be included in vote totals and, as such, will have the same effect on those proposals as a vote against such proposals.

For Proposals 1, 2, 3 and 5, and for any other matter that may properly come before the meeting, broker non-votes (i.e., the submission of a proxy by a broker or nominee specifically indicating the lack of discretionary authority to vote on the matter), if any, will not be included in vote totals and, as such, will have no effect on such proposals.

For Proposal 4, the approval of a Restated Certificate of Formation, broker non-votes will have the same effect on the proposal as a vote against such proposal.

**ELECTION OF DIRECTORS  
(PROPOSAL 1)**

The Board is classified into three classes, two of which are comprised of five directors and one that is comprised of three directors, for a total of 13 directors. One class of directors is elected each year for a three-year term. At the Annual Meeting five directors are to be elected for a term of three years. Under NASDAQ listing rules, a majority of the Board must be comprised of independent directors. The Board has determined that each director nominated, except for Sam Dawson, is independent under NASDAQ listing rules.

The five nominees identified below are nominees for election at the Annual Meeting for a three-year term expiring at the 2017 Annual Meeting:

While it is not expected that any of the nominees will be unable to qualify or accept office, if for any reason one or more shall be unable to do so, the proxies will be voted for the substitute nominee(s) selected by the Board of the Company.

### CORPORATE GOVERNANCE

#### Board Leadership Structure

Our Board of Directors functions in a collaborative fashion that emphasizes active participation by all of its members. Our business is conducted day-to-day by our officers, under the direction of our CEO, Sam Dawson, with oversight from the Board, to enhance the long-term value of the company for its shareholders. Mr. Dawson also serves as a member of the Board, which enables him to communicate the Board's strategic findings and guidance to management. Our Board of Directors determines who to appoint as our Chairman based on the knowledge and experience of the people then serving on our Board of Directors and chooses the person whom it believes best meets the needs of our company. In January 2012, when Mr. B.G. Hartley retired as CEO, our Board of Directors determined that he should continue to serve as Chairman of the Board with Mr. Dawson serving as CEO. These individuals have worked together for over 37 years. As a result, the Board believes there will continue to be consistent communication and coordination throughout the organization and this will continue to result in an effective and efficient implementation of corporate strategy.

#### Independent Directors

The Company's common stock is listed on the NASDAQ Global Select Market. NASDAQ listing rules require a majority of our directors be "independent directors," as defined in the NASDAQ listing rules. The Board has affirmatively determined that all of the Company's directors, other than Messrs. Hartley, and Dawson, are independent directors under the NASDAQ listing rules.

#### Shareholder Communication with the Board of Directors

The Company has adopted a procedure by which shareholders may send communications to one or more members of the Board by writing to such director(s) or to the whole Board in care of the Corporate Secretary, Southside Bancshares, Inc., Post Office Box 8444, Tyler, Texas 75711. Any such communications will be promptly distributed by the Corporate Secretary to such individual director(s) or to all directors if addressed to the whole Board.

#### Code of Ethics

The Company has adopted a Code of Ethics, applicable to all directors and executive officers of the Company. The Code of Ethics is available on the Company's website, [www.southside.com/investor](http://www.southside.com/investor), under the topic Corporate Governance. Within the time period required by the Securities and Exchange Commission ("SEC") and the NASDAQ Global Select Market, we will post on our website any amendment to our Code of Ethics and any waiver applicable to any of our directors, executive officers or senior financial officers.

#### Procedures for Reporting Concerns about Accounting, Internal Accounting Controls or Auditing Matters

Management of the Company has established a Whistle Blower Policy, which includes a fraud hotline. This includes an online reporting system as well as a toll-free, 24-hour, seven-day-a-week hotline. This is a confidential service in which officers and employees can report to an independent company any questionable accounting or auditing matters, including, but not limited to, the following: fraud or deliberate error in the preparation, evaluation, review or audit of any financial statement of the Company; fraud or deliberate error in the recording and maintaining of financial records of the Company; deficiencies in or noncompliance with the Company's internal accounting controls; misrepresentation or false statement to or by a senior officer or accountant regarding a matter contained in the financial records, financial reports or audit reports of the Company; or deviation from full and fair reporting of the Company's financial

condition. Any complaints received by the independent company will be reported directly to the Chairman of the Audit Committee and to the head of the Company's Internal Audit department. Complaints will be reviewed by Internal Audit under the direction of the Audit Committee. Complaints submitted will be promptly investigated and appropriate corrective action will be taken, as warranted by the investigation. Management is committed to comply with all applicable securities laws and regulations and therefore, encourage officers and employees to raise concerns regarding any suspected violations of those standards by using the fraud hotline.

#### Anti-Hedging and Anti-Pledging Policy

The Company maintains an anti-hedging and anti-pledging policy, which prohibits executive officers, directors and employees who receive equity grants from (1) directly or indirectly engaging in any hedging or monetization transactions, such as exchange funds, prepaid variable forward contracts, equity swaps, puts, calls, collars, forward sale contracts and other derivative instruments, through transactions in the Company's securities or through the use of financial instruments designed for such purpose, (2) engaging in short sale transactions in the Company's securities or (3) pledging the Company's securities as collateral for a loan, including through the use of traditional margin accounts with a broker. The company maintains this policy because hedging transactions, which might be considered short-term bets on the movement of the company's securities, could create the appearance that the person is trading based on inside information. In addition, transactions in options may also focus the person's attention on short-term performance at the expense of the Company's long-term objectives. Finally, the Company maintains this policy because a margin sale or foreclosure sale may occur at a time when the pledger is aware of material nonpublic information or otherwise is not permitted to trade in the Company's securities and the margin sale or foreclosure sale of the Company's securities during such time could also create the appearance that the person is trading based on inside information.

Board	14
Audit Committee	19
Nominating Committee	1
Compensation Committee	4

No member of the Board attended less than 75% of the aggregate meetings of the Board and all committees on which such director served during 2013. All of the Company's directors except Joe Norton were in attendance at the Company's 2013 Annual Meeting. Although the Company has not adopted a formal written policy with respect to director attendance at meetings, we encourage our directors to attend each annual meeting of shareholders and all meetings of the Board and committees on which the directors serve.

These committees were formed to assist the boards of directors of Southside Bank and the Company in the discharge of their respective responsibilities. The purpose and composition of these committees with respect to persons who are directors of the Company and Southside Bank are described below.

Board Oversight of Risk

The Company's Board of Directors recognizes that, although day-to-day risk management is primarily the responsibility of the Company's management team, the Board plays a critical role in the oversight of risk. The Board believes that an important part of its responsibilities is to assess the major risks the Company faces and review the Company's options for monitoring and controlling these risks. The Board assumes responsibility for the Company's overall risk assessment. The Audit Committee has specific responsibility for oversight of risks associated with financial accounting and audits, as well as internal control over financial reporting. This includes the Company's risk assessment and management policies, the Company's major financial risk exposure and the steps taken by management to monitor and mitigate such exposure. The Compensation Committee oversees the risks relating to the Company's compensation policies and practices, as well as management development and leadership succession, in the Company's

various business units. The Board as a whole examines specific business risks including but not limited to credit risk, interest rate risk and operations risk, in its regular strategic reviews on a company-wide basis.

In addition to periodic reports from the Audit Committee and Compensation Committee about the risks over which they have oversight, the Board receives presentations throughout the year from management that include discussions of significant risks specific to their area as necessary. Periodically, at Board meetings, management discusses matters of particular importance or concern, including any significant areas of risk requiring Board attention. We believe our risk oversight structure is also supported by our current Board leadership structure, with the Chairman of the Board working together with the independent Audit Committee and other standing committees.

### Audit Committee Charter

The Board has adopted a formal written Audit Committee charter that outlines the purpose of the Audit Committee, sets forth the membership requirements and addresses the key responsibilities of the Audit Committee. A copy of the Audit Committee charter may be obtained at the Company's website, [www.southside.com/investor](http://www.southside.com/investor), under the topic Corporate Governance.

### Nominating Committee of Southside Bancshares, Inc.

The Nominating Committee is responsible for identifying, screening and nominating candidates for election to the Board. The Committee is comprised of Messrs. Buie (Chairman), Cade, Norton, Powell and Sheehy, each of whom is an independent director of the Company, as defined by the current NASDAQ listing rules, and a director of Southside Bank. The Nominating Committee met one time in 2013.

The Nominating Committee seeks to create a Board that is, as a whole, strong in its collective knowledge and diversity of skills and experience and background with respect to accounting and finance, management and leadership, business judgment, industry knowledge and corporate governance. When the Nominating Committee reviews a potential new candidate, it looks specifically at the candidate's qualifications in light of the needs of the Board and the Company at that time, given the then-current mix of director attributes.

The Company's Board of Directors has established the following process for the identification and selection of candidates for director. The Nominating Committee, in consultation with the Chairman of the Board, annually reviews the appropriate experience, skills and characteristics required of Board members in the context of the current membership of the Board to determine whether the Board would be better enhanced by the addition of one or more directors. In considering board of director candidates, the Nominating Committee takes into consideration all factors that it deems appropriate, including, but not limited to, the individual's character, education, experience, knowledge, skills and ownership of the Company's stock. The Nominating Committee will also consider the extent of the individual's experience in business, education or public service, his or her ability to bring a desired range of skills, diverse perspectives and experience to the Board and whether the individual possesses high ethical standards, a strong sense of professionalism and is capable of serving the interests of shareholders. A candidate should possess a working knowledge of the Company's current local market areas. Additionally, the Nominating Committee will consider the number of boards the candidate currently serves on when assessing whether the candidate has the appropriate amount of time to devote to serving on the Company's Board. The Nominating Committee, when considering diversity, gives

strong consideration to a wide range of diversity factors as a matter of practice when evaluating candidates to the Board and incumbent directors, but the Committee does not have a formal policy regarding Board diversity.

The Nominating Committee identifies candidates to the Board by introduction from management, members of the Board, employees or other sources, and shareholders that satisfy the Company's policy regarding shareholder recommended candidates. The Nominating Committee does not evaluate director candidates recommended by shareholders differently than director candidates recommended by other sources. Shareholders wishing to submit recommendations for the 2015 Annual Meeting should write to the Nominating Committee in care of the Assistant Corporate Secretary, Southside Bancshares, Inc., Post Office Box 8444, Tyler, Texas 75711. Any such shareholder must follow the procedures set forth in the Company's bylaws and the Nominating Committee charter. Our bylaws provide that proposals that comply with all rules and requirements of the SEC and are included in our proxy statement are deemed to comply with the advance notice procedures in our bylaws. Recommendations must be filed with the Assistant Corporate Secretary, on or before November 27, 2014, in order to be included in the proxy statement for the 2015 Annual Meeting. See "Shareholder Proposals." The Nominating Committee is not obligated to nominate any individual for election. No shareholder recommendations or nominations have been received by the Company for this Annual Meeting. Accordingly, no rejections or refusals of such candidates have been made by the Company.

In addition, the Nominating Committee is responsible for identifying, screening, and nominating candidates for election to the Compensation Committee and Audit Committee and designating individuals, if any, as an "audit committee financial expert." These nominations are then submitted to the Board for final approval.

## Director Stock Ownership Policy

To help promote the alignment of the personal interests of the Company’s directors with the interests of our shareholders, the Company established in February 2014, a stock ownership policy for all non-employee directors. Under this policy, each non-employee director is required to acquire at least 5,000 shares of the Company’s common stock within five years after the date he or she is first elected as a director. The acquisition period is measured using the calendar year. For current directors, the policy requires that they accumulate these shares over the five years beginning on January 1, 2014. For any new directors, their five-year accumulation period will begin on January 1 of the year following their election. To the extent a director is not in compliance with the policy after the five year accumulation period, any compensation paid to that director must be in the form of stock compensation and the director is required to retain 50% of these stock awards.

The following table shows the stock ownership as of February 20, 2014 of our non-employee directors serving on that date and the percentage of the ownership guideline they have reached.

COMPENSATION DISCUSSION AND ANALYSIS

Overview of Compensation Program

In the paragraphs that follow, we will give an overview and analysis of our compensation programs and policies, the material compensation decisions we have made under those programs and policies, and the material factors that we considered in making those decisions. Later in this proxy statement under the heading “Executive Compensation” you will find a series of tables containing specific information about the compensation earned or paid in 2013 to the following executive officers, who are referred to as the “named executive officers” or “NEOs.”

- Sam Dawson - Chief Executive Officer, President and Director of the Company and Southside Bank;
- Lee R. Gibson, CPA - Senior Executive Vice President and Chief Financial Officer of the Company and Southside Bank and Director of Southside Bank;
- Jeryl Story - Former Senior Executive Vice President of the Company and Southside Bank and Director of Southside Bank, who passed away in October 2013;
- Michael L. Coogan, CFA - Former Executive Vice President, Treasurer and Advisory Director of Southside Bank, who left the Company in May 2013; and
- Peter M. Boyd - Regional President, Central Texas, and Advisory Director of Southside Bank.

The Compensation Committee of the Board (“the Committee”) has responsibility for reviewing and establishing the Company’s compensation programs, consistent with the Company’s compensation philosophy. The Committee attempts to ensure that the total compensation paid to the NEOs is fair, reasonable, and competitive. The Committee conducts an annual base salary and bonus compensation level review of the NEOs and engages outside consultants, as discussed below. When determining compensation, the Company typically does not establish specific performance goals for the NEOs, but instead evaluates and reviews each NEO’s contribution to the overall performance of the Company, taking into account any changes in duties or responsibilities, the overall banking environment, skills and talents demonstrated during the year and leadership skills.

During 2013, the Committee reviewed with management the design and operation of the incentive compensation arrangements for the NEOs and other employees of Southside Bank for the purpose of determining whether such programs might encourage inappropriate risk-taking that could have a material adverse effect on the Company. The Committee concluded the incentive plans and policies do not encourage the NEOs or other employees to take risks that are reasonably likely to have a material adverse effect on the long-term well-being of the Company.

The Committee also reviews and develops recommendations for director compensation, including committee service fees.

Compensation Philosophy and Objectives

The Committee believes that the most effective executive compensation program is one that is designed to reward long-term and strategic performance, and which aligns executives’ interests with those of the shareholders with the ultimate objective of improving long-term shareholder value. The Committee evaluates both performance and compensation to ensure that the Company maintains its ability to attract and retain superior officers in key positions and that compensation provided to key officers remains competitive relative to the compensation paid to similarly situated executives of our peer companies (as discussed below). To that end, the Committee believes executive compensation provided by the Company to its NEOs should include both cash and other benefits that reward both Company and executive performance. Performance is evaluated in a number of ways. First and most importantly, the

committee evaluates the overall performance of the Company during the year and over a longer term, typically three years. Performance metrics evaluated include profitability, return on equity, ability to pay dividends to shareholders, overall asset quality, capital levels and earnings per share. The Company's performance is measured against its peers utilizing outside independently produced peer group data. The committee also takes into consideration the results of outside examinations and audits. The committee evaluates individual performance of each NEO in their areas of responsibility and to the Company as a whole, taking into consideration the overall banking environment. Using this information as a guide the committee then works through its process of evaluating and setting compensation.

#### Role of Executive Officers in Compensation Decisions

The Committee makes recommendations to the Board regarding all compensation decisions for the NEOs. The CEO provides input regarding the performance of the other NEOs and makes recommendations for compensation amounts payable to the other NEOs. These recommendations are based on the CEO's personal observation of each NEO's performance, commitment and contribution to the Company. The CEO is not involved with any aspect of determining his own pay.

#### Setting Executive Compensation

Based on the compensation objectives noted above, the Committee has structured the NEOs' annual compensation to be competitive and to motivate and reward the NEOs for their performance.

In furtherance of this, the Committee occasionally engages an outside consulting firm to conduct a peer review of its overall compensation program for the NEOs. A peer review was conducted in 2011. The Committee engaged Pearl Meyer & Partners ("PM&P") to serve as an independent outside consultant to Southside Bancshares, Inc., reporting directly to the Committee. PM&P was engaged to prepare an Executive

Table of Contents

Compensation Review specifically for the Committee for 2011. This Executive Compensation Review was based on a custom peer group selected by PM&P based on asset size, location and performance (the “Compensation Peer Group”). PM&P provided the Committee a letter with a statement of independence and the procedures they follow to remain independent. The Compensation Peer Group is comprised of seventeen public commercial banks in Texas, Oklahoma, Arkansas, Arizona, Colorado, Mississippi and Missouri, against which PM&P and the Committee believes the Company competes for talent. At the time of the study the Compensation Peer Group assets ranged from \$1.0 billion to \$6.7 billion with a median asset size of approximately \$2.9 billion. The companies comprising the Compensation Peer Group were:

BancFirst Corporation	Hawthorn Bancshares, Inc.
Centrue Financial Corporation	MetroCorp Bancshares, Inc.
CoBiz Financial Inc.	Reliance Bancshares, Inc.
First M&F Corporation	Renasant Corporation
Enterprise Financial Services Corp	Southwest Bancorp, Inc.
Encore Bancshares, Inc.	Simmons First National Corporation
First Financial Bankshares, Inc.	Texas Capital Bancshares, Inc.
Great Southern Bancorp, Inc.	Western Alliance Bancorporation
Home Bancshares, Inc.	

During Committee discussions regarding setting NEO compensation for 2013, the Committee referenced the 2011 Executive Compensation Review. The Compensation Peer Group data is used for comparative purposes only. We do not target executive officer pay opportunities at any particular percentile relative to our Compensation Peer Group. The Committee evaluates the NEO's compensation and reviews and discusses performance, job responsibilities and tenure for each NEO position. Based on this review and discussion of each NEO, the Committee determines the NEO's total compensation. There is no pre-established policy or target for the allocation among different types of compensation. In determining the appropriate mix of compensation for 2013, the Committee took into consideration that the Company would likely utilize equity-based compensation as part of its executive officer compensation program.

2013 In Review

Southside Bancshares, Inc. financial results for 2013, included a return on average shareholders' equity of 16.50% and a return on average assets of 1.22%. Net income for 2013 increased \$6.5 million, or 18.7%, to \$41.2 million and diluted earnings per common share increased \$0.39, or 20.4%, to \$2.30. During 2013 loans increased 7.0%, while nonperforming assets decreased to 0.39% of total assets.

During the first half of 2013, Michael Coogan, our former Executive Vice President and Treasurer, submitted his resignation and left the Company. During October 2013, Jeryl Story, who served as Senior Executive Vice President, passed away.

2013 Executive Compensation Components

For the fiscal year ended December 31, 2013, the principal components of compensation for NEOs were:

- Base salary;
- Annual bonus;
- Long-term equity incentive awards;
- Retirement benefits;
- Perquisites and other personal benefits; and
- Health and welfare benefits.

## Base Salary

The Company provides NEOs and other employees with a base salary to compensate them for services rendered during the fiscal year. Base salaries for NEOs are determined based on their position and responsibility by using comparable market data adjusted for duties and responsibilities.

During the review of base salaries for executives, the Committee primarily considers:

- Compensation Peer Group data;
- internal review of the executive's compensation, both individually and relative to our other officers;
- overall individual performance of the executive;
- scope of responsibilities;
- experience; and
- tenure with the Company.

## Table of Contents

Salary levels are typically considered annually as part of the Company's performance review process as well as upon a promotion or other change in job responsibility. Merit-based increases to salaries of NEOs are based on the Committee's assessment of performance after considering recommendations of the CEO. The NEO salaries were approved by the Committee for 2013 based on the CEO's recommendations for the other NEOs and company performance. In making its final decision the Committee also considered that equity incentives would likely be offered as part of the NEOs compensation package sometime during 2013. Equity awards for the NEOs were awarded in December 2013.

After considering all of the relevant factors and the performance of each executive, the Committee decided that Messrs. Dawson, Gibson and Story would receive a 2.6% increase in base salary for 2013. Mr. Coogan received a 3.1% increase in base salary for 2013. Mr. Boyd received an increase in base salary of 70.9% for 2013. Mr. Boyd's increase in base salary represents a guaranteed compensation package for three years commensurate to previous compensation in consideration for Mr. Boyd agreeing to relocate from Tyler, Texas to open a new branch for the Company in Austin, Texas. The guaranteed base salary was to allow Mr. Boyd time to build his loan portfolio in Austin to a level that would allow Mr. Boyd an opportunity after the three year guaranteed period to receive a compensation package with a salary more commensurate to his previous salary combined with an incentive bonus as a commercial lender commensurate to that which he received in Tyler.

### Annual Bonus

All officers and employees of the Company have historically been paid an annual bonus equal to 12.5% of base salary. While referred to as a bonus, the 12.5% has been paid to all employees for over 30 years and is considered by most employees as part of their base salary even though it is approved as a bonus by the Board.

The Committee has in prior years recommended a special year-end bonus in excess of the 12.5% bonus for NEOs, based on a combination of individual and company performance. For Messrs. Dawson and Gibson, the Committee determined that a special year-end bonus was warranted based on overall company performance during 2013. The Committee considered overall financial performance including capital levels, nonperforming asset levels, net income, earnings per share, return on shareholders' equity and other performance metrics, combined with overall company objectives achieved and individual NEO performance. In determining the bonus amounts for Messrs. Dawson and Gibson, the committee considered the financial performance results achieved during 2013, including net income, return on equity, and return on assets. Specifically, the Committee considered that the Company had a very good year, net income increased 20.8%, diluted earnings per share increased 22.5%, return on average shareholders equity increased to 16.79%, return on average assets increased to 1.24%, and asset quality remained sound.

After considering all of these factors, the Committee recommended that special year-end bonuses for 2013 be paid to Messrs. Dawson and Gibson in amounts of \$120,000 and \$100,000, respectively. Bonuses for Messrs. Dawson and Gibson reflected leadership and the resulting performance in each of the areas of the Company for which they were responsible.

### New Annual Incentive Program for 2014

Prior to January 2014, the annual cash bonus program was primarily comprised of discretionary cash bonus awards. In December 2013, upon the approval of the Board based on the recommendation of the Compensation Committee, the Company implemented a formulaic annual incentive bonus program, the Annual Incentive Program ("AIP") to replace approximately 75% of the discretionary cash bonus awards starting January 1, 2014. Any discretionary cash bonus award for the Company's CEO and CFO annually will be based upon the Company's performance and individual contributions. The Compensation Committee may also award cash bonuses to other named executives and senior officers of the Company of the Bank.

Participants in the program for 2014 are Messrs. Dawson and Gibson. Under the program, Messrs. Dawson and Gibson have a maximum incentive opportunity of 60% and 45% of base salary, respectively.

We believe that a significant amount of our executives' compensation should be contingent on our performance. The AIP formalizes this philosophy for our top executives by providing a cash incentive for the attainment of profitable growth and stable financial operating conditions.

For 2014, the Compensation Committee approved the following performance measures, all of which are weighted equally:

- Earnings per share growth (fully-diluted)
- Loan growth
- Return on average equity
- Efficiency ratio
- Non-performing loans as a percentage of total assets

We believe that a focus on these metrics over time will support sustained performance and the long-term creation and preservation of shareholder value return.

Performance measures, goals and weighting will be set annually by the Compensation Committee. In determining the amount of the annual incentive payment, a threshold level of performance is established for each measure. Participants will earn a cash award based on the amount by which actual performance exceeds the threshold goal as set forth below, up to the set percentage of bonus allocated to each performance

Table of Contents

measure. In the event the Company's performance is less than the threshold with respect to a particular performance measure, no incentive compensation is payable for that particular measure.

Performance Measure	Weighting	Threshold	Award for Achieving Performance Over Threshold
Fully Diluted EPS	20%	5.0%	2.5% for each 1% above the threshold
Loan Growth	20%	5.0%	2% for each 1% above the threshold
ROAE	20%	8.0%	2.5% for each 1% above the threshold
Efficiency Ratio	20%	62.5%	2% for each 1% below the threshold
NPAs / Assets	20%	0.5%	1.5% for each 0.01% below the threshold

## Long-Term Equity Incentive Awards

The Southside Bancshares, Inc. 2009 Incentive Plan provides for the grant of equity awards to our employees, officers or directors. The primary purpose of the 2009 Incentive Plan is to promote our success by linking the personal interests of our employees, officers, directors and consultants to those of our shareholders, and by providing participants with an incentive for outstanding performance. During 2010, the Compensation Committee approved a long-term equity program that provides for the grant of equity consistent with the directives in the 2009 Incentive Plan. The Committee engaged the services of PM&P to assist in guiding the Committee as to what is comparable and customary related to long-term equity programs. The Plan outlines the type of incentive awards to be granted under the 2009 Incentive Plan and establishes proposed amounts for participants, subject to final approval by the Committee. We believe these awards align executive performance and achievement with shareholder interests.

For 2013, our continuing NEOs were awarded long-term equity awards with a value equal to a specified percentage of their base salaries, as follows: Mr. Dawson, 50%; Mr. Gibson, 40%; and Mr. Boyd, 25%. These awards were granted 50% in the form of stock options and 50% in the form of restricted stock units (RSUs). Details of the equity awards granted to the NEOs are set forth in the tables following the Compensation Discussion and Analysis. We do not anticipate additional grants will be made during 2014.

## Retirement Benefits

Retirement benefits fulfill an important role within the Company's overall executive compensation program because they provide a financial security component which promotes retention. We place great value on the long-term commitment that many of our employees and the NEOs have made to us and aim to incent those individuals to remain with the Company and to act in a manner that will provide longer-term benefits to the Company. The Company believes that its retirement program is comparable to those offered by the banks in our Compensation Peer Group and, as a result, is needed to ensure that our executive compensation remains competitive.

Our retirement plans are designed to encourage employees to take an active role in planning, saving and investing for retirement. The Company maintains a 401(k) plan (the "401(k) Plan"), a tax-qualified, defined contribution plan in which substantially all of our employees, including the NEOs, are eligible to participate. The Company also maintains a tax-qualified, defined benefit pension plan (the "Pension Plan") pursuant to which participants are entitled to benefits based on final average monthly compensation and years of credited service. In addition, the Company maintains a non-qualified supplemental retirement plan (the "Restoration Plan") which provides benefits in addition to the Pension Plan. The Pension Plan and the Restoration Plan are described in more detail under the Pension Benefits table in this Proxy Statement.

The Company has entered into deferred compensation agreements with each of the continuing NEOs that provide for the payment of a stated amount over a specific period of years. These deferred compensation agreements are

described in more detail under the Pension Benefits table in this Proxy Statement.

The Company has also entered into split dollar agreements with each of the continuing NEOs which allow the executives to designate the beneficiaries of death benefits under a life insurance policy. These agreements are described in more detail under the summary compensation table in this Proxy Statement.

#### Perquisites and Other Personal Benefits

The Company provides NEOs with perquisites and other personal benefits that the Company and the Committee believe are reasonable and consistent with its overall compensation program to better enable the Company to attract and retain superior employees for key positions. The committee periodically reviews the levels of perquisites and other personal benefits provided to NEOs. The Committee did not review perquisites during 2013, and there were no changes in the types of perquisites provided in 2013. Perquisites provided to NEOs during 2013 were Company paid club dues and a Company provided automobile, with the exception of Mr. Story, Mr. Coogan and Mr. Boyd who received a fixed monthly car allowance. Club memberships are made available to various officers who are expected to routinely entertain customers or prospective customers.

Table of Contents

Health and Welfare Benefits

The Company offers a standard range of health and welfare benefits on a uniform basis and subject to insurance policy limitations to employees, including NEOs, and their eligible dependents. The benefits are designed to attract and retain employees and provide security to employees for their health and welfare needs. The benefits include: medical, prescription, dental, employee life, group life and flexible spending accounts. NEOs participate in these employee benefit plans, which are generally available to full-time employees on the same terms as a similarly situated employee. Another benefit available to officers at or above the Vice President level and meeting a salary requirement, is a bank provided long-term disability insurance policy which includes accidental death and travel insurance plans and programs.

Severance

The Company entered into Employee Agreements with Mr. Dawson and Mr. Gibson in October 2007. The Board determined that it was in the best interest of the Company to retain the services and encourage the continued attention and dedication of Messrs. Dawson and Gibson to their assigned duties. The severance and change in control termination amounts were negotiated based on these NEOs' tenure, scope of responsibilities and other provisions in the agreement.

For a further discussion of the terms of the Employment Agreements, please see the discussion on page 26.

Tax and Accounting Considerations

Section 162(m) of the Internal Revenue Code places a limit of \$1 million on the amount of compensation that we may deduct in any year with respect to any one of our NEOs. This limitation does not apply to compensation that meets the requirements under Section 162(m) for “qualifying performance-based” compensation. The committee intends to maximize deductibility of executive compensation while retaining some discretion needed to compensate executives in a manner commensurate with performance and the competitive landscape for executive talent.

## Employment Agreements

The Company maintains employment agreements with Sam Dawson, President and CEO, and Lee R. Gibson, Senior Executive Vice President and CFO (the "Employment Agreements"). The Employment Agreements were entered into as of October 22, 2007 and initially extended through October 22, 2010, with automatic one year term extensions beginning on the first anniversary of the effective date, until a party gives 90 days' notice of non-renewal. The agreements are now in effect until October 22, 2016.

The Employment Agreements provide for an annual base salary to be reviewed no less frequently than annually by the Committee, and entitle Messrs. Dawson and Gibson to receive an annual incentive payment of not less than 12.5% of base salary. The amount actually awarded and paid to the executives each year will be determined by the Committee and may be based on specific performance criteria.

The Employment Agreements entitle Messrs. Dawson and Gibson to participate in all incentive, savings and retirement plans or programs and welfare and fringe benefits which are generally available to officers of the Company of comparable levels. Finally, the Employment Agreements state that the Company may pay country club annual dues and expenses for each of Messrs. Dawson and Gibson.

The Employment Agreements also provide Messrs. Dawson and Gibson with severance benefits in the event of certain terminations of employment. These benefits are described in "Potential Payments upon Termination or Change in Control" beginning on page 25 of this proxy statement.

## Split Dollar Agreements

In 2004, the Company entered into split dollar agreements with Messrs. Dawson, Gibson, Story, and Boyd. The agreements provide that the Company will be the beneficiary of Bank Owned Life Insurance (commonly referred to as BOLI) insuring the executives' lives. The agreements provide the executives with the right to designate the beneficiaries of the death benefits guaranteed in each agreement. The agreements originally provided for death benefits of an initial aggregate amount of \$2.5 million. The individual amounts are increased annually on the anniversary date of the agreement by an inflation adjustment factor of 5% for Messrs. Dawson and Gibson, and 3% for Mr. Boyd. As of December 31, 2013, the expected death benefits totaled \$2.7 million. Pursuant to Mr. Story's split dollar agreement, upon his death, his named beneficiary received a death benefit of \$1,086,000 in 2013. The agreements also state that after the executive's retirement date, the Company will pay an annual gross-up bonus to the executive in an amount sufficient to enable the executive to pay federal income tax on both the economic benefit and on the gross-up bonus itself. The expense associated with the post retirement liability was \$26,000 for the year ended December 31, 2013.

The table below sets forth information regarding grants of plan-based awards to the NEOs for the fiscal year ended December 31, 2013.

## 2013 GRANTS OF PLAN-BASED AWARDS

Reflects restricted stock units (RSUs) granted under the Southside Bancshares, Inc. 2009 Incentive Plan. The RSUs granted to Messrs. Dawson and Gibson vest annually in three equal installments and for Mr. Boyd vest (1) annually in four equal installments, all beginning on December 5, 2013, or earlier upon the death or disability of the grantee, or upon a change in control in which the successor company does not assume or otherwise equitably convert the awards.

Reflects stock options granted under the Southside Bancshares, Inc. 2009 Incentive Plan. The stock options granted to Messrs. Dawson and Gibson vest annually in three equal installments and those granted to Mr. Boyd (2) vest annually in four equal installments, all beginning on December 5, 2013, or earlier upon the death or disability of the grantee, or upon a change in control in which the successor does not assume or otherwise equitably convert the awards.

(3) The closing price of the Company's common stock per share on December 5, 2013, the grant date.

(4) Grant date fair value of the RSUs is calculated using the closing stock price on the date of grant. Grant date fair value of the stock options is based on the Black-Scholes option-pricing model. The grant date fair value of awards granted to Messrs. Dawson and Gibson was \$8.61 and awards granted to Mr. Boyd was \$8.58. The assumptions used in calculating these amounts are set forth in the notes to the Company's consolidated financial statements, which are included in the Company's Annual Report on Form 10-K for the year ended December 31, 2013 filed with the SEC.

## Pension Plan

The Pension Plan is a tax-qualified, defined benefit pension plan pursuant to which participants are entitled to benefits based on final average monthly compensation and years of credited service.

Entrance into the Pension Plan by new employees was frozen effective December 31, 2005. Employees hired after December 31, 2005 are not eligible to participate in the plan. All participants in the Plan are fully vested. All NEOs employed by the Company at December 31, 2013 were participants in the Plan. Benefits are payable monthly commencing on the later of age 65 or the participant's date of retirement. Eligible participants may retire at reduced benefit levels after reaching age 55.

The benefits under the Pension Plan are determined using the following formula, stated as a single life annuity with 120 payments guaranteed, payable at normal retirement age, which is defined as 65 under the Pension Plan.

Table of Contents

Formula (1) and Formula (2), calculated using Credit Service at Normal Retirement Date, multiplied by a service ratio and summed as described below:

Formula (1)	x	The fraction in which the numerator is Credited Service as of 12/31/05 and the denominator is Credited Service at Normal Retirement Date
	plus	
Formula (2)	x	The fraction in which the numerator is Credited Service earned after 12/31/05 and the denominator is Credited Service at Normal Retirement Date

Formula (1) is an amount equal to:

2% of Final Average Monthly Compensation times Credited Service up to 20 years, PLUS

1% of Final Average Monthly Compensation times Credited Service, if any, in excess of 20 years, PLUS

0.60% of that portion of Final Average Monthly Compensation which exceeds Monthly Covered Compensation times Credited Service up to 35 years

Formula (2) is an amount equal to:

0.90% of Final Average Monthly Compensation times Credited Service, PLUS

0.54% of that portion of Final Average Monthly Compensation which exceeds Monthly Covered Compensation times Credited Service up to 35 years

Benefit Formula Definitions

Credit Service

A participant's years of credited service are based on the number of years an employee works for the Company. The Company has no policy to grant extra years of credited service.

Final Average Monthly Compensation (FAMC)

The monthly average of the 60 consecutive months' compensation during the participant's period of credited service that gives the highest average. Compensation generally includes all gross income received by the participant for services actually rendered in the course of employment, with certain exclusions, plus any elective deferrals under Section 125 and Section 404(g)(c). Compensation in the Pension Plan is limited as required.

Covered Compensation

A rounded 35-year average of the Maximum Taxable Wages (MTW) under social security. The table in effect during the calendar year proceeding termination or retirement is used.

The Pension Plan was amended several years ago and participants must now retire to be eligible to receive payments out of the plan. All participants receiving payments out of the Pension Plan at the time of the amendment were grandfathered so as to allow them to continue receiving payments out of the plan. None of the NEOs were in pay status under the Pension Plan at the time of the amendment, and thus were not grandfathered.

Restoration Plan

The annual retirement income benefit of NEOs under the Pension Plan is subject to certain limitations imposed by the Internal Revenue Code. Under one such limitation, in determining the benefit accrued for a year under the Pension Plan, the benefit formula excludes a NEOs compensation above a specified compensation limit. In 2013, for example, the ceiling was \$255,000, which means that the compensation of NEOs in excess of that amount was not considered in the benefit formula for purposes of determining benefits under the Pension Plan. The Company maintains the Restoration Plan, a non-qualified supplemental retirement plan which provides additional benefits by taking into account the excess compensation not taken into account under the Pension Plan. The Restoration Plan is unfunded and noncontributory, which means that benefits are paid from the general assets of the Company and the NEOs are not required to make any contributions. The formula and assumptions used to calculate the benefit payable pursuant to the Restoration Plan are the same as those used under the Pension Plan described above, except that the amounts payable under the Restoration Plan are reduced by the amounts payable under the Pension Plan.

Deferred Compensation Agreements

Mr. Story's deferred compensation agreement provides that upon death his named beneficiary will be entitled to receive \$400,000 payable monthly over 10 years. In accordance with the terms of his deferred compensation agreement, payments commenced during 2013.

Under the terms of their deferred compensation agreements, Messrs. Dawson, Gibson, and Boyd are entitled to receive \$500,000, \$400,000, and \$300,000, respectively, payable monthly over 10 years, if the executive remains in the employment of Southside Bank until his retirement (on or after age 65), or upon permanent disability or death, whichever occurs first. If the executive's employment is involuntarily terminated by the Company for any reason other than for "good cause" (as defined in the agreements), such termination shall be treated the same as a retirement, and the

executive shall be entitled to receive the payments. If, prior to a Change in Control (as defined in the agreements), the executive terminates his employment prior to attainment of age 65 for any reason other than death or disability, no amounts shall be due such executive under his deferred compensation agreement. If, after a Change in Control, the executive terminates employment prior to attainment of age 65 for any reason other than death, disability, or for “good reason” (as defined in the agreements), no amounts shall be due to the executive under his agreement. After a Change in Control, a termination by the executive for “good reason” shall be treated the same as a retirement, and the executive shall be entitled to receive the payments.

#### Potential Payments Upon Termination or Change in Control

The following discussion summarizes the compensation benefits payable to (i) Messrs. Dawson, Gibson and Boyd, in the event of a termination of their employment under various circumstances, assuming that a termination of employment occurred on December 31, 2013, and (ii) Messrs. Coogan and Story, upon their respective termination of employment in 2013.

Upon termination of their employment, Messrs. Dawson, Gibson, Story, Coogan and Boyd would receive compensation and benefits for which they had already vested. This would include accrued but unpaid salary, accrued and unused vacation pay, and any balance under the 401(k) plan. In addition, Messrs. Dawson, Gibson, Story and Boyd would receive benefits under the Pension Plan and Restoration Plan, plus amounts payable under their deferred compensation agreements.

Table of Contents

Employment Agreements

In addition, the Company has employment agreements with Messrs. Dawson and Gibson, which govern the terms of each executive's payments and benefits upon termination or Change in Control, as summarized below.

Termination by the executive except for Good Reason; termination by the Company with Cause. If an executive terminates his employment without Good Reason (as defined in the Employment Agreements) or the Company terminates the executive's employment with Cause (as defined in the Employment Agreements), the executive will be entitled to receive his accrued salary and previously vested benefits. In this event, no special severance benefits are payable.

Termination by the executive for Good Reason; termination by the Company without Cause. If an executive terminates his employment for Good Reason or the Company terminates the executive's employment without Cause, the executive will be entitled to receive a single lump sum equal to:

- a severance payment equal to the executive's monthly salary multiplied by the number of months remaining in the term of the Employment Agreement (which would be between 24 and 36 months), plus \$10,000;
- a pro-rata bonus equal to the product of (i) the executive's Target Bonus (as defined in the Employment Agreements) for the termination year and (ii) a fraction, the numerator of which is the number of days in the current fiscal year through the termination date, and the denominator of which is 365;
- his accrued salary;
- accrued pay in lieu of unused vacation; and
- any vested compensation deferred by the executive (unless otherwise required by an agreement).

Additionally, all equity awards will become immediately vested and exercisable as of the date of termination. Finally, the executive will be entitled to any other amounts or benefits under any other plan pursuant to which the executive is eligible to receive benefits, to the extent officers of a comparable level at the Company received such benefits prior to the date of termination ("Other Benefits").

Termination due to death or Disability. If an executive's employment is terminated due to death or Disability (as defined in the Employment Agreements), he (or his estate) will receive accrued salary and Other Benefits.

Change in Control. If an executive's employment is terminated due to a Change in Control, he will be entitled to the same payments and benefits as if he had been terminated without Cause. However, instead of the severance payment described above, the severance payment will be calculated as follows:

- (a) if the termination occurs more than six (6) months prior to a Change of Control or more than two (2) years after the occurrence of a Change of Control, the severance payment shall be the product of two times the sum of (1) the executive's salary in effect as of the termination (ignoring any decrease in the salary unless consented to by the executive), and (2) the greater of the average of the annual bonuses earned by the executive for the two fiscal years in which annual bonuses were paid immediately preceding the year in which the termination occurs, or the executive's Target Bonus for the year in which the termination occurs; or
- (b) if the termination occurs within six months prior or within two years after the occurrence of a Change of Control, the severance payment shall be the product of 2.99 times the sum of (1) the executive's salary in effect as of the termination, and (2) the greater of the average of the annual bonuses earned by the executive for the two fiscal years in which annual bonuses were paid immediately preceding the year in which the termination occurs, or the executive's Target Bonus for the year in which the termination occurs.

**Restrictive Covenants.** The Employment Agreements contain confidentiality provisions and subject Messrs. Dawson and Gibson to certain non-compete and non-solicitation obligations during the term of employment with the Company and for a one-year period following termination of employment.

**Reduction in Certain Benefits.** The Employment Agreements also state that in the event that any of the severance benefits described above are subject to federal excise taxes under the “golden parachute” provisions under Section 280G of the Internal Revenue Code, the payments will be reduced to the extent necessary to avoid such excise taxes, but only if such reduction would result in a greater net benefit for the executive.

The following table quantifies the severance payments payable to Messrs. Dawson and Gibson pursuant to their employment agreements in the event their employment is terminated without “Cause for Good Reason,” or in connection with a “Change in Control,” and assumes a termination date of December 31, 2013.

Reason for Termination	Dawson	Gibson
By the Company without cause or by the executive for good reason	\$1,308,000	\$1,120,000
Termination in connection with a change in control	\$1,850,000	\$1,596,000

## Split Dollar Agreements

Under the terms of the split dollar agreements with Messrs. Dawson, Gibson, Story and Boyd, upon a termination of employment by reason of death, disability (as defined in the split dollar agreements), or retirement at or after age 65, or a termination following a change in control (as defined in the split dollar agreements), payment of the specified death benefits under the split dollar agreements would be triggered. If the executive's employment is terminated for Cause (as defined in the split dollar agreements), he will forfeit benefits under the split dollar agreements. Mr. Coogan did not have a split dollar agreement.

The following table quantifies the death benefit payable to the beneficiaries of Messrs. Dawson, Gibson, and Boyd pursuant to their split dollar agreements in the event their employment is terminated due to death while still employed by the Company, or in connection with death after termination from the Company due to termination without cause, retirement after age 65 or a change in control. This assumes the event occurred on December 31, 2013. Pursuant to Mr. Story's split dollar agreement upon his death his named beneficiary received the death benefit of \$1,086,000 in 2013.

Reason for Termination	Dawson	Gibson	Boyd
Death benefit while still employed by the Company at time of death	\$1,163,000	\$1,086,000	\$418,000
Death benefit after termination from Company without cause, retirement after age 65, or a change in control	\$923,000	\$790,000	\$684,000

NON-BINDING ADVISORY VOTE ON EXECUTIVE COMPENSATION  
(PROPOSAL 2)

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 enables our shareholders to vote to approve, on a non-binding, advisory basis, the compensation of our named executive officers at least once every three years. At the 2011 Annual Meeting of Shareholders, approximately 97% of the shares represented at the meeting in person or by proxy and entitled to vote were voted in support of the Company's compensation program. Also at the 2011 Annual Meeting, the Company's shareholders selected, on a non-binding, advisory basis, a triennial vote for the frequency at which the Company should include a Say-on-Pay vote in its proxy statement for shareholder consideration. In light of this result and other factors considered by the Board, the Board determined that the Company will hold Say-on-Pay votes every three years until the next required non-binding, advisory vote on the frequency of such votes, which is required to be held no later than the Company's 2017 Annual Meeting of Shareholders.

Accordingly, the Board is providing shareholders with the opportunity to cast a non-binding advisory vote on the named executive officer compensation program at our 2014 Annual Meeting. This vote will not be binding on or overrule any decisions by the Board, and will not create or imply any additional fiduciary duty on the part of the Board. However, our Compensation Committee will take into account the outcome of the vote when considering future named executive officer compensation arrangements.

As described in greater detail in our Compensation Discussion and Analysis above, we believe that our executive officer compensation program is structured in a manner that most effectively supports the Company and our business objectives. Our executive officer compensation program is designed to reward long-term and strategic performance, and is substantially tied to our key business objectives and the success of our shareholders. We monitor the various short-term and long-term aspects of our executive officer compensation program, including base salary, annual cash bonus and equity incentives, in comparison to similar programs and practices at comparable companies, so that we may ensure that our executive officer compensation program is within the competitive range of market practices.

The Board invites our shareholders to review carefully the Compensation Discussion and Analysis beginning on page 15 and the tabular and other disclosures on compensation under Executive Compensation beginning on page 20, and cast a vote to approve the Company's executive compensation programs through the following resolution:

"RESOLVED, that the shareholders approve the compensation paid to the Company's named executive officers, as disclosed in this proxy statement pursuant to the compensation disclosure rules of the SEC, including the Compensation Discussion and Analysis, the compensation tables and related narrative discussion."

The Board recommends a vote FOR the non-binding advisory vote on executive compensation.

RE-APPROVAL OF MATERIAL TERMS OF PERFORMANCE GOALS  
FOR QUALIFIED PERFORMANCE-BASED AWARDS  
UNDER THE SOUTHSIDE BANCSHARES, INC. 2009 INCENTIVE PLAN  
(PROPOSAL 3)

In order to preserve the Company's ability to continue to grant fully tax-deductible performance-based awards under the Southside Bancshares, Inc. 2009 Incentive Plan, (the "Plan"), the material terms of the performance goals, including the list of permissible business criteria for performance objectives, under the Plan must be approved by the shareholders no less often than every five years. We are asking for your re-approval of the material terms of the performance goals for qualified performance-based awards under the Plan. Shareholders are not being asked to approve any amendment to the Plan or to otherwise re-approve the Plan itself.

Section 162(m) of the Internal Revenue Code of 1986, as amended ("Section 162(m)"), prevents a publicly-held corporation from claiming income tax deductions for compensation in excess of \$1 million paid to certain senior executives. Compensation is exempt from this limitation if it is "qualified-performance based compensation." Market-priced stock options and stock appreciation rights are two examples of performance-based compensation. Other types of awards, such as restricted stock, restricted stock units, performance shares, performance units and cash-based awards that are granted pursuant to pre-established objective performance formulas, may also qualify as fully-deductible performance-based compensation, so long as certain requirements, such as shareholder approval of the material terms of the performance goals, are met. While the Company's shareholders previously approved the Plan and its material terms at the Company's 2009 Annual Meeting, that approval satisfies the Section 162(m) requirements only through the Company's 2014 Annual Meeting. Therefore, we are asking for your re-approval of the material terms of the performance goals under the Plan to enable qualified performance-based awards to be made after the 2014 Annual Meeting.

For purposes of Section 162(m), the material terms of the performance goals include (i) the employees eligible to receive compensation under the Plan, (ii) a description of the business criteria on which the performance goals may be based, and (iii) the maximum amount of compensation that can be paid to an employee under the performance goals. Each of these aspects of the Plan is discussed below. The full text of the Plan is filed as Appendix A to the Company's proxy statement for the 2009 Annual Meeting of Shareholders.

Eligibility and Participation

Awards may be granted under the Plan to any employees, non-employee directors and other individuals providing services to the Company and its affiliates. Currently, the company has approximately 515 employees and twelve non-employee directors that are eligible to participate in the Plan.

Performance Objectives

The provisions of the Plan are intended to ensure that all stock options and stock appreciation rights granted thereunder will qualify for the Section 162(m) performance-based exemption from Section 162(m). When granting any other award, the Compensation Committee may designate such award as a "qualified performance-based award" intended to qualify for the Section 162(m) exemption. If an award is so designated, the Compensation Committee must establish objectively determinable performance goals for such award within the time period prescribed by Section 162(m) based on one or more of the following business criteria, which may be expressed in terms of company-wide performance objectives or in terms of objectives that relate to the performance of a division, business unit, affiliate, department, or function within the Company or an affiliate:

Revenue

Sales

Profit (net profit, gross profit, operating profit, economic profit, profit margins or other corporate profit measures)

Earnings (EBIT, EBITDA, earnings per share, or other corporate earnings measures)

Net income (before or after taxes, operating income or other income measures)

Cash (cash flow, cash generation or other cash measures)

Stock price or performance

Total shareholder return (stock price appreciation plus reinvested dividends divided by beginning share price)

Economic value added

Return measures (including, but not limited to, return on assets, capital, equity, investments or sales, and cash flow return on assets, capital, equity, or sales);

Market share

Improvements in capital structure

Expenses (expense management, expense ratio, expense efficiency ratios or other expense measures)

Business expansion or consolidation (acquisitions and divestitures)

- Internal rate of return or increase in net present value

Productivity measures

Cost reduction measures

Strategic plan development and implementation

Table of Contents

Each qualified performance-based award (other than a market-priced stock option or stock appreciation right) will be earned, vested and payable, as applicable, only upon the achievement of performance goals established by the Compensation Committee based upon one or more of the above-listed qualified business criteria, together with the satisfaction of any other conditions, such as continued employment, as the Compensation Committee may determine to be appropriate. However, the Compensation Committee may provide, either in connection with the grant of an award or by amendment, that achievement of such performance goals will be waived upon the death or disability of the grantee, or the occurrence of a change in control of the Company. Performance periods established by the Compensation Committee for any qualified performance-based award may be as short as three months and may be any longer period.

The Compensation Committee may provide in any qualified performance-based award that the evaluation of performance goals may include or exclude any of the following events that occurs during a performance period: (i) asset write-downs or impairment charges; (ii) litigation or claim judgments or settlements; (iii) the effect of changes in tax laws, accounting principles or other laws or provisions affecting reported results; (iv) accruals for reorganization and restructuring programs; (v) extraordinary nonrecurring items as described in Accounting Principles Board Opinion No. 30; (vi) extraordinary nonrecurring items as described in management's discussion and analysis of financial condition and results of operations appearing in the Company's annual report to shareholders for the applicable year; (vii) acquisitions or divestitures; and (viii) foreign exchange gains and losses. To the extent such inclusions or exclusions affect Awards to covered employees, they shall be prescribed in a form that meets the requirements of Code Section 162(m) for deductibility.

Qualified performance-based awards may not be adjusted upward. The Compensation Committee has discretion to adjust such awards downward, either on a formula or discretionary basis or any combination. Any payment of a qualified performance-based award will be conditioned on the written certification of the Compensation Committee that the performance goals and any other material conditions were satisfied.

#### Limitations and Maximum Grants Under the Plan

Subject to certain anti-dilution adjustments, a total of 1,000,000 shares of the Company's common stock were originally reserved for issuance as awards under the Plan. To the extent that an award is canceled, expires, is forfeited or lapses for any reason, any unissued shares subject to the award will again be available for issuance pursuant to awards granted under the Plan. Shares withheld from an award to satisfy the exercise price or minimum tax withholding requirements will again be available for issuance pursuant to awards granted under the Plan, as will shares subject to awards settled in cash.

The following grant limits apply to qualified performance-based awards granted under the Plan:

The maximum aggregate number of shares subject to stock-based awards that may be granted under the Plan in any twelve-month period to any one person is as follows:

Options	35,000
Stock appreciation rights	35,000
Restricted stock	25,000
Restricted stock units	25,000
Other stock-based awards	25,000

The aggregate dollar value of any cash-based award that may be paid under the Plan in any twelve-month period to any one person is \$500,000.

These limits are subject to anti-dilution adjustments in the event of stock splits, mergers, consolidations, stock dividends, recapitalizations and similar transactions, but may not otherwise be amended without shareholder approval.

The Board recommends a vote FOR the re-approval of the material terms of performance goals for qualified performance-based awards under the Southside Bancshares 2009 Incentive Plan.

RESTATE CURRENT ARTICLES OF INCORPORATION  
(PROPOSAL 4)

In February 2014, the Board unanimously adopted resolutions (i) approving, subject to the approval of the Company's shareholders, a restated certificate of formation which conforms the Company's current Articles of Incorporation (the "current articles") to the provisions of the Texas Business Organizations Code (the "TBOC") and updates the current articles, and (ii) recommending that the Company's shareholders approve the restated certificate of formation.

The TBOC was promulgated to modernize and consolidate the existing law governing Texas business entities. The TBOC took effect on January 1, 2006. However, Texas entities formed prior to January 1, 2006 were not subject to the TBOC until January 1, 2010. After January 1, 2010, all entities formed in Texas, regardless of their date of formation, became governed by the TBOC. The Company was incorporated in Texas in 1982, and thus did not become subject to the TBOC until January 1, 2010. The TBOC provides that any Texas corporation formed prior to January 1, 2006 is not considered to have failed to comply with the TBOC if the corporation's certificate of formation did not comply with the requirements of the TBOC as of January 1, 2010. However, any such corporation must conform its certificate of formation to the TBOC when the corporation next files an amendment to its certificate of formation.

One of the most significant impacts of the TBOC was the standardization of the statutory terminology relating to Texas corporations and other business entities. For example, the TBOC provides that the primary governing document for a corporation is referred to as a "certificate of formation," whereas the charter of a corporation such as the Company was previously referred to as "articles of incorporation." As a result, the majority of the amendments to the current articles made by the restated certificate of formation relate to the new terminology created by the TBOC.

The Board believes it is in Company's best interests to adopt the restated certificate of formation at the Annual Meeting as opposed to waiting to do so when the Company might otherwise seek to amend the current articles. The restated certificate of formation will modernize the current articles and conform the current articles to the provisions of the TBOC. In addition, the restated certificate of formation will conform the current articles to the Company's Amended and Restated Bylaws, which the Company adopted in order to conform the Company's bylaws to the TBOC and to generally modernize the Company's bylaws.

If the Company's shareholders vote to approve the restated certificate of formation, the Company will have the authority to file the restated certificate with the Texas Secretary of State, and the restated certificate of formation will become effective upon its filing. The table below sets forth the material amendments to the current articles made by the restated certificate of formation. The full text of the restated certificate of formation is set forth in Appendix A.

Section of Current Articles	Section of Restated Certificate	Change Effected by the Restated Certificate
One, Three	One, Three	Article One and Three have been revised to state that the Company is a "for-profit" corporation in accordance with the TBOC requirement that the certificate of formation of a Texas corporation must specify the corporation's entity type.
Eleven	Eleven	The reference to the number of the Company's directors has been changed from ten (10) to thirteen (13) to reflect the current number of directors comprising the Board and the list of the Company's directors has been

updated to reflect the names of the current directors.

The provision describing the terms of the Company's three classes of directors has been revised to remove outdated references to the years in which the terms of the initial directors in each class expired and to conform to the same provision in the Company's Amended and Restated Bylaws.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

None of the members of the Compensation Committee, during the fiscal year ended December 31, 2013, is a current or former officer or employee of the Company.

During the fiscal year ended December 31, 2013:

No executive officer of the Company served as a member of the compensation committee or other board committee performing similar functions (or on the board of directors of any entity without such a committee) of another entity, one of whose executive officers served on the Compensation Committee of the Company.

No executive officer of the Company served on the board of directors of another entity, one of whose executive officers served on the Compensation Committee of the Company.

No executive officer of the Company served as a member of the compensation committee or other board committee performing similar functions (or on the board of directors of any entity without such a committee) of another entity, one of whose executive officers served as a director of the Company.

For information concerning transactions by the Company and Southside Bank with certain members of the board of directors of Southside Bank, please see "Transactions with Directors, Officers and Associates."

TRANSACTIONS WITH DIRECTORS, OFFICERS AND ASSOCIATES

The board of directors reviews and discusses each potential transaction with a director, executive officer, significant shareholder or any of their immediate family members and votes to approve or disapprove the transaction. Directors or executive officers who are interested in a particular transaction do not vote on the transaction with respect to which they are interested. The Company's Board has adopted a Conflict of Interest Policy that addresses transactions with related persons.

Certain of the executive officers and directors of the Company and Southside Bank (and their associates) have been customers of Southside Bank and have been granted loans in the ordinary course of business. Southside Bank is subject to Federal Reserve Regulation O, which governs loans to directors, executive officers and certain shareholders of banks and bank holding companies. All loans or other extensions of credit made by Southside Bank to executive officers and directors of the Company and Southside Bank were made in the ordinary course of business on substantially the same terms, including interest rates, maturities and collateral, as those prevailing at the time for comparable transactions with persons not related to the Company or Southside Bank and did not involve more than the normal risk of collection or present other features that are unfavorable to Southside Bank. Prior approval by a majority of the board of directors, with the interested party abstaining, must be obtained for any loan to a director or a director's related interest(s) which, when aggregated with all loans to the director and/or to that director's related interest(s) exceed 10% of Southside Bank's capital plus unimpaired surplus. Prior approval requirements for individual advances for the board of directors will be satisfied by annual Board approval of a line of credit for a director's personal borrowing and similar approval of a line of credit for director-owned or controlled business borrowing. All advances made pursuant to an approved line of credit within 12 months of the date of approval shall be treated as approved. Loans to persons employed by Southside Bank who are considered under Regulations of the Federal Reserve Board to be executive officers shall be subject to prior approval by the board of directors. The Company expects similar transactions to occur in the future with its executive officers and directors as well as directors and officers of Southside Bank. In addition, Billie Boyd Hartley, the spouse of B. G. Hartley, and Jane Hartley Coker, the daughter of B. G. Hartley are employed by Southside Bank and received compensation of \$168,802 and \$274,536, respectively, in 2013. Trent Dawson, son of Sam Dawson, is employed by Southside Bank and received compensation of \$128,047 in 2013.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers and directors, and any persons who own more than 10% of the Company's common stock, to file reports of initial ownership of the Company's common stock and subsequent changes in that ownership with the SEC. Executive officers, directors and greater than 10% shareholders are required by SEC regulations to furnish the Company with copies of all forms they file pursuant to Section 16(a). Based solely upon a review of the copies of the forms furnished to the Company, or written representations from certain reporting persons that no Form 5's were required, the Company believes that during fiscal year 2013 all Section 16(a) filing requirements were complied with except that:

Lee R. Gibson filed a late Form 4 on December 9, 2013 to report the disposition of 412 shares to satisfy the tax withholding obligation in connection with vesting of RSUs on June 9, 2013, and the disposition of 370 shares to satisfy the tax withholding obligation in connection with vesting of RSUs on August 2, 2013.

Julie Shamburger filed a late Form 4 on December 10, 2013 to report the acquisition of stock options and RSUs granted on December 5, 2013.

AUDIT COMMITTEE REPORT

The following report of the Audit Committee does not constitute “soliciting material” and should not be deemed to be “filed” with the SEC or incorporated by reference into any other filing of the Company under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates this report by reference in any of those filings.

The Audit Committee oversees the Company’s financial reporting process on behalf of the Board of Directors. The Company’s management has the primary responsibility for the financial statements and for maintaining effective systems of internal control. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed the audited consolidated financial statements contained in the Annual Report on Form 10-K for the year ended December 31, 2013 with Company management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent registered certified public accounting firm, Ernst & Young LLP (“EY”), which is responsible for expressing an opinion on the conformity of those audited consolidated financial statements with U.S. generally accepted accounting principles and an audit on the effectiveness of internal control over financial reporting in accordance with the standards of the Public Company Accounting Oversight Board (the “PCAOB”) (United States), its judgments as to the quality, not just the acceptability, of the Company’s accounting principles and such other matters as are required to be discussed with the Audit Committee by Rule 3526, by the PCAOB, other standards of the PCAOB, rules of the SEC, and other applicable regulations.

The Audit Committee has received the written disclosures and the letter from EY in accordance with applicable requirements of the PCAOB regarding the independent accountant’s communications with the Audit Committee concerning independence, and the Audit Committee discussed with EY that firm’s independence.

The Audit Committee discussed with EY the overall scope and plans for their audit. The Audit Committee meets with EY with and without management present, to discuss the results of their financial statement audit, their evaluations of the Company’s internal control and the overall quality of the Company’s financial reporting.

Based on the Audit Committee’s review and discussions referred to above, the Audit Committee recommended to the Company’s board of directors that the Company’s audited consolidated financial statements be included in the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2013 for filing with the SEC.

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM  
(PROPOSAL 5)

The Audit Committee of the Board has selected EY to serve as the Company's independent registered public accounting firm for the year ending December 31, 2014. EY has served as the Company's independent registered public accounting firm since 2012. We have been advised by EY that neither it nor any of its members had any financial interest, direct or indirect, in us nor has it had any connection with us or any of our subsidiaries in any capacity other than independent auditors. The Board recommends that you vote for the ratification of the selection of EY. Shareholder ratification of the selection of EY as our independent registered public accounting firm is not required by our certificate of formation, bylaws or otherwise. Nevertheless, the Board is submitting this matter to the shareholders as what we believe is a matter of good corporate practice. If the shareholders do not ratify the appointment of EY, then the appointment of an independent registered public accounting firm will be reconsidered by our Audit Committee. Even if the appointment is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it is determined that such a change would be in the best interest of the Company and its shareholders. Representatives of EY are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so, and to respond to appropriate questions.

The Board of Directors recommends a vote FOR the ratification of Ernst & Young LLP as the Company's independent registered public accounting firm for the year 2014.

ANNUAL REPORT TO SHAREHOLDERS

The Company's Annual Report on Form 10-K, as integrated into the Annual Report to Shareholders for the fiscal year ended December 31, 2013, accompanies this Proxy Statement. The Annual Report does not constitute outside solicitation materials. Additional copies of Form 10-K are available at no expense; exhibits to Form 10-K are available for a copying expense to any shareholder by sending a written request to the Corporate Secretary of the Company, Post Office Box 8444, Tyler, Texas 75711. The Company's public filings with the SEC may also be obtained free at the Company's website: [www.southside.com/investor](http://www.southside.com/investor), under the topic Documents.

SHAREHOLDER PROPOSALS

SEC rules establish the eligibility requirements and the procedures that must be followed for a shareholder's proposal to be included in the Board's proxy solicitation materials. Under those rules, any shareholder wishing to have a proposal considered for inclusion in the Board's proxy solicitation materials for the 2015 Annual Meeting must set forth his or her proposal in writing and file it with the Secretary of the Company on or before November 27, 2014. Proposals must comply with all applicable SEC rules. The Board will review any proposals received by that date and will determine whether applicable requirements have been met for including the proposal in the 2015 proxy solicitation materials.

In addition, the Company's bylaws establish advance notice procedures that must be followed for a shareholder proposal to be presented at an Annual Meeting but not included in the Board's proxy solicitation materials. Any shareholder wishing to have a proposal considered for the 2015 Annual Meeting, but who does not submit the proposal for inclusion in the Board's proxy statement, assuming that the 2015 Annual Meeting occurs on a date that is not more than 30 days before or 60 days after the anniversary of the Annual Meeting, must submit the proposal as set forth above not earlier than January 1, 2015 and no later than January 31, 2015.

For any proposal that is not submitted for inclusion in next year's proxy solicitation materials, but is submitted for presentation at the 2015 Annual Meeting, SEC rules permit the persons named as proxies in the proxy solicitation materials to vote proxies in its discretion if: (1) the proposal is received before January 31, 2015 and we advise shareholders in the 2015 proxy solicitation materials about the nature of the matter and how management intends to vote on such matter, or (2) the proposal is not received before January 31, 2015.

If a shareholder specifies a different choice on the proxy, those shares of common stock will be voted in accordance with the specification so made.
